MCCC = Mollohan Campus Community Center

**GSC 100**

The purpose of GSC 100 is to assist students in becoming acclimated to the Glenville State College campus and to address transitional issues that are critical to your success in the first year of college. Some of the topics that will be discussed are self-esteem, relationships, diversity, drugs and alcohol, sex, and campus involvement. Additionally, there will be ample opportunity for you to get acquainted with your new classmates!
