

Glennville State University
Facilities Committee and Threat Assessment
August 24, 2022 @ 10:30am
AB, Room #213A

Member Present: Bert Jedamski, Rita Helmick, Dave Hutchinson, Jason Yeager, Eric marks, Casey Smola, Michael Wheeler, and Tom Ratliff (Chairperson). Minutes by: Jamie Pennington

Call to Order: Tom Ratliff called the meeting to order at 10:35am.

Discussion of Organization and Goals:

*Tom and Rita will meet with Dr. Manchin to see who he would like to chair the BIT team.

*The committee will do their best to meet the 1st Thursday of every month.

Updates on Current Campus Projects:

- We are waiting on front and interior doors for Pickens Hall
- We are needing to upgrade our key access cards (Maybe Alpha Tech.) We need to keep in mind it needs to match what Aramark has.
- Arena lighting is done in the Waco Center.
- HVAC projects are still on going. The AB building just recently received a new chiller.
- Goodwin Hall: Panhandle was here today, they have a short punch list of things to complete.
- Monday will be the grand opening to the café and other restaurants. Grand opening will be 20th and 21st.
- New shuttle service is more reliable and the Fleet looks good.

Discussion of Safety Concerns:

- Public Safety is fully staffed.
- Tom has purchased radio's for certain dept.'s on campus.
- The shuttle bus has these radio's as well.

Other Discussions, Updates, and Concerns:

- Hutch said he wanted to start looking for Safety and Security grants to help out with things like camera's for on campus.
- Jason mentioned we might look at Target Hardening by Environmental Design.

Adjourn: We adjourned at 11:00, Wheeler 1st the motion and Eric 2nd.
