Employer: Pressley Ridge

Position: Residential Coordinator/Clinical Coordinator

Job Description:

Morgantown Residential Programs- Richwood and Odyssey are residential treatment programs located in Morgantown, West Virginia serving a total of 13 youth. The Morgantown programs currently seek Coordinator candidates.

The successful candidate must have previous residential experience as well as a proven record of strong leadership skills, clinical skills, supervisory and team skills, organizational skills, ability to proactively assess and deal with programmatic, treatment, and staffing issues, and excellent verbal and written communication skills. The successful candidate will need to demonstrate the ability to supervise and oversee a staff consisting of a Program Supervisor, 2 MTCs, a Teacher, Family Liaison™s, and other residential staff as assigned. The successful candidate will ensure the safety and success of the program through their leadership. Supervision includes ensuring scheduling, documentation, team building, teaching supervisory skills, teaching effective implementation skills, ability to identify, confront and correct areas of deficit, case reviews, making client treatment recommendations, over site of family work, regular clinical supervision, clinical assessment, as well as various other duties.

Qualifications: Requirements: Candidates must possess a Master™s Degree in Counseling, Psychology, or Social Work and have at least one year experience as a supervisor and three years of clinical work with behavior-disordered youth and families, Master Level related license preferred. Proper clearances, drug screening, driver™s license and reliable transportation.

Perferred Major(s): Psychology/Sociology;
