Refunds

Textbooks: The last day to return a textbook and receive a full refund is 7 days after the first day of class. The cash register receipt you are given at the time of purchase must be presented. New books must be unmarked and show no signs of use or wear. New and used textbooks must have the price stamp or sticker in place as at the time of purchase. Wrapped or boxed merchandise must not be unwrapped or opened. Your class schedule and GSC ID may be required. No refunds are given, for course outlines or books for classes you are not enrolled in for the current term.

Non-Text Merchandise: Refundable within 10 days of purchase. A receipt is required. It must be returned in the same condition of purchase. Software is not refundable if the package is opened.

Textbook Buyback

Buyback is the process through which students sell back to the Bookstore textbooks they purchased for use in their courses. Books bought back include traditional textbooks, trade books adopted for courses, and ancillary materials such as study guides and unused workbooks.

The price offered for books varies by market demand, with 50% of the current retail price being the highest for titles that will be used the following term, up to the buyback need or “target” quantity. Books that will not be used on campus, but have value nationally, are bought at the wholesale price. Some books have little or no market value and are not bought back. These include titles for which there is insufficient demand nationally to warrant purchasing them, books in poor condition, and books that are, or are going, out of print. Textbooks, like fruit, are perishable: they have shelf life. Aging editions, editions that have been around a while, command less and less as their revision date approaches. When a new edition is released, the old edition loses its market value.

The Glenville State College Bookstore offers a wholesale buyback every day. Major buybacks are scheduled twice a year, during fall finals and spring finals. Extended hours will be posted in the store window. Keep an eye out for these dates to get top-dollar for your old textbooks!

There is also an Outdoor Recreation Minor in which students can gain valuable leadership and technical expertise while receiving credit toward a degree.

**HOMECOMING**

A full scale Homecoming celebration occurs on Saturday, beginning with a spectacular parade featuring floats, marching bands, and the Homecoming Royalty. Headlining the week’s activities is coronation so the court can preside over the week’s activities. The festivities end at the conclusion of the football game at the I.L. & Sue Morris Stadium on Saturday. Games, contests, dances, and entertainment activities fill the entire week. To participate in one of the many Homecoming Committees, contact a Student Government Association member or the Office of Student Affairs.

**IDENTIFICATION (ID) CARDS**

Glenville State College students are required to possess a valid identification card called the Pioneer Passport. The card is the property of GSC and must be surrendered to any College official upon request. Student identification cards (Pioneer Passports) are made in the Student Life Office. In addition, there are also many opportunities during the Orientation experience for students to get to know each other and members of the faculty and staff of Glenville State College. Attendance at Orientation is required.
PARKING AND VEHICLE REGISTRATION

Students, faculty, and staff are required to register all vehicles they intend to park on campus. Any students living in Residence Hall facilities wanting to park on the main campus must purchase a parking permit at a cost of $100.00. Parking permits may be obtained from the Public Safety Office (which is located on the ground floor of the Administration Building) at an annual cost of $50 for faculty/staff and commuters. A limited number of reserved parking permits are available for faculty/staff at the Public Safety Office at an annual cost of $175. The rules and regulations concerning parking on campus can be found in the Parking Policy section of this handbook.

PIONEER CHEELEADERS

The Cheerleaders at Glenville State College have an energetic, forceful personality, with an ability to charm an audience and adapt to changing situations. POSTAL SERVICE

A full-service post office is located on the first floor of the Campus Community Center. When a student receives an oversized package, a package notification will be placed in that student’s mailbox and the student must present his/her college ID in order to receive packages. All mailbox keys must be turned in at the end of the academic year. If a student needs a replacement key, a request should be made at the post office window and a $20.00 charge will be assessed for each key that is replaced. For each key not returned at the end of the academic year, a charge of $35.00 will be charged for the replacement of the cylinder and key and a hold will be placed on the student’s account until charges are paid.

Residence hall students must check their mailboxes regularly since most college correspondence, including registration material, bills, refunds, and other correspondence to students is sent through campus mail. Mail arriving through the USPS will be placed in mailboxes after 12:00 noon on a daily basis.

RESIDENTIAL LIFE AND HOUSING

Residence Halls are places where students live together and form communities. As a resident, you will encounter a variety of people and lifestyles. Your experience will broaden your perspective and help you learn more about yourself and others.

All unmarried students who have earned less than 58 credit hours are required to reside on campus in one of the College’s residential living facilities so long as space is available. All residents in college housing must also purchase a meal plan from Glenville State College Dining Services. Any exception to this rule can be made only with the approval of the Dean of Student Affairs.

Pioneer Village is located on Mineral Road across from Eberle Hall and is a predominately upperclassmen facility. Freshmen may reside at Pioneer Village but must meet the following criteria: They must possess a 2.5 G.P.A. or higher on their final high school transcript and score a 19 or higher on their ACT. Nine buildings house sixteen students each and one building houses eight students, the Resident Director, the main office, laundry facilities, vending, and a small conference room. Pickens Hall is located at the lower part of campus and currently houses married students. Renovations and other ways to utilize this facility are also being explored. Goodwin Hall is located next to the Molloy Campus Community Center and is the newest facility on campus. It has 482 single and double rooms (9’6” x 16’3”). Each room is equipped with its own restroom facilities, electronic deadbolt locks operated with student ID’s, satellite television, high-speed wired and wireless internet access, telephone access, desk and chair, extra long twin-sized bed, wardrobe, and two-drawer chest. The building has climate controlled air conditioning and heating, digital video cameras and devices in all public areas, ten laundry rooms, nine study lounges, seven vending areas, integrated sprinkler system throughout, and energy efficient lighting.

Each residence hall has live-in staff who are dedicated to making the residential life experience a rewarding one. The Resident Director oversees the operation of the residence hall and supervises a staff of Resident Assistants. The Resident Assistants coordinate activities and programs in the residence halls, serve as resource people, counselors, and friends, and, when necessary, act as disciplinary agents for the College.

Applications/contracts for housing are available in the Office of Residence Life or through the Student Affairs section of the Glenville State College website at www.glenville.edu. A non-refundable advanced contract fee must accompany your application with a check made payable to Glenville State College. The advance contract payment is due when the contract is returned. The application contract payment is $100.00. Mail your completed application and fee to: Office of Residence Life, Glenville State College, 200 High Street, Glenville, WV 26351-1292. If you intend to withdraw from the residence hall during the semester, please notify your Resident Assistant or Resident Director immediately to ensure that proper procedures for checkout are followed. Failure to properly withdraw from the residence halls will result in a $100.00 processing and handling charge. To cancel a room reservation, contact the Office of Residence Life.

A room key is issued at the beginning of the year; there is a $100.00 fee for replacing a lock due to a lost key. Keys must be returned to the residence hall office before leaving school at the end of the spring semester or upon withdrawal. Failure to do so will result in a charge for the replacement of a door lock.

If you do not check into your assigned Residence Hall by midnight of the first day of classes, the College may, at its discretion, terminate this contract and charge you according to the above conditions.

Room Furnishings and Services

Each student is provided a twin-size bed, dresser, chair, desk, refrigerator and microwave oven. Students furnish their own towels, blankets, sheets, pillowcases, bedspreads, wastebasket, study lamp and accessories.

In order to preserve the walls and woodwork, plastic-tac (sold in the college bookstore) is the only material that can be used for hanging items in your room (however, please understand that you are responsible for your room and any marks that may be left behind by such items). Fish tanks are permitted in rooms, but dogs, cats, birds and other animals are not. Heat generating items, such as irons and cooking appliances, must be used only in the laundry rooms and kitchen. Hair appliances, such as hair dryers and curling irons, may be used in rooms.

Local telephone service, cable television hook-up and high speed Internet access is available in every residence hall room. Residents may bring their own television and computer to access these services. Students may rent a phone from the Office of Technology for $25.00 a semester. Should a student want to make long distance calls, they would need to purchase a calling card. In addition, on-site laundry facilities are provided for use by residents on a 24-hour basis. Security has been upgraded at Pioneer Village and Goodwin Hall through the use of a state-of-the-art security camera system and the installation of an electronic card entry system.

STUDENT ACTIVITIES

The Office of Student Activities encourages involvement in the College community through participation in campus activities and organizations. Co-curricular involvement contributes to a student’s overall development and complements his/her educational endeavors. An involved student becomes more self-reliant and responsible.

The Office of Student Activities provides entertainment for the campus throughout the academic year. The entertainment includes comedians, musicians, hypnotists, magicians, karaoke and interactive games. Special activities are scheduled during Homecoming Week in October and during our spirit week, GSC Week, in April.

In addition to coordinating recreational activities, Student Activities also plans and facilitates educational programming regarding safety and transitional issues and provides administrative support and training to all Student Organizations. A list of all student organizations can be found in appendices.

A list of all student organizations can be found in appendix E.

COLLEGE COMPLETION CENTER
The College Completion Center works closely with faculty and staff to help students overcome obstacles they may encounter on the path to a successful college career. Parents and students are urged to contact the CCC with any questions or concerns by calling the Pioneer Hotline at (304) 462-3200. A bi-weekly progress report for students is available to parents (pending FERPA) upon request.

FINANCIAL AID
The Office of Financial Aid monitors all assistance awarded to students including academic scholarships, student employment, grants and loans. To apply for Federal Financial Aid, students should complete the Free Application for Federal Student Aid (FAFSA) www.fafsa.gov. For priority processing, application for federal financial assistance should be filed by March 1 prior to the academic year in which assistance is needed.

Academic scholarship applications are available from the Office of Admissions or Financial Aid for upperclassmen with a priority processing deadline of February 1. First time students do not need to complete this application as they will be considered for scholarships based on their transcripts and test scores.

Students must maintain satisfactory progress toward their degree. Low grades or excessive dropping or failing of courses will endanger receipt of future financial aid.

Information is sent either to the students’ mailing address as listed in the school’s database or to their official college email address.

More detailed information is available in the college catalog and website. Students may view their records online by clicking on the MYGSC from the homepage www.glenville.edu. Staff is available from 8am – 4pm daily in Louis Bennett Hall offices and can also be contacted by phone or email.
INSTRUCTIONAL TECHNOLOGY

The Instructional Technology Office is responsible for all Audio-Visual needs for all classrooms and Distance Learning for the campus. Any additional equipment needed for classroom presentations such as data projector are accessible from Instructional Technology.

Online courses are available to all Glenville State College students. GSC currently uses Blackboard as the official learning management system and Blackboard/Wimba Collaborate for interactive classrooms. To log into online courses, check your email or view your grades, go to www.glenville.edu and click on MyGSC. All student usernames will be lastname.firstnameinitial format (i.e. public.johnq); all initial passwords are the word: password. All students must change their password upon logging in for the first time. All online courses are available the first day of class. If you do not see your course after the first day, please contact the helpdesk.

If you have any questions or concerns, please contact the Blackboard Helpdesk at 304-462-6449 or the campus switchboard at 304-462-7361.

INTERNATIONAL STUDENT SERVICES

International Student services are provided by several offices on campus to get the students acclimated to college life in the United States. Glenville State College prides itself in giving our students personal attention and making them feel a part of the community.

Immigration issues, work authorizations, acclamation to the academic culture, and other concerns which may arise during the student’s tenure at Glenville State College are addressed by the Office of Admissions. International Student activities and social support services are provided by the Office of Student Affairs.

International Student academic services and academic courses selection are coordinated through faculty advisors. Should an international student need additional academic assistance, arrangements will be made through the academic division or the Office of Academic Affairs.

INTERNET

Internet access is provided via the open computer lab in the library; free wireless access is also provided in many areas around campus. However, these resources require a username and password, which can be obtained by contacting the Office of Technology. The Glenville State College wireless network will be listed as GSC when browsing for available wireless.

All occupants of the residence halls are provided wired Internet connectivity at no cost, and it is the responsibility of the student to contact the Office of Technology if there is a problem with the connection. Students are not allowed to install or use their own wireless routers or access points in residence halls. Students living off-campus must contact any of the Internet Service Providers serving the Glenville area to obtain connectivity.

Students shall not attempt to override, hack, or breach the security of the College’s network or computer systems. Further, using the College’s network resources illegally or in an improper way is prohibited, including but not limited to illegally downloading copyrighted material. All such infractions will result in immediate suspension of computer and network privileges and will be referred to the Provost.

LIBRARY FACILITIES

The Robert F. Kidd Library offers students access to a broad range of information resources supporting research and the curriculum. Library collections include electronic resources, print, audiovisuals, microforms, mixed media and archival materials. Librarians and trained support staff assist students with library assignments and research needs.

A core area of the library is the Robert F. Kidd Research Center, a full-service computer lab for student and patron use located on first floor conveniently near library staff members for assistance as needed. On second floor, the Berlin B. Chapman Room houses materials pertaining to West Virginia, the college, local history, genealogy and other special collections including the Glenville Democrat newspaper. Other key library
areas include Archives and Special Collections (ground floor), the Alma Arbuckle Children’s Collection (third floor), and the beautiful Kemper bird displays (first and second floor).

From the library’s webpage, one can: access the online catalog (MARLO) to locate materials; access a wide variety of databases relevant to student needs; and enter WVDeli (http://wvdeli.lib.overdrive.com/) to check out and download eBooks, audiobooks, music and videos (register in the library to download WVDeli materials). The electronic databases provide information from thousands of journals, newspapers, specialized information resources and eBooks. Electronic materials may be accessed on or off campus. For remote access, use either a GSC ten-digit ID number or a library-assigned password available through a library staff member.

A GSC ID is required to check out circulating library items and reserve materials. Check-out periods are:

- 14 days – Regular books
- 7 days – Audiovisuals (DVDs, videotapes, audiobooks, CDs, etc.)
- 1 hour-14 days – Reserve items (as assigned by the instructor)
- 1 hour-14 days – Equipment (headphones, flash drives, flip cameras, MP3 players, etc.)

Most materials may be renewed if not on hold for another person.

Students are responsible for all materials checked out in their name, for returning materials on time and in good condition, and for timely payment of charges accrued in overdue fines and lost or damaged materials. Fines are charged for overdue materials at the rate of 10¢ per day per item for regular circulating items and 25¢ per hour for reserve items and equipment. Overdue notices and billings are sent through the student’s library registered e-mail account. Students are responsible for checking and maintaining their e-mail accounts and responding properly to library notices. (Note: WVDeli electronic material checkouts automatically expire so these electronic resources do not/cannot generate overdue or lost/damaged fines.) Library policies and rules can be accessed at http://www.glenville.edu/library/policies.php.

Materials needed but not held within the library are often available from other libraries through the interlibrary loan system (ILL). Circulation staff members process ILL requests for the nominal fee of $1.00 per book or $1.00 plus 10¢ per page for articles.

Regular library hours during the fall and spring semesters are:
- Monday-Thursday......7:45 a.m. to 10:00 p.m.
- Friday......7:45 a.m. to 4:00 p.m.
- Sunday.......2:00 p.m. to 10:00 p.m.

Library hours vary for holidays, between semesters and during the summer. Changes in regular hours are posted at both library entrances.

ON-CAMPUS STUDENT EMPLOYMENT

Students interested in working on campus need to fill out a student employment application and return it to the Academic Support Center. Student employment applications are kept on file for one school year. When notified of a vacancy, several applications of qualified individuals are sent to the appropriate office for review. The office hiring the student worker will then select the desired student employee. Upon employment, students must submit a copy of their driver’s license/ID card and social security card and complete a W-4 form. Students are paid once a month for hours worked, and this money is not available at registration. Your payroll paperwork needs to be completed in the Academic Support Center.

There are two different types of on-campus employment. Workstudy jobs are based on a student’s eligibility for workstudy money in their financial aid package. A student’s eligibility for workstudy money is based on financial need. The second type of employment is Workship jobs. These positions are funded by the college and are not based on financial need.

Because of the limited amount of positions available, there is NO guarantee that you will get a job. However, your chances increase greatly if you follow the outlined procedures.

If you are a returning student and worked on campus last year and plan to return to the same position, you do not have to fill out a new application. If you would like to work in a new office, you do need to complete a new application. If you filled out an application last school year and were not placed for employment, you must complete a new student employment application each school year.

Students are not allowed to work over 20 hours per week during a period of enrollment. All students work for minimum wage. Students must maintain a 2.0 cumulative grade point average (not applicable for first time freshman) to be eligible for hire.

PHONE

Local telephone service is provided free of charge for students living in college housing. Students may rent a phone from the Office of Technology for $25 a semester. If interested please contact Robin Schimmel at 304-462-6145 or by email at Robin.Schimmel@glenville.edu. Should a student want to make long distance calls, they would need to purchase a calling card. Students also receive free voicemail service, and it is their responsibility to activate the service. If a student requires assistance with the voicemail setup or has an issue with their phone service, they should contact the Office of Technology at 304-462-6145.

When placing off-campus calls the Office of Technology asks that you leave messages when prompted. When you call off-campus the number displayed on caller-ids is 304-462-7361 Glenville State College. By not leaving a message we get many calls at the switchboard from individuals wanting to know who called them. This is problematic in that we cannot help you get in touch with who you called and the individual calling us becomes frustrated not knowing who called them.

SCHOLARSHIPS

Institutional academic scholarship applications are available from the Office of Admissions or Financial Aid for upperclassmen. First time students do not need to complete a separate scholarship application as they will be considered for scholarships based on their transcripts and test scores. For priority processing, documents should be submitted by February 1.

STUDENT DISABILITY SERVICES

Students with disabilities are encouraged to contact the Academic Support Services at ext. 6150. This office provides a number of services for students with physical, sensory (including auditory), vision, speech, psychological, and other disabilities not listed above. The Academic Support Center is located in Clark Hall.

THEATER

Theater productions occur three times per year on campus. Casting is open to the entire college community, as are all technical/production positions.
TUTORING PROGRAM

Students who are experiencing problems academically may request a peer tutor. Visit the Academic Support Center for more details about the benefits of the tutoring program and how you can become involved with it.

TV/RADIO STATION

New to Glenville State College is the Pioneer Television and Radio Networks. Glenville State College will be operating their own TV station through their campus television and satellite system. It will also be operating its own radio station via webcasting through our internet system. It will be student operated with a Faculty/Staff advisor and/or operations coordinator. Also in the near future GSC is planning on offering a broadcast journalism degree in communications which will also hopefully allow for internships for students.

WEB SITE

The Glenville State College web site, located at www.glenville.edu, presents information on nearly all aspects of the College. For incoming students, details concerning enrollment and financial aid information are available. Registered students can easily locate faculty office hours, e-mail addresses, and organization details listed for each academic division. Campus residents can find information concerning residence halls, campus safety, the library, bookstore and computer labs. Athletic, Fine Arts and Activities schedules are listed as well. Grades and class lists can also be accessed from the Glenville State College home page.
ACADEMIC PROGRAMS, SERVICES & POLICIES
Please consult the College Catalog for more complete information on Academic Topics

ACADEMIC ADVISING
Students will be assigned to faculty advisors when they enter College. They will meet with these advisors during Orientation Week and should meet with them regularly, but at least during midterm and registration each semester. Advisors help students in matters of study habits, scheduling, advice in the educational program, and career opportunities related to the educational field. If a student changes his/her field of study, he/she will usually be assigned a new academic advisor. The student has the final responsibility for making decisions about his or her academic program and for ensuring that degree requirements are satisfied.

ACADEMIC DISHONESTY
Academic dishonesty may be defined as unacceptable student behavior that includes cheating, plagiarism and unauthorized assistance. This is considered a serious violation of ethical standards in an academic environment and a breach of the basic values at Glenville State College. Consult the College Catalog for more information on this issue.

ACADEMIC SUSPENSION
You will find the faculty and staff committed to helping you achieve your academic goals. Nevertheless, some students fail to maintain the minimum grade point average and are academically suspended. Please see the College Catalog for specific details.

ADMINISTRATIVE WITHDRAWAL (FIW)
Faculty members may recommend the removal (administrative withdrawal) of a student from class for disruptive behavior, repeated failure to follow instructions, and excessive absences. In such cases, faculty members will forward their written recommendation to the Office of the Registrar. The Registrar will advise the student of the recommendation and then in consultation with the Provost rule on the recommendation.

Faculty members are expected to have advised the student and the College Completion Center of their intent to recommend that the student be withdrawn from class prior to submission of their recommendation. If the recommendation is approved, a grade of FIW will be posted to the student’s transcript.

Students may appeal the administrative withdrawal through the Academic Appeals Committee.

ADMISSION STATUS
Upon admission, student status is determined by high school transcripts, posted ACT/SAT scores, and/or results of freshmen placement assessment. Students who, although capable of college achievement, have demonstrated academic weaknesses in their preparation may be required to enroll in developmental courses in writing and/or mathematics. These classes have been shown to strengthen the chances for future academic success.

Likewise, recognition is given for advanced scholastic attainment in secondary schools by granting matriculating students credit in basic courses and advanced standing in specified subject areas. Credit may be earned via the following:

- Advanced Standing based on ACT scores and high school course grades,
- Advanced Placement based on advanced placement examinations of the College Board,
- CLEP Credit based on performances on the College Level Examinations Program, and
- Credit by examination are administered by the Academic Departments.
ASSESSMENT OF STUDENT LEARNING

Glenville State College is committed to educating students to be thoughtful, productive, engaged and responsible citizens. Furthermore, the College is committed to upholding rigorous expectations for teaching and learning through a comprehensive system of assessment. Assessment of student learning is an integral part of each academic program and includes assessment of student learning in general education as well as in the students’ majors.

The Glenville State College Assessment Model focuses on authentic assessment requiring the student to demonstrate skills, knowledge and values at prescribed points in the degree program. Components of the GSC Model include: learning goals and objectives for each program, course assessment, general education and programmatic assessment and graduate follow-up.

Each entering student is assessed by review of transcripts, ACT/SAT scores and, when needed, administration of the Accuplacer Test to determine proficiency in the basic skills areas of English, Reading and Mathematics. Course placement is based on the results of this assessment.

The Collegiate Learning Assessment is used to assess critical thinking, problem solving, analytic reasoning and written communication. Freshmen will take the Collegiate Learning Assessment as a component of GSC 100. The Collegiate Learning Assessment is again administered in the Capstone Course of each academic program.

Each academic program at Glenville State College requires a gateway assessment and an exit assessment activity. The activities vary according to the program and include, but are not limited to capstone courses, student teaching, oral examinations and written examinations. Results are used by individual programs to enable faculty to produce the highest possible quality of student learning.

Assessment of student learning is an integral part of the entire academic experience and provides specific points for both formative and summative evaluations of student mastery of skills, knowledge, and the campus’ articulated values. Assessment includes a variety of methods and instruments that provide the most accurate view of student learning. Glenville State College faculty, students, and administrators are committed to student learning in an atmosphere of continuous improvement.

ATTENDANCE

Regular class attendance is necessary for successful academic work. Students are expected to attend classes in which they are enrolled. If you know in advance that you will be unable to attend a class, either for institutional purposes or for personal reasons, it is your responsibility to notify the course instructor. Absences from class for any reason do not eliminate your responsibility for completing academic assignments.

Class attendance is monitored by the instructor. Students reported for non-attendance may be suspended from the course with grade of FIW (Failure due to Irregular Withdrawal). Non-attendance may affect your eligibility for veteran’s benefits or other financial aid packages.

CATALOG

Students who enroll at Glenville State College will generally follow the provisions of the catalog in use at the time of their admission. Students beginning school during the summer sessions will follow the provisions of the coming fall semester. In case of programmatic changes, students may choose to adopt the current catalog. In doing so, however, students become responsible for all of the requirements in the new catalog. Students who have interrupted their schooling at Glenville State College two consecutive semesters (Fall/Spring or Spring/Fall) will become subject to the provisions of the current catalog at the time of readmission. An exception will be made if the interruption is caused by service in the armed forces. Transfer students will use the catalog current at the time of their admission to Glenville State College.

COMMENCEMENT

Commencement exercises are held each spring in the Jesse R. Lilly, Jr. Gymnasium. Graduates are honored with a reception immediately following Commencement.
Application for graduation and payment of the assessed fees must occur the semester in which the student intends to graduate. Consult the current class schedule for the last day to apply for graduation.

All students must complete the general requirements as prescribed by the College and the specific requirements set forth for the degree sought. A minimum of 128 hours is required for a baccalaureate degree and 64 hours for an associate degree. In preparation for graduation, students must request an official evaluation of their credits upon completion of 80 hours toward a baccalaureate degree or 40 hours toward an associate degree. Requests for evaluations are to be submitted to the Office of the Registrar.

To qualify for graduation and/or certification, applicants must have a grade point average of at least 2.00 (4.0 scale). The grade point average is computed on all college coursework attempted at Glenville State College as well as other colleges. Note: Some academic programs, such as Teacher Education, require a higher minimum grade point average for successful completion. See specific program requirements in the College Catalog.

CONVOCATION

Convocation at Glenville State College is a tradition, begun in 1999, marking the entry of a new class of scholars into our academic community. First year students are officially welcomed to GSC and invited to join the faculty in taking the Oath of Academic Excellence pledging dedication to the pursuit of intellectual, cultural, personal and social growth.

DECLARATION OF MAJORS

You are encouraged to choose your field(s) of study as early as possible in your college career. At the latest, majors should be declared upon completion of 24 semester hours of course work for Associate Degree candidates or 48 semester hours for Baccalaureate Degree candidates. Delays in declaring majors may prevent the completion of degrees in a timely fashion. You will be assigned a faculty advisor in the appropriate discipline upon declaration of your major.

Many students decide to change their majors one or more times during their undergraduate career. Changes should be carefully considered and thoroughly investigated with your current advisor, faculty in the new area(s) of interest and the Academic Support Center. A change of major is accomplished by processing a Change of Program Form available from your academic advisor.

To assure compliance with NCAA regulations, athletes must enroll in a minimum of twelve (12) semester hours of courses each semester.

DROP/ADD PROCEDURES

Students find it necessary at times to drop or add a course. To do so, you must meet with your academic advisor to complete the proper form and then submit the form to the Office of the Registrar for processing. You should check the current semester class schedule for drop/add deadlines.

After the last date to withdraw with a grade of “W,” students may withdraw from a class only for medical reasons or other circumstances beyond their control.

GRADES

Students generally receive a course grade of A, B, C, D or F based on performance in class activities, assignments and examinations. In rare instances, students who miss some of the course requirements because of illness or other circumstances beyond the control of the student may, with permission of the Provost, be given an “I”. If the deficiency represented by “I” is not made up within one semester, the “I” automatically becomes an “F”. Students may access their semester grades via the Glenville State College website. A detailed discussion of GSC’s grading policies is provided in the College Catalog.
GRIEVANCE PROCEDURE

An inevitable result of student-faculty interactions is that there will be occasional disagreement concerning the appropriateness of the grade assigned in a particular course. GSC provides a procedure for students to appeal the decision rendered in awarding a final course grade. Consult the Student Academic Grievance Policy in the College Catalog.

LEARNING SUPPORT

Each student entering Glenville State College will be given the opportunity to demonstrate proficiency in the basic skills of English and Mathematics. Students with an ACT Math score of less than 19, or SAT scores of less than 460, will take an ACCUPLACER math placement test to determine the appropriate level of Math for the student (arithmetic or basic algebra). Students scoring less than 18 on the ACT in English or SAT scores of less than 450 will also take the ACCUPLACER to determine if they need placement in English 001. An ACCUPLACER placement test will be administered to any students without ACT (or equivalent) scores.

Placement into the development courses (Developmental Studies), as a result of the scores on the ACT, SAT and/or ACCUPLACER Examinations, indicates that additional work is needed to establish a firmer foundation in the basic academic skills in order to maximize your chances of success in college level courses. Your academic advisor and the staff in the Academic Support Center will assist you in scheduling any required courses during the initial advisement session. These individuals will also be key to your success during your time at GSC. **Students who are placed in learning support courses in either English or Mathematics must enroll in these courses upon admission and continue to do so until exit requirements are met.**

For Teacher Education Majors: Students with concerns about passing the PRAXIS I should contact the Academic Support Center for individualized assistance and tutoring. For additional types of assistance, students should talk with their advisor or the Dean of Teacher Education.

REPEATING COURSES/ACADEMIC FORGIVENESS

Students performing poorly in any of their academic studies may repeat courses in which they earned a grade of D or F [including failures due to irregular (FIW) withdrawal]. Faculty members may recommend the removal (administrative withdrawal) of a student from class for disruptive behavior, repeated failure to follow instructions, and excessive absences. See Repeating a Course section in the College Catalog for specifics on how the repeated course grade is computed in the overall GPA.

Students with poor academic records who have not been enrolled full-time during any one semester of the last five consecutive academic years may be eligible for academic forgiveness. Academic forgiveness must be requested in writing by the student within the first semester of re-enrollment. Academic forgiveness will be granted only once for any student. Consult the Academic Forgiveness Policy section in the College Catalog for details.

SEMESTER LOAD

The unit of credit is the semester hour. The semester hour represents a minimum of 1250 minutes of classroom instruction. Activity courses including lab experiences generally require increased instructional time.

A typical full-time load is 16 semester hours. Students may carry up to 18 semester hours during the fall and spring semesters and 7 semester hours for the summer if they have satisfactory grades and permission of their advisor; however, students on academic probation are not permitted to carry more than 15 hours during the fall and spring semesters and 6 semester hours for the summer.

To carry 19 or more hours, the student must have a minimum overall GPA of 3.00, at least a GPA of 3.00 on the previous semester’s work, or be completing requirements for graduation that semester, and have permission of the faculty advisor, the appropriate department chair, and the Provost. Since students are expected to spend a minimum of two hours of study time outside of class for each hour in the classroom, permission to carry 19 or more hours will be granted only in those instances where it can be clearly demonstrated that the student’s schedule can accommodate the increased demand for out-of-class study time.
STUDENT SUPPORT SERVICES

Student Support Services is a federally funded TRIO program designed to help students succeed in college through a supplemental educational and cultural activities that will help students earn their degree.

The Veterans Affairs Office is located on the ground floor of the Heflin Administration Building.

WEBCT/WEB VISTA

A WebCT/Web Vista account is created for each Glenville State College student when they first enroll. It is the responsibility of the student to change his/her password for security purposes. Refunds are subject to the time of withdrawal.
AIDS POLICY
Policy for Glenville State College students with confirmed HIV Infection and/or AIDS.

1) All students diagnosed as having HIV or AIDS and receiving medical attention will be allowed to attend class, study areas, dining facilities, libraries, sporting events, programs and theaters and to live in the residence halls.

2) Students having AIDS or having clinical evidence of infection with the AIDS associated virus may be seen by the College physician. If the disease has been diagnosed by a physician not associated with the Campus Health Center, the student may choose to have the College physician coordinate the management of their care with the diagnosing physician.

   The physician, after consultation with the patient, is responsible for reporting cases of AIDS to the West Virginia Department of Public Health, Division of Communicable Diseases. Other individuals will not be informed of this diagnosis except with the written permission of the patient.

   If there is a conflict between the patient or the patient’s personal physician and the Campus Health Center, the College retains the right to make the final decision about the permissibility of the patient’s attendance.

3) In case of a campus outbreak of a threatening communicable disease such as chicken pox or measles, a patient having HIV or AIDS may be asked to leave the campus until the outbreak is no longer a threat to the patient.

   The residence life staff, in conjunction with the Campus Health Center, will provide educational programming for students attending Glenville State College, including programming of written materials, workshops, seminars, and/or videotapes.

   Along with other STD screening, oral HIV testing is available to enrolled GSC students at the GSC Campus Health Center in conjunction with the DHHR STD Program. Pre and Post test counseling are done.

   Counselors will be available to respond to the education or counseling needs of individuals or groups within the college community.

   As long as AIDS remains a serious public health problem with no known cure, Student Affairs will review, update and redistribute AIDS information and will be responsible for seeing that the college community is kept informed of the latest medical facts and legal requirements as they apply to persons with AIDS or AIDS related conditions.

   Glenville State College, viewing HIV infection as a protected handicap or disability under federal and state laws, will treat the HIV positive individual as one having a handicap or disability, and all related information will be held in strict confidentiality.

   Continued employment or student affiliation with Glenville State College will be governed by guidelines determined by public health and safety laws governing the control and prevention of communicable and infectious diseases, and sound medical judgment on a case-by-case basis. The College dutifully will strive to provide an environment free from unreasonable risks causing or likely to cause death or serious physical harm or illness.

   For more definitive and detailed guidelines, Glenville State College has adopted those given by The American College Health Association’s Task Force on Acquired Immunodeficiency Syndrome.
Glenville State College is committed to maintaining a safe educational environment for our students, faculty and staff.

1. The duties of the Glenville State College Public Safety Department include, but are not limited to, all general police, security, and public safety duties. These duties include mobile and foot patrol, motor vehicle accident investigation, regulation of traffic flow and parking, prevention and investigation of crime, prosecution of offenders, crowd control at public events on campus, building lockup, community assistance and assisting other law enforcement officers. The Public Safety Department has an excellent working relationship with all other local law enforcement agencies. In addition to policing the Glenville State College Campus, the Department assists and receives assistance from these agencies whenever necessary. Updates on crimes that occur off campus but that could affect the campus directly or indirectly are received from these agencies on a regular basis. Glenville State College employs both full time sworn certified police officers as well as security guards. Our certified Public Safety officers, by action of the West Virginia Legislature, have and may exercise all the powers and authority and will be subject to all the responsibilities of a deputy sheriff of the county. They are licensed to carry deadly weapons. The local police interact and assist our Public Safety officers as do the State Police the County Sheriff and Sheriff's Deputies. The sworn officers are certified by the State of West Virginia, carry firearms and are proficient in their use, qualifying at least twice yearly. All members of the Public Safety Department are trained in basic first aid and CPR/AED, attend yearly in-service training, and maintain radio contact with emergency dispatchers.

2. The college residence halls are staffed by resident directors, resident assistants, office workers, building service workers and night guards. The student occupants are the primary deterrents of crime because of their reporting abilities during the normal daytime hours. Residence Hall Night Guards are on duty nightly securing all doors and checking identification of each person wishing access to the building. Public Safety officers randomly patrol the campus by foot and vehicle. Foot patrols are conducted several times daily through residence halls.

3. Each student has access to a Student Handbook which describes judicial procedures in detail enumerating offenses that are subject to disciplinary proceedings and sanctions. Resident Assistants review rules and regulations with students at floor meetings during the first weeks of college. Students are encouraged to report crimes to the Resident Assistant, Resident Director, and Public Safety officers.

4. Annually, Glenville State College through the Campus Health Center, Resident Assistants, Student Government, Public Safety, WV State Police, and other outside sources promotes and delivers programs each semester to make students aware of safety issues.

5. Our Public Safety officers assist with crime prevention by performing random foot patrols in the residence halls and around the campus areas. The Public Safety officers will also assist the students mark their personal objects by engraving the student’s driver license number on selected personal belongings at the owner’s request. The officers are also very approachable and encourage students to ask questions about security.

6. Students are encouraged to lock their room doors when they’re not present and are issued written warnings when not in compliance.

7. Through sexual assault prevention programs, students are sensitized to preventative techniques.
8. Statistics are published annually in the GSC Student Handbook and on the GSC website reporting the occurrence of crimes on campus. Glenville State College has a low crime rate with most of the offenses occurring under liquor law violations and larcenies. We send monthly reports to Uniform Crime Reporting for the F.B.I. Statistics may be located on the GSC website. Statistics concerning arrests for violations of liquor, drug, and weapon laws are included annually with the statistics reporting occurrences of robberies, sexual assault, aggravated assault, thefts, murder, burglary and arson.

9. City, County and State Police keep Public Safety officers advised of any known criminal activity connected with GSC students in the community. The Glenville Detachment of the West Virginia State Police also forwards all pertinent information concerning registered sexual offenders living in this county to the Department of Public Safety.

10. Glenville State College derives its alcohol policy from WV State Law. It is against the law for anyone under age 21 to purchase, consume, sell, possess or serve alcoholic beverages or to give fraudulent written evidence of age. It is also against College policy for any student, regardless of age, to purchase, consume, sell, possess or serve alcoholic beverages on campus property.
College campuses and universities are required by the Student Right to Know and Public Safety Act of 1990 to publish an annual campus safety report, and to make the report available to all employees and students of Glenville State College. A summary of crimes occurring at Glenville State College and a list of definitions explaining the crimes is provided in the following table.

E-MAIL (Student)

Student Email Policy

E-mail is considered an official method for communication at Glenville State College. It delivers information in a convenient, timely, cost-effective and environmentally aware manner. This policy allows for students to
communicate through a standardized channel with faculty and other College staff as needed. It is the responsibility of the student to contact the Office of Technology to receive their email address and password. If a student forgets their e-mail account or password information they should contact the Office of Technology.

Students should check their email daily, in order to stay current with College-related communications. Students have the responsibility to recognize that certain communications may be time-critical. Failure to check for messages and failure to receive messages due to full mailboxes or auto-forwarded email are not acceptable excuses for missing official communications. Students may auto-forward email to an outside email address at their own risk. The Office of Technology does not support auto-forwarding of email and will not assist in troubleshooting problems with outside email addresses or forwarded email, nor is the College responsible for lost or misdirected email as a result of auto-forwarding.

Glenville State College does not routinely monitor or screen electronic mail. However, the College reserves the right, consistent with this policy and applicable law, to access, review, and release all electronic information that is transmitted over, or stored in, College equipment, systems or facilities, whether or not such information is private in nature, and therefore, confidentiality or privacy of electronic mail cannot be guaranteed. Confidentiality cannot be guaranteed for the following reasons: because of the nature of the medium; the need for authorized staff to maintain electronic mail systems; and the College's accountability as a public institution; as well as in instances involving the health or safety of people or property; violations of Glenville State College codes of conduct, regulations, policies, or law; other legal responsibilities; or the locating of information required for College business. Students are not permitted to bulk mail or spam students, faculty, staff, or administration.

Glenville State College e-mail accounts may be removed by the College during periods of non-enrollment. Graduates from the institution may continue using their account after their graduation date.

Glenville State College students and student organizations are prohibited from engaging in any action which subjects a pledge, initiate, or member of a student organization to activities which are personally demeaning or involve a substantial risk of physical injury. This includes both organized rites of initiation and informal activities. Hazing is a very serious offense and is not only a violation of the Glenville State College Student Conduct Code, but is also a violation of West Virginia state law.

(a) The Legislature hereby finds that hazing has become a problem in a limited number of public school-sponsored student organizations and that legal liability has already resulted from some of those activities. It is the intent of this section that problems with hazing in public school-sponsored student organizations be addressed.

(b) The state board shall promulgate legislative rules in accordance with article three-b, chapter twenty-nine-a of this code that addresses hazing in the public school system. The rules shall include at least the following:

1. A definition of hazing;
2. A definition of a public school-sponsored student organization that includes both co curricular and extracurricular activities;

(c) The state board shall consider the antihazing law set forth in article sixteen, chapter eighteen in drafting the rules required by this section.

(d) Nothing in this section or in the policy promulgated in accordance with this section may be construed to prevent a suspension or expulsion executed in accordance with section one-a, article five, chapter eighteen-a of this code.

A West Virginia State Law concerning hazing was passed March 7, 1995 and is as follows:
ARTICLE 16. ANTIHAZING LAW.

The term includes, but is not limited to, any brutality of a physical nature, such as whipping, beating, branding, forced consumption of any food, liquor, drug or other substance, of any other forced physical activity which could adversely affect the physical health and safety of the individual or individuals to extreme mental stress, such as sleep deprivation, forced exclusion from social contact, forced conduct which could result in extreme embarrassment, or any other forced activity which could adversely affect the mental health or dignity of the individual or individuals, or any willful destruction or removal of public or private property: Provided, that the implied or expressed consent or willingness of a person or persons to hazing shall not be a defense under this section.

§ 18-16-4. Enforcement by institution.

- Antihazing policy. The university of West Virginia board of trustees created pursuant to article two, chapter eighteen-b of this code and the board of directors of the state college system created pursuant to article three of said chapter shall by the first day of August, one thousand nine hundred ninety-five, promulgate guidelines for antihazing policies.
- Enforcement and penalties.
  1. Each institution shall provide a program for the enforcement of such rules and shall adopt appropriate penalties for violations of such rules to be administered by the person or agency at the institution responsible for the sanctioning or recognition of such organizations.
  2. In the case of an organization which authorizes hazing in blatant disregard of such rules, penalties may also include recession of permission for that organization to operate on campus property or to otherwise operate under the sanction or recognition of the institution.
  3. All penalties imposed under the authority of this section shall be in addition to any penalty imposed for violation of section three of this article or of any of the criminal laws of this state or any other institutional rule to which the violator may be subject.
  4. Rules adopted pursuant hereto apply to acts conducted on or off campus whenever such acts are deemed to constitute hazing.

PARKING POLICY AND PARKING POINTS

The Glenville State College Board of Governors has adopted Administrative Policy 8 to address the Parking Policy on the Glenville State College campus.

8.1. General

1.1. Scope - This rule establishes Glenville State College policy for governing the speed, flow and parking of motor vehicles on the Glenville State College campus. This policy is designed to ensure the orderly flow and
parking of vehicles used by faculty, staff, students, visitors and the general public, to safeguard pedestrians, to accommodate persons with disabilities, and to ensure access to all buildings by service and emergency personnel.

1.2. Authority -- West Virginia Code §18B-4-6.

1.3. Effective Date – April 20, 2005

8.2. General Statements

2.1. All motor vehicles are subject to this policy, to state laws and local ordinances, where applicable, while on campus. The person in whose name the parking permit is issued or in whose name the vehicle is registered will be held responsible for any violation involving that vehicle.

2.2. Glenville State College assumes no responsibility for damage to or theft of any vehicle or its contents at any time while the vehicle is on campus.

2.3. The responsibility for finding a legal parking space rests with the vehicle’s operator. A permit merely authorizes the individual to park in available designated parking spaces on campus; it does not guarantee a place to park. Lack of space is not considered a valid excuse for violation of this policy.

8.3. Parking Permits & Vehicle Registration

3.1. Parking space on campus is limited; therefore all parking spaces may be used only by those displaying a valid parking permit.

3.2. All students, faculty and staff, including part-time, temporary, and casual employees who park on campus must purchase a parking permit.

3.3. Each individual may purchase only one parking permit. Permits may be purchased in the Public Safety Office after the individual has completed an application for parking permit form.

3.4. Improper lending, transferring or reproducing of a campus parking permit is prohibited.

3.5. Individuals who have outstanding tickets for previous GSC vehicle violations will not be permitted to register any vehicle or obtain a parking permit until the obligation has been paid.

3.6. Permits must be purchased and displayed by the end of the first week following the beginning of each semester. Should a parking permit be lost or stolen, it shall be the individual’s responsibility to purchase a new permit.

3.7. Regardless of the date purchased, parking permits expire August 1st of each year.

3.8. Individuals purchasing a reserved parking space will be issued a parking permit bearing the specific number of the space. These spaces are numbered and clearly marked and are reserved for the purchaser.

3.9. Visitors may be issued a temporary parking permit, valid for short-term periods, typically one day. Employees and students will not be issued temporary parking permits.
3.10. Special needs parking permits will be issued for employees or students who have disabilities and whose registered vehicles display the appropriate card or license required by state law. Only vehicles bearing both the state required handicap identification and the GSC parking pass may park in designated special needs spaces.

- Areas reserved for faculty and staff with a reserved numbered parking space
- Along roadways that do not have parallel parking lines, unless specifically authorized by Public Safety
- Areas designated for compact cars only

GLENVILLE STATE COLLEGE DEPARTMENT OF PUBLIC SAFETY
PARKING

- Glenville State College Administrative Policy 8 governs the Regulation, Speed, Flow & Parking of Vehicles on Campus. It may be found in its entirety in the GSC Student Handbook located on the College website at www.glenville.edu.
- Parking space on campus is limited; therefore all parking spaces may be used only by those displaying a valid parking permit. All students, faculty and staff, including part-time, temporary, and casual employees who park on campus must purchase a parking permit. Each individual may purchase only one parking permit. Permits may be purchased in the Public Safety Office after the individual has completed an application for parking permit form.
- The responsibility for finding a legal parking space rests with the vehicle’s operator. A permit merely authorizes the individual to park in available designated spaces on campus. It does not guarantee a place to park. Lack of space is not considered a valid excuse for violation of this policy. Be sure to allow plenty of time before class to find a parking space.
- GSC officials have the authority to issue parking and traffic citations, to tow or immobilize a vehicle and/or to collect a fine for any violation of these regulations. Citations will be issued and vehicles may be towed or immobilized for the following violations: Failure to display a valid parking permit; Failure to park within the marked space; Parking in an area other than a designated parking area for your permit; Speeding or otherwise driving in a reckless manner; Failure to stop, yield or obey other traffic signs; Failure to yield to pedestrians; Parking or driving on sidewalks, grass or landscaped areas; Unauthorized parking in reserved parking spaces; Unauthorized parking in spaces reserved for visitors; Unauthorized parking in spaces reserved for those with special needs, or blocking wheelchair access to sidewalks and/or ramps; Failure to move a vehicle when requested to do so by College officials for snow removal or for emergencies; Blocking fire lanes, loading zones, other vehicles, roadways, fire hydrants, and/or entrances to buildings or parking in a marked exclusion zone; Driving a vehicle into any area that has been closed off by barricades; Parking overnight in lots designated as “no overnight parking”; Violations specified in WV Code, Chapter 17; Other flagrant violations that endanger people or property.
- A ticket may be issued for multiple violations. Violations for special needs parking carries a fine of one hundred and fifty dollars ($150). The total fine for the violations(s) must be paid at the Cashier’s Office within ten (10) college business days from the date the ticket is issued. A hold will be placed on the records and grades of students who do not pay their fines within ten days and will remain in effect until the student pays the obligations.
- In the event a vehicle is towed for parking in a reserved space, the owner of the vehicle may contact Public Safety to discover where the vehicle was towed.
- Color coded parking permits and alphabetized parking lots are used to assist the college community with parking. This system consists of 7 different colored parking permits with each color identifying different groups within the college community. Each permit authorizes the holder to park in specific parking areas designated by letter and these parking areas are identified by large white signs with blue lettering.
- When the issued permit is properly placed on the inside lower left corner of the windshield with the number facing the windshield, the back of the permit will be facing the driver.

(1) **Purple** permits will be issued to residents in Goodwin Hall
(2) **Red** permits will be issued to residents in Pioneer Village
(3) **Dark Green** permits will be issued to Commuters
(4) **Yellow** permits will be issued to Reserved parking
(5) **Black** permits will be issued to Faculty/Staff

(6) **Silver** permits will be for Board of Governors

(7) **Gold** permits will be issued to **Retired Glenville State Employees**. Retirees may park in any legal non-reserved space.

**SALES AND SOLICITATION POLICY**

All solicitation and sales of products and articles is prohibited on Glenville State College property except by recognized student organizations and other groups directly connected with the College. Any and all such events should be registered with, and approved by, the Office of Student Life prior to the date the event will take place.

**SEXUAL HARASSMENT**

Glenville State College respects the dignity of all its members, and condemns sexual harassment as behavior incompatible with its values. Sexual harassment is behavior that includes unwelcomed sexual advances, requests for sexual favors and other verbal, written, or physical conduct of a sexual nature that affects educational decisions or creates an intimidating, hostile, or offensive environment. The College will hold all communications as confidential as possible with no retaliation that protects the rights of both the accuser and the accused.

**Procedure for Filing a Complaint**

A student who believes he or she has been sexually harassed by a College employee should report the situation to the Dean of Student Affairs. The Dean of Student Affairs, along with the Vice President for Academic Affairs and one other member appointed by the President will serve as a Hearing Board to review charges of sexual harassment.

* Students should prepare and sign a written complaint detailing the facts and circumstances of the incident.
* The Hearing Board will review the complaint and will review the facts with both the accuser and accused in separate meetings.
* Within 5 days of the receipt of the complaint, the Board will hold a hearing for the accused.
* Within 24 hours after the hearing concludes, the Board will report its findings and recommendations to the Vice President for Business & Finance.
* Within ten days of receiving the Hearing Board’s findings and recommendation, the Vice President for
Business & Finance will inform the complainant and the accused, in writing, of the outcome of the complaint and any actions to be taken. Students or College employees may make a final appeal, in writing, to the President within five school days of receipt of the Vice President for Business & Finance’s written response. The President’s decision will be made in writing and sent to both the student and employee within 15 calendar days of receipt of the written appeal. The President’s decision is final.

SEXUAL MISCONDUCT POLICY

Philosophy
Sexual Misconduct is a serious violent crime. When it occurs at Glenville State College, it is considered a violation of College standards. The Glenville State College community expects its members to treat other persons with respect and dignity and will not tolerate any form of sexual misconduct. Both parties should explicitly agree upon sexual activity. A person has the right at any time to say “no” to sexual activity and “no” means “no.” Verbal communications of non-consent, nonverbal acts of resistance or rejection, or mental impairment of the victim due to any cause including the victim’s use of alcohol or drugs constitute a lack of consent. The same holds true whether the assailant is a stranger or an acquaintance. The use of alcohol or drugs will not be accepted as an explanation for the actions of any person charged with the violation of this policy.

Students who violate this policy will be disciplined under the College’s Student Conduct Code and may be prosecuted under West Virginia’s criminal statutes. Whether or not a criminal prosecution occurs, Glenville State College retains the right to proceed with disciplinary action at any time and the College need not await the dispensation of any such criminal prosecution. Appropriate disciplinary action may include counseling, educational sanctions, disciplinary probation, suspension, expulsion, and referral to the proper law enforcement authorities for prosecution.

Definitions
The crimes of sexual misconduct are legally defined under West Virginia law as sexual acts committed without the consent of the victim. The law states that lack of consent may result from (1) “forcible compulsion”, (2) the victim’s “incapacity to consent” by virtue of age, status or mental or physical incapacitation or helplessness, or (3) “circumstances….in which the victim does not expressly or impliedly acquiesce in the actor’s conduct.” A person under the influence of alcohol or drugs is generally regarded as incapable of giving consent. Having sexual contact with a person incapacitated or made helpless by consumption of drugs or alcohol is considered sexual assault or abuse. “Acquaintance Rape” and “Date Rape” are terms commonly used to describe intercourse forced on a person known by the assailant. The social relationship between the individuals does not make the act legal if the act is committed without consent. The criminal law makes no distinction between sexual assault by an acquaintance or sexual assault by a stranger.

Sexual Misconduct offenses include, but are not limited to, Non-Consensual Sexual Intercourse (or attempts to commit same), Non-Consensual Sexual Contact (or attempts to commit same), Sexual Exploitation and Sexual Harassment.

Non-Consensual Sexual Intercourse: (Sexual assault)

Non-Consensual Sexual Intercourse is

* any sexual intercourse (anal, oral, or vaginal),
* however slight,
* with any object,
* by a man or a woman upon a man or a woman,
* without effective consent.
Non-Consensual Sexual Contact: (Sexual assault)
Non-Consensual Sexual Contact is
*any sexual touching (including disrobing or exposure),
*however slight,
*with any object,
*by a man or a woman upon a man or a woman,
*without effective consent.

Sexual Exploitation:
Sexual exploitation happens
*when a student takes non-consensual, unjust or abusive sexual
advantage of another for his/her own advantage or benefit,
*or to benefit or advantage anyone other than the one being exploited,
*and that behavior does not otherwise constitute one of the
other three sexual misconduct offenses.

Examples of sexual exploitation include, but are not limited to, prostituting another student, non-consensual video or audio-taping of sexual activity, going beyond the boundaries of consent (such as letting your friends surreptitiously watch you having consensual sex), engaging in “peeping tommery”, and knowingly transmitting an STD or HIV to another student.

Sexual Harassment:
Sexual Harassment is defined as, but not limited to, making unwelcome sexual advances, or request for sexual favors.

Intercourse:
Intercourse is not synonymous with penetration. If it were, non-consensual French kissing could meet the definition of oral rape; intercourse is more limited. Intercourse includes vaginal penetration by a penis, object, tongue, or finger, anal penetration by a penis, object, tongue, or finger, and oral copulation (mouth to genital contact or genital to mouth contact).

Sexual Touching:
Sexual touching is any contact with the breasts, buttock, groin, or genitals, or making another touch you or themselves with or on any of these body parts.

Effective Consent:
Effective consent is informed, freely and actively given, mutually understandable words or actions which indicate a willingness to participate in mutually agreed upon sexual activity. Consent is not effective if it results from the use of physical force, threats, intimidation, or coercion.

Incapacitated Sex:
Being drunk is never an excuse for violation of this policy. To have sex with someone who you know to be, or should know to be incapable of making a rational, reasonable decision about a sexual situation is a violation of policy. This includes someone whose incapacity results from the taking of a so-called “date-rape drug”. Possession, use and/or distribution of these substances or any substance that has the ability to incapacitate in any way, including Rohypnol, Ketamine, GHB, Burundaga, ecstasy and/or alcohol is prohibited, and administering one of these drugs to another student for the purpose of inducing incapacity is an offense of the most serious nature.
The College’s Response

Students should review the full disciplinary process outlined in the Student Conduct Code to determine the process that would be followed by the College. All information pertaining to an alleged sexual assault will be handled in confidence. The College will offer counseling to both the victim and the accused.

Sanction Statement:

- Any student found responsible of a charge of Non-Consensual Sexual Contact (where no intercourse has occurred), Sexual Exploitation or Sexual Harassment will face a recommended sanction ranging from warning to expulsion, depending on the severity of the incident, and taking into account any previous disciplinary infractions.
- Any student found responsible of a charge of Non-Consensual Sexual Intercourse will face a recommended sanction of suspension, expulsion and/or separation from the residence halls.

The judicial body reserves the right to broaden or lessen any range of punishments or recommended sanctions in the case of serious mitigating circumstances or egregiously offensive behavior. Neither the judicial body nor any appeals body or officer will deviate from the range of recommended sanctions unless compelling justification exists to do so.

Reporting

Students may report an incident to any College official including but not limited to:

- Public Safety – 462-4132 or extension 6450
- Dean of Student Affairs – 462-4114 or extension 6400
- Director of Campus Health Services – 462-7361, extension 6430
- Resident Director or Resident Assistant

Legal Sanctions

Victims of sexual misconduct should report the incident to Public Safety or another law enforcement agency. Reporting an incident does not mean you have to prosecute, and you may not feel prepared to make that decision at the time of the incident. However, a delayed report could result in the loss of physical evidence, which could be vital in court proceedings. If a victim files a report with the police, the decision to continue legal proceedings remains the victim’s. Charges resulting from such incidents may invoke criminal penalties under the law. The penalty of first-degree sexual assault may be 35 years imprisonment. For the second-degree of these offenses, the maximum penalty is 25 years imprisonment. The maximum penalty for third degree sexual assault is 5 years imprisonment.

Medical Considerations

For a victim of sexual assault, medical attention is critical. Even if the victim ultimately decides not to report the assault, it is still very important to seek immediate medical attention for possible internal injuries or sexually transmitted diseases. Also, the collection of medical evidence becomes critical in the event of prosecution. Therefore, it is important to seek medical attention promptly and remember to adhere to the following:

1. **DO NOT** take a shower or wash any part of the body
2. **DO NOT** douche
3. **DO NOT** brush teeth
4. **DO NOT** drink liquids
5. **DO NOT** put anything in the mouth (gum, cigarettes, mints, etc.)
6. **DO NOT** change clothes or change sheets before seeking medical help
Victims of Sexual Assault can obtain medical attention from local area emergency departments such as Stonewall Jackson Memorial Hospital in Weston (269-8100), Minnie Hamilton Hospital in Grantsville (354-9244) and Braxton County Memorial Hospital in Gassaway (364-5156) or by calling 911.

**SKATEBOARDS, ROLLERBLADES & SCOOTERS**

Due to safety considerations and the potential damage to college property, skateboards, rollerblades & scooters are not permitted anywhere on the Glenville State College campus.

**STALKING POLICY**

The College is committed to protecting the right of all students to pursue their intellectual, vocational, and personal interests without harassment or interference. The College is also committed to providing an environment in which members of the campus community are treated with dignity, respect and regard for their welfare and learning needs.

Stalking is a crime under both Federal and West Virginia state law (see addenda). Options available to victims of stalking include reporting to Glenville State Public Safety, the local police, seeking a remedy through civil proceedings, and/or utilizing the campus judicial process.

Stalking behavior will not be tolerated. Incidents occurring on or off campus are subject to College discipline when such actions materially affect the learning environment or operations of the College.

Glenville State defines stalking as any behaviors or activities occurring on more than one occasion that collectively instill fear in the victim, and/or threaten his or her safety, mental health, or physical health. Such behaviors and activities may include, but are not limited to, the following:

- non-consensual communication, including face-to-face, telephone calls, voice messages, electronic mail, written letters, unwanted gifts, etc.;
- threatening or obscene gestures;
- pursuing or following;
- surveillance or other types of observation;
- trespassing;
- vandalism;
- non-consensual touching

**Glenville State College Guidelines for Stalking Incidents**

*This list of procedures is not meant to take the place of legal action. Get advice from Glenville State Public Safety, local police or obtain legal support for official action.*

1. It is hard to handle this alone. Get help. There are resources on campus to give you options and support.
2. Call Glenville State Public Safety or local law enforcement and report the incident as suspected stalking. In an emergency call 911 (9-911 if call is from a campus line).
3. Call Campus Health Services and Hope, Inc. for support and assistance.
4. Keep a journal of stalking incidents (date, time, place, event, and witnesses).
5. Do not walk or ride alone. Call Public Safety or stay in the company of people you know and trust.
6. Change your travel routes frequently.
7. Consider seeking a police trespass warning for the suspected stalker.
8. Ask your friends, family, and classmates to support your decision to remain separate from the suspected stalker.
9. Identify as much as you can about your stalker, such as descriptive data or student status.
10. Save any evidence such as:
    - notes, gifts, objects, photos
• printed email messages
• voice messages

11. If you receive suspicious packages or mail, this should be reported to Glencoe State Public Safety or the local police as soon as possible.

12. Fill out a Request to Prevent Disclosure of Directory Information in the Registrar’s Office to make your personal information unavailable.

13. Do not post information such as your picture, address, telephone number, or schedule on Facebook, My Space or other similar websites.

14. Do not assume you are "overreacting." Trust your instincts. Stalking is not a harmless game or a form of flattery. Use all of your resources to protect yourself.
   • Take a self-defense class
   • Lock your doors
   • Carry a personal alarm

15. If someone approaches you or if you become aware of a suspicious person or activity
   • call Glencoe State Public Safety or the police
   • never give out information about another student, faculty or staff member to unauthorized individuals
   • question anyone who requests access to a locked office or room as to his or her identity and purpose

16. If a student or colleague of yours notifies you of a stalker, get a full description and be on the lookout. If you identify someone who fits the description, document the date, time, and location. Report this to police. Ask that it be documented as part of a stalking report.

17. If you know of a student or colleague who is being stalked, pay special attention to her or his departures from the classroom or office. Advise the victim of support services.

18. If you are concerned that you may be engaging in any stalking behaviors, there is help available. Call Glencoe State Public Safety or a member of the Student Affairs Staff.

For more information or assistance, contact the following:

Glencoe State Public Safety or Local Police: Tell police the facts of the incident to document what happened for possible criminal investigation. STUDENTS WITH DISABILITIES, (SERVICES FOR)

Students with disabilities are encouraged to contact the Director of the Academic Support Center. This office provides a number of services for students with physical, sensory (including auditory), vision, speech, psychological, and other disabilities not listed above. The Academic Support Center is located in Louis Bennett Hall.

POLICY AND PROCEDURES FOR PROVIDING SERVICES TO STUDENTS WITH DISABILITIES

Policy

In accordance with provisions of the Americans with Disabilities Act of 1990, Glenville State College:

- does not deny any qualified person admission or the opportunity to participate in the College’s programs or activities based solely on the fact that the person has a disability;
- provides programs and services in an integrated setting, unless separate or different measures are necessary to ensure equal opportunity;
eliminates eligibility standards or rules that deny individuals with disabilities an equal opportunity to participate in the services, programs, or activities unless “necessary” for the provision of the service, program, or activity;
ensures that any “necessary” eligibility standards or rules are not based on speculation, stereotypes or generalizations about individuals with disabilities;
makes reasonable accommodations in policies, practices, or procedures to provide equal access to persons with disabilities;
does not place special charges on students with disabilities to cover the costs of reasonable accommodations necessary to ensure nondiscriminatory treatment;
explains in the College Catalog and Student Handbook the specific procedures students with disabilities should use to identify themselves and request accommodations;
opposes all programs so that, when viewed in their entirety, they are readily accessible to persons with disabilities.

Definitions

Under the ADA, an individual with a disability is a person who has:

- a physical or mental impairment that substantially limits one or more major life activities;
- a record of such an impairment; or
- is regarded as having such an impairment.

A qualified student with a disability is an individual who, with or without accommodations, meets the academic standards requisite to admission or participation in the College’s programs and activities.

Reasonable Accommodation. A modification or adjustment that enables a qualified individual with a disability to participate in the College’s programs and activities without creating undue hardships for the College. Such accommodations generally fall into one of two categories:

- physical modifications, which entail removal of physical and architectural barriers from existing and planned facilities to make them accessible to and usable by persons with disabilities;
- programmatic modifications, which are alterations provided to enable such individuals to access programs, services or activities that would otherwise not be available to persons with disabilities. Examples that might apply to academic programs are qualified interpreters, note takers, transcription services, written materials, assistive listening devices, closed caption decoders, telecommunications devices, qualified readers, taped texts, audio recordings of classroom instruction, Braille materials, large print materials, and adaptive equipment for computers.

Accommodations that cause undue hardship are those that are excessively costly, extensive, substantial, disruptive or that would fundamentally alter the nature or operation of the College or its programs.

Identifying Essential Functions

The College informs students in advance of the standards they must meet and the functions they must be able to perform, with or without accommodations, to complete its programs of instruction.
Identifying Students with Disabilities

The College is obligated to make accommodations only to the known limitations of an otherwise qualified student with a disability. \textit{It is the student’s responsibility to notify the College of disabling conditions and to request accommodations.}

The \textbf{procedure} for so doing is as follows:

\begin{itemize}
  \item Students wishing to self-identify must do so by contacting the Academic Support Center and completing a Self Identification form and a Request for Accommodations and Services. Students must supply appropriate documentation. Such documentation includes Individual Educational Plans, psychological assessments, and/or medical records. These reports need to validate the disabling condition, and must be no more than three years old. An original signature must be present either in the records or in a letter from an authorized representative of the organization from which the records originate in order to be complete.
  
  \item The Academic Support Center will maintain a separate, confidential file of this information, and will use the information for the exclusive purpose of arranging the necessary accommodations for the student. The Academic Support Center will arrange these accommodations directly with the people (e.g., individual faculty instructors, residence hall directors, director of the physical plant, etc.) who will make them, and will maintain, in the student’s separate file, a complete record of the accommodations provided.
  
  \item Students with disabilities who elect not to identify themselves immediately, or who develop disabilities after being admitted, may identify themselves and request accommodations at anytime. The student may do so by contacting the Academic Support Center.
  
  \item If testing is required to document the disability, the Academic Support Center will refer the student to an appropriate party to be tested. Any costs of such testing will be the responsibility of the student requesting accommodation.
\end{itemize}

Confidentiality of Medical Information

All information obtained concerning the medical condition or history of a student with a disability will be maintained by the Academic Support Center in separate files and will be treated as confidential information that will be disclosed only as necessary for the following purposes:

\begin{itemize}
  \item to identify and arrange the specific accommodations required;
  
  \item to inform appropriate College personnel about necessary restrictions on the work or duties of a student worker;
  
  \item when appropriate, to inform first aid and safety personnel if the disability might require emergency treatment, or if any specific procedures are needed in the case of fire or other evacuations;
  
  \item to provide relevant information to government officials investigating compliance with the provisions of the ADA.
\end{itemize}
Complaint Procedure

Any qualified student with a disability who believes his or her rights under the Americans with Disabilities Act have been violated is urged to seek redress as follows:

Report the concern immediately to the Director of the Academic Support Center. If the Director cannot alleviate the concern, he or she will refer the matter to the Vice President for Enrollment Management within three working days. If the case is such that the complainant is not satisfied with the response of the Director, he/she may appeal the Director’s decision to the Vice President for Enrollment Management, in writing, within three working days.

The Vice President for Enrollment Management will address the issue within ten working days of having received the concern. If the Vice President cannot alleviate the problem to the satisfaction of the complainant, he or she will alert the College President within three working days.

If the complainant is dissatisfied with the response received from the Vice President for Enrollment Management, they may appeal the matter, in writing, to the President within three working days of receiving the Vice President for Academic Affairs’ response. The President or President’s designee will review the appeal and render a decision within ten working days from the date the appeal is received. This decision will be in writing to the student and will be binding.

Faculty and Staff Development

The College provides in-service training for all faculty and staff regarding the Americans with Disabilities Act. This training is conducted by the Director of the Academic Support Center, external consultants and by persons on the GSC faculty who have expertise in various areas of disabilities. The training is designed to inform faculty and staff of the requirements of the ADA and sensitize them to the needs of individuals with disabilities.

Transitioning From Secondary to Postsecondary School

Students who received disability related accommodations in secondary schools will find important differences as they continue in higher education. These differences include, but are not limited to:

- Students 18 years and older enrolled in higher education institutions must sign a written consent form allowing any parental involvement even if parents are paying for the student’s education.
- The student bears the burden of paying for any evaluations necessary to document a disability.
- The length of time documentation is valid is substantially different in higher education.
- Some types of accommodations, such as study guides, that are often used in secondary education are not available at the college or university level.
- Higher Education institutions do not have to provide personal attendants, individually prescribed devices, readers for personal use or study, or other devices or services of a personal nature, such as tutoring and typing.
- Unlike secondary school, higher education is not required to provide a free and appropriate education. Higher Education institutions are required to provide appropriate academic adjustments as
necessary to ensure that it does not discriminate on the basis of disability. However if a postsecondary school provides housing to nondisabled students, it must provide comparable, convenient and accessible housing to students with disabilities at the same cost.

- The amount and type of documentation that will be needed may be different between secondary and higher education. More detailed information about differences may be found at: http://www.ed.gov/about/offices/list/ocr/transition.html.

SUBSTANCE ABUSE POLICY

It is against College policy to serve or drink alcoholic beverages of any kind on campus. It is also against College policy to use, possess, or attempt to distribute or manufacture illegal or controlled substances on campus. Alcohol/Drug or alcoholic paraphernalia of any kind, including but not limited to bottles, cans, bongs, advertisements, signs, etc. is prohibited in the residential living facilities and on campus.

WV State Law 60-7-12a(b)
Underage Alcohol Law

Any person who shall knowingly buy for, give to or furnish to anyone under the age of twenty-one to whom they are not related by blood or marriage any non-intoxicating beer or alcoholic liquors purchased from a licensee, is guilty of a misdemeanor and shall, upon conviction thereof, be fined in an amount not to exceed one hundred dollars or shall be imprisoned in the county jail for a period not to exceed ten days, or both such fine and imprisonment.

Senate Bill 14 (effective July 10, 1993) added two additional misdemeanors.

1. "A person under the age of twenty-one years may not order, pay for, share the cost of or attempt to purchase any nonintoxicating beer, wine or alcoholic liquors from a licensee or consume any nonintoxicating beer, wine or alcoholic liquors purchased from a licensee or possess any nonintoxicating beer, wine or alcoholic liquors purchased from a licensee. Any person under the age of twenty-one years who violates any provisions of this subsection is guilty of a misdemeanor, and, upon conviction thereof, shall be fined in an amount not to exceed five hundred dollars or imprisoned in the county jail for a period not to exceed seventy-two hours, or both fined and imprisoned, and, in addition to such fine and imprisonment, may, for the first offense, be placed on probation for a period not to exceed one year: Provided, that nothing in this subsection shall prohibit a person who is at least eighteen years of age from purchasing or possessing nonintoxicating beer, wine or alcoholic liquors when he or she is acting upon the request of or under the direction and control of any member of a state, federal or local law-enforcement agency or the West Virginia alcohol beverage administration while the agency is conducting an investigation or other activity relating to the enforcement of the alcohol beverage control statues and the rules and regulations of the commissioner."

2. Any person under 21 years of age who, for the purpose of purchasing non-intoxicating beer, misrepresents his or her age, or who for such purpose presents or offers any written evidence of age which is false, fraudulent or not actually his or her own, or who illegally attempts to purchase beer, alcoholic liquor, or wine. This misdemeanor upon conviction carries a fine not to exceed fifty dollars or imprisonment in the county jail for a period not to exceed seventy-two hours, or both such fine and imprisonment. The first offense permits the option of placing such person on probation for a period not exceeding one year.
Alcohol or Drug Possession Disclosure

In October 1998, President Clinton approved the Higher Education Amendment of 1998. This amended the Section 952 of the HEA by adding the following:

**DRUG AND ALCOHOL VIOLATION**

**DISCLOSURES**

(1) **IN GENERAL**—Nothing in this Act or the Higher Education Act of 1965 shall be construed to prohibit an institution of higher education from disclosing, to a parent or legal guardian of a student, information regarding any violation of any Federal, State, or local law or of any rule or policy of the institution, governing the use or possession of alcohol or a controlled substance, regardless of whether that information is contained in the student’s education records, if....

(a) the student is under the age of 21; and

(b) the institution determines that the student has committed a disciplinary violation with respect to such use or possession.

(2) **STATE LAW REGARDING DISCLOSURE**—Nothing in Paragraph (1) shall be construed to supersede any provision of State law that prohibits an institution of higher education from making the disclosure described in subsection (a).

**Health Risks of Drugs and Alcohol**

**Alcohol.** Alcohol consumption causes a number of changes in behavior and physiology. Even low doses significantly impair judgment, coordination, and abstract mental functioning. Statistics show that alcohol use is involved in a majority of violent behaviors on college campuses, including acquaintance rape, vandalism, fights, and incidents of drinking and driving. Continued abuse may lead to dependency, which often causes permanent damage to vital organs and deterioration of a healthy lifestyle.

**Cannabis (Marijuana, Hashish).** The use of marijuana may impair or reduce short-term memory and comprehension, alter sense of time, and reduce coordination and energy level. Users often have a lowered immune system and an increased risk of lung cancer. The active ingredient in marijuana, THC, is stored in the fatty tissues of the brain and reproductive system for a minimum of 28 to 30 days.

**Hallucinogens.** Lysergic acid (LSD), mescaline, and psilocybin cause illusions and hallucinations. The user may experience panic, confusion, suspicion, anxiety, and loss of control. Delayed effects, or flashbacks, can occur even when use has ceased. Phencyclidine (PCP) affects the section of the brain that controls the intellect and keeps instincts in check. Because the drug blocks pain receptors, violent PCP episodes may result in self-inflicted injuries.

**Cocaine/Crack.** Cocaine users often have a stuffy, runny nose and may have a perforated nasal septum. The immediate effects of cocaine use include dilated pupils and elevated blood pressure, heart rate, respiratory rate, and body temperature, followed by depression. Crack, or freebase rock cocaine, is extremely addictive and can cause delirium, hallucinations, blurred vision, severe chest pain, muscle spasms, convulsions, and even death.

**Amphetamines.** Amphetamines can cause a rapid or irregular heartbeat, tremors, loss of coordination, collapse, and death. Heavy users are prone to irrational acts.

**Heroin.** Heroin is an opiate drug that causes the body to have diminished pain reactions. The use of heroin can result in coma or death due to a reduction in heart rate.
Parental Notification For Violating the College’s Alcohol or Drug Policy

As discussed further in the Student Conduct Code when a student is found responsible for violations of these conduct standards, the hearing authority may decide to notify the responsible student’s parents or legal guardians of these violations as allowed by Federal law. This will only occur if the student is under 21 and after the hearing authority has discussed this possible notification with the student.

Specifically, students who are convicted or found responsible for use, possession, manufacture, cultivation, conveyance, purchase, sale, or distribution of illegal drugs will be administratively withdrawn, suspended, or expelled from Glenville State College with no refund of tuition or room and board fees. Please note that signs and symptoms which might reasonably indicate use of or intoxication by an illicit substance, or the presence of drug-related paraphernalia, may be construed as proximate indicators of illegal drug use or possession and therefore may be used as the basis for pursuing disciplinary action.

- Providing educational programs and services, which augment the College’s academic, student, and community development programs

HOUSING & RESIDENCE HALL PHILOSOPHY

We have been asked many times the difference between residence halls and dorms. When higher education started in America in 1836, students stayed in large buildings containing only a few rooms. Often, the entire student body slept in the same room and these “dormitories” were constructed to suit that particular purpose. In a similar manner, the term “housing” became associated with the management of these facilities.

The terms “residence life” and “residence halls” describe the philosophical approach taken in the management of facilities that are currently available to college students. These facilities are divided into small components and include common areas that are intended for a variety of uses. In other words, residence halls are places to live, not just sleep! Residence life is the administrative plan used to ensure that these facilities are places to live.

At Glenville State College, residence life means developing an environment which contributes to the students’ education, aids a student in maximizing his/her potential, given opportunities for leadership, and enhances a person in establishing a personal identity. The residential facilities become a classroom where students interact with faculty, staff and other students.

Within the residential facilities, Glenville State stresses the primary roles of the College: learning, teaching, service and scholarship. Efforts are made to bring reasoned discourses, develop intellectual honesty, and develop mutual respect and to make constructive changes in the community. Residents do not surrender rights or escape responsibilities by residing in the residence halls; instead, they gain additional rights and responsibilities for the entire community.

Residence life strives to support the academic thrust and movement towards excellence of Glenville State College. The residence life program tries to maintain and improve the residence hall environment and facilitate the informal learning process which occurs through interaction with peers from a variety of cultural,
ethnic and social backgrounds by encouraging academic excellence, being responsive to maturity, value development and recreation, integrating students into whole persons and encouraging low-risk lifestyle choices.

We believe that the differences in these terms are important. The identification of these facilities as residence halls rather than dorms reflects both understanding of, and support of, Glenville State College’s efforts to provide living quarters which share in the College’s goals and objectives in pro-active ways rather than serving merely as places to sleep.

Office of Housing & Residential Life
INTRODUCTION

GSC wants your residence life experience to be rich and meaningful. We make the residential living facilities comfortable and friendly so you can concentrate on your studies and explore new friendships. Your participation in maintaining this atmosphere will help you get the most from campus living.

Residential living facilities are places where students live together and form communities. As a resident, you will encounter a variety of people and lifestyles. Your experiences will broaden your perspective and help you learn more about yourself and others.

Glenville State College currently operates two residential living facilities. The newest of these facilities is Goodwin Hall. Goodwin Hall is located next to the Mollohan Campus Community Center. Pioneer Village is located on Mineral Road across from Eberle Hall and was completed August of 2001. Located at the bottom edge of campus is Pickens Hall, which currently houses married students. Renovations and other ways to utilize this facility are also being explored.

Each residential living facility has live-in staff prepared to make your experiences rewarding. A Resident Director oversees the operation of each residential living facility and its Resident Assistants and Office Staff. Each Resident Assistant is responsible for coordinating activities and programs in the residential living facilities, serving as knowledgeable sources of information, acting as counselors and administrators, and enforcing the rules of the College.

RESIDENTIAL LIVING FACILITY GENERAL INFORMATION

The Residential living facility may be occupied during:

- One academic year (consisting of two semesters) from the first day of the Fall Semester until the last day of the Spring Semester.
- One Semester only (either Fall or Spring), from the first day of that Semester until the last day of that Semester.
- Summer Session(s).

(Housing does not include the 3 main breaks which are Thanksgiving, Winter, and Spring Breaks.)

In order to reside in a residential living facility, a student must:

A room application is made for a space in the residential living facilities and not for a specific bed. The College reserves the right to refuse admission or readmission to the residential living facilities if the student fails to meet College admission requirements or if the student is in violation of current College policies or regulations. The College can remove you from the residential living facility for the following reasons:

- not registered for classes
- failure to pay the room charges
- violation of the Student Code of Conduct and/or any housing policies and regulations
I. RESERVATION PROCEDURE

Applications for housing are available in the Office of Student Life. A **non-refundable** advanced application fee must accompany your application with a check or money order made payable to Glenville State College. The advance application payment is due when the application is returned. Mail your completed application and fee to: **Office of Housing & Residence Life, Glenville State College, 200 High Street, Glenville, WV 26351-1292.** If you intend to withdraw from the residence hall during the semester, please notify the Resident Director immediately to insure that proper procedures for checkout are followed. General damage to the public areas of the residential living facilities will be charged in part to each resident. Damage to an individual's personal room will be charged to the resident. Charges for damage occurring in a room where two people reside will be divided equally between the roommates unless one of the roommates claims responsibility.

A room key or card is issued to the resident on the first day of residency depending upon facility. For Pioneer Village if this room key needs to be replaced during the year, there will be a fifty dollar ($50) fee for the new key. The resident must return the key to the residential living facility office when moving out. Failure to do so will result in a charge of one hundred dollars ($100) for replacement. For Goodwin Hall if the card is lost, there will be a $5.00 charge.

If you do not check into your assigned Residence Hall by midnight of the first day of classes, the College may, at its discretion, terminate this application and charge you according to the above conditions.

WV State Law 60-7-12a(b)
Underage Alcohol Law
Any person who shall knowingly buy for, give to or furnish to anyone under the age of twenty-one to whom they are not related by blood or marriage any non-intoxicating beer or alcoholic liquors purchased from a licensee, is guilty of a misdemeanor and shall, upon conviction thereof, be fined in an amount not
to exceed one hundred dollars or shall be imprisoned in the county jail for a period not to exceed ten days, or both such fine and imprisonment.

Senate Bill 14 (effective July 10, 1993) added two additional misdemeanors.

1. "A person under the age of twenty-one years may not order, pay for, share the cost of or attempt to purchase any nonintoxicating beer, wine or alcoholic liquors from a licensee or consume any nonintoxicating beer, wine or alcoholic liquors purchased from a licensee or possess any nonintoxicating beer, wine or alcoholic liquors purchased from a licensee. Any person under the age of twenty-one years who violates any provisions of this subsection is guilty of a misdemeanor, and, upon conviction thereof, shall be fined in an amount not to exceed five hundred dollars or imprisoned in the county jail for a period not to exceed seventy-two hours, or both fined and imprisoned, and, in addition to such fine and imprisonment, may, for the first offense, be placed on probation for a period not to exceed one year: Provided, that nothing in this subsection shall prohibit a person who is at least eighteen years of age from purchasing or possessing nonintoxicating beer, wine or alcoholic liquors when he or she is acting upon the request of or under the direction and control of any member of a state, federal or local law-enforcement agency or the West Virginia alcohol beverage administration while the agency is conducting an investigation or other activity relating to the enforcement of the alcohol beverage control statues and the rules and regulations of the commissioner."

2. Any person under 21 years of age who, for the purpose of purchasing non-intoxicating beer, misrepresents his or her age, or who for such purpose presents or offers any written evidence of age which is false, fraudulent or not actually his or her own, or who illegally attempts to purchase beer, alcoholic liquor, or wine. This misdemeanor upon conviction carries a fine not to exceed fifty dollars or imprisonment in the county jail for a period not to exceed seventy-two hours, or both such fine and imprisonment. The first offense permits the option of placing such person on probation for a period not exceeding one year.

Alcohol or Drug Possession Disclosure

In October 1998, President Clinton approved the Higher Education Amendment of 1998. This amended the Section 952 of the HEA by adding the following:

DRUG AND ALCOHOL VIOLATION

DISCLOSURES

(1) IN GENERAL—Nothing in this Act or the Higher Education Act of 1965 shall be construed to prohibit an institution of higher education from disclosing, to a parent or legal guardian of a student, information regarding any violation of any Federal, State, or local law or of any rule or policy of the institution, governing the use or possession of alcohol or a controlled substance, regardless of whether that information is contained in the student’s education records, if....

(a) the student is under the age of 21; and

(b) the institution determines that the student has committed a disciplinary violation with respect to such use or possession.

(2) STATE LAW REGARDING DISCLOSURE—Nothing in Paragraph (1) shall be construed to supersede any provision of State law that prohibits an institution of higher education from making the disclosure described in subsection (a).

Health Risks of Drugs and Alcohol

Alcohol. Alcohol consumption causes a number of changes in behavior and physiology. Even low doses significantly impair judgment, coordination, and abstract mental functioning. Statistics
show that alcohol use is involved in a majority of violent behaviors on college campuses, including acquaintance rape, vandalism, fights, and incidents of drinking and driving. Continued abuse may lead to dependency, which often causes permanent damage to vital organs and deterioration of a healthy lifestyle.

**Cannabis (Marijuana, Hashish).** The use of marijuana may impair or reduce short-term memory and comprehension, alter sense of time, and reduce coordination and energy level. Users often have a lowered immune system and an increased risk of lung cancer. The active ingredient in marijuana, THC, is stored in the fatty tissues of the brain and reproductive system for a minimum of 28 to 30 days.

**Hallucinogens.** Lysergic acid (LSD), mescaline, and psilocybin cause illusions and hallucinations. The user may experience panic, confusion, suspicion, anxiety, and loss of control. Delayed effects, or flashbacks, can occur even when use has ceased. Phencyclidine (PCP) affects the section of the brain that controls the intellect and keeps instincts in check. Because the drug blocks pain receptors, violent PCP episodes may result in self-inflicted injuries.

**Cocaine/Crack.** Cocaine users often have a stuffy, runny nose and may have a perforated nasal septum. The immediate effects of cocaine use include dilated pupils and elevated blood pressure, heart rate, respiratory rate, and body temperature, followed by depression. Crack, or freebase rock cocaine, is extremely addictive and can cause delirium, hallucinations, blurred vision, severe chest pain, muscle spasms, convulsions, and even death.

**Amphetamines.** Amphetamines can cause a rapid or irregular heartbeat, tremors, loss of coordination, collapse, and death. Heavy users are prone to irrational acts.

**Heroin.** Heroin is an opiate drug that causes the body to have diminished pain reactions. The use of heroin can result in coma or death due to a reduction in heart rate.

**Parental Notification For Violating the College’s Alcohol or Drug Policy**

As discussed further in the Student Conduct Code when a student is found responsible for violations of these conduct standards, the hearing authority may decide to notify the responsible student’s parents or legal guardians of these violations as allowed by Federal law. This will only occur if the student is under 21 and after the hearing authority has discussed this possible notification with the student.

**Federal Penalties and Sanctions for Illegal Possession of A Controlled Substance**

**21 U.S.C. 844(a)**

First conviction: Up to one year imprisonment and fined at least $1,000 but not more than $100,000, or both. After one prior drug conviction: At least 15 days in prison, not to exceed two years and fined at least $2,500 but not more than $250,000, or both.

After two or more prior drug convictions: At least 90 days in prison, not to exceed three years and fined at least $5,000 but not more than $250,000, or both.

Special sentencing provision for possession of crack cocaine: Mandatory at least five years in prison, not to exceed 20 years and fined up to $250,000, or both, if:

(a) First conviction and the amount of crack possessed exceeds five grams.
(b) Second crack conviction and the amount of crack possessed exceeds three grams.

(c) Third or subsequent crack conviction and the amount of crack possessed exceeds one gram.

21 U.S.C. 853(a) (2) and 881 (a) (7)
Forfeiture of personal and real property used to possess or to facilitate possession of a controlled substance if that offense is punishable by more than one year imprisonment. (See special sentencing provisions re: crack)

21 U.S.C. 881(a) (4)

CAMPUS COMMUNITY RESPONSIBILITIES

I. PREAMBLE - GENERAL CONDUCT POLICY

Academic institutions exist for the transmission of knowledge, the pursuit of truth, the development of students, and the general well being of society. Free inquiry and free expression are indispensable to the attainment of these goals. As members of the academic community, students are encouraged to develop the capacity for critical judgment and to engage in a sustained and independent search for truth.

Freedom of the individual may be defined as the right to act or speak, so long as it does not adversely affect the rights of others. Believing in this concept, Glenville State College will protect freedom of action and freedom of speech for both students and employees, so long as it is not of an inflammatory or demeaning nature and does not interfere with the students living and study conditions and the administration of its affairs. It shall constitute a disruptive act for any member of the campus community to engage in any conduct which would substantially obstruct, interfere with or impair instruction, research, administration, authorized use of College facilities, the rights and privileges of other members of the Glenville community, or disciplinary proceedings. Moreover, Glenville State College is committed to improving the quality of student life by promoting a
diversified educational and cultural experience for all its students. Racist conduct or other acts of bigotry will not be tolerated.

Rights and freedoms imply duties and responsibilities. Note should be taken that a student who exercises his or her rights as a private citizen—whether individually or as a member of a group—must assume full responsibility for his or her actions. All Glenville State College students are subject to, and are required to observe and comply with: the laws of the United States; the laws of the State of West Virginia; local city, county and municipal ordinances; the policies, rules and regulations of Glenville State College and the Glenville State College Board of Governors; and the directives of the officers, faculty, and staff of Glenville State College who are charged with the administration of institutional affairs on campus. Violations of laws and regulations will subject the perpetrator to disciplinary action by the College and/or the appropriate civil or criminal court.

II. AUTHORITY AND RESPONSIBILITY

Responsibility for good conduct rests with students. Student organizations have similar responsibility for maintaining good conduct among their members and guests and at activities they sponsor. All members of the campus community are expected to use reasonable judgment in their daily campus life and to show due concern for the welfare and rights of others.

At Glenville State College, a student is defined as any person who has been admitted to the institution to pursue a course of study, research, or service, who is currently engaged in an institutionally sponsored activity and who has some right or privilege to be on the campus or in the facilities of the institution or to use the same, in connection with study, research or service, or who yet has some right or privilege to receive some benefit or recognition or certification from the institution, under the rules, regulations, or policies of the Board of Governors or the institution.

The President of Glenville State College is authorized to handle cases or to assign disciplinary cases to special hearing committees or officers, as the President deems appropriate. The Dean of Student Affairs, as the President’s designee in these matters, may further delegate authority and responsibility to designated Hearing Authorities. Glenville State College utilizes Judicial Officers, who are staff members assigned to administratively attend to judicial matters and are authorized to conduct Administrative Hearings, and a Judicial Council that includes student and faculty representatives, and is authorized to conduct Judicial Council Hearings. The jurisdiction of both hearing authorities is to hear evidence in cases of disciplinary action against students, to make findings of fact from the evidence presented, to make recommendations and/or decisions as to the disposition of the disciplinary action, including sanctions to be imposed and to refer actions to another disciplinary channel as appropriate.

This Student Conduct Code is promulgated in accordance with Glenville State College Student Policy 36, Student Rights and Responsibilities, which may be found as a Supplement to the Code. The Dean of Student Affairs, as the President’s designee in these matters, shall normally obtain the advice of the Division of Student Affairs, the Judicial Officers, the Student Life Committee and/or the Judicial Council before making changes in the Student Conduct Code. This responsibility includes formulating and implementing operating procedures for the judicial consideration of conduct violations and the imposition of sanctions in an efficient, consistent, fair, legal and educational manner.

III. APPLICATION OF LAWS AND OFF-CAMPUS ACTIVITIES

Glenville State College is not a sanctuary beyond the reach of the criminal laws of the United States, the State of West Virginia, and the City of Glenville. While the rules and regulations of Glenville State College are not meant to duplicate general laws, there are some aspects in which the lawful interests of the institution as an academic community coincide with the broader public interest treated in general laws. Students, or student organizations, who commit offenses against the laws of municipalities, states, or the United States, are subject
to prosecution by those authorities and may be subject to disciplinary action under College rules when their conduct violates institutional standards. Glenville State College students are subject to the provisions of this Student Conduct Code while on College premises or College-related premises, and when involved with off-campus activities. Students will be held accountable to this Code for their off-campus activities when it can be ascertained that the off-campus act has a direct detrimental impact on the College’s educational functions. Students may be notified that the Student Affairs office is aware of inappropriate off-campus behavior and a copy of that communication may be placed in the student’s file. Any disciplinary action imposed by Glenville State College may proceed, and be in addition to, any penalty imposed by an off-campus authority.

IV. PROHIBITED CONDUCT

The following constitutes the official record of general violations of conduct rules and regulations at Glenville State College. Students are expected to abide by these regulations. The list of violations is divided into levels based on severity and possible sanction. In addition to the major sanction listed in each category, a student found responsible for any of the violations may be subject to any of the other sanctions listed in Section VII. Violation of multiple policies in the same incident may result in a greater sanction than the level defined by the individual violation.

These regulations are not designed to define prohibitive conduct in exhaustive terms. A student or student organization that is responsible for misconduct or attempted misconduct or is responsible for being an accessory to misconduct shall be subject to the sanctions authorized by this code.

Misconduct includes, but is not limited to:

V. STUDENT ACADEMIC MISCONDUCT
Consult the College Catalog for specific policies and procedures relating to Student Academic Misconduct.

VI. DISCIPLINARY PROCESS
All students and student organizations are subject to the disciplinary procedures prescribed in this code. In all disciplinary proceedings, the student or student organization shall be considered not responsible until found responsible of any charge.

Any person who is a student is subject to disciplinary action if that student is involved in any of the actions or conduct prohibited, notwithstanding the fact that at the time the student is also an employee of the Board of Governors. In taking disciplinary action against a student, Glenville State College may act or to revoke or remove any right or privilege of such person as a student, or to withhold, remove, or cancel any benefit,
recognition or certification, including the conferring of a degree, which may or may not yet have been received from the College.

If a student, allegedly involved in a violation of the Student Conduct Code, separates or graduates from the College prior to a hearing being held, the disciplinary process can continue at the discretion of the College. If a hearing is not pursued upon the separation of the student, the pending charges will be resolved, at the discretion of the College prior to any future readmission.

A $10 Administrative Fee will be assessed for each disciplinary hearing held.

In situations involving information of a confidential, sensitive or personal nature, the Dean of Student Affairs may determine that it is inappropriate for the proceedings to be held before the full Judicial Council and convene an Administrative Hearing.

A. **Initiation of Charges** – The Dean of Student Affairs or designee bears the responsibility for the initiation of disciplinary procedures against a student for alleged non-academic misconduct. The Dean of Student Affairs or designee will review instances of reported misconduct to determine if disciplinary proceedings should be initiated. Any member of the campus committee may register a complaint in writing with the Dean of Student Affairs or designee against a student for alleged violation of the Student Conduct Code. In the absence of sufficient information as determined by the Dean of Student Affairs or designee, a complaint will be dismissed.

B. **Notification of Charges** – Once it is determined that disciplinary proceedings will be initiated, the accused student will normally be provided written notification of charges. This preliminary notification will specify the alleged violation(s) of this code and will also inform the accused student of a scheduled Disciplinary Conference with the Dean of Student Affairs or designee, which will provide additional information relating to the charges. This notification may be served by one of the following means:

1. Handing a copy to the student in person, if he/she can be found with reasonable diligence in the Glenville area; or
2. Delivering, via campus mail, a copy to the student, if he/she currently lives in one of the campus residence halls; or
3. Mailing, via certified mail, a copy to the student at the address on file as disclosed by official College records; or
4. Mailing, via certified mail, a copy to the student’s last known permanent or home residence as disclosed by official College records, if the student is not presently registered at Glenville State College.
5. Delivering, via the GSC e-mail address, a copy to the student. If this method of delivery is used, the student will be handed a standard notice indicating the need to check e-mail for the notification.

It is expressly provided, however, that such service of charges and notice of proceedings shall not be defective if the student shall have hidden, refused mail, or shall have failed to notify the institution of his/her current address while attending the institution or of the current permanent home address, and the proceedings may proceed without hindrance or delay. In addition to the above mentioned methods, an e-mail will also be sent to the student’s Glenville State e-mail account.

C. **Disciplinary Conference** – The purpose of the Disciplinary Conference is to provide additional information and to insure that the accused student will be sufficiently familiar with the disciplinary process in
order to adequately prepare and present a response at the hearing. Students may choose to resolve the charges with the Judicial Officer at the time of the Disciplinary Conference. At this conference the accused student:

1. Will be advised immediately of the right to decline to make any statements to avoid the possibility of self-incrimination. Refusal to speak or to answer questions shall not be interpreted as evidence of responsibility.

2. Will be advised of the charges and if suspension or expulsion is possible as a result of the hearing. Applicable portions of the Student Conduct Code will be cited.

3. Will be advised that if he or she is suspended or expelled, a notation will appear on the academic transcript.

4. Will be advised that if he or she is suspended or expelled, the Registrar’s Office will administratively withdraw him/her from all classes with a grade of “W” appearing on the transcript.

5. Will be advised of the facts and evidence to be presented in support of the charges made with sufficient clarity to reasonably disclose the time and place of the occurrence and the actions or behavior in question.

6. Will be provided a copy of the Student Conduct Code and any other appropriate written material.

7. Will be informed that a member of the GSC faculty, staff or administration may serve as an advisor and may be present at the hearing. An advisor may consult with the student, but may not speak on behalf of the student or otherwise participate directly in the proceedings, unless given specific permission to do so by the hearing authority. [In cases involving potential suspension or expulsion, legal counsel may be present at the hearing. Students retain attorneys in such cases at their own expense and must notify the Dean of Student Affairs or designee at least forty-eight (48) hours prior to the hearing if the attorney will be present at the proceedings. Legal counsel may serve in an advisory capacity to the accused student in such cases, however counsel may not speak on behalf of the student or otherwise participate directly in the proceedings. The College may choose to have legal counsel present, who may participate only in an advisory capacity and may not speak on behalf of the institution or otherwise participate directly in the proceedings.]

8. Will be advised to consult further with the Dean of Student Affairs or designee concerning any questions or interpretations of procedure.

9. Will be advised of the tentative date of the hearing and that hearings are scheduled to provide the accused student a minimum of five (5) days from the date of service of the notification of charges during which to prepare a response, unless such notice is waived by the student. If an Administrative or Judicial Council hearing is to be held, a letter confirming the date, time and place of the hearing will be sent after the Disciplinary Conference is conducted.

10. Will be advised that any request for a delay of the hearing must be in the form of a written petition to the Dean of Student Affairs or designee who schedules hearings and determines whether a delay will be granted. Such a delay will not affect the student’s status.

11. Will be advised that the Dean of Student Affairs or designee may choose to delay the hearing for good cause. Such a delay will not affect the student’s status.

12. Will be advised of options for resolutions of disciplinary charges.
D. **Failure to Respond** – If the student does not appear at the Disciplinary Conference, a fee of $15 will be assessed. An Administrative Hearing will be conducted by the Dean of Student Affairs or designee immediately and a determination will be made based upon the available information. In such a case, the evidence in support of the charges shall be presented and considered. And, in any event, all findings of fact and recommendations shall be based solely upon the evidence in the case as a whole.

E. **Dismissal of Charges** – If the Dean of Student Affairs or designee determines as a result of the Disciplinary Conference that insufficient information exists to justify a hearing, the charge will be dismissed.

F. **Options for Resolution of Disciplinary Charges** – It should be clearly understood that there is a fundamental difference between the nature of student discipline and that of criminal law.

Regardless of the options exercised for resolution of charges, the discipline of students within the College community must be consistent with the educational mission of the institution.

At the Disciplinary Conference with the Dean of Student Affairs or designee, the charged student will have all the disciplinary options outlined below fully explained:

1. Plead not responsible to the charge(s) and have a regular hearing before the Judicial Council* where a determination of responsibility will be made. If held responsible by the Judicial Council, an appropriate sanction will be determined.

2. Plead not responsible to the charge(s) and request an administrative hearing before the Dean of Student Affairs or designee where a determination of responsibility will be made. If held responsible by this judicial officer, an appropriate sanction will be determined. The Dean or designee may decline to conduct the hearing, in which case the Judicial Council must hear the matter.

3. Accept responsibility for the charge(s) and elect for the Judicial Council* to determine an appropriate sanction.

4. Accept responsibility for the charge(s) and elect for the Dean of Student Affairs or designee to determine an appropriate sanction. The Dean of Student Affairs or designee may decline to conduct the hearing, in which case the Judicial Council must hear the matter.

*Only cases involving Level C or D violations will be forwarded to a Judicial Council hearing. If a student requests a hearing for a Level A or B violation the hearing will be an Administrative hearing. Also, in situations involving information of a confidential, sensitive or personal nature, the Dean of Student Affairs may determine that it is inappropriate for the proceedings to be held before the full Judicial Council and convene an administrative hearing.

G. **Administrative Hearing Procedures (Can be used for level A, B, C or D violations)**

1. During a hearing, the accused student is entitled to:
   a. Appear in person and present any relevant information, be informed of all information presented, call witnesses and ask questions of witnesses present at the hearing.
   b. Elect not to appear at the hearing, in which case the hearing shall be conducted in the student’s absence.
   c. Refuse to answer any questions or make a statement; the Judicial Officer shall make his or her decision solely on the basis of information presented at the hearing.
d. Confidentiality. All hearings shall be conducted in private session. All statements, information, or comments given during hearings will be held in the strictest confidence by the Judicial Officer, College staff, witnesses and advisors before, during, and after deliberation. Video, audio, stenographic, or photographic recordings of hearing proceedings are prohibited, except as authorized by the Dean of Student Affairs or designee.

2. The Judicial Office will exercise control over the hearing to avoid needless consumption of time, repetition of information, and/or to prevent the harassment or intimidation of participants. The hearing can be recessed at any time.

3. All hearings shall be conducted in an informal manner and technical rules of evidence will not be applied. The taking of statements of witnesses may be done by discussion, though the testimony of each witness may be subject to question and rebuttal. Witnesses shall be present during a hearing only during the time they are testifying. While written statements are admissible, the accused shall have the opportunity to question and rebut the testimony of the principle party, unless extenuating circumstances preclude this option.

4. The Judicial Officer assigned to the case is responsible for scheduling, coordinating, and conducting the Administrative Hearing.

5. The Judicial Officer may make a tape recording of all hearings. The accused shall have the right, upon request, to listen to the recording in the presence of a staff member of the Office of Student Affairs. The accused may request a duplicate copy of the recording within a period of six months from the date of the hearing and must assume the cost for this expense.

6. Hearing Decision – Immediately upon completion of the hearing, the Judicial Officer shall, consider the information presented to determine responsibility or to drop the charges due to insufficient information. The Judicial Officer shall consider only the information presented at the hearing, and responsibility can only be determined by clear and convincing information. If responsibility is acknowledged or is determined prior to the determination of the sanction, the Judicial Officer can allow the introduction of written and/or oral statement(s) that details the impact of the violation on the victim. Information concerning any past disciplinary record of the student(s) will be available to the hearing authority.

7. Notification of the Decision – Upon completion of deliberation, the Judicial Officer will notify the accused student, in writing, of his or her decision. The letter from the Judicial Officer shall consist of written confirmation of the decision including the findings of fact, the determination of responsibility, the complete description of any sanction imposed or the decision to drop the charge(s) due to insufficient information.

All statements, information, or comments given during hearings will be held in the strictest confidence by members of the Judicial Council, College staff, witnesses and advisors before, during, and after deliberation. Video, audio, Stenographic, or photographic recordings of hearing proceedings are prohibited, except as authorized by the Dean of Student Affairs or designee.

e. Challenge the presence of a Judicial Council member for cause. Cause is defined as personal bias, prior involvement, or inappropriate access to information concerning the incident. The removal of a Judicial Council member for cause will be at the discretion of the remaining council members as determined by majority vote.

2. The hearing authority will exercise control over the hearing to avoid needless consumption of time, repetition of information, and/or to prevent the harassment or intimidation of participants. The hearing can be recessed at any time.

3. All hearings shall be conducted in an informal manner and technical rules of evidence will not be applied. The taking of statements of witnesses may be done by discussion, though the testimony of each witness may be subject to question and rebuttal. Witnesses shall be present during a hearing only during the time they are testifying. While written statements are admissible, the accused shall have the opportunity to question and rebut the testimony of the principle party, unless extenuating circumstances preclude this option.

4. The Dean of Student Affairs or designee is responsible for scheduling, coordinating, and presenting all cases and may be present during the entire hearing.

5. The Dean of Student Affairs or designee may make a tape recording of all hearings. The accused shall have the right, upon request, to listen to the recording in the presence of a staff member of the Office of Student Affairs. The accused may request a duplicate copy of the recording within a period of six months from the date of the hearing and must assume the cost for this expense.

6. Hearing Decision – Immediately upon completion of the hearing, the hearing authority shall consider the information presented to determine responsibility or to drop the charges due to insufficient information. The hearing authority shall consider only the information presented at the hearing, and responsibility can only be determined by clear and convincing information. In a Judicial Council hearing, a majority vote of council members present shall be required to find the accused responsible and to assign a particular sanction. If responsibility is acknowledged or is determined prior to the determination of the sanction, the hearing authority can allow the introduction of written and/or oral statement(s) that details the impact of the violation on the victim. Information concerning any past disciplinary record of the student(s) will be available to the hearing authority. This information will be presented by the Dean of Student Affairs or designee for consideration in determining an appropriate sanction.

7. Notification of the Decision – Upon completion of deliberation, the hearing authority will notify the Dean of Student Affairs or designee in writing, who is then responsible for communicating in writing the decision of the hearing authority to the student. The letter from the hearing authority shall consist of written confirmation of the decision including the findings of fact, the determination of responsibility, the complete description of any sanction imposed or the decision to drop the charge(s) due to insufficient information.
VII. DISCIPLINARY SANCTIONS

The purpose of imposing disciplinary sanctions is twofold: to protect the College community from behaviors that are detrimental to the educational process of the community; and to assist students in identifying acceptable parameters of their activities and their consequences of future behaviors. The severity of the sanctions will correspond to the severity or frequency of violation, as well as the student's willingness to recommit himself or herself to good citizenship through behaviors that fall within the conduct regulations of the College.

When a sanction is scheduled for a particular semester and the time lapse during an appeal process makes enforcement in the designated semester impossible, then the sanction shall be applied to the semester in progress at the time of completion of the appeal. In the event that sanction cannot be implemented during that semester, then it shall be applied during the next regular semester, except that if the student has completed the course of study during the pendency of the appeal, the sanctions, where possible, shall be carried out retroactively to affect the grades and records of that student during the semester designated in the original sanction. In any event, the accused student may not be graduated during the process of appeal.

The following disciplinary sanctions may be imposed upon a student responsible for a violation either singly and/or in combination. Failure to satisfactorily complete any sanction imposed by a Judicial Officer or the GSC Judicial Council by the deadline specified in the notification letter will result in a hold being placed on the student’s records. This means that the student may not receive grades, transcripts or diplomas until the sanction has been completed.

A. Expulsion - Expulsion is permanent disciplinary separation from the College involving denial of all student privileges. Expulsion is the termination of all student status, including any remaining right or privilege to receive some benefit, recognition or certification. Expulsion shall be effective on the date of notice of the expulsion, or later if so stated in the notice. When a student is expelled, a notation will appear on the academic transcript and the Registrar will administratively withdraw the student from classes and place a grade of “W” on the transcript. Students separated from the College by expulsion may not enter College premises or College-related premises without securing prior approval from the Dean of Student Affairs or designee.

B. Suspension - Suspension is temporary disciplinary separation from the College involving denial of student privileges. Suspension is the exclusion from all institutional activities for a definite stated period of time up to one (1) academic year, and any condition or resumption of activities, if any, also may be imposed. Suspension shall be effective on the date of notice of the suspension or later if so stated in the notice, shall be entered into the student’s permanent record, and shall prescribe the date and conditions upon which the student may petition for readmission. When a student is suspended, a notation will appear on the academic transcript and the Registrar will administratively withdraw the student from classes and place a grade of “W” on the transcript. Conditions for readmission may include, but are not limited to, disciplinary probation for a specified length of time; non-residence on campus; restricted visitation to specified campus facilities; and written statement from an accredited mental health professional or medical doctor verifying the capability of the student to function successfully at the College.

Students separated from the College by suspension may not enter College premises or College-related premises without securing prior approval from the Dean of Student Affairs or designee.

A sanction of suspension or expulsion imposed by any public college or university in West Virginia may apply to the person sanctioned not only at the institution where the sanction was imposed, but may also be effective at all public colleges and universities in the State. A student who is expelled from any public college or university in West Virginia may not be considered for admission to Glenville State College until one(1) year has elapsed after the student has been expelled.
C.  **Residence Hall Probation** - Residence Hall Probation is a warning that further violation of residence hall rules and regulations may result in Residence Hall Separation or expulsion.

D.  **Residence Hall Separation** - Residence Hall separation involves removal from the campus residence hall community for conduct that clearly demonstrated an inability to function appropriately in the residence hall living situation. Such separation may be permanent or for a specified number of semesters. Such separation prohibits accessibility to all or designated residence halls and may prohibit access to associated dining facilities. Visitation will not be permitted without securing prior approval from the hearing officer or panel. In no case will separation be less than the remainder of the semester in which it takes place.

E.  **Disciplinary Probation** – Disciplinary Probation is the exclusion from participation in certain institutional activities, property or facilities for a definite stated period of time, and may be conditioned upon compliance with policies, rules and regulations, or specified required activity during the period of probation. Probation is a period of review and observation during which a student has been officially notified that his/her conduct, although not serious enough to warrant suspension, was very inappropriate. Subsequent violations of College rules, regulations or policies could result in a more severe sanction. Disciplinary Probation is a status that may involve restrictions, conditions or terms imposed for a definite period of time. Restrictions, conditions, or terms of probation may include, but are not limited to: ineligibility to participate in campus activities or events, periodic contact with a designated member of the campus community; restrictions on accessibility to College facilities and/or housing areas, and change of housing assignment. Restrictions, conditions, and terms will be imposed for a specific length of time not to exceed the length of the probationary period. Failure to comply with the terms and conditions of the probation or additional behavior in violation of this code during the probationary period will likely result in more serious disciplinary action.

F.  **Disciplinary Warning** - Disciplinary Warning involves written notice to the student indicating that specific behavior or activity was in violation of this code and that repetition of similar or other unsatisfactory behavior would likely result in more serious disciplinary action. A Disciplinary Warning may also involve conditions, such as those listed above, which are intended to be educational in nature.

G.  **Restitution** - Restitution is not a fine; it is reimbursement for actual damage to, destruction of, or misappropriation of College property or property of any person which results from conduct in violation of this code. The administrative hearing officer or hearing panel will determine the appropriate reimbursement.

H.  **Termination of the Privileges of a Recognized Student Organization** - Termination of the Privileges of a Recognized Student Organization is the loss of any or all campus privileges of that organization. Imposition of this sanction does not preclude disciplinary charges against individual members of the organization.

I.  **Termination of the Recognition of a Recognized Student Organization** - Termination of the Recognition of a Recognized Student Organization is the discontinuation of the recognition of that organization on campus. This means the organization can no longer function. Imposition of this sanction does not preclude disciplinary charges against individual members of the organization.

J.  **Parental Notification for Violating the College’s Alcohol or Drug & Substance Abuse Policy** - When found responsible for violations of these conduct standards, the hearing authority may decide to recommend that notification be sent to the responsible student’s parents or legal guardians of these violations as allowed by Federal law. This will only occur after the hearing authority has discussed this possible notification with the student and the student is under 21.

K.  **Mandatory referral for counseling** - Mandatory counseling referrals may be made to the Campus Health Center.
L. **Campus/Community Service Hours** - A student or organization may be required to render an appropriate amount of public service to the College or Community as designated, under the supervision of a College official.

M. **Educational Sanctions** - When deemed appropriate, the hearing officer or council may require performance of a variety of educational sanctions. These may include a formal apology (in writing and/or in person), a public presentation, and/or a research paper on a designated topic.

N. **Monetary Penalty or Fine**

**VIII. APPEALS**

Appeals must be presented, specifically described in writing, to the next level of authority in the disciplinary chain of command. An appeal is not a new hearing. It is a review of the record of the original hearing. The accused student and his/her advisor has the right to review the accused student’s disciplinary file, including any tape recordings of the hearing.

An appeal may be dismissed if not sought on proper grounds. If an appeal is upheld, the case with procedural specifications shall be referred to the original hearing officer/panel. Any sanction imposed as a result of a hearing shall remain in effect during the process of appeal. The appeal officer has the authority, under extenuating circumstances, to defer the imposed sanction while an appeal is in process. In any event, sanctions may not be increased as a result of an appeal.

An appeal may be sought on two grounds:

A. On a claim of error in the hearing procedure. Appeals on such grounds must be presented, specifically described, in writing within five days (excluding weekends and holidays) of the announcement of the decision.

B. On a claim of new information material to the case that was not available at the time of the hearing. Appeals on such grounds must be presented within five days (excluding weekends and holidays) of the new information having been discovered.

The following is the disciplinary chain of command:

C. In cases where the College President has upheld the institutional sanction of Expulsion, a student may pursue an appeal through the Glenville State College Board of Governors. A student desiring to appeal the sanction of expulsion must, within three (3) working days, indicate to the President in writing an intent to appeal the decision to the Board of Governors. A written petition of appeal must be filed with the Board of Governors within fifteen (15) days of the President’s decision.

**IX. INTERIM SUSPENSION**

A. The Dean of Student Affairs or the College President may suspend a student for an interim period pending disciplinary proceedings or medical evaluation. Such interim suspension is to become immediately effective without prior notice whenever there is reason to believe, based on available facts, that the continued presence of the student poses a substantial threat to himself/herself, to others, to college property, or to the stability and continuance of normal college functions. Actions authorized by this policy include:
1. Temporary suspension of a student’s eligibility for enrollment or attendance, as well as denial of the student’s access to College facilities or property.

2. Temporary suspension or limitation of a student’s eligibility to enjoy certain privileges, or participate in or attend certain events (or certain kinds of events) without the suspension of enrollment status. This action may prohibit a student’s presence on College property or in certain facilities, or impose conditions that must be met in order for that student to enjoy certain privileges, participate in activities, or attend events.

B. A student suspended on an interim basis shall be given a copy of this policy and notice explaining the reason for, and duration of the interim suspension, as well as any conditions that may apply. A student notified of such action shall, upon written request, be given an opportunity to meet with the Dean of Student Affairs or designee within five business days from the date of the request. This meeting shall be held to consider only the following issues related to the interim suspension:

1. The reliability of information alleging a student’s misconduct, and

2. Whether the conduct or surrounding circumstances reasonably indicate that the student’s presence on campus or continued unrestricted participation in campus activities poses a substantial threat to himself/herself, to others, to college property, or to the stability and continuance of normal college functions.

C. Following an interim suspension, applicable College disciplinary procedures shall be provided as expeditiously as possible.

D. Any student who has been suspended on an interim basis and who returns to the campus or to College property and/or violates other stated conditions shall be subject to further separate action and may be treated as a trespasser. Permission to be on campus for a specific purpose (e.g. to take an exam, to consult with the Dean of Student Affairs or designee, or to participate in disciplinary procedures) must be requested and obtained in writing or by telephone prior to any action, and may be granted by the Dean of Student Affairs or designee.

6.7. Limitations of assembly and student use of institutional property or facilities - Subject to the control of the Board Governors, when, in the judgment of the president, an assembly is not in the best interests of the institution or the individuals concerned, in that it presents a clear and present danger of harm to persons, property, or facilities or interference with or disruption of activities, the president or designee shall prohibit such assembly and shall take measures to prevent harm to persons, property or facilities, or to prevent interference with or disruption of activities, as may be necessary in the circumstances or may be reasonably expected to come into existence.

6.8. 7.2. Sanctions in disciplinary action - The following sanctions may be imposed upon students as a result of disciplinary actions by the institution:

7.2.4. Other sanctions as articulated in the Student Conduct Code.

Normally, students facing suspension or expulsion from the institution will be entitled to a hearing prior to the imposition of the sanction. However, a student may be temporarily suspended pending final action on the
charges when the student's continued presence on campus would constitute a potential for serious harm to himself/herself or to the safety of other members of the institutional community. Such temporary suspension shall be followed with speedy disciplinary proceedings consistent with these policies, rules and regulations. Sanctions of lesser severity, including restitution, may be imposed in any case, at the discretion of the president of the institution or designee. Students will be advised during the disciplinary process if they may be subject to the sanctions of suspension or expulsion if found responsible for the offense.

A sanction of suspension or expulsion imposed by any public college or university in West Virginia may apply to the person sanctioned not only at the institution where the sanction was imposed, but may also be effective at all public colleges and universities in the State. A student who is expelled from any public college or university in West Virginia may not be considered for admission to Glenville State College until one (1) year has elapsed after the student has been expelled.

When a sanction is scheduled for a particular semester and the time lapse during an appeal process makes enforcement in the designated semester impossible, then the sanction shall be applied to the semester in progress at the time of completion of the appeal. In the event that sanction cannot be implemented during that semester, then it shall be applied during the next regular semester, except that if the student has completed the course of study during the pendency of the appeal, the sanctions, where possible, shall be carried out retroactively to affect the grades and records of that student during the semester designated in the original sanction. In any event, the accused student may not be graduated during the process of appeal.

7.3.1. General requirements for disciplinary channels - Rules and regulations establishing disciplinary channels at the institution, promulgated pursuant to Sections 4.6 and 6.3 of this rule, or any of the policies, rules and regulations, shall provide, among other things, at the least for the following:

7.3.1. There shall be provisions for the following designated hearing authorities who may adjudicate judicial incidents:

7.3.1.1. There shall be a hearing board whose members shall be members of the institutional community, including student and faculty representatives, and whose number shall be at least three (3), and, in any event, on any panel hearing a case, shall be odd.

7.3.1.2. There shall be designated judicial officers who are staff members assigned by the President or designee to administratively attend to judicial matters.

7.3.2. The designated hearing authorities shall have jurisdiction of cases involving the alleged violations of Sections 5.2, 5.3, 5.4, 5.5 and 5.6 of this policy, of cases involving students suspended pursuant to Section 6.8.1.1 of this policy and of any alleged violations of the Student Conduct Code.

7.3.3. The jurisdiction and authority of all designated hearing authorities shall be, in cases of disciplinary action against students:

7.3.3.1. To hear evidence;

7.3.3.2. To make findings of fact from the evidence presented;

7.3.3.3. To make recommendations to the president of the institution or designee, based upon such findings of fact, as to the disposition of the disciplinary action, including sanctions to be imposed, if any; and
7.3.4. To refer for hearing to a lesser disciplinary channel, as appropriate, in cases not involving potential suspension or expulsion.

7.3.4. All designated hearing authorities shall have such appellate jurisdiction as may be appropriate to the institution, from the determinations and recommendations of any lesser disciplinary channel.

7.3.5. The student may then object or take exception to the recommendations of the designated hearing authority under such procedures as the president or designee may deem appropriate.

7.4. Procedural standards in disciplinary proceedings - In any disciplinary proceedings before a hearing authority established pursuant to Section 7.3 of this policy brought against a student for alleged misconduct, actions, or behavior for which sanctions of suspension or expulsion may be imposed, the following procedural standards shall be observed.

7.4.1. Written charges of violation shall be presented to the accused student which shall include at least:

7.4.1.1. A statement of the policy, rule or regulation which allegedly has been violated;

7.4.1.2. A statement of the facts and evidence to be presented in support of the charges made with sufficient clarity to reasonably disclose the time and place of the occurrence and the actions or behavior complained of;

7.4.1.3. A statement that a hearing will be held before the hearing authority on the charges, together with notice of the date, time and place of the hearing; and

7.4.1.2. In cases involving potential suspension or expulsion, as specified in institutional policies, the student must be informed of his/her right to have legal counsel present at the hearing. Students retain attorneys in such cases at their own expense and must notify the hearing authority at least forty-eight (48) hours prior to the hearing if the attorney will be present at the proceedings.

It is expressly provided, however, that such written charges shall not be fatally defective so as to prevent the setting hearing or to require further amplification if such minimum requirements are met reasonably and in good conscience at the discretion of the hearing authority.

7.4.2. Said written charges shall be served upon the student charged by one (1) of the following means:

7.4.2.1. Handing a copy to the student in person, if he/she can be found, with reasonable diligence in the town where the institution is located and the hearing is to take place; or

7.4.2.1.2. Delivering, via campus mail a copy to the student if he/she currently lives in one of the campus residence halls; or

7.4.2.1.3. Mailing, via certified mail, a copy to the student at the residence used while in attendance at the institution, as last noted on his/her official records at the institution; or
7.4.2.1.4. If the student is not presently registered at the institution, or in any event, by mailing, via certified mail, a copy to his/her last known permanent or home residence as disclosed by official records at the institution.

It is expressly provided, however, that such service of charges and notice of hearing shall not be defective if the student shall have hidden, refused mail, or shall have failed to notify the institution of his/her current address while attending the institution or of the current permanent home address, and the hearing may proceed without hindrance or delay.

7.4.3. A hearing shall be held at the date, time and place specified (unless postponed by the hearing authority for good cause shown) and shall provide the student at least five (5) days notice from the serving of the charges (unless such notice is waived by the student). The hearing shall be conducted in such a manner as to do substantial justice and shall include at least the following:

7.4.3.1. The accused student has the right to have an advisor. Such an advisor may be a member of the Glenville State College faculty, staff or administration. An advisor may consult with the accused student, but may not speak on behalf of the student or otherwise participate directly in the proceedings, unless given specific permission to do so by the hearing authority. In cases involving the potential for suspension or expulsion, legal counsel may be present as specified in Section 7.4.1.4 of this policy. Legal counsel may serve in an advisory capacity to the accused student in such cases. However, legal counsel may not speak on behalf of the student or Otherwise participate directly in the proceedings. The College may choose to have legal counsel present, who may participate only in an advisory capacity and may not speak on behalf of the institution or otherwise participate directly in the proceedings;

7.4.3.2. All material evidence may be presented subject to the right of cross-examination of the witnesses;

7.4.3.3. There shall be a complete and accurate record of the hearing. In the case of an appeal, a written transcript may be required;

7.4.3.4. In any event, the accused student shall be entitled to be present throughout the presentation of evidence, testimony of witnesses, and arguments of parties; to know the identity of and content of testimony of the witnesses against him and have them present at the hearing at appropriate times; and to present witnesses and any evidence on his behalf as may be relevant and material to the case.

7.4.4. No recommendation for the imposition of sanctions may be based solely upon the failure of the accused student to answer charges or to appear at the hearing. In such a case, the evidence in support of the charges shall be presented and considered. And, in any event, all findings of fact and recommendations shall be based solely upon the evidence in the case as a whole.

7.4.5. After the hearing, the hearing authority shall make findings of fact and recommendations for the disposition of the case and sanctions to be imposed, if any, and forward the same to the president of the institution or designee. Within ten (10) working days following receipt of the hearing authority recommendations, the president or designee shall review the facts of the case and take such action as may be appropriate under all the circumstances. Except in
cases which involve the sanction of expulsion, as defined in Section 7.2 of this policy, the decision of the president shall be final.

7.5. Review by the Board of Governors. The Board of Governors may, from time to time, require from the president reports on disciplinary actions or proceedings over a period of time or as to any specific case or cases. Such reports shall be in such form as the Board of Governors may require. In disciplinary cases where the institutional sanction is expulsion, the Board of Governors may, pursuant to such procedures as it may specify, grant an appeal from the disciplinary action of the President on the record of the case submitted and on leave of the Board of Governors first obtained. A student desiring to appeal the sanction of expulsion must, within three (3) working days, indicate to the president in writing an intent to appeal the decision to the Board of Governors. A written petition of appeal must be filed with the Board of Governors within fifteen (15) days of the President’s decision.

If the Board of Governors determines that the petition will not be heard, the decision of the president of the institution is affirmed and sanctions imposed therein shall be effective upon the president's receipt of the statement of denial. If the appeal is granted, the sanction imposed by the president's decision shall be stayed until the Board of Governors makes a final decision after a review of the case. In the event the decision of the president is affirmed after such review, the person appealing and the president shall be notified by certified mail and the sanction shall be effective immediately upon receipt by the president of the decision rendered by the Board of Governors.

In reviewing student appeals involving the sanction of expulsion, the Board of Governors will review all relevant information and records of applicable institutional disciplinary proceedings to ensure that due process has been afforded. In any case of any review of disciplinary action, the Board of Governors may take such action as it deems reasonable and proper in all the circumstances and in answer to all its responsibilities under the law.

**Student Organization Guidelines**

One of the goals of the Office of Student Activities is to provide support to student organization leaders and members. In order to achieve that goal, our office must have current, accurate information about each organization and must be aware of organizational activities. For that reason, the following guidelines have been established for all GSC Student Organizations:

### Requirements

- Submit all required paperwork to the Office of Student Activities
- Have an advisor who is a full-time faculty or staff member at Glenville State College and that provides guidance to the organization and has contact (by phone or in person) with the Director of Student Activities at least once a semester
- Meet at least 3 times per semester
- Register events and activities with the Office of Student Activities
- Participate in 3 service projects each semester or a total of 6 projects for the year. These projects can be planned by the organization or the organization can participate in project(s) planned by an affiliate of Glenville State College
- Send president or designee to meetings held by the Director of Student Activities throughout the semester
- Participate in Freshmen Orientation, Fall and Spring Pioneer Preview.
- If you are a National Organization, you must provide a letter from the national headquarters that you are in good standing.
- President or designated contact officer must maintain his/her Glenville State College e-mail account. All information sent via e-mail will be sent using this address only. Failure to check the GSC e-mail account is not an excuse for missing deadlines or not meeting requirements.

### Paperwork

- Student Organization Application for Recognition
- Student Organization Registration
- Constitution

All paperwork can be picked up in the Office of Student Activities. Once completed, it is to be turned in to the Director of Student Activities.

### Consequences

- Failure to meet guidelines or submit paperwork will result in organization being placed on probation for one semester. Officers must meet with the Director of Student Activities and outline a plan of action for bringing the organization back into compliance.
- If an organization does not meet requirements during the probationary semester, its recognition as a student organization of Glenville State College will be suspended. In order to be reinstated, the organization would have to reapply.
Campus Postings

Student organization postings for bulletin boards and kiosks must be sent electronically and approved in the Office of Student Activities prior to display and should be posted only in locations designated by each Facility Manager. Posters should be placed on designated bulletin boards with thumb tacks or pushpins and should not be taped to painted surfaces under any circumstances. Notices may not be placed on the exterior surfaces, windows or doors of any campus building, or on trees, posts, fences or other inappropriate venues. Flyers which promote the use and/or sale of alcohol will not be approved.

Event Flyer Policy

1. Student Organizations may submit flyers electronically as a PDF or by bringing a copy to the Office of Student Activities.

2. Bulletin boards and kiosks are intended for use by student organizations and college departments.

3. All flyers for approval will need to include the name of the organization, location, event, date, time and contact information.

4. Flyers in the residents halls concerning Residence Life being posted in the residence halls need not be approved.

5. No flyer on campus may appear on glass or windows, with the exception of same day announcements of campus emergencies or urgent announcements from the Student Life Office.

6. All flyers must be approved and STAMPED with the official seal (located in the Office of Student Activities Office)

7. Posters may be posted on BULLETIN BOARDS and KIOSKS ONLY. The following is a list of places where bulletin boards are accessible:
   a. Residence Halls
   b. MCCC Ground Floor
   c. Heflin AB Ground Floor and Second Floor
   d. Science Building First-Fourth Floor (contact the Science Administrative Secretary for key)
   e. Fine Arts Building

   The following is a list of places where kiosks are accessible:
   a. MCCC First-Third Floor
   b. Fine Arts Building
   c. Amphitheater

8. Copies of black and white posters can be made in the Office of Student Life. Each organization is limited to FIVE color copies per event.

BUILDING MAINTENANCE, FACULY AND OTHER STAFF MEMBERS WILL ENFORCE THE POLICIES REGARDING PLACEMENT OF ALL POSTERS REGARDLESS OR THE ORGANIZATION

Fundraising Policy for Student Organizations

Fundraising activities by Student Organizations should offer a benefit to the College community that is consistent with the College’s educational mission. The sponsor of a fundraising activity must complete an event form, available in the Office of Student Activities.

Student Organizations organizing fundraising events not involving the sale of a product or service (e.g. sponsoring a dance, bake sale or raffle) must obtain permission for their activity form from the Director of Student Activities or Student Life designee. Any student group sponsoring a fundraising activity involving the sale or service must complete an event registration form.

Glenville State College acknowledges that a policy of this nature may not anticipate every possible issue that
may arise with the respect to fundraising activities. As a result, the College reserves the right to impose reasonable restrictions and/or requirement with respect to time, place and manner of fundraising activities. These restrictions may be in addition to or in lieu of those set forth in the policy.

Revised June 9, 2010
GLENVILLE STATE COLLEGE

Guidelines for the Wearing of Honor Cords, Pins or Ribbons at Graduation

1. Honoraries, Governing Organizations and Special Groups

   a. Governing Organizations (Pins)
      • Governing Organizations are defined as those elected by and representative of the whole student body.
      • Governing Organizations will develop guidelines to select those members who are eligible to wear the pins.
      • The Vice President for Student Affairs will forward a recommendation to the President for final approval.
      • Pins are designated with the Glenville State College insignia. Since members of the Governing Organization have provided service to the overall campus, it seems appropriate to wear the school name as well as the organization name.

   b. Honorary Organizations (Honor Cords)
      • Honorary Organizations are defined as those nationally recognized for students who excel academically in their field of study.
      • Honorary Organizations will develop guidelines to select those members who are eligible to wear the cord.
      • The Vice President for Student Affairs will forward a recommendation to the President for final approval.
      • Cord is designated as the color specified by the national organization.

   c. Special Groups (Organizations and its Membership) (Ribbons)
      • Special Groups are defined as campus organizations which by the nature of their regional and/or national success have brought honor to themselves and the campus.
      • Are members of an organization that are in good standing with the Student Activities Office.
      • The individual is in good academic and judicial standing with Glenville State College.
      • The individual has met the standards set by the organizations constitution and code of conduct in being a member in good standing.
      • Accumulative GPA 3.0
      • Must have completed at least 20 hours of community engagement with the organization in which the individual is a member.
      • Organizations seeking this designation must petition the Vice President for Student Affairs or designee and provide documentation of regional and/or national success and the guidelines to select members.
      • The Vice President for Student Affairs will forward a recommendation to the President for final approval.
      • Ribbons are designated as the colors specified by the organization.

2. Students who graduate with designated academic honors, as specified in the GSC Catalog, will continue to wear the gold stole.
