Employer: LPR Land Services

Position: Internship

Job Description: Internship,

A local Oil & Gas Exploration and Land Service company is seeking a college student or recent graduate for a 10 - 12 week paid internship. The internship is available from June through August and will provide hands-on experience with determining mineral ownership and other aspects of the oil and gas industry. The successful candidate will be an integral part of a support team whose primary objectives are to search, gather, examine and analyze public land records. Applicants will have the opportunity to gain valuable experience and a better understanding of the oil and gas industry, real estate, public records and property law.

Qualifications: Candidates must be currently enrolled in or recently graduated from a Bachelor or Master Degree program at an accredited university or college. Applicants are required to possess excellent communication and computer skills and to be available to work a minimum of 35 hours per week.

Application Instructions: Please send a resume and references to: jackie@lprls.com. The deadline to submit your resume is May 31, 2014.
