Employer: Forecon, Inc.

Position: Forest Technician/ Forester

Job Description:

The Oak Hill, West Virginia office of FORECON, Inc. has immediate openings for full time and seasonal Forest Technician/Forester positions. Selected candidates may also have additional future advancement opportunities, solely dependent upon qualifications and a trial period working with clients and staff.

Qualifications: Duties would include timber marking, cruising, boundary maintenance, and other duties on our current land management accounts, as well as private and industrial clients. This individual must at least meet the requirements for Forest Technician Level I and will report directly to Judson Collie, Regional Office Manager. Bachelor in Science degree in Forest Science/Forest Management is preferred. Associate in Science or Associate in Applied Science degree in Forest Technology or 2 years minimum of practical field forest experience is required.

Perferred Major(s): Associates Degree - Forest Technology; Natural Resource Management - Forest Technology;

Application Instructions: If you are interested in applying for these positions, or have any questions, please contact Judson Collie at (304) 469-6950 (jcollie@foreconinc.com).
