Call to order @ 10:49 AM by Tom Ratliff

Updates on Current Campus Projects:

- Quotes for a new Server and Cameras have been obtained
- Quotes for Off-Campus Wireless and Re-Routing Fiber were obtained
- Clark Hall Roof construction will begin in June 2023
- Pool repairs will start with an expected completion of August 2023

Discussion of Unused Facilities and Future use of those Facilities:

- A list of projects for the Deferred Maintenance funds has been started. These projects include the Health Sciences Renewal, Amphitheater Renovation, Amphitheater Bridge to Library, Demolition to a section of LBH, Demolition to the Wagoner Wing of Pickens Hall, Parking Lot repairs, Retaining Wall repairs, Campus Lock updates and possible roof repairs to the Science Hall, LBH and the Library

Discussion of Safety Concerns:

- A Concealed Weapons Carry Policy will be discussed and written

BIT Discussion:

- The first BIT Meeting took place on 5-18-23. The team looked through the Bi-Laws to consider who should be on the team
- There will be an Active Shooter Drill later in the Summer/Fall of 2023

Other Discussions, Updates, and Concerns:

- Future Facilities Meetings were scheduled
