Employer: WV DOT

Position: Summer Employees

Job Description: Summer/Seasonal,

The West Virginia Department of Transportation's Summer Employment Program is intended to supply seasonal workers to various DOT organizations while providing employment opportunities for persons, particularly high school and college students, seeking temporary employment. Applicants must comply with the following standards in making application.

Qualifications: Applicants must be at least 18 years of age.

Applicants for summer employment may apply through either the WVDOT Summer Employment Program or through the Governor's Internship Program. Those selected through the Governor's Internship Program must be a full time student and will be eligible for a higher rate of pay as noted in Item 9 below.

Applications made under the WVDOT program must be made on the prescribed Summer Employment application form by April 1, 2014. Applicants applying under the Governor's Internship Program must use that application and meet all requirements of that program. When applying to the Governor's Internship Program, applicants must indicate "DOT" immediately following the listing of their college major.

Applications for the WVDOT program should be returned to the DOT location of preferred assignment by the deadline, but may also be submitted to the Human Resources Division at the address listed below.

Applicants **MUST** complete the Temporary Appointment Acknowledgement portion of the application. Any applications not completed accurately/completely will not be considered.

Application to the WVDOT program may be made for employment in a maximum of three (3) counties.

Application may be made for either clerical or field positions, or both. A very limited number of office clerical positions are available and may not be available at all locations. Persons who apply to and are accepted for employment through the Governor's Internship Program may be given preference for the available office clerical/administrative positions.
