GSC Debate Club Recently Formed

GSC Debate Club was recently organized. Mr. Benjamin F. East, assistant professor of history, is club adviser and debate coach. The club purpose is to stimulate interest in debate and develop inter-col­ league debating.

Charter members are James Buck, president; Sherry Curtis, secretary-treasurer; Patricia Hor­ nor, Barbara Jeffries, Elizabeth Beall, Majorie Roth, Larry Wolfe, Robert Smith, Robert Bays, Gho­ lad Irany and Jack Rhodes.

Teams will debate at Miami Uni­ versity, Oxford, Ohio, March 10, and at the University of Pittsburgh, March 17.

Snowflake Ball Set
For December 16

International Relations - Poli­ tical Science Club will sponsor the annual Snowflake Ball this year on Saturday, Dec. 16, from 9-12 p.m. in the Student Union announces Preston Brownson, president.

Prospective band is the "Kool Kats" from W. Va. Tech. Tickets may be purchased from any member of GSC-POC for $2.50 or at the door for $3.00. This dance will be the last major dance before the Christmas holidays.

Reigning over the semi-formal dance will be a Snowflake Queen chosen by GSC students. Nomina­ tions for queen are five cents and all other votes are one cent. The voting will be held in the Student Union on Dec. 12.

The woman receiving the highest number of votes will reign as queen, and the four next highest will serve as attendants.

The queen will be crowned dur­ ing the dance. Queen the past year was Judy Young, sophomore from Summersville. Mrs. Twyla McCue Hinniman was the 1959 Snowflake Queen.

MR. COLEMAN DIRECTS TRAGEDY

Shakespearean Play in Production
James Booth Is Cast As Hamlet

"Hamlet" is now in production. This is the first production of a play by Shakespeare at Glenville for many years, or at least as far back as our records go.

William S. E. Coleman, associate professor of speech and English, will direct the play.

James Booth, junior from Parkersburg, will play the title role.

The King and Queen of Den­ mark will be Larry Wolfe and Elizabeth Beall. Harry Lynch will portray the part of Polonius and Linda Lambotte will portray Opal­ lia, daughter of Polonius. William Spellman will be Laertes.

Harold Mets will make his last appearance on the Glenville Stage as Claudius. Also featured in the cast will be Dwain Wilson, Edward Nichols, Dave Buck, John Best, John Hardman, Marjorie Roth, Jerry Morgan and Jack Rhodes.

This play will be presented to the Glenville arena stage by Mr. Cole­ man. Competition for parts was the greatest in recent years with some parts being turned over before the show was open for casting. Every effort is being made to make "Hamlet" the

Glenville State College, Glenville, W. Va.
Circulation Managers Send Mercury To Campus, State and Other Points

By Brenda Hickman

At one walks into the Student Union and other campus buildings every day, he observes students studying the Mercer with great interest.

Many people in addition to the students and faculty at GSC are also reading the MERCURY.

Copies of the college newspaper, numbering 147, are mailed to members of the State Board of Education, W. Va., college presidents, other college newspapers, paid subscribers, and many high schools throughout the state. However, the MERCURY is not kept within the boundaries of the State of Virginia.

The MERCURY is written in Rhode Island, Florida, New York, Georgia, Pennsylvania, Maryland, Minnesota, Missouri, California, and Colorado.

On campus, copies of the paper may be found in the dormitories, the library, Administration Building, and other places. Students charge the number of papers distributed on campus is 67.

The circulation managers on the MERCURY staff have a task which takes time and work. The papers must be carried home and stuffed into envelopes on campus, addresses are typed on the envelopes, and sheets of papers must be wrapped and arranged in bundles according to their zone.

Poetry Contest

Three winning poems in the third annual GSC Poetry Contest sponsored by the MERCURY will appear in the next issue (Dec. 13) of the MERCURY. Judges for the contest are Dr. Euge Miller, Mr. Carl Kerr and Mr. Wayne Scott. The one who wins the contest will be paid $5.00 on Dec. 5.

The winners of the 1960 contest were: Ethel Owen Clark, first place; Rachel Thomas Fell, second; and Deronda Jones, third.

St. Marys Will Be Scene For Party

Tuesday, Dec. 12, will be a big day for the children at the West Virginia Training School near St. Marys.

Oral Interpretation and Play Production, a part of the third annual Mr. W. E. O. Coleman, associate professor of speech and English, will travel to St. Marys to present their annual Christmas program.

Alpha Psi Omicron, national drama fraternity, and Omnidrama Players are contributing five plays for the children. Any other organization interested in this project should contact Mr. Coleman.

Candy is being given rather than toys. For fear of the latter being eaten, those who will be in the cafeteria on Tuesday evening, Dec. 11, eleven of these people did not have reservations but waited for their turn.

THINK! What is the major activity taking place on other weekdays? The MERCURY is printed by the Christmas concert Sunday, Dec. 8. By Elizabeth Beall

How often do people maintain the dream of early years and pursue this dream into the future? Many of us do not, but an exception has come to Glennville in the person of Mr. Al Richard Moldroski, assistant professor of art.

Mr. Moldroski has thought of teaching art since he was in the third grade. Unlike many, he did not wait until graduation from high school to study the finer points of his future vocation.

At 15, while still in high school, he received a scholarship to the Chicago Art Institute, and later a scholarship to the Chicago Academy of Fine Arts.

Then, as with most American men, the Army stepped in to claim two years of his life, and he was sent to Europe.

Upon returning to the U. S., he entered Indiana State College for a field in teaching. Before he could finish his work, he was again called to serve in the army, this time in Korea.

After graduating with a B.A. in art, Mr. Moldroski taught art in the public schools in Flint, Mich., both high school and junior college.

In 1956, after his discharge, he continued his education and received a master of fine arts degree from the University of Indiana. He taught art for two years at Lake State University, where he also taught art for one year. He has taught art for two years at Lake State University, where he also taught art for one year. Mr. Moldroski received the Mary Richard Memorial Award in the arts in 1960.
Pioneers Win Tournament
Defeat Bobcats, Falcons

Teammwork and Defense
Ar Winning Combination

By Keith Smith
Coach Lilly's Pioneers were unstandable as they made a clean sweep of the Western Invitational tournament Nov. 28-29. Their claim to the winner's trophy was undisputed as they soundly thumped Fairmont 82-66 and Wesleyan 97-71.

Teamwork was the keyword. No one or two men could be singled out and given credit for the win. There were several "hot hands" during the course of the tournament and as quickly as one cooled off another got warm. Even more impressive, particularly against Wesleyan, was the defensive play of the team. When an opponent scored he deserved the score, because he had worked for it.

In the first game against Fairmont there were still a few of the rough edges to smooth out. Those rough edges showed in the personal foul column which presented a total of 71 for Glenville.

Despite the roughness the Pioneers never let up throughout the games as they were paced by the scoring of Bob Lambert (28), Eberbaugh (16), Gande (16), Carney (10) and Bickel (9). Lambert was the big gun in the first half while it was Gande who came through in the second half. Eberbaugh and Bickel were the leading rebounders. Tim Carney led in the assist and recoveries department.

Wesleyan Falls

The Wesleyan Bobcats may have come on the floor with a rose but later they were mum. The Pioneers jumped off to a lead and stayed there and that is the story in a nut shell. It was not exactly the treatment that Coach Ranke Ellis has been used to as he suffered one of his worst defeats in years at the hands of the Lichemans.

Not only were there three men in double figures, every man on the squad broke into the scoring column. Scoring was led by Fred Smith with 20 points. Smith also played an outstanding defensive game. This time it was Bickel and Lambert who pulled off the rebounds while Eddy led in assists and Bob Lambert led in recoveries.

Bench Proves Strong

The real secret to the team's success lies in the bench strength. Wherever Coach Lilly needed to go to the bench there was ample talent there.

There are no five men that can say they are the first team. If a man is on the bench at the start of the game it is just mean be as
