ABOUT THE DEPARTMENT

The Glenville State University Department of Fine Arts offers students a diverse range of creative experiences, from classical studio art courses to graphic design. Our department is housed in one of the largest facilities on campus, featuring state of the art studios and a dedicated graphics lab. Our ceramics studio is equipped with electric and kick wheels, a slab roller, an electric kiln, a laser engraver, and more. Students at GSU also have opportunities to showcase their work on campus in the Spears Gallery, located within the Fine Arts Center.

PIONEER YOUR PATHWAY

Alumni of Glenville State University's Art and Design program are prepared for a wide range of careers in the creative industries with a Bachelor of Arts in Art. Students can personalize their degree by choosing minors like marketing, business, or computer science and selecting electives from specialized pathways, including:

- Ceramics & Sculpture
- Digital Illustration
- Digital Media
- Drawing & Painting
- Graphic Design
- Strategic Design
