ADMISSION REQUIREMENTS

BACHELOR DEGREE PROGRAMS

To be admitted to any Bachelor’s Degree program at Glenville State College, the following minimum admissions criteria must be met as set forth by Series 23 of the West Virginia Higher Education Policy Commission:

For regular admission, high school graduate applicants must have:

- Graduated from an accredited high school with at least a 2.0 average and an ACT composite score of at least 18 or an SAT I score of 870. A student who graduates with at least a 3.0 high school GPA, regardless of the ACT or SAT I score, will be eligible for regular admission to a bachelor degree program.

Students who want to pursue a Bachelor’s Degree program but who do not meet the admissions requirements outlined above may enter a two-year program. Once the student has remediated deficiencies or completed the requirements of an associate degree, the student may be admitted into a Bachelor’s Degree program.

Students must be fully admitted as a regular student in an eligible program of study before Financial Aid can be awarded.

Conditional Admission of High School Graduates

Students who do not meet the above admission criteria may be considered on a case-by-case basis for conditional admission to a Bachelor’s Degree program. If freshman placement standards require developmental coursework, students must enroll in the developmental coursework in the first semester of enrollment and maintain continual enrollment until all developmental requirements are fulfilled. Conditionally admitted students must maintain good academic standing as defined by the institution and must complete the provisions of their conditional admission within the first four semesters of enrollment. When all admission standards have been met, conditional status will be removed and the student will become a regular admission student.

Curricular Requirements

All admitted high school graduates are expected to have completed the course requirements below prior to taking classes at the College.

- Four units of English (including English 12 CR and courses in grammar, composition, and literature)
- Three units of social studies (including U.S. history)
- Four units of mathematics (three units must be Algebra I and higher or Math I or higher; Transitional Math for Seniors will also be accepted.)
- Three units of science (all courses to be college preparatory laboratory science, preferably units from biology, chemistry, and physics)
- One unit of arts
f. Two units of World language (both units must be the same World language) (can be American Sign Language).

Students who have not completed these courses in high school must complete college courses in the deficient area(s) with a passing grade. A final grade of “D” is sufficient to meet deficiency requirements, but may not be sufficient for purposes of course prerequisites or required courses for a specific major, including required general education courses for a specific major. The college coursework must be completed prior to degree completion.

ASSOCIATE DEGREE PROGRAMS

Admission to Associate Degree programs is open to all students who have graduated from high school or hold a State of West Virginia High School Equivalency Diploma.

ALL CANDIDATES FOR BACHELOR AND ASSOCIATE DEGREE PROGRAMS MUST SUBMIT:

1. an application for admission
2. high school transcript or State of West Virginia High School Equivalency Diploma (no foreign language certificate)
3. ACT or SAT I scores*
4. measles immunization record (if born after January 1957)
5. Selective Service Registration verification**

*Applicants do not have to submit ACT/SAT I scores if they are five years past their high school graduation date or State of West Virginia High School Equivalency test date. The applicant will be tested on campus to determine course placement.

**State law provides that a male person who has attained the age of eighteen (18) years may not enroll in a state-supported institution of postsecondary education unless he is in compliance with the Military Selective Service Act (50 U.S. Code, Appendix §451, et seq. and the amendments thereto). Also, a male person may not receive a loan, grant, scholarship or other financial assistance for postsecondary higher education funded by state revenue, including federal funds or gifts and grants accepted by this State, or receive a student loan guaranteed by the State unless he is in compliance with the Military Selective Service Act. Selective Service Act registration information should be available at all U.S. Postal Service facilities and may be available at some high schools. The Selective Service System also provides information through a web site at [http://www.sss.gov](http://www.sss.gov).
STATE OF WEST VIRGINIA HIGH SCHOOL EQUIVALENCE DIPLOMA/
HOME-SCHOOLED APPLICANTS

West Virginia Higher Education Policy, Series 23, requires that students admitted to West Virginia colleges and universities either be graduates of accredited high schools or high schools approved by the State Board of Education in the state where located or they must have earned a State of West Virginia High School Equivalency Diploma. Applicants for admission to Glenville State College who are home-schooled must submit scores for the General Educational Development (GED) test or TASC (Test Assessing Secondary Completion) to the Office of Admissions in order to be considered for admission.

Students applying for admission who have not graduated from a North Central Association (or its equivalent) accredited high school and home-schooled students are required to submit documentation of having earned a score of 410 or higher on each area of the General Education Development test and a 2250 total standard score, thus qualifying for the State of West Virginia’s high school equivalency certificate or diploma. After January of 2014, the state of West Virginia began to use the TASC (Test Assessing Secondary Completion). Students must score a 500 or better on each of the five subtests to satisfy equivalency and be eligible for admission to a Bachelor’s Degree program at Glenville State College.

Applicants will be considered for admission to Glenville State College’s bachelor degree program if they attain a standard score of 500 on three of the five parts of the GED or TASC test. If a standard score of 500 is not achieved on three of the five parts of the GED or TASC test, students will be placed in a 2-year degree program. Once the student has successfully remediated any academic deficiency, or completed a 2-year degree program, the student may then transfer into a 4-year baccalaureate degree program.

Copies of the applicant’s home school transcript, ACT or SAT I scores and State of West Virginia High School Equivalency Diploma must be sent directly to the Office of Admissions. These applicants will be reviewed on a case-by-case basis.

EARLY ENTRANCE ADMISSION

Outstanding high school juniors and seniors may be admitted as “high school early admissions students.” Students may qualify for early admission on the basis of the following criteria:

1. Must have a high school grade point average of 3.0 or better, as certified by the designated high school official.
2. Must be recommended by the high school principal.
3. Must submit an application for admission and current high school transcript.

Official college credit will be given after the Registrar’s Office has been officially notified that the student has graduated from high school. The college must be supplied with a final high school transcript.
Early entrance students who have not taken or do not meet the ACT or SAT requirements to enroll in a college level math or English course, will be administered a placement test. With the appropriate passing score, the student would be eligible to take Math and/or English courses for college credit through Glenville State College. The appropriate placement will be administered by the Academic Support Center.

A one-time retest opportunity will be an option at a student’s request. In order to be eligible for a retest, the student must obtain remediation in the requested retest area(s). The high school will be responsible for providing remediation to those students who want to retest. Web links to available study materials are available at www.glenville.edu/academics/testing.php.

INTERNATIONAL STUDENTS

Glenville State College is committed to promoting international understanding and respect for cultural diversity and, toward that end, particularly welcomes qualified international students.

All international applicants must take the international, standardized version of the test of English as a Foreign Language (TOEFL). Exceptions for English-speaking students will be made on a case-by-case basis. Applicants must submit official TOEFL test scores of 550 or higher to be eligible for full admission to Glenville State College. With a score of 550 or above, no additional language training is required for unconditional admission.

International students who submit official TOEFL scores of 500–549 are also eligible for admission to Glenville State College once they have completed a summer intensive English program.

Applicants who submit official TOEFL scores of 499 and below are eligible for conditional acceptance to Glenville State College. These students are required to complete a summer Intensive English program prior to entering GSC. These conditionally admitted students are required to attain a minimum of 500 on the TOEFL exam or achieved a grade of “C” or better in English 101 - Critical Reading and Writing I. Once a score of 500 is attained on the TOEFL exam or a “C” is attained in ENGL 101, the student is unconditionally admitted to the College.

Conditional admission as an international student may not be extended beyond three semesters, excluding summer sessions. If after two semesters of full-time study, an international student has not achieved a score of 500 or higher on the TOEFL or passed ENGL 101 - Critical Reading and Writing I with a grade of “C” or higher, that student will be placed on probation for the third semester. Barring exceptional circumstances, any international student who does not achieve a TOEFL score of 500 or grade of “C” or higher in ENGL 101 - Critical Reading and Writing within three semesters will not be allowed to continue at Glenville State College.

ADMISSION OF NON-DEGREE SEEKING STUDENT

Glenville State may admit individuals as non-degree seeking students upon completion of an admission application. Non-degree seeking students may enroll in those courses for which they are qualified. If a non-degree seeking student would later choose to pursue a degree program, that student must submit all required documents (test scores, transcripts, etc.) to be admitted as a degree candidate.
Admission and Financial Aid

The non-degree seeking student shall be allowed to enroll in no more than seven (7) hours per semester except by special permission of the Vice President for Academic Affairs. The student will be responsible for paying tuition and fees and is not eligible for federal financial aid.

Transcripts are not necessary for non-degree seeking students. Nor are they part of the student’s academic transcript. However, if the transcripts are submitted, the transcripts will be filed until such time as the student becomes a degree-seeking student at Glenville State College.

If a non-degree seeking student wishes to change his/her enrollment status, that individual must complete an admission application (available at www.glenville.edu) and submit it to the Office of Admissions along with all required documentation. Students changing degree status must meet all current admission requirements in effect at the time that the change of degree status is initiated.

CORE COURSEWORK TRANSFER & TRANSFERABILITY OF CREDITS

The Higher Education Policy Commission of West Virginia has adopted a core coursework agreement to assure that students who transfer from one state college or university to another will receive credit for specified general education courses at the receiving institutions. Under the terms of the agreement, a student may transfer up to 32 credits of undergraduate coursework in the areas of English composition, communications and literature, fine arts appreciation, mathematics, natural science, and social science as general education credits. A list of courses contained in this agreement may be obtained from the Registrar’s Office.

No more than 72 hours of credit completed at West Virginia community and technical colleges or regional campuses are transferable to Glenville State College. Exceptions to the 72 hour rule may only be made by the Vice President for Academic Affairs.

TRANSFER STUDENTS

1. Applicants seeking admission to Glenville State College as transfer students must be eligible to return to the institution from which they intend to transfer. Students who meet this requirement and have earned 24 or more hours of college credit may be admitted, without conditions, upon the submission of an application for admission and an official transcript from ALL previous colleges attended.

2. Students seeking admission as transfer students who have earned fewer than 24 hours of college work must submit a high school transcript and ACT/SAT I scores, as well as an official transcript from ALL previous colleges attended. If the student does not meet the following criteria: (1) 2.0 average on their high school work, (2) ACT composite of 18 or above, (3) a combined verbal/math SAT I score of at least 870, they may be admitted to an associate degree program. The student then must remediate all deficiencies before transferring into a Bachelor’s degree program.

3. Any individual who has at least one year of military service, regardless of academic standing when last registered in college, may be readmitted either in good standing or on academic probation, whichever was the standing status when last registered in college.

4. All previously completed college work listed on the student’s transcript will be recorded on the student’s record at Glenville State College.
5. Students who transfer to Glenville State College from another college must have an overall GPA of at least 2.0 on all course work completed at Glenville State College as one of the criteria for graduation.

CLASSIFICATION OF STUDENTS AS RESIDENTS AND NON-RESIDENTS FOR ADMISSION AND FEE PURPOSES

Students enrolling in Glenville State College shall be assigned a residency status for admission, tuition and fee purposes by the Registrar. In determining residency classification, the issue is essentially one of domicile. In general, the domicile of a person is that person’s true, fixed, permanent home and place of habitation. The decision shall be based upon information furnished by the student and all other relevant information. The Registrar is authorized to require such written documents, affidavits, verifications, or other evidence as is deemed necessary to establish the domicile of a student. The burden of establishing domicile for admission, tuition and fee purposes is upon the student.

If there is a question as to domicile, the matter must be brought to the attention of the Registrar at least two weeks prior to the deadline for payment of tuition and fees. Any student found to have made a false or misleading statement concerning domicile shall be subject to institutional disciplinary action and will be charged the nonresident fees for each academic term previously attended.

The previous determination of a student’s domiciliary status by one institution is not conclusive or binding when subsequently considered by another institution; however, assuming no change of facts, the prior judgment should be given strong consideration in the interest of consistency. Out-of-state students being assessed resident tuition and fees as a result of a reciprocity agreement may not transfer said reciprocity status to another public institution in West Virginia.

Residence Determined by Domicile

Domicile within the State means adoption of the State as the fixed permanent home and involves personal presence within the State with no intent on the part of the applicant or, in the case of a dependent student, the applicant’s parent(s) to return to another state or country. Residing with relatives (other than parent(s)/legal guardian) does not, in and of itself, cause the student to attain domicile in this State for admission or fee payment purposes. West Virginia domicile may be established upon the completion of at least twelve months of continued presence within the State prior to the date of registration, provided that such twelve months’ presence is not primarily for the purpose of attendance at any institution of higher education in West Virginia. Establishment of West Virginia domicile with less than a twelve month presence prior to the date of registration must be supported by evidence of positive and unequivocal action.

In determining domicile, the Registrar will give consideration to such factors as the ownership or lease of a permanently occupied home in West Virginia, full-time employment within the State, paying West Virginia property tax, filing West Virginia income tax returns, registering of motor vehicles in West Virginia, possessing a valid West Virginia driver’s license, and marriage to a person already domiciled in West Virginia. Proof of a number of these actions should be considered only as evidence that may be used in determining whether or not a domicile has been established. Factors mitigating against the establishment of West Virginia domicile might include
such considerations as students not being self-supporting, being claimed as dependent on federal or state income tax returns or on the parents’ health insurance policy if the parents reside out of state, receiving financial assistance from state student aid programs in other states and leaving the State when school is not in session.

Dependency Status for Residency Classification

A dependent student is one who is listed as a dependent on the federal or state income tax return of his/her parent(s) or legal guardian or who receives major financial support from that person. Such a student maintains the same domicile as that of the parent(s) or legal guardian. In the event the parents are divorced or legally separated, the dependent student takes the domicile of the parent with whom he/she lives or to whom he/she has been assigned by court order. However, a dependent student who enrolls and is properly classified as an in-state student maintains that classification as long as the enrollment is continuous and that student does not attain independence and establish domicile in another state.

A nonresident student who becomes independent while a student at an institution of higher education in West Virginia does not, by reason of such independence alone, attain domicile in this State for admission.

Change of Residence

A person who has been classified as an out-of-state student and who seeks resident status in West Virginia must assume the burden of providing conclusive evidence that he/she has established domicile in West Virginia with the intention of making a permanent home in this State. The intent to remain indefinitely in West Virginia is evidenced not only by a person’s statements, but also by that person’s actions. In making a determination regarding a request for change in residency status, the Registrar will consider those actions referenced under “Residence Determined by Domicile” above. A West Virginia Residency Application must be completed by the student wishing to seek in-state resident status and must be submitted along with any supporting documentation prior to the semester in which the student is wishing to be warranted as a resident. The change in classification, if deemed to be warranted, shall be effective for the academic term or semester next following the date of the application for reclassification.

Military

An individual who is on full-time active military service in another state or a foreign country or an employee of the federal government will be classified as an in-state student for the purpose of payment of tuition and fees, provided that the person established a domicile in West Virginia prior to entrance into federal service, entered the federal service from West Virginia, and has at no time while in federal service claimed or established a domicile in another state. Sworn statements attesting to these conditions may be required. The spouse and dependent children of such individual shall also be classified as in-state students for tuition and fee purposes.
Persons assigned to full-time active military service in West Virginia and residing in the State shall be classified as in-state students for tuition and fee purposes. The spouse and dependent children of such individuals shall also be classified as in-state students for tuition and fee purposes. Glenville State College is compliant with Section 702 of the Choice Act and classifies qualified individuals as in-state students for tuition purposes.

Citizens of Other Countries

An alien who is in the United States on a resident visa or who has filed a petition for naturalization in the naturalization court, and who has established a bona fide domicile in West Virginia as defined under “Residence Determined by Domicile” above may be eligible for in-state residency classification, provided that person is in the State for purposes other than to attempt to qualify for residency status as a student. Political refugees admitted into the United States for an indefinite period of time and without restriction on the maintenance of a foreign domicile may be eligible for an in-state classification as defined under “Residence Determined by Domicile.” Any person holding a student or other temporary visa cannot be classified as an in-state student.

Former Domicile

A person who was formerly domiciled in the State of West Virginia and who would have been eligible for an in-state residency classification at the time of his/her departure from the state may be immediately eligible for classification as a West Virginia resident provided such person returns to West Virginia within a one-year period of time and satisfies the conditions under “Residence Determined by Domicile” regarding proof of domicile and intent to remain permanently in West Virginia.

Appeal Process

The decision of the Registrar with the determination of residency classification may be appealed in accordance with appropriate procedures established by the President. An institutional committee on residency appeals shall be established and shall be chaired by the Vice President for Business and Finance. Three remaining positions shall be filled by representatives from the Office of Financial Aid, the Cashier’s Office, and the Admissions Office. The student contesting a residency decision shall be given the opportunity to appear before the institutional committee on residency appeals. The decision of the residency appeals committee shall immediately be provided to the student and to the Registrar and record of the residency appeal shall be kept in the Business Office. If the student is not satisfied with the decision of the residency appeals committee, he/she may appeal in writing to the President within 30 calendar days after receipt of the decision of the residency appeals committee. The President’s decision on residency is final and not subject to appeal.

No breakage deposit is required in any course, but students will be charged for any breakage or damage to equipment.

PAYMENT POLICIES – ON CAMPUS AND EXTENSION

Information pertinent to fees and other regulations has been listed below. Should additional information or clarification be needed, address your inquiry to the Vice President for Business and Finance.

PAYMENT OF FEES Arrangement for payment of fees must be made by the opening of each semester! The cashier accepts cash, Discover, Master Card, Visa, postal money orders, or personal checks written for the exact amount of the obligations. All checks must be payable to GLENVILLE STATE COLLEGE. You should contact the Cashiers Office for information on institutional and third party payment plans. ONLINE PAYMENTS can also be made via EDNET.

FINANCIAL AID NOTICE If financial aid paperwork is not completed when payment is due, the student is responsible for payment. When the financial aid process is complete, the student will receive any refund due.

DISHONORED CHECKS Dishonored checks will result in a $25.00 assessment approved by the West Virginia Higher Education Policy Commission. In case of failure to pay all amounts due, the College will place a HOLD on the student's records, thereby prohibiting subsequent registration and issuance of transcripts. Dishonored checks not redeemed within 10 days from date of notification will be referred to the local Magistrate for collection.

FINANCIAL OBLIGATIONS An important part of every student's educational experience is learning to manage money and to responsibly discharge the financial obligations one may incur. With this in mind, Glenville State College expects that students will promptly pay all College bills and accounts when due. Failure to meet financial obligations will result in a student not being permitted to re-enroll, receive transcripts, diplomas, and/or remain in the residence halls.

WITHDRAWAL/REFUNDS To receive a refund, students must notify both the Registrar's Office and the Cashier's Office of withdrawal. No refund will be given for dropping of hours. A student must withdraw from all classes to be eligible for a refund of tuition and fees. If a refund is due because of a withdrawal, then federal financial aid programs will be reimbursed first in the following order: Federal Direct Loans, Pell Grant, SEOG or other aid. Depending on the withdrawal date and financial aid received, a repayment from the student could be due to federal or state programs.
18 Admission and Financial Aid

Tuition and Fees Refund

Students who are enrolled at Glenville State College but officially withdraw before or during the semester will be refunded tuition and fees according to the following schedule:

1. ACADEMIC YEAR (Semester)
   First 10% of semester .............................................................................................. 90%
   11% to 25% of semester .......................................................................................... 75%
   26% to 50% of semester .......................................................................................... 50%
   More than 50% of the semester ............................................................................. No Refund

2. SUMMER TERM (10 weeks)
   First 10% of term ..................................................................................................... 90%
   11% to 25% of term .................................................................................................. 75%
   26% to 50% of term .................................................................................................. 50%
   More than 50% of term ........................................................................................... No Refund

All refunds for tuition and fees are calculated from the first class day of each term.

If a refund is due because of a withdrawal, then federal financial aid programs will be reimbursed first in the following order: Federal Direct Loans, Pell Grant, SEOG or other aid.

Depending on the withdrawal date and financial aid received, a repayment from the student could be due a federal program (refer to Return of Title IV Funds in the Financial Aid Section).

Any refund due to the student will be mailed to the student’s mailing address approximately four weeks after regular withdrawal. It is understood; however, that to receive a refund, a student must notify both the Registrar’s Office and the Cashier’s Office of the College at the time of withdrawal.

A STUDENT MUST OFFICIALLY WITHDRAW FROM ALL CLASSES TO BE ELIGIBLE FOR A REFUND OF TUITION AND FEES. NO REFUND WILL BE GIVEN FOR DROPPING OF CREDIT HOURS.

A STUDENT WHO IS SUSPENDED OR EXPELLED FROM THE COLLEGE FOR DISCIPLINARY REASONS WILL NOT RECEIVE REFUNDS OF TUITION, FEES, ROOM AND/OR BOARD.

ROOM REFUNDS

Room refunds may be made only during the first two weeks of each semester. Room refunds for the first two weeks will be made on a weekly basis. No refunds will be made after the second week of the semester.

Refunds may be granted for reasons of regular withdrawal and/or suspension. Room refunds will not be made for irregular withdrawals from the College and/or the residence hall.
BOARD REFUNDS

Any time a student officially withdraws from the College, board fees will be refunded on a pro-rated basis of the unused weeks. Any portion of a week constitutes a full week of use for refund calculations.

COLLEGE COMPLETION TUITION PROGRAM

The College Completion Tuition Program is part of the institution’s commitment to student access to a quality post-secondary education and on-time graduation. Students continuing in the program and meeting eligibility requirements will be charged the tuition rate at the time of acceptance into the program for up to four years. Details on student eligibility for the program are available from the Registrar’s Office.

Students must submit a complete and signed application form to their assigned academic advisor for processing by no later than May 10 each year for initial admission to and continued participation in the program.

EARLY ENTRANCE TUITION

Early entrance students are normally charged the same tuition rate as regular admission students. However, students taking courses primarily designed for and offered exclusively to high school students may be eligible for a special rate in accordance with the applicable policy of the Higher Education Policy Commission as applied by the College.

Courses offered to high school students at the special rate are generally dual credit courses. Dual credit courses are college courses for which participating high schools have agreed to also award high school credit. These courses are usually offered at the participating high school during the regular school day. However, with the approval of the Vice President for Academic Affairs these courses may be offered at other times and/or at alternate sites.

GLENVILLE STATE COLLEGE POLICY ON TUITION AND FEE WAIVERS FOR RESIDENTS AT LEAST 65 YEARS OF AGE

The reduced tuition and fee program at Glenville State College is designed for residents of West Virginia who are at least sixty-five years of age. Prospective participants in the reduced tuition and fee program will be permitted to enroll in courses at Glenville State College under the following conditions:

- Participants will register for courses in the Registrar’s Office and must identify themselves as a participant of the program prior to registering.
- Classroom space must be available. If space is limited, a prioritized waiting list will be developed identifying date and time of attempted enrollment. If and when space becomes available, participant(s) will be notified of available space by the Registrar’s Office.
- Participant(s) will be subject to Glenville State College programmatic and financial guidelines for enrollees and to the rules, regulations, procedures and requirements, including
course prerequisites, of Glenville State College and the Higher Education Policy Commission.

- Special fees required of other students in a given course will be required of participants in the reduced tuition and fee program.

- Participants in the reduced tuition and fee program will be issued a free parking permit.

The tuition and fees charged to residents at least 65 years of age under for credit option will be fifty percent of the normal rates charged to state residents by the institution. This tuition and fee adjustment applies to classroom-based courses, electronic and internet-based courses, and all other distance education delivery. Participants in this category will be responsible for any course and laboratory fees which may be part of the course requirements.

If a participant chooses to enroll in a class for no credit, the cost will be $10.00 per credit hour, not to exceed $50.00 per course. In addition, participants in this category will be responsible for any course and laboratory fees which may be part of the course requirements.
FINANCIAL ASSISTANCE

A need analysis form - Free Application for Federal Student Aid (FAFSA) - approved by the U.S. Department of Education is used to determine student eligibility for federal financial aid. Glenville State College’s Department of Education CODE NUMBER is 003813. Students apply online at www.fafsa.ed.gov. Soon after filing the FAFSA, the student will receive a Student Aid Report and the school will receive the information electronically if listed on the FAFSA. All students are encouraged to APPLY BY MARCH 1 for priority processing. There is no separate institutional application unless consideration for summer school financial aid is requested.

The U.S. Department of Education believes that the financing of a college education is primarily the responsibility of the student and family. However, financial assistance in the form of grants, loans, and work opportunities is available when resources from the family are not adequate to cover the cost of education. The amount the family is expected to contribute is related to the family’s financial strength. Factors involved in determining eligibility include income, size of family, number of family members in college, assets and other allowable expenses and indebtedness.

Students with special circumstances should contact the Financial Aid Office (304-462-4103) for assistance as soon as possible.

Glenville State College follows the dependency status definition of a student as set forth by the U.S. Department of Education. However, if there are very unusual circumstances, exceptions may be made.

Outside scholarships and resources can affect the student’s federal financial aid eligibility.

Some students completing the Free Application for Federal Student Aid must have all information verified and may be required to submit income documentation. All students must be officially and fully admitted to Glenville State College before any aid can be paid.

Summer school financial aid is treated as a part of the immediately preceding academic year. There are limited funds available for summer school. Students must have a completed FAFSA for the previous school year and submit an institutional summer school financial aid application (available on the website www.glenville.edu) to be considered for summer aid.

Award notifications are emailed to all students and mailed to first time financial aid applicants who have completed a Free Application for Federal Student Aid (FAFSA) at www.fafsa.ed.gov and who have also submitted all requested documents to the Financial Aid Office. The student is offered federal aid based on residency, expected family contribution as reported on the FAFSA, date application was received at the processing center, and availability of funds. Awards are made assuming full-time enrollment. Students are awarded grants and loans and may decline any or all loan amounts.

Students who enroll at less than full-time level must contact the Financial Aid Office and have their awards pro-rated. Students may be considered for aid for study abroad programs. The financial aid budget may be increased for documented child care expenses.
The Financial Aid Office reserves the right to review, adjust or cancel an award at any time due
to changes in the recipient’s financial, academic or residency status. Awards may also be changed
based on the availability of funds and/or changes in regulations and/or procedures mandated by
College, state or federal authorities, or computer error.

Funds will be disbursed to a student’s account the second week of school provided all eligibility
requirements are met. Generally those requirements are a processed award letter and any
necessary promissory notes, entrance counseling for Direct Loans (www.studentloans.gov),
enrollment and documented attendance in classes, full admission in a degree-seeking program
and evidence of satisfactory academic progress. If there is a credit balance after funds have been
paid to the student’s account, then the credit balance will be available within 7 working days by
check or electronic funds transfer if proper forms are submitted to the Cashier’s Office.

Students who receive financial aid and find it necessary to withdraw from all classes must notify
the Financial Aid Office as part of the withdrawal process. Any refund due as a result of this
action will first be used to repay any financial aid funds the student used while enrolled. Students
may be required to reimburse all or a percentage of funds received through federal and state
funding.

All recipients of federally guaranteed loans (Federal Direct, Subsidized and Unsubsidized) are
required to complete exit counseling at www.studentloans.gov upon leaving Glenville State
College due to graduation, termination of enrollment, or dropping below half-time hours.

Suspected cases of financial aid fraud will be reported to the U.S. Office of Inspector General.
Students may call 1-800-MIS-USED to report suspected cases of fraud, waste or abuse involving
Federal Financial Aid.

Return of Title IV Funds for Withdrawal

Students who receive financial aid while attending Glenville State College will not receive any
cash refunds upon withdrawal from school until after all financial aid amounts which were
disbursed for that enrollment period are repaid. Title IV funds recipients are subject to the
“Return of Title IV Funds” policy which is based on the percentage of the enrollment period
completed and the amount of Title IV aid disbursed. This is a separate calculation from the
institution’s tuition and housing refund policy.

The percentage of time completed in the enrollment period is calculated by dividing the number
of days completed by the total number of days in the enrollment period. After 60 percent of the
semester is completed, there is no return of Title IV funds. The withdrawal date is determined by
the Registrar’s Office based on last date of documented attendance at an academic event. The
amount of earned aid is calculated by multiplying the amount of disbursed Title IV funds by the
percentage of time completed. The amount to be returned to the Department of Education is
determined by taking the total amount of disbursed aid and subtracting from it the amount of
earned aid. The institution’s share of the amount to be returned is calculated by multiplying
institutional charges by the percentage of time not enrolled. The student’s share is calculated by
subtracting the amount the school must return from the total amount to be returned. Remaining
loan balances are repaid by the student according to the terms and conditions of the promissory
note. Any grant amount owed by the student is divided in half and must be repaid to the school
within 45 days of notification of the repayment or will be turned over to the Department of Education for collection. At that time the student becomes ineligible for further federal financial aid at any institution until it is repaid. The student will be billed for any amount the school must return due to the student’s withdrawal that is not covered by the institutional refund policy.

FINANCIAL AID SATISFACTORY ACADEMIC PROGRESS POLICY

All students, whether in bachelor or associate degree programs, who wish to receive Federal Financial Aid while attending Glenville State College, must meet all of the requirements of this policy which is based on U.S. Department of Education regulations. Compliance with these standards will be measured each semester, including summer if applicable, on all enrolled students whether or not financial aid is received. Students will be notified and permitted one semester of financial aid warning.

If the student is not meeting the standards of this policy at the end of the warning semester, then he/she will be placed on financial aid suspension. This policy is separate and distinct from the Academic Probation and Suspension Policy. The funds affected by the policy are Federal Pell Grant, Federal Supplemental Education Opportunity Grant, Federal College Work Study, Federal Direct Loan, West Virginia Higher Education Grant, and Higher Education Adult Part-Time Student Grant. Some outside agencies also award monies under these guidelines.

I. Qualitative Standards
a) All students must maintain minimum cumulative grade-point average. This is based upon the number of cumulative attempted hours, including transfer hours, as recorded in the Office of the Registrar.

<table>
<thead>
<tr>
<th>Cumulative GPA Hours</th>
<th>Cumulative Grade Point Average</th>
</tr>
</thead>
<tbody>
<tr>
<td>00-30 hours</td>
<td>1.50 GPA</td>
</tr>
<tr>
<td>31-60 hours</td>
<td>1.80 GPA</td>
</tr>
<tr>
<td>61 hours and above</td>
<td>2.00 GPA</td>
</tr>
</tbody>
</table>

II. Quantitative Standards
a) The ratio of total hours passed to total hours attempted must be 2/3 or more. Total hours passed will include courses for which a student received a grade of “A,” “B,” “C,” “D,” “S,” or “CR” with or without a # sign. The total hours enrolled will include all courses in which a student attempted. These will include all courses in which a student passed, failed, received an incomplete grade, withdrew, audited, or repeated and non-credit remedial hours.

b) Total hours cannot exceed 1.5 times the maximum hours required for graduation.
- The total hours enrolled for a student pursuing a bachelor degree shall not exceed 180 hours, which is 1.5 times 120 hours and which is the minimum number of hours required to complete a baccalaureate degree.
- The total hours enrolled for a student pursuing an associate degree shall not exceed 90 hours, which is 1.5 times 60 hours and which is the minimum number of hours required to complete an associate degree.

A student may complete an associate degree program and then enroll in a bachelor degree program and total hours will include all hours from the associate degree program.
III. Compliance and Appeals

If the student is not meeting these standards at the end of their warning semester, the Financial Aid Administrator shall notify the student that he or she is on financial aid suspension and no longer eligible for federal financial aid, including loans. To be removed from financial aid suspension, students may attend the College at their own expense, provided they are eligible academically, until the minimum grade point average or ratio of hours passed is reached. Simply attending and paying for one’s classes or not attending college one or more semesters does not automatically qualify students to receive financial aid again, but may be considered during an appeal if other extenuating circumstances exist. Students entering a second degree or who have changed majors will be evaluated under these standards and required to appeal annually if necessary.

Students may appeal their financial aid suspension by submitting (1) an appeal letter explaining the specific circumstances that caused the student to not meet the policy and what has changed in the situation that would allow the student to demonstrate satisfactory academic progress at the end of the next semester of enrollment and (2) the Financial Aid Satisfactory Academic Progress Appeal Form which collects documentation that the student has consulted with an academic advisor and developed an academic plan that will allow the student to meet the standards along with (3) relevant documentation to the Financial Aid Appeals Committee c/o Financial Aid Office. Appeals may be based on: (1) The death of an immediate family member; (2) A documented injury or illness of the student; (3) Other mitigating circumstances beyond the student’s control; or (4) Change of major. Appeals must be submitted by the last day to add classes for the semester. A written or electronic response will be provided within ten working days of receipt of the complete appeal documents. Appeal requests that are denied by the Committee may be appealed in writing to the President’s Office within five working days of receipt of such notice. Copies of correspondence sent to the President’s Office must also be sent to the Financial Aid Office. A reply to this appeal will be provided, when possible, within ten working days. Appeals that are not approved are eligible to be resubmitted to the Committee after one semester if changes in the situation have occurred.

Students with approved appeals will have their records evaluated again at the end of the next semester of enrollment to determine if the student has met the standards or has complied with the academic plan agreed upon by the student and advisor. If neither has happened, the student will be placed on financial aid suspension again and will not be eligible for another appeal, unless other extenuating circumstances have occurred, or until one semester showing academic progress toward a degree is completed without the assistance of financial aid. Academic Progress for this purpose is defined as: 1) Students on Financial Aid suspension because of grade point average (qualitative) standards must obtain 2.25 for the semester. 2) Students on Financial Aid suspension because of not meeting pace (quantitative 2/3) standards must complete 75% of the attempted hours for the semester. 3) Students on Financial Aid Suspension for both qualitative and quantitative, or for other reasons, must meet both standards as described here for the semester.
TYPES OF FINANCIAL AID

GRANTS

Grants are a type of financial aid that does not require repayment. Apply at www.fafsa.ed.gov.

Federal Pell Grant Program - The Federal Pell Grant Program provides federal grants to undergraduate students on the basis of financial need. Eligibility for the Federal Pell Grant is established by completing the Free Application for Federal Student Aid (FAFSA).

Federal Supplemental Educational Opportunity Grant (SEOG) - A limited amount of this grant is awarded annually to students with exceptional financial need.

TEACH Grant – (Teacher Education Assistance for College and Higher Education). This program provides up to $3,716 per year to students who intend to teach a “high need subject” in a public or private elementary or secondary school that serves students from low-income families. Additional information is available at http://studentaid.ed.gov/sites/default/files/teach-grant.pdf. If, after reading all of the information, you are interested in learning more about receiving the TEACH Grant, contact the Financial Aid Office. This grant becomes a loan with interest accruing from the date of disbursement if students do not meet the specific conditions.

West Virginia Higher Education Grant - The West Virginia Higher Education Grant is administered by the West Virginia Higher Education Policy Commission in Charleston, West Virginia. The FAFSA must be received by the processors by April 15 to be considered for this grant.

WV Promise Scholarship – The Promise Scholarship is administered by the West Virginia Higher Education Policy Commission and is awarded annually to high school seniors who meet the academic requirements and submit the FAFSA and state application at www.cfwv.com by March 1. Specific academic requirements must be met to renew this scholarship.

West Virginia Higher Education Adult Part-Time Student Grant (HEAPS) - The HEAPS Grant Program encourages and enables West Virginia students with financial need to continue their higher education on a part-time basis (3-11 credits per semester). Recipients will be selected from applications received and are based on the applicant’s eligibility and the availability of funds. HEAPS grants are available for renewal consideration. Requirements for a HEAPS grant include a completed Free Application for Federal Student Aid (FAFSA), West Virginia residential status for the past twelve months, enrollment or acceptance for enrollment in an associate or bachelor’s degree program, and maintaining satisfactory progress.
Loans

Loans are a type of financial aid which must be repaid after the student leaves school. Glenville State College participates in the following loan programs.

**William D. Ford Federal Direct Loan for Students and Parents** - Glenville State College cooperates directly with the U.S. Department of Education in securing these loans. The student borrower will begin repayment six months after graduation, dropping below half-time or withdrawal from Glenville. The student must complete the FAFSA and have an award notification processed. The interest is variable and the amount of loan can vary depending on the student’s grade level and other aid awarded. See [www.direct.ed.gov](http://www.direct.ed.gov) for more details. First time borrowers must have entrance counseling and sign a promissory note which must be done online at [www.studentloans.gov](http://www.studentloans.gov). Entrance counseling will be requested to be completed each year.

**Private Loans** – These are private loans obtained through a lending institution used to pay for educational expenses. Students may seek these opportunities through several lenders. The Private Loans and eligibility amounts must be certified by a Financial Aid Administrator at the school after being approved by the lender.

Work Opportunities

Campus job opportunities for students are available on a limited basis. These jobs pay minimum wage and require a 2.0 grade point average. Students may not work in excess of twenty hours per week during periods of enrollment.

**Federal Work Study Program** - This program is jointly administered by the Financial Aid Office and the Academic Support Center. A FAFSA is required. Applications are available online, and the acceptance of work study eligibility is not a guarantee of employment.

**Student Workshop Program** - The student workshop program is funded by the College. Students do not have to demonstrate financial need to qualify for a position.

Applications for on-campus employment must be submitted online and are received by the Academic Support Center, which coordinates the Student Employment Program. Student workers must complete a payroll information packet upon accepting an on-campus position, and a valid ID and social security card must be presented with this paperwork. Students are paid bi-weekly for hours worked, and this money is not available at registration.

Foundation Scholarships

For priority consideration for any of the Foundation Scholarships listed below, new students need only submit an application for admission, high school transcript, and ACT/SAT scores, GED scores, or college transcripts by November 1 preceding the academic year for which application is made.

Applicants will be reviewed continuously, but for priority consideration, required documents must be submitted to the Admissions Office by November 1. Students are ranked academically and matched with available awards until funds are exhausted throughout the winter and spring.
Award amounts generally range from $2000 - $3000 based on academic records. Students who are selected for scholarships will receive an award notification in the mail and be required to return an acknowledgement form to accept the award. Scholarships will only be awarded to students enrolled full-time at Glenville State College and may not be used for online or summer session classes.

Most Foundation scholarships are renewable if the student maintains 3.0 cumulative GPA. Upperclassmen with 3.0 cumulative GPA who do not already have an institutional scholarship and wish to be considered for one should complete the GSC Academic Scholarship application.

**Academic Tuition Assistance** - Each academic year, Glenville State College awards tuition assistance to students who have demonstrated academic excellence. These awards are available to in-state and out-of-state students and are renewable.

**Other Tuition Assistance** - Each academic year, Glenville State College awards tuition assistance to students who have demonstrated excellence in music or athletics or have financial need. These awards are available to in-state and out-of-state students. Students must apply through the appropriate departments.

**ACADEMIC SCHOLARSHIPS**

The maximum length of time for which any scholarship may be received is eight semesters or until the completion of a baccalaureate degree, whichever period of time is shorter. Below is a partial list of scholarships that are awarded annually.

**MERITORIOUS SCHOLARSHIP**

The scholarship was established to assist a football player from Oak Hill or Fayetteville, WV while he is playing at Glenville State.

BENJAMIN H. AND BETTY M. BAILEY SCHOLARSHIP FUND  
Established 2006  
This scholarship was established by Dr. Benjamin and Mrs. Betty M. Bailey to provide scholarships to West Virginia students attending Glenville State College. First preference will be given to students from Calhoun County, West Virginia. Students from the following Central West Virginia counties: Braxton, Clay, Gilmer, Lewis, Nicholas, Roane, Upshur or Webster will receive second preference with the award going to a student from any remaining West Virginia county in the event no qualified student is otherwise available.

LELA BROOKS-BAILEY SCHOLARSHIP  
Established 2007  
This scholarship was established by Ms. Bailey, a 1953 GSC graduate, to repay the debt of gratitude she feels for the opportunities she gained in life from her education at Glenville State. It is intended for a West Virginia student majoring in education.

JOHN SCOTT BAILEY MEMORIAL SCHOLARSHIP  
Established 2003  
Dr. and Mrs. Benjamin Bailey endowed this scholarship, with contributions from family and friends, as a lasting tribute to John Scott Bailey, a 1975 graduate of the College. This scholarship provides support to students majoring in Land Resources, with preference given to those students who reside in Glenville’s surrounding counties: Barbour, Braxton, Calhoun, Clay, Gilmer, Lewis, Nicholas, Roane, Upshur and Webster.

J.C. BAKER MEMORIAL SCHOLARSHIP  
Established 2004  
The J. C. Baker Memorial Scholarship was established by the family of J. C. Baker, a resident of Braxton County, a pioneer in the oil and gas industry, and a supporter of higher education. The scholarships will be awarded to Natural Resource Management students from West Virginia.
DON AND MARY JEAN BARKER SCHOLARSHIP
Established 2013
This scholarship was funded with proceeds from the Estate of Mary Jean Barker. The scholarship supports students attending the college from across central West Virginia, with an emphasis on Education majors. Mary Jean began a long career of service to Glenville State soon after graduation, working for many years as the administrative coordinator for Drs. Harry Heflin and D. Banks Wilburn in their terms as President of the college. She later enjoyed teaching elementary students in Ritchie and Gilmer Counties. Don worked in local businesses in Glenville during his career.

EARLE W. BENNETT MEMORIAL SCHOLARSHIP
Established 1990
This unrestricted scholarship was established in memory of Earle W. Bennett who attended Glenville Normal School from 1911 to 1914.

J.B. BIALEK MEMORIAL SCHOLARSHIP
Established 2006
Established by Jim Bialek with contributions from friends and family in memory of J.B. Bialek. This scholarship will be used to provide an annual scholarship to a student in the Forestry major at Glenville State College who will be selected by the faculty of the Department of Land Resources.

GRACIE VIOLA BOSELY SCHOLARSHIP
Established 2005
This scholarship was established by the estate of Gracie Viola Bosely. Applicants will be required to submit an essay to the Scholarship Committee for review. Awards will be made in the following priority: 1) graduates of Grafton High School, 2) other Taylor County residents, and 3) any other West Virginia resident.

HOWARD BURK SCHOLARSHIP
Established 2009
The Howard Burk Scholarship was started in 2009 in memory of A.M. Burk who taught 25 terms at Gilmer County High School and in memory of Cora D. Burk. This scholarship is to support graduates of Gilmer County High School pursuing coursework in Pre-Engineering or Pre-Medicine at Glenville State College.

BILLY B. AND MARJORIE HARDMAN BURKE SCHOLARSHIP
Established 2001
This scholarship was established in 2001 by Mr. and Mrs. Burke. The Burkes are long-time friends of the College and have been leaders in government for many years. The scholarship will be awarded to an incoming (first year) female athlete from Braxton or Gilmer counties participating on the women’s basketball, volleyball or softball teams, based on recommendations from respective coaches.
RICHARD N. BUTLER MEMORIAL SCHOLARSHIP  
*Established 2009*  
This scholarship was established in recognition of Richard N. Butler’s commitment to education and the preparation of teachers. It is to be awarded annually to an outstanding third year teacher education student at Glenville State College and chosen by the teacher education faculty. Scholarship renewed upon student remaining academically qualified in senior year.

BROOKS B. CALLAGHAN SCHOLARSHIP TRUST  
*Established 1985*  
This scholarship was established in memory of Brooks B. Callaghan. Mr. Callaghan was from Richwood and a 1942 graduate of Glenville Normal School. Applicants must be residents of Nicholas County. Scholarships are based on the applicant’s academic performance.

DR. PAUL G. AND VIRGINIA CALTRIDER SCHOLARSHIP  
*Established 1998*  
Dr. Caltrider is a 1956 graduate of Glenville State. Because of his “fond memories, the quality of education provided by the institution and the interest and encouragement received by the faculty,” Dr. Caltrider and his wife, Virginia Caltrider, established a scholarship to benefit West Virginia students in the Science and Math Department.
