Employer: Board of Child Care

Position: Therapist

Job Description: Full Time, Permanent,

Primary Responsibilities:

1. Complete admission service needs assessments that include participation by child/youth, parents/guardians in the identification of strengths, service needs and discharge plans as well as comprehensive treatment plans to target specific treatment goals and objectives for each assigned child/youth.
2. Provide effective case management to assigned cases which includes but is not limited to: acting as a liaison with internal and external sources serving as the interdisciplinary team leader; developing, monitoring and reviewing individual Treatment Plans/discharge plans on a regular basis but as least every 90 days: working as part of a team to determine discharge plans.
3. Serve as a liaison between assigned youth and Department of Health and Human Resources workers, probation officers and attorneys.
4. Evaluate assigned child's/youth's family's progress towards goal attainment on a designated basis in line with individual treatment and discharge plan goals.
5. Maintain effective working relationships with families, children/youth, colleagues, consultants and community agencies.
6. Complete required documentation and reports within the defined time lines and/or as requested and ensure that case records meet documentation standards. This includes, but is not limited to: Completion of comprehensive master treatment plan within 30 days of admission, completion of narrative summaries on assigned case load on a monthly basis, completion of written treatment plan reviews every 90 days or as needed, documentation of all contacts made regarding caseload, completion of the West Virginia Child Care Association's "Initial Assessment from Children and Youth in Out of Home Care" form within five days of admission.
