- IX. Old Business
 - i. Parking: Currently the reserved parking spots are at an equal amount, just moved to a new location. But there are also suspicions that Freshman are parking on campus and causing the current problem. President McVaney brought up a solution regarding the issue. Would be allow Freshman to park in "the Pit" but resume ticketing for Freshman who park on campus.
 - a) Senator Lynn shows favor towards the idea as it would be more convenient for Freshman.

- b) Senator Henline does not show favor towards that solution because if it gets filled up by Freshman then she will be unable to park. Not able to make it to class and that causes problems.
