On Monday, July 1, 2012 the Mountain East Conference officially welcomed its twelve charter members to the newest NCAA Division II league.

“We are very excited that our twelve members are moving forward as members of the Mountain East Conference as of today,” said Commissioner Reid Amos. “We have every confidence that our new conference will be highly competitive and will provide great opportunities and memorable experience for our student-athletes.”

The league’s charter members include: Concord University (W.Va.), Fairmont State University (W.Va.), Glenville State College (W.Va.), Notre Dame College (Ohio), Shepherd University (W.Va.), The University of Charleston (W.Va.), The University of Virginia’s College at Wise (Va.), Urbana University (Ohio), West Liberty University (W.Va.), West Virginia State University (W.Va.), West Virginia Wesleyan College (W.Va.), and Wheeling Jesuit University (W.Va.).

The new conference began competition in the fall of 2013 after receiving approval from the NCAA in February.

The 12-team regional all-sports league will sponsor championship competition in 16 men’s and women’s sports during the 2015-16 academic year.

“A highly-competitive conference supports the high-quality experience that we are committed to creating for every one of our student-athletes,” Amos said. “Ultimately, we expect our new affiliation will create increased opportunities for NCAA Tournament participation in every one of our 16 NCAA Championship sports.”

Offense

The Pioneer offense has a large number of weapons returning for the 2015 season. They have a total of 10 starters returning led by running back Rahmann Lee, quarterback Sean Steele, and wide receiver Dante Absher, as well as four offensive linemen.

Senior running back Rahmann Lee looks to put a stamp on his final season as a Pioneer. Lee, ranked first in the MEC in All Purpose Yards with 1,639, ranked second in the MEC in Scoring with 14 total touchdowns and ranked second in Rushing with 1,120. He also only needs 185 rushing yards to break Glenville State College's All-Time Career Rushing Record which was set back in 2008. Lee was also a preseason All-American.

Junior quarterback Sean Steele also looks to have another great season. In 2014 he started nine games leading the Pioneers to four wins. He passed for 2,146 yards, went 144 for 240, and threw 19 touchdown passes. He missed the last two games of the season due to an injury but will enter the 2015 season healthy and ready to go.

Junior wide receiver Dante Absher, the team's leading receiver in 2014, returns this season. He hauled in 57 passes for 854 yards and finished with six touchdowns. Absher will look to have another stellar year in 2015. Absher was a preseason All-American.

The Pioneers also return four out of their five starting offensive linemen from 2014. Senior offensive tackle Leon Hill returns. Hill, a 6'6" 320 pound stud will be an impact upfront for GSC, helping protect the quarterback as well as opening holes up for the running backs. The Pioneers two offensive guards return in seniors Richard Sloan and Anthony Gartell. The Pioneers also return senior center Jonathan Dupree. Hill and Dupree were both preseason All-Americans.

Defense

The Pioneer defense returns seven starters and three of the top four tacklers from a year ago. This group is very athletic and has a ton of speed. Expect that this defense will be very aggressive and fun to watch. The defense is led by senior linebacker James Johnson, sophomore defensive back Earon Settles, and senior linebacker Spencer Steele.

James Johnson is the team leading tackler from 2014 as he had 84 total tackles, 2.5 tackles for loss and one fumble recovery. James is very athletic and has a great nose for the ball. Johnson was selected as a preseason All-American.
PIONEER OUTLOOK

DEFENSE
Earon Settles returns in 2015 for the Pioneers secondary. Settles, got some great time and experience as a freshman last season as he played in 10 games and started the last eight. He was seventh on the team last year in tackles with 45 total. He also had 2.5 tackles for loss, two pass break-ups, and two forced fumbles.

Spencer Steele will look to have another big season in 2015. In 2014 Steele finished fourth on the team in tackles with 61 total. He also had seven tackles for loss and recovered two fumbles. Steele played in all 11 games last season for the Pioneers.

SPECIAL TEAMS
The Pioneers return both their starting kicker and punter from 2014. Junior kicker Tanner Wright was 9 of 13 on field goals last year with his longest coming from 37 yards out. Tanner has a strong leg and will look to have another good year in 2015.

Junior punter Tyler Czajkowski had 18 punts in 2014 and a punting average of 32.7. His longest punt last year was 46 yards. He also placed two punts inside the opponent’s 20 yard line. Tyler will look to have another outstanding year in 2015.

MORRIS STADIUM

Glenville State College was delighted to receive the generous gift of artificial turf from Mr. and Mrs. I.L. Morris in 2001. The creation of the I.L. “Ike” and Sue Morris Stadium gave new meaning to “grass roots” approach as the natural surface of the old Pioneer Field became a thing of the past and was replaced by state-of-the-art playing surface known industry wide as “field turf.”

As of May 2013 the turf was once again replaced. This time it was laid by ProGrass and will make a huge impact on the facilities. The GSC Football Field House has also received a facelift. The construction at the Field House houses new offices for the football coaches, a new sky box for fans, a state-of-the-art scoreboard, and new seats on all of the home side bleachers. The Turf benefits all of the Pioneer Athletics as well as Gilmer County’s youth. The blue and white track and visitors’ bleachers, also gifts from the Morris family, were completed in 2005, making Morris Stadium one of the premier sports stadiums in the Mountainea East Conference.

Morris Stadium is the venue of choice for many events including the last ever WVIAC Multi-Championships, LKC Championships, the Hidden Promise Middle School Track Meet, and the Annual Brandi Bowen Memorial Invitational.

On August 6, 2001, the I.L. & Sue Morris Fitness Complex received the first facelift to its weight room since 1997. With monies from the Curtis Elam Foundation and through fundraising efforts of the Pioneer Football team, the weight room underwent renovation which was complete with updated equipment and a new floor.

The Pioneers received a state-of-the-art Half-Rack Power system with the 2001 renovation. The Pioneer weight room now houses 10 of those racks, each containing 600 pounds of liftable weight. These upgrades effectively propel the Pioneer weight room into the upper echelons of small college weight programs.

For decades, the Morris’ have given back to the community and are especially noted for their efforts in supporting high school and youth sports programs. They have established a scholarship program at the high school and fund such events as the annual high school academic banquet. Their generous donations to the GSC Pioneer football program, including a well-furnished weight room and field house, have helped keep the Pioneer football program competitive.

Sue Morris, a member of the GSC Board of Governors, is a 1965 graduate of Glenville State College where she received a Bachelor of Arts in Elementary Education. Mrs. Morris is multi-certified in physical education, health, and special education. She taught 32 years in Gilmer County Schools.

Ike is originally from Oklahoma and came to Glenville from Illinois, where he had been raised. He came to Glenville in 1962 with an oil rig truck and a few workers to be part of the oil and gas boom.

Ike and Sue credit the kindness of others when they were starting out to their philosophy of spending where they live. Their generosity has enhanced the economic development and quality of life for central West Virginia.
WACO CENTER

On April 25, 2014 Glenville State College held the grand opening of the new Waco Center, a $25 million facility that houses the college's Land Resources department, a 3,000 seat sports arena, and other athletic facilities and offices. The Land Resources section includes new classrooms, labs, a stunning library space, and new faculty offices. The remainder of the building houses the sports arena and other athletic spaces and offices. That portion of the building was opened in May 2014. The Waco Center is located on Mineral Road just across from Pioneer Village student housing complex, inside the Waco Center. A community medical facility operated by Minnie Hamilton Health Systems can also be found.
PIONEER MARCHING BAND

The Glenville State College Pioneer Marching Band is a source of pride to the College, the public, and to all who have been involved with the program. Their goal is simply to be the finest musical organization possible. The band operates on pride and self-discipline. This group is motivated by these ideals and the members have a strong loyalty to their band and to each other. They share the values of excellence and responsibility for presenting their best to the Glenville State College community.

Membership is open to any student who has the drive and desire to participate in this exciting college experience.

The band has received state recognition as the featured exhibition band at the 2010 West Virginia Tournament of the Bands Chapter Finals, the 2008 Mountain State Forest Festival, and the 2008 Black Walnut Festival. The band was also featured at the 2006 Music of the Mountains Tournament of Bands Competition, the 2007 Ritchie County USSBA Competition, and the annual Buckwheat Festival Parade.

Their drumline has been featured at many events as well, including the West Virginia Drumline Invitational, the Black Walnut Festival, and the Nicholas County Band Spectacular. The Marching Band was featured at the 2009 Lewis County Marching Band Competition, the West Virginia State Renaissance Festival, and the Gassaway Christmas Parade.
2015-16 PIONEERS

Matthew Roush, a freshman from Beverly, Ohio, has been named the Glenville State College Pioneer Mascot for the 2015-2016 school year.

"I'm looking forward to cheering on all the GSC teams next year and getting a group of students together for a student section," said Roush. "It felt good when I learned that I would be the new Pioneer. I remember walking around with a smile on my face for the rest of the day after I found out," he continued.

The land surveying major is a member of the Men's Cross Country and Track & Field teams at GSC. He says that he hopes to add more school spirit around campus and get students involved in events all around campus. He is the son of Robert and Carrie Roush.

"I'm very excited for Matt to represent Glenville State College as the Pioneer for the 2015-2016 year! His excitement and enthusiasm is overwhelming and I believe he will bring a pioneer spirit to the campus that will be infectious," said Dean of Student Life Duane Chapman.

As the GSC Pioneer, Roush will attend GSC football and basketball games, tournaments, and other school events. The Pioneer is charged with working with GSC students, faculty, and staff to positively promote and support the college. The official uniform of the GSC Pioneer mascot is a set of buckskins, a coonskin hat, and a musket. Roush becomes the 76th student to portray the Pioneer Mascot since the tradition began during the 1933-34 school year.
