The Pioneer Progress Tuition Program is an integral part of the institution’s commitment to student access for a quality post-secondary education and on-time graduation. Students continuing in the program will be charged the tuition rate at the time of initial acceptance into the program for up to four years.

Students must submit a completed and signed application form to their assigned academic advisor for processing initial admission into the program and each year thereafter for continued participation in the program. Applications are only accepted during the Spring semester and must be submitted to their academic advisor by no later than May 10.

Eligibility for the program is based on students meeting all of the following requirements on an initial and continuing basis:

- Newly enrolled Fall 2015 or after full-time at Glenville State College for at least two semesters prior to admittance to the program and continuous full-time enrollment thereafter.
- Successful completion of at least 30 credit hours at the College during the academic year preceding and subsequent to admission to the program. Credits earned during the summer from Glenville State can be applied toward the 30 credit hour requirement; however, the application must be submitted by May 10.
- Credits earned in foundational courses taken at the College can only be applied toward the 30 credit hour requirement during the student’s first year of full-time enrollment at the College.
- All 30 credit hours must apply toward the student’s declared course of study as listed in Degree Works. First-year students who did not declare a field of study upon admission to the College can meet the 30 credit hour requirement with general education courses, but are required to declare a field of study prior to application for admission to the program.
- Students must have an institutional cumulative GPA of 2.0 or higher in the academic year preceding admission to the program and thereafter.
- Students must be registered for the correct upcoming fall term classes at the time of initial application and each term thereafter.
- A scholarship offsetting the tuition increase will be applied to the student’s account each semester.

I have reviewed the requirements of the Pioneer Progress Tuition Program presented above and affirm that I am eligible for admission to or continuation in the Program.

Student’s Name: (printed) ______________________ Student ID: _________________

Student’s Signature: ____________________________ Date: ______________________

As the assigned academic advisor for the student named above, I certify that said student is eligible for admission to or continuation in the Pioneer Progress Tuition Program.

Advisor’s Name: (printed) ______________________

Advisor’s Signature: ____________________________ Date: ______________________

The signed application form and required Degree Works audit must be received by the Office of the Registrar by no later than May 15 each year.

Registrar’s Signature: ____________________________ Date: ______________________
