Hidden Promise Mentor Requirements  
2012 – 2013

The Hidden Promise Mentor Program is designed to support 8th – 12th grade students in the school districts participating in HPS. Mentors build relationships with each student through conversation via phone, personal school visits, email, etc. As a mentor, it is your responsibility to understand the personal, academic and career goals of each of your assigned mentees and assist with
any questions they may have. You must keep them informed of program events, activities and benefits as necessary.

In order for the Hidden Promise Mentor Program to be successful, each participant must be committed to the goals of this program (i.e., to see more students graduate from high school, attend college, and graduate from college) through the relationships and activities provided in the program and by the Mentor. To fulfill this commitment you must be willing and able to spend time completing the following:

1. Complete a background check and have a current TB test.
2. Report to all mentor training, meetings, or sessions in a timely manner.
3. Maintain a 2.0 GPA. (Grades will be checked at mid-term and at the end of the semester.)
4. Make contact with Mentor Coordinator Stacy Adkins at least once a month.
5. Assist the HPS Coordinators on at least one visit to the school(s) in your assigned county during the academic year, and attend the Community Gathering at a designated location within the respective county.
6. Assist with the Spring Percussion Ensemble and/or HPS College Day visit, give a tour, and have lunch on campus with your mentees (dates will be given).
7. Make contact with each mentee at least once a month by phone. If the student prefers email or another way of contact (or does not have a phone), you may use an alternate form of contact, but correspondence must be printed and turned in with your timesheets.
8. Prepare and submit accurate progress reports on each Hidden Promise mentee.
9. Submit monthly time sheets.

**All HPS Students and Mentors:** Please note that if you have an issue fulfilling any of the requirements listed above, it is your responsibility to contact HPS Coordinator Stacy Adkins in a timely manner to obtain an excused absence and/or work out an alternate assignment if necessary.
