Welcome and Enjoy

Homecoming, an annual tradition and probably the most exciting series of events to happen at Glenville State College during the course of the school year, is upon us again. It is again time to renew old friendships at all times of the day. This congregation creates several problems combined and multiplied creates an unpleasant and uncomfortable area for everyone to endure.

Making the experience worse is seeing the trash float down the breezeway and steps must be swept and hosed to remove the spit and its remains. Periodically, but not often enough, the breezeway and steps must be swept and hosed to move the spit and its remains. These problems combined and multiplied creates an unpleasant and uncomfortable area for everyone to endure.

**Athletic Awards Announced**

The 1983 Montrose and Clarissa Williams Award winners have been announced and will be presented Saturday during halftime activities at Pi­oneer Field.

Pamela M. Minigh, a former associate basketball coach at Glimer County High School, has been chosen as the first recipient of the Clarissa Williams Award. Minigh, a 1983 graduate, holds a bachelor's degree in Education 7-12. She is presently employed by the Lewis County School System at Lewis County High School.

Minigh was a four-year lettermen in basketball and a two-year lettermen in vol­leyball. In basketball, she made All-Conference her freshman year and Honorable Mention for three years. She scored over 1000 points in her career at GSC and was a leading re­bounder for the team.

Minigh graduated from Glimer County High School before attending GSC. The Williams award is named for Miss Clarissa Williams, a former associate professor of Physical Ed­ucation at GSC who also served as cheerleader sponsor until 1964. She joined the faculty in 1947 after graduating from Marshall and Columbia Universities.

**GSC to Face Toppers**

The Hilltoppers of West Liberty bring their 1-2-1 record into Pioneer Stadium this weekend for the Homecoming game here at the University of West Virginia.

Frank Vincent and his Pi­oneers plan to keep West Liberty off balance this weekend, presently winless at 0-1-1, blank in the victory column. With a victory this weekend, the Pioneers can up their conference record to 2-1.

Second year coach Larry Shank of West Liberty is looking for his first conference win following last week's loss to Shepherd, 41-7, and a tie to West Virginia Tech, 21-21, a few weeks earlier.

Last season's game be­tween these two clubs saw the Hilltoppers hold on to a 10-7 victory over the Pi­oneers. Glimer running back, Byron Brooks, ran more than 100 yards for what appeared to be the game-winning score with less than two minutes left in the game, only to have it nullified by a penalty.

Glenville is coming off an impressive victory over West Virginia State last Saturday at Laidley Field. The Pioneer de­fense was outstanding.

Defense was the name of the game last Saturday night as the Pioneers defense­ful unit took charge to enable GSC to win its first football contest this season. The victory was at the hands of West Virginia State 17-0, at Laidley Field in Charleston.

Tallying points in each of the last three quarters, the Pioneers racked their first win in both conference competition and an overall season play.

Glenville's first score came with only 15 seconds left in the first half on a three-yard run by quarterback Jeff Metheny. This score was set up by an ex­cellent defensive play made by senior linebacker Terry Kendall. Kendall broke through the Yellowjacket line and blocked the State punt as freshman Buckey Locke pounced on the ball at the State 11 yard line. A few plays later, Metheny con­nected with Bird again. This pass completion trav­elled nine yards into the end zone for the Pioneers' first tally.

Going into the game, West Virginia State was 3-1 and ranked number one in the conference's number one de­fense with the Pioneers being second. State was taught a lesson in defense by Glenville last Saturday. The Pioneers limited the Yellowjackets to seven first downs and only 85 yards total passing. As far as State's rushing attack went, it didn't. State's rushing yardage added up to minus ten yards. This gave them a total of 75 yards in 57 plays from scrimmage for the game.

**Athlete's Addition**

This will be a very busy week here on campus. The volleyballers are ready to go, the cross country team runs against State, fall golf has finished, and the grid­ders play the West Liberty Hilltoppers for the all-im­port­ant Homecoming game.

I have learned a little this past week as far as fall sports go. Volleyball has two main positions, setters and hitters. Setters, of course, are the players assigned to play very steadily, and they must be able to place the ball in a strategical location for their teammates, the hit­ters, to “spike.” The hitters, therefore, are the aggres­sive players that can jump above the height of the net and do the “spiking.”

I also found out what fall golf was set to accomplish. Golfers play practically all year round. Fall golf gives them a chance to see how they fare against the con­ference opponents while they work for next spring. Our prided cross country team has had a rough be­gin­ning this year, but they should shine this weekend at State. They might not have shown it statistically at JUP, but they did show a great deal of improvement.

The big Homecoming game that people travel miles to see is this weekend for the football team. The last time the gridders played West Liberty for Homecoming, they won, 24-23. That was two years ago. Last year, State came up to Glenville and beat the Pioneers in the Homecoming special, 14-7. West Liberty is coming off a 41-7 loss to Shepherd last week, while the Pioneers are coming off an impressive win against State.

It is with my deepest condolences that I, along with the rest of the MERCURY staff, wish GSC Athletic Director, Jesse Lilly, a speedy recovery in the hospital from his heart attack. He is at Stonewall Jackson Me­morial Hospital in Weston.

Spikers To Open Season

GSC volleyball action is ready to begin this week. The Lady Pioneers travel to West Virginia Tech on Wednesday, September 28 and then it is off to Concord on Friday for a large tournament in Athens. Experience may be a small problem for the hitters as all four players are returning from last year's squad with just two of those being starters. Leading the way should be seniors Tamara Arguelles, Leah Marlboro and Gina Bailes. Senior, Diana Sutherland, and sophomore, Kelly Smith, have played in previous years but have not seen much action. New comers to the team are senior, Robin Tallhammer, sophomores, Pam Carson and Kelly Riel; and freshmen, Kelly Cain, Carla Naylor, Valerie Reynolds, Kim West, and Holly Westbrook.

"Coach Tim Chico and her netters scammed a good team last Tuesday in the form of Salem College. They will face Salem along with Tech on Wednesday when they travel to Montgomery.

The tournament this weekend at Concord will allow the Lady Pioneers to oppose four other teams in the conference along with a few tough out-of-state teams.

Runners To Visit State This Friday Afternoon

GSC's cross country team journeyed to Indiana University of Pennsylvania to run against some very tough teams last weekend. As a result, Glenville's top runner, Terry Taylor placed 43rd in the field of about 200 runners.

Following at second for the Pioneers was Steve Kenan; Dare Antonuk was third, Chris Kaiser, fourth, Steve Meckfessel, fifth; Don Harding, sixth; and Steve Robertson, seventh finished seventh for the team. Official times and places for each runner were not available at press time.

Although the harriers finished late in the race, they did not run poorly. The competition they ran against was as good as they will see all year. For instance, Frostburg, MD, who took first at the GSC Invitational, finished seventh at IUP. This weekend, Camp Virgil Tate is the site for the runners, as they will run at the West Virginia Invitational on Friday. Every school in the conference参加 the event; this year the Pioneers did not.

Skiles Named SID

Jesse Skiles, a sophomore oral communications major, has replaced Gary Notting ham as the Sports Information Director at GSC. Jesse's job is to organize all sports team's publicity and other publicity activities in the Athletic Department, such as compiling the team's statistics.

He graduated from Du pont High School in Charleston where he was associate editor of the school newspaper plus an assistant baseball catcher. Jesse also attended West Virginia State for one year where he was the assistant Sports Information Director. His plans for the future center on the Big Blue Machine in some way and living in Gilmer County. Jesse's other hobbies include playing soccer and fox hunting.

After this game, the Pioneers were rated, as one of the two best teams in NAIA Division II play. They were ranked number two. In the final ratings for the conference, the Big Blue Machine was to play Fairmont State again. Unfortunately, this time the Pioneers did not fare as well. They fell to the Falcons, 21-7.

As a 9-1 record, Glenville still received a national playoff invitation. Another cherished honor bestowed upon the Pioneers was announcing of Coach Tim Carney selected on December 1, 1973.

Virginia West Is Chosen Parade Marshall

By Lisa Walker

On Saturday morning, October 1, Miss Virginia West, chairman of the Division of Language and Professor of English at Glenville State College, will be featured in the 1983 Homecoming Parade as Parade Marshall.

At the end of December, Miss West will retire after teaching for 42 years in public schools in Virginia and West Virginia and at Glenville State College. Miss West joined the GSC faculty as an English and journalism instructor in 1955. She recalls her employment with this story: "I was a graduate student at Indiana University when Dr. Delmer Somerville, Dean of Academic Affairs, called me to join the GSC faculty. I was in the Main Library on campus when the information came to return a Glenville call. I went across the street to the Book Nook, the campus hangout and made the call. Dr. Somerville wondered what was going on in the background while he explained that Glenville needed a MERCURY advisor and an English instructor." Miss West was hired despite this awkward and amazing beginning and became a part of the MERCURY. She remembers Mrs. Yvonne King, present advisor of the paper, as a cub reporter and as an editor, and Mr. Bob Gainer as a business manager.

Miss West has seen many other changes during her 28 years at Glenville. She also has seen three changes of administration. Dr. Harry Hufflin, Dr. Banks Williams and Dr. Simmons have all been the presidents of the college during her tenure. She has seen nine-week terms change to a semester basis, witnessed the addition of new programs such as more associate in art, more emphasis on pre-professional curricula, a computer science concentration, a social work program, the sports management program, and the change to the School of Teacher Education. She has also seen the development of and was partially responsible for the Alma Janet Arbuckle Children's Center in the library.

During her years here, Miss West has learned many things about the rewards, frustrations and responsibilities that come with being a teacher and chairman of the division. She pays tribute to Dr. Espy Miller who was chairman of the English Division for many years and from whom she has learned a lot. She says, "Dr. Miller directed a well organized division. He showed us the way, and not until I became chairman did I even begin to understand and appreciate the 'going and coming' required in a day.'" She indicated that one of her biggest frustrations involved "too many committee meetings in one day." Another frustration involved a pink envelope with a direction for some-where that would have been finished yesterday. Miss West says, though, that her main purpose is to teach students and to help them in any way she can even though she dislikes all the many hours spent grading papers. She likes students and is pleased with successes. She is involved in many campus organizations, but it is clear that students and their interests come first with her.

Something she has learned from her experience with teaching is not to take her job too seriously. She said that recently after reading a 50 freshman themes she very likely let "alot" and "definately" go uncorrected in the last ones. She has learned to say "Why bother?" and half way mean it-at least not to take her role too seriously.

Miss West laughingly told of the time that she returned a call from lunch and found a note written on a folded paper towel, scotch-taped to her office: "'Yer teachin never did me no good. So I have a grupe.' Yer enime, the hawk."

A colleague admitted to this trick which led her to say, "A sense of humor helps us survive." Survived she has, but now she is looking forward to retirement so she can read what she wishes to read, go where she wants to go, and in general "do it her way." She has praise for her colleagues and many thanks for their helpfulness and kindness. She spoke kindly of the many students with whom she worked. She says, "I finally am used to students looking younger every year." Lastly she says, "I want to express a big Thank You to many, many people. There are probably a lot of people who has touched her and want to express this same thought to her."

Three one-act plays will be performed on the GSC stage during the month of October. The plays are directed by students of the Speech 351 class. The first play is STRANGE ROAD, a drama by John Houston. It is being directed by Kent Woofter and the performance date is October 14 at 8 p.m. in the auditorium.

The cast for STRANGE ROAD is as follows: Alan Tim Brown; Annie-Lisa Srucleh; Mrs. Talbott Cheryl Keenan, and Kelly Boggess will play Mrs. Ka-
ders. THE VALIANT, a drama written by Holworthy Hall and Robert Middleman, will be directed by Tammi Igo. It will be performed on Friday, October 21 at 7 p.m. in the GSC auditorium. The cast for THE VALIANT includes: Warren Holt-Joe Stephens; Father Daly-Mitch Moore; James Dyke-Tim Mason; Josephine Paris-Cara Keenan; Dan, a jailer-Steve Keenan; and the attendant-Paula Brown.

The third play is a comedy by Edward Albee. THE AMERICAN DREAM, directed by Bill Anderson, will be performed on October 28 at 8 p.m. in the auditorium. The cast includes Mahala Strauss as Mommy; Randy Harper as Daddy; Lou Davidson as Grandma; Beth Krantz as Mrs. Burton; and Tony Leonard as the Young Man.

Miss Jewell E. Matthews, 78, former faculty member of the Glenville State College education faculty, died recently at Rockingham Memorial Hospital, Harrisburg, VA.

Retiring in 1970, she began teaching here in 1950 as a kindergarten teacher. She was a graduate of Huntington High School, Montgomery, FL, and Scarlett Peabody College, Nashville, TN. She had resided in Morefield since her retirement. She was a member of Duffy Memorial United Methodist Church, Delta Kappa Gamma, teachers honorary, and many other organizations. Graveside services were held at Olivet Cemetery in Morefield. Two sisters survive.
