Your Stay in Goodwin Hall

Goodwin Hall is a state of the art co-educational residence hall with a little something for everyone. Not only is Goodwin Hall home to 482 possible students, it also houses the maintenance, admissions, public relations, and marketing offices of Glenville State College. Goodwin Hall is an “L” shaped 6 story building, with each floor having its own study lounge, laundry facility, kitchen area, and designated trash rooms which are emptied on a daily basis.

The rooms in Goodwin Hall are set up suite style and every two adjacent rooms in Goodwin hall share a semi-private restroom. The entire South Corridor and the majority of the West Corridor are private rooms, meaning each resident will have their own room and share a bathroom with one other student. Each private room is furnished with a mini refrigerator, microwave, extra long twin bed, desk, chair, chest of drawers, and a wardrobe.

A small portion of the West Corridor and the entire East Corridor is made up of double rooms, meaning they are larger and there are two students to a room. Each double room shares a semi private bathroom with an adjacent double room. Each double room is also equipped with a sink in the bedroom, as opposed to the bathroom, to help reduce congestion in the bathroom which is being shared by up to 4 students. Each double room is furnished with a mini refrigerator, a microwave, two extra long twin beds, two desks, two chairs, two chest of drawers, and two wardrobes.

Goodwin Hall is equipped with a security system that includes high definition cameras which are recording 24 hours a day, along with a swipe card system. The swipe card system is put into place for added resident safety. Each resident is given a swipe card which gives them access to the main entrance of Goodwin Hall, the elevators, the entrance to the corridor in which they reside, and lastly the swipe card is also the key to your room, and your room only. You cannot gain access to the residential areas of Goodwin Hall without a swipe card unless you are registered at the Goodwin Hall office, and are accompanied by a resident of Goodwin Hall.

The main lounge area of Goodwin Hall is located at the main entrance of the building and is furnished with couches, chairs, tables, and two 42 inch high definition televisions for students to enjoy. Goodwin Hall’s office is also located in the main lounge area so students and visitors can be greeted with a friendly face as they enter the facility. The office is staffed 24 hours a day 7 days a week by a trained student worker or a security guard to answer the phones, direct calls to student rooms, and maintain watch over the security system and cameras located throughout the building.
