

Guidelines for Applying for Summer Financial Aid

Students register for classes for summer, then turn in Summer Financial Aid Application to the Financial Aid Office

Students may be eligible for summer aid on *less than half time* (5 and under hours), *half time* (6, 7 and 8 hours), $\frac{3}{4}$ *time* (9, 10 and 11 hours) and *full time* (12 or more hours)

12 hours over the course of both summer terms is considered **full time for summer** for financial aid purposes (example: 6 hours first term, 6 hours second term).

Any combination of hours may be taken over the course of both summer terms (example: 3 hours first summer term and 6 hours second summer term = 9 hours for summer = $\frac{3}{4}$ time).

Must have **6 hours** (half-time) to be considered for **LOAN**

Hours *can* be taken for one term only.

Financial Aid Award Notification Letters will be mailed to home/permanent addresses.

E-mails will be sent to student GSC accounts if questions arise during the awarding process for summer.

It is the intent of the Financial Aid Office to send award letters for summer in time to allow students to adjust or cancel their hours if they do not receive enough financial aid to cover classes and/or other expenses for summer.

Because summer financial aid is based on the specific number of enrolled hours, students must notify the Financial Aid Office of any adjustments to their enrollment status.

Rules for awarding/receiving Financial Aid for summer school are subject to change.
