Head Coach Stephen Dye recently finished up his 6th year at the helm of the men’s Pioneer basketball program. During his career, Dye’s teams have won the MEC Tournament Championship (first championship in 43 years) and he has led them to two NCAA Tournament appearances. His players are high character athletes who do well in the classroom as well as on the court.

Coach Dye comes from a very successful background at the collegiate level where he won three WVIAA Conference Championships and a Sweet Sixteen appearance as a player. Aside from the team awards, Dye was named to the WVIAA 1st All-Conference Team as well as 2nd Team All-Region. During his senior year, Dye broke the All-Time Division II record for most career three-point field goals with 444.

Coach Dye has been heavily involved in summer camps for over a decade. He has planned and directed basketball camps all over the United States as well as overseas. In 2008 Dye flew to Bethlehem, Israel to teach basketball fundamentals and skills to over 300 Israeli youths. Over the years, he has been most well known for his ability to shoot the basketball as well as teach others how to shoot. He has traveled throughout the state of West Virginia putting on shooting clinics at many different high schools and elementary schools.

The 2015 individual summer boy’s basketball camp at Glenville State College promises to be a great week of instruction and fun for the campers. Coach Dye is extremely excited for this camp and looks forward to seeing you on Monday, July 6th.
