Employer: CRC Health Group - Clarksburg Treatment Center

Position: Counselor

Job Description: Full Time,

Clarksburg Treatment Center, a member of CRC Health Group, is an outpatient substance abuse treatment facility serving patients diagnosed with the disease of addiction specifically to the opioid class of drugs. Our facility has an opening for full time Addictions Counselors. The qualified candidates will work closely in a team environment with a team of clinicians, medical personnel, and office personnel in accordance with State and Federal Regulations to provide care for our patients. We offer our patients an out-patient environment conducive to recovery from the disease of addiction, while we offer our staff an educational environment where patient care is our top priority.

Under the supervision of the Clinical Supervisor, our Counselors are ultimately responsible for providing individual and group therapy to patients with a primary diagnosis of chemical dependency. Additional responsibilities include:

1) Assisting our patients with reaching their treatment goals;
2) Preparing current patient progress reports and completion notices;
3) Providing paperwork to patients, courts, probation and parole departments and referral sources;
4) Maintaining accurate records to ensure compliance with all Federal and State regulations;
5) Coordinating and cooperating with local agencies and organizations necessary to expedite treatment for each patient.

Job Requirements

1) Bachelorâ€™s degree in the field of social/behavioral sciences or human services required;
2) Masterâ€™s degree preferred;
3) West Virginia Certified/Licensed Addictions Counselor preferred;
4) Ability to work early morning hours;
5) Excellent verbal, non-verbal, and written communication skills;
6) Experience with chemical dependency and/or medication assisted treatment preferred.

Qualifications: CRC Health Group offers a competitive benefits package to all full-time employees, including
