Call to order @ 11:02 AM by Tom Ratliff

Updates on Current Campus Projects:

- A meeting with an Architect on core drilling in the Amphitheater was held.
- The Geologists were not concerned with damage occurring to the walls in front of the Library.
- The Boiler in the Administration Building has been replaced.
- The Clark Hall Chandelier is complete.

Discussion of Unused Facilities and Future use of those Facilities:

- A Back Up Server will be installed.
- The Clark Hall Cupola and roof underneath will be replaced.
- There will be additional Security Lighting added to campus.
- The Electric Company has been to campus to fix the lighting in the Pioneer Village and Lot K Parking lots.

- Plans are being discussed for moves on campus.

Discussion of Safety Concerns:

- Public Safety will need updated radios in order to communicate with local Law Enforcement as the county's system is being updated making their current radios obsolete.

BIT Discussion:

- The BIT Team is successfully continuing to resolve referrals.
- It was suggested that campus wide training on the referral process be given.

Other Discussions, Updates, and Concerns:

- Elevator buttons are still being vandalized and damaged.
- The Electric Company has agreed to put a technician back in Gilmer County.
- Damage in Goodwin and Pickens Hall was found to be reduced during the Fall 23 Semester.
