PARKING POLICY

Parking space on campus is limited; therefore spaces may be used only by those displaying a valid Glenville State College parking permit. All students, faculty, and staff, including part-time, temporary, and casual employees who park on campus must purchase and display a valid Glenville State College parking permit. Adjunct Faculty will be issued a restricted parking permit, but, have the option of purchasing a Faculty/Staff permit. Permits may be purchased and registered online by going to the GSC website/Student Life/Public Safety/Parking Permit. You can also go to the site directly by going to WWW.permitsales.net/gsc. If you plan to drive more than one vehicle during the year a second permit may be purchased for $5.00 to be displayed on the second vehicle. Proof of ownership must be presented when applying for the second permit. The second permit does not allow both vehicles to be parked on campus at the same time. Permits may be picked up in the Public Safety Office after the individual has completed the online Vehicle Registration process.

The responsibility for finding a legal parking space rests with the vehicle’s operator. A permit merely authorizes the individual to park in available designated spaces on campus. It does not guarantee a place to park unless a reserved parking permit is purchased. A limited number of reserved parking permits are available each year to full-time faculty and/or staff. Lack of space is not considered a valid excuse for violation of this policy.

Be sure to allow plenty of time before class or scheduled appointments to find an appropriate parking space.
