Employer: Industrial Timber and Lumber

Position: Operations Forester

Job Description:

Operations Forester

ITL Corp., also known as Industrial Timber and Lumber, is one of the premier manufacturers and producers of hardwood lumber. ITL processes and sells over 200 million board feet of hardwood lumber annually. Each of ITL's facilities is strategically located to take advantage of the hardwood resources unique to these various geographic regions. Each facility is continually updated and equipped with advanced lumber handling and processing equipment.

We are seeking an individual who has the qualifications, interest, and desire to join our Dingess Operation as an Operations Forester, in Belington, WV.

The responsibilities include, but are not limited to the following:

- Review Available Timber Sales.
- Prepare Available Timber Sales for Harvest.
- Coordinate and Supervise Harvesting and Hauling Operations, in full capacity.
- Coordinate and Supervise Timber Sale Retirement.
- Assist in Log Yard as necessary.

Qualifications: The Requirements:

- Personality: Upbeat, energetic personality encouraged!
- Communications: Excellent verbal and written communication skills.
- Multi-tasking & Follow-through: The ability to keep track of multiple priorities and tasks, and see them through to completion is crucial.
- Valid driver's license.

Off-Campus Employment
