Glenville State College  
Glenville, W. Va.

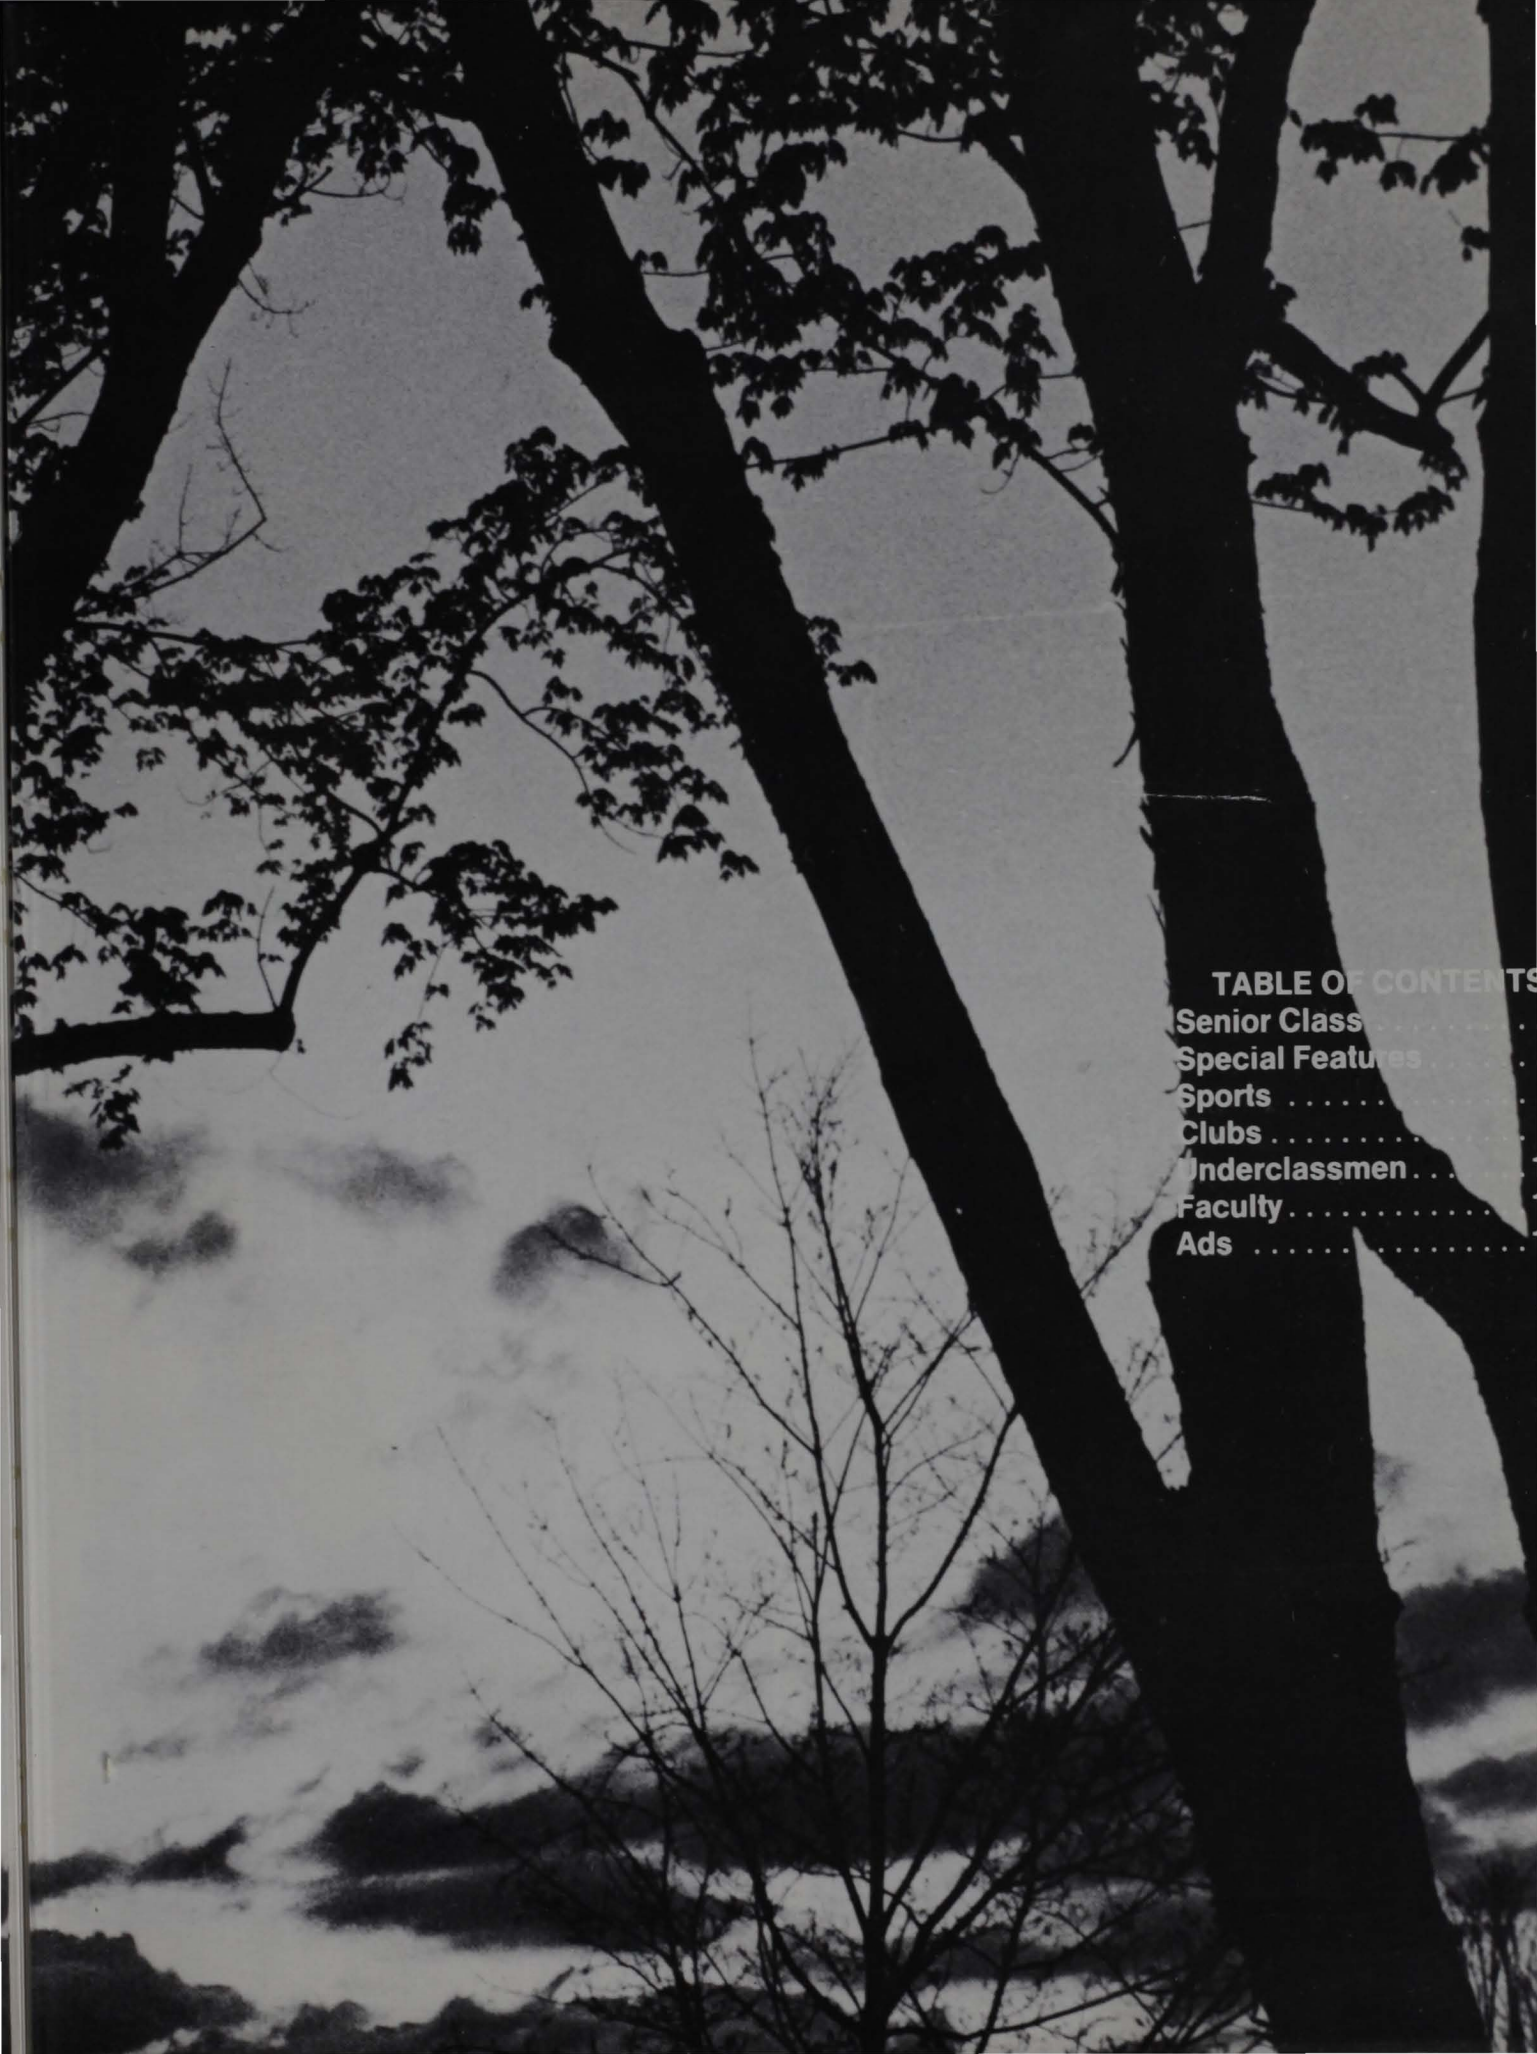

Your friends say they'll keep in touch. But you know they won't. Your teachers say come back and see them. And you know you won't. Maybe someday it won't matter. But right now, it hurts a little.

As we prepare to go our separate ways, we realize we will probably never see many of our classmates again. Yet because of so many memories to look back on, we will remember and cherish these special times.

Come with us as we REMEMBER WHEN . . .

GSC Football Cheerleaders

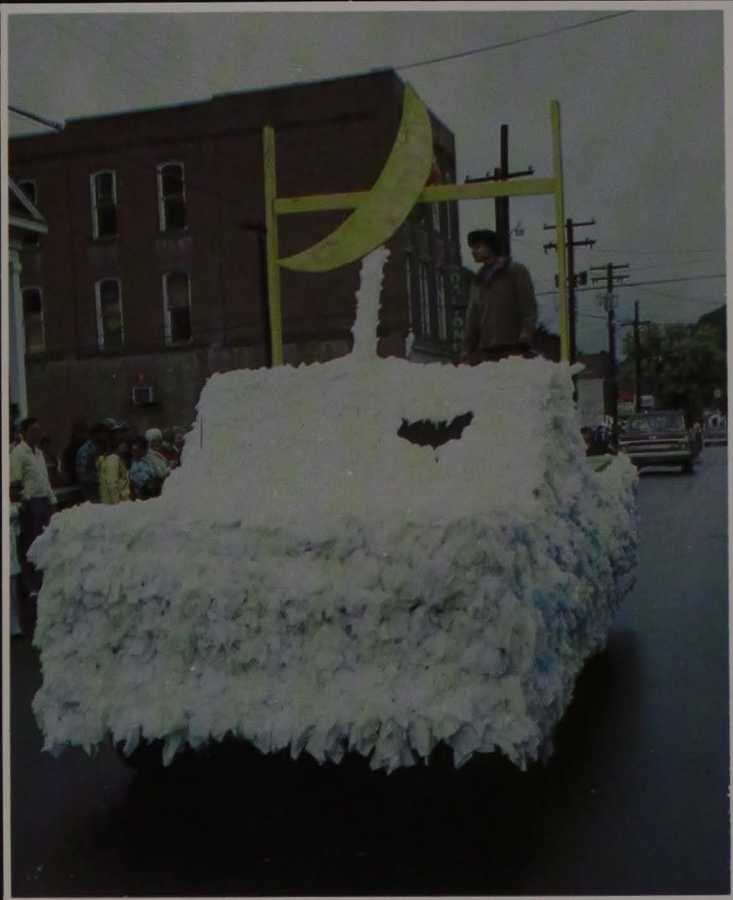

**HOMECOMING!!** — the time for the alumni to come back and say, “Remember When . . .?” The scenery is still the same, but the faces have changed. Everyone gathers to see the parade, watch the ballgame, attend the dance . . .

We have our cheerleaders, our football team and special friends, just as in past years.

This is *our* time at GSC and then we’ll be back to reminisce with old friends and share the memories of the past and say “Remember when?”. . .

## Remember When

It rained on another parade. It seems it just wouldn't be homecoming without the drizzle and the mud. But this year the rain didn't put a damper on things. The parade was highlighted by Homecoming Queen Daysi Melo and her court. Daysi is the daughter of Egidlio Melo, of Leisure City, Florida, and is a General Science major here at GSC. The Homecoming court consisted of Freshman Princess Wendy Elliot, Sophomore Princess, Pam Collins, Junior Princess Sheila Drennen and Senior Princess Sonnie Shaw. All five girls were sponsored by DELTA ZETA Sorority.

The Homecoming competition of the week was over and the time had come for the game. This was our first Homecoming in the new Pioneer Stadium, and proudly it was a good one. In a hard fought match-up, the Pioneers emerged victorious, defeating the Salem Tigers 28-12.

# Remember When . . .

. . . some said that the halls of Verona Mapel were inhabited by the ghost of Sis Lynn — and many of us believed them!! What else would explain the strange things that happened in and around that mysterious building? Things such as the floating white figure that has been reported to be seen by many — or the shrill scream or lights going on and off . . .

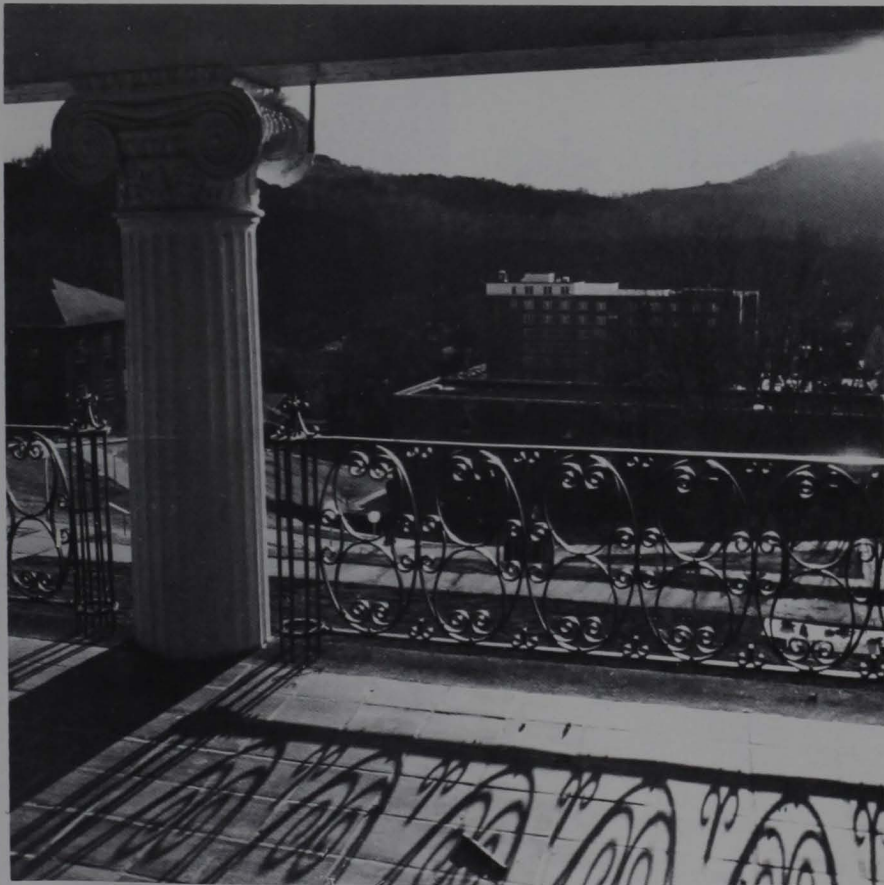

Since 1925, Verona Mapel has been a landmark here at GSC. It was first a female dormitory and recently housed theatrical supplies.

Its untimely demise came on Jan. 3, 1979 when wrecking crews arrived to make way for a new parking lot.

. . . And that's progress?!

# Remember when . . .

The only way to get to the Scoreboard was in a boat!! If you remember this then you probably remember one of the infamous Glenville floods! The water would come and the water would go, just-like-that! If you happened to go home on *that* weekend you really missed something!

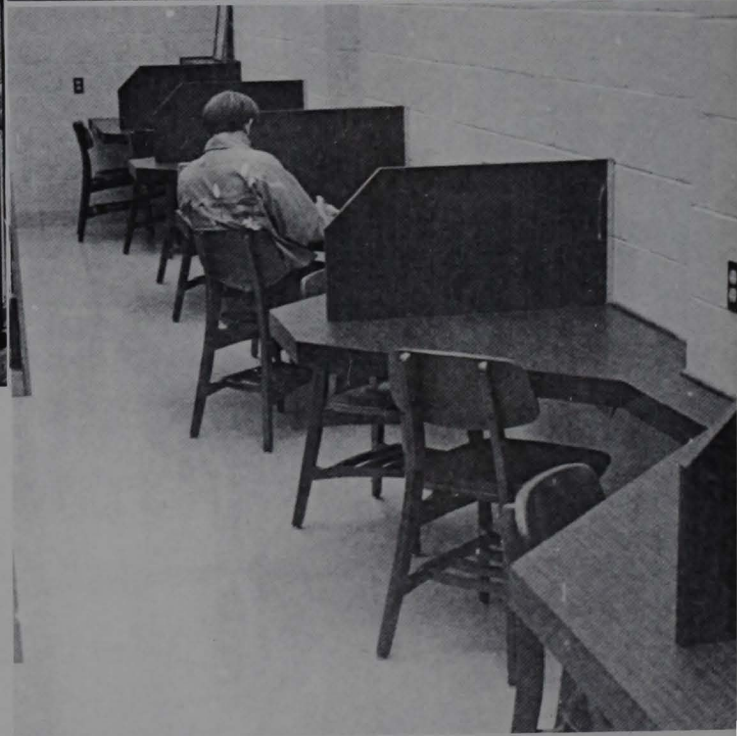

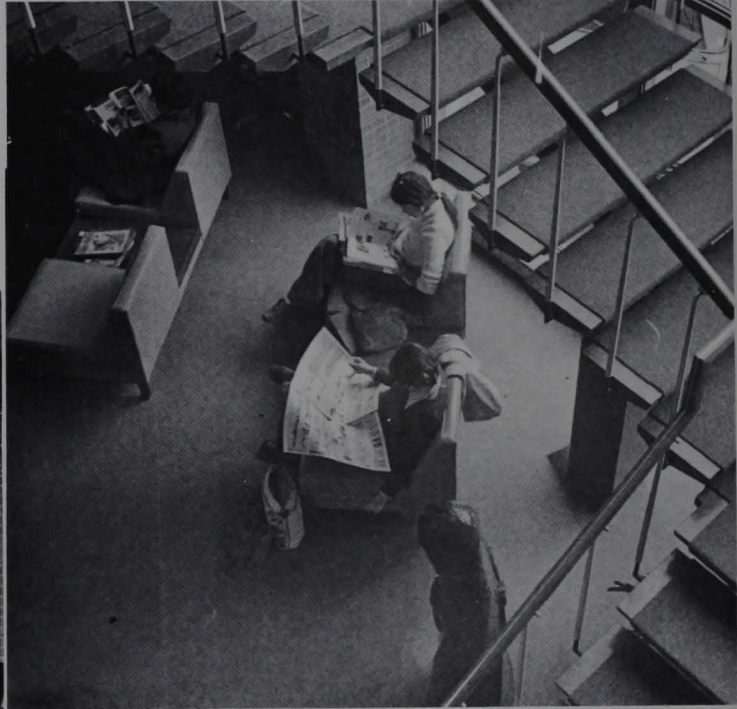

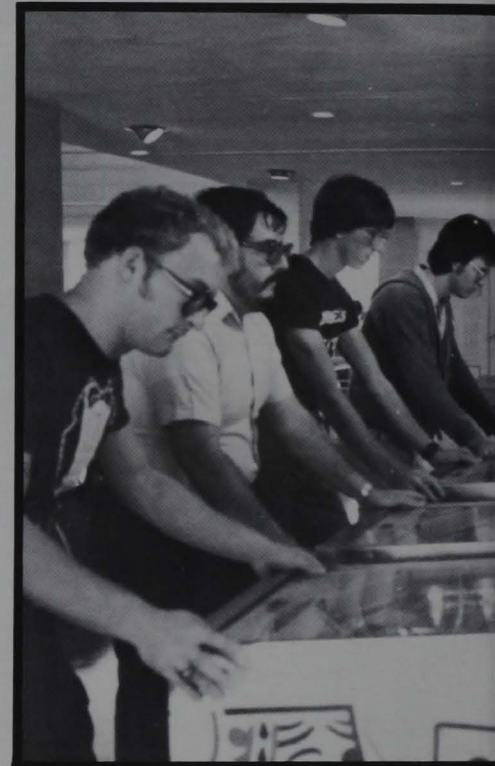

## Remember When . . .

Remember When . . .

you played cards, music, football, pinball, and ping-pong instead of going to class?! (You were so sick that day!) If there was one class you never cut at all your years at GSC, it was Student Union 101-01.

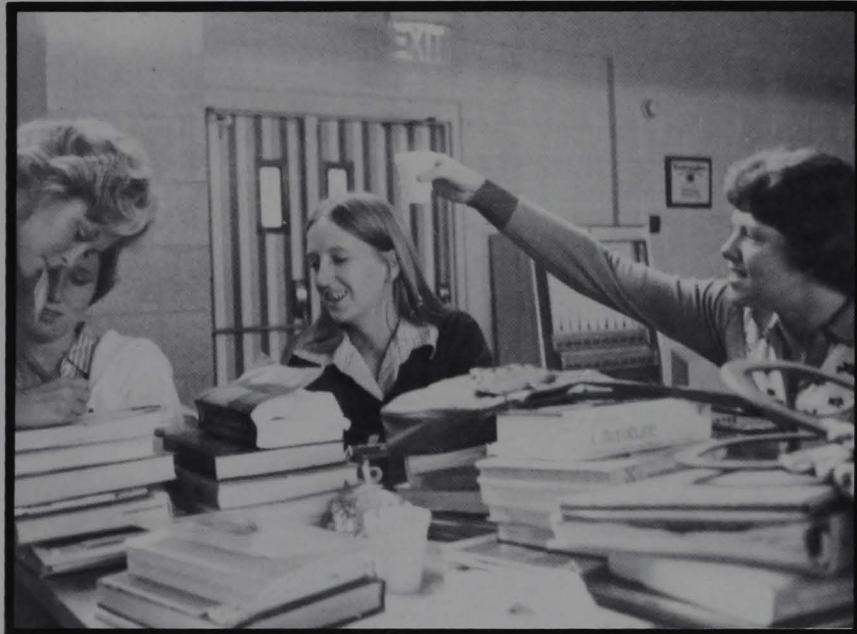

or

Remember When . . .

you had to stand in line for 20 minutes only to eat the "mystery meat" of the week; or when you were the Dummy of the Day who dropped his tray! By the way, how many butter patties did you put on the ceiling?

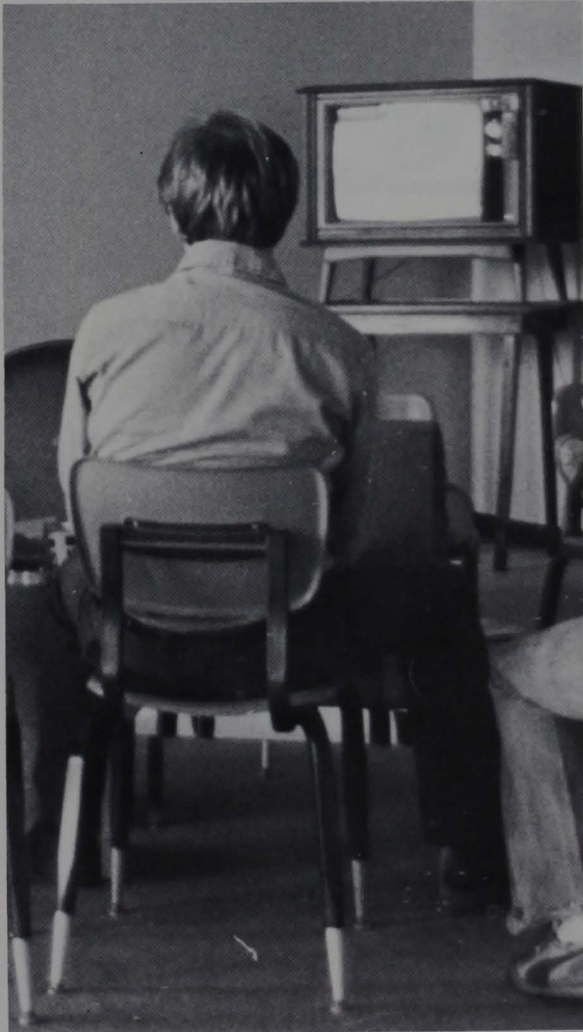

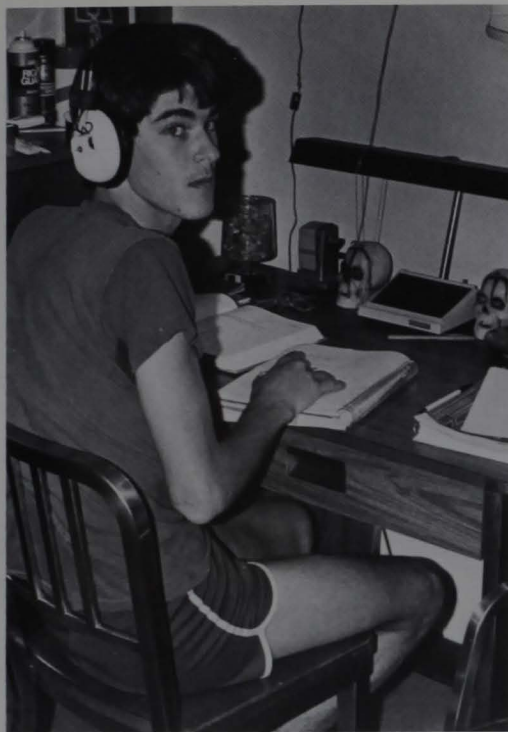

Remember When . . .

you lived in a room, "3x3" (with 2 people) on the 6th (or was it 5th or 4th or 3rd) floor, and the elevators didn't work, such Fun . . . Fire drills and bomb threats at 3:00 AM (could you believe it!!) Wall-to-wall graffiti of the Playboy (girl) kind. It never faded . . . the heaters finally worked in the summer and air conditioner in the winter. Trying to sneak (stagger) past the guard. Finally getting on the elevator, only to stop on every single floor. You must have lived in some place called the "DORM"!

"Fish is good . . . But this is ridiculous!"

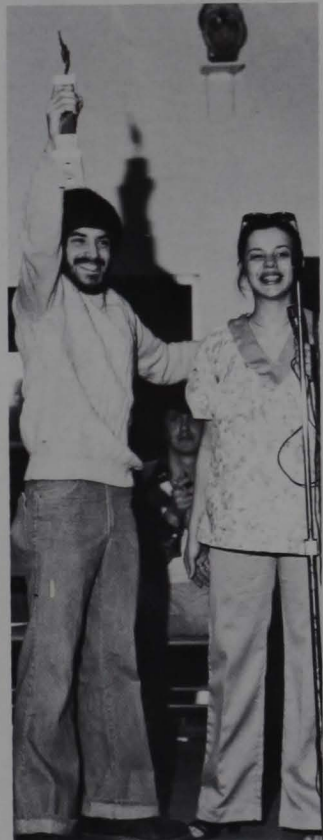

Tina, Chairman for the Telethon, speaks at the Awards Ceremony.

## Remember When . . .

You thought "He's not really going to chew that gold-fish, is he; or you thought, "If they play 'YMCA' one more time I'm going to scream! Miss Sienkewicz "got hers" — from one end to the other and Tamara Knically won the Toga Competition. Coach Hilgenburg ran 24 miles while you were huffing and puffing to do the first 4! And how about the wonderful "pig" that was used for the pig calling contest! Remember how gracefully the pole climbers climbed the greased pole and the biggest bubble blown was 18 centimeters.

These were just a few of the highlights that topped Glenville State's first Muscular Dystrophy Telethon. Yes, it was a lot of work and many tired hours to pull the Telethon off, but thanks to Mrs. Monica Kretzschmar-Young, Mr. Jack Laeng, Tina Hardman, Dave Tebay, Deena Snyder, Athelene Birchfield and the many people on all the committees, the event was a big success.

The telethon came to a fantastic ending with the awards ceremony. There the top three contributing organizations and grand total were announced. Christian Fellowship came in first place raising \$1,418.40; Delta Zeta Sorority pulled second with \$776.86; and Lambda Chi Alpha fraternity finished third with \$283.13. Tears were shed and hugs were given out as the grand total was announced over the microphone. The Muscular Dystrophy Drive will always hold a special place when the students of Glenville State "Remember When . . ."

Joey accepts 1st place trophy for Christian Fellowship.

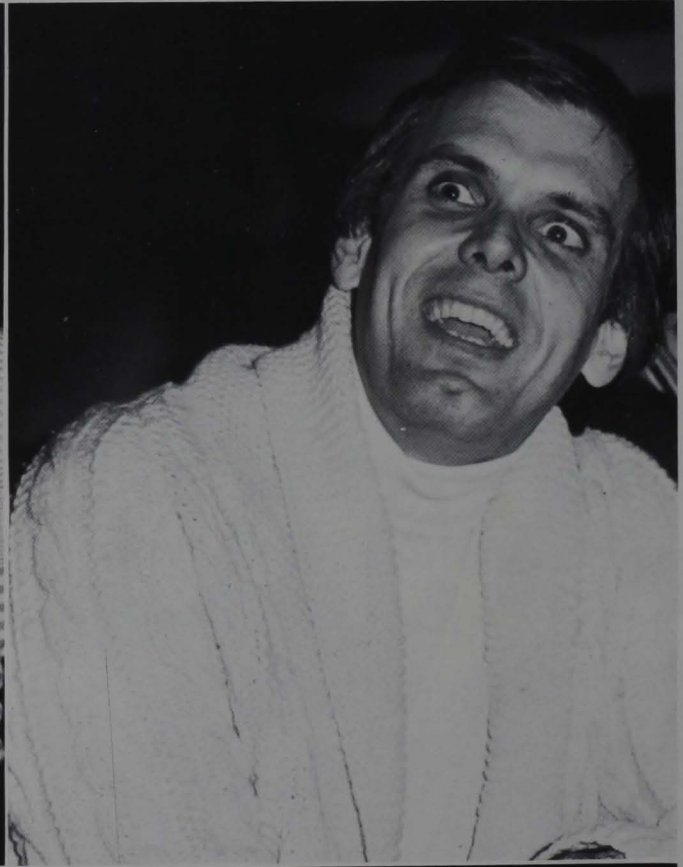

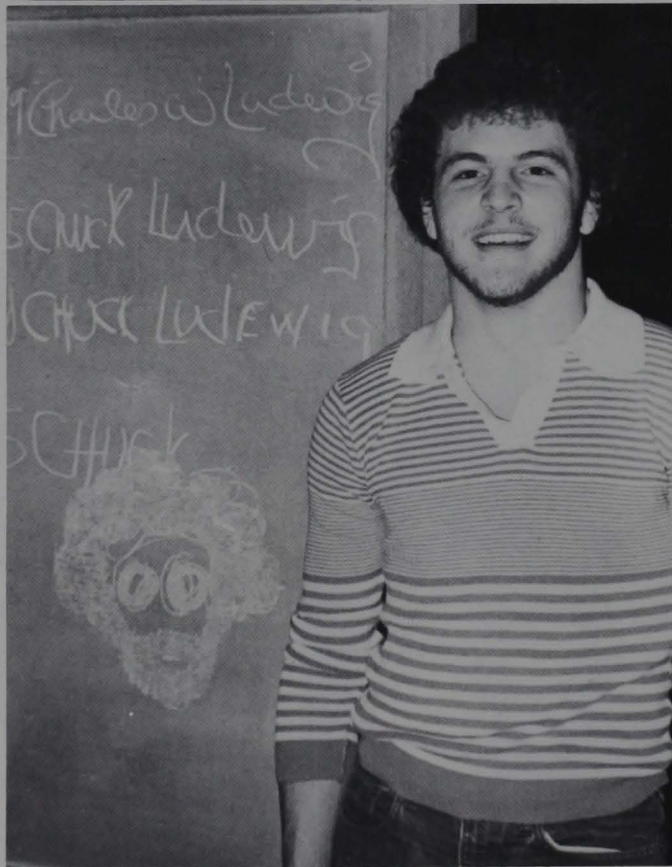

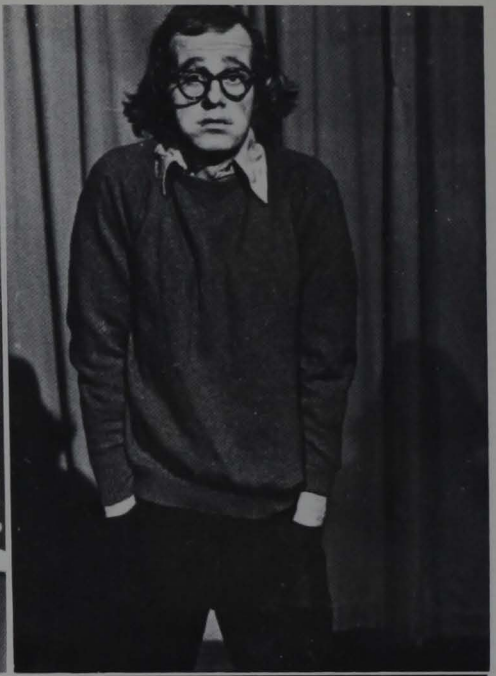

Deena proudly displays Delta Zeta's second place trophy.

The GSC Student Congress brought us numerous new and different guest speakers and performers this year. Probably the most interesting of these being James Mapes the Hypnotist and John Roarke the impersonator. They kept us spellbound with their performances, and in the case of the hypnotist, that of our fellow students.

The Victory

Fighting Pioneers had a good season with a lot of hard work and super spirit on the part of the guys. The record was two wins and seven losses, but most of the losses were close, well-played games.

There is a lot of good to be said about our team this year, and rumor has it, a lot more about next year's.

Two players received state wide recognition as one of the tops in their respective positions. Wide-receiver McGill gained a total of 531 yards and Quarterback Spangler passed for a total of 1436 yards.

The Bullet Has Shot

Under the direction of Coach Jesse Lilly and Coach Tim Carney, the Pioneers shot their way to an 11-17 overall record this year.

The record doesn't account for the many moments of excitement given to us by the Pioneers. Many games were decided by baskets made in the closing moments of the game.

After winning the Shrine Tournament, the Pioneers participated in the Wheeling Tourney, and placed second. They also spent the January vacation on a Southern tour.

A special tribute is extended to the graduating seniors who have been Pioneers through many and varied experiences.

# Cross Country

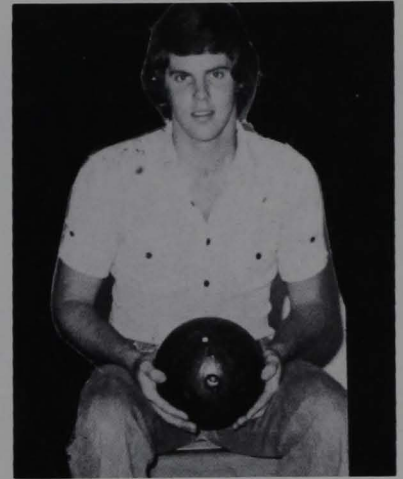

The GSC Cross Country team finished their second year of competition. This year's team was a young one, with all but two being freshmen. Despite their lack of experience, the cross country team, under the direction of Coach James Hilgenberg, Jr., finished the '78 season with a conference record of 23 and 7. As a result of their excellent record, the team qualified for the National finals held in Kenosha, Wisconsin. Congratulations, Guys!!

# Bowling Team

The bowling team performed well this year. The team, having no conference in which to compete, traveled to bowl in invitationals. They competed in an ACUI Tournament in Washington, D.C. and did well finishing, fifth out of twenty-seven teams. The highlight of their season was their trip to Las Vegas, where they finished 20th out of sixty-seven competitors. Coach Kight anticipates more conference play next year.

# Track Teams

Kim Short

Our track teams might be young in years at G.S.C., but they're not lacking in ability. Our Girls team grew in strength, from three girls last year to nineteen this. The improved team won one meet, placed second in four out of five and came in fifth in the State meet. There are no Seniors on the team, and combined with the building and recruiting, Coach Sandra Piercy, anticipates even more growth.

As our 1978-79 baseball team finishes their season we see a record of 5-10 in the conference and 5-17 overall. This was a success in many aspects, with improved playing on the part of our guys. There is much potential underclassmen strength for next year.

# Golf Team

All-Conference Jim Brady

Again this year we can brag about our Golf Team. The guys wrapped up their third straight WVIAC golf tournament championship. This brings the championship total of 6 times in the past 8 years. We will represent District 27 in national competition, and can also be proud of two of our golfers on the All Conference Team, Jim Brady and Joe Crislip. We offer a much-earned congratulations!

In its second year of existence our tennis team displayed a joint effort consisting of Hite and Martin, first year lettermen; Baker, Clites, Ferrell, Sparks, Whalen, and Nemeth are all two year lettermen.

The team improved its performance in conference play, while competing against established top-rated competitors.

The Lady Pioneers under the direction of Coach Barbara Miocco ended the season with an 8-6 record. At the conclusion of their season the Lady Pioneers traveled to the West Virginia Women's Conference where they defeated Fairmont in their first game but succumbed to Morris Harvey in the second. All of the girls will be returning next year: a much more powerful team is to be expected. Good job girls!!!

This is Volleyball's fourth year of existence at G.S.C. It is one of the few sports offered to girls, and it is the only sport on campus offered exclusively to girls.

The G.S.C. girls' volleyball team, led by Coach Kay Chico, improved greatly over the last year and has high hopes of improving more so in the upcoming year. Four of the eight team members enjoyed their second year on the team, and five of this year's team will be returning next fall. The team went to the WVIAA Volleyball Tournaments on November 11 and 12, and finished 6th. The girls won 5 matches during the regular season and lost 11.

# Intramurals

Mark Davis, Brian Jones, Mark Dorsey, Ron Wildman, Ed Hendricks, Jim Dotson, Jim Freitas, Tim Henson, Dave Moore, Joe Knicely

This year's men's intramural champions was the Theta Xi Fraternity. The group were the over-all winners tallying the most total team points in the various sports. The men competed in basketball, volleyball, bowling, swimming, softball and racquetball. The "Stoppers" placed second, and the TKE's finished third.

This was the first year for women's involvement in organized intramural athletics. Under Ms. Diane Bach, the girls competed in volleyball, basketball, and softball.

An "All Sports" team was selected based on participation in all three sports, outstanding sportsmanship and an over-all positive attitude toward competition. Those girls selected were: Sue Baisden, Sue Lieving, Beth Litton, Jayne Tebay, Tammy Holden, Linda McKinney, Karen Thorpe, and Diane Bach, Jayne Tebay was selected the most valuable player.

# Commode Bowl

Some Pretty Rough Stuff, Guys!

All This For A Commode???

The annual Commode Bowl Football rivalry between the campus fraternities was won by the fraters of Tau Kappa Epsilon. In the first game the TKE's defeated the Lambda Chi's by the score of 13-6. The defending champions, of six years, Theta Xi's fell by the score of 6-0. The fraternities were strongly supported by the auxiliaries of Theta Girls, Ladies of the White Rose, and the Order of Diana.

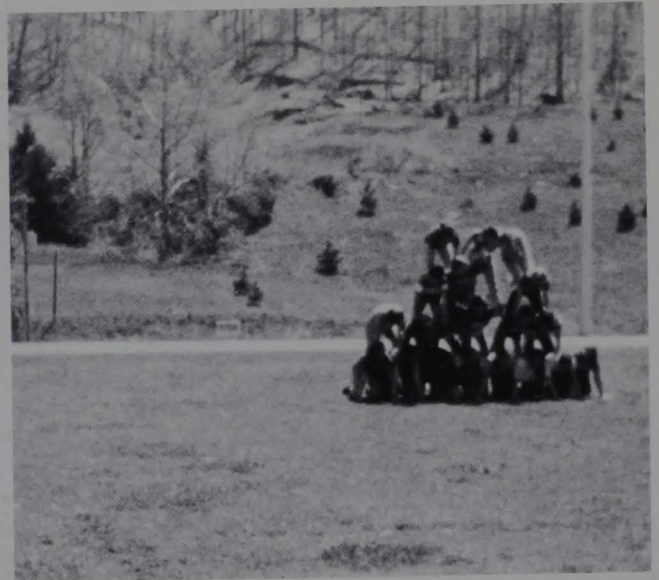

# Track and Field Day

Panhellenic held the first Track and Field Day on May 5, 1979 at Pioneer Stadium and the day ended with both sororities tying with a final score of 114 to 114. Each year Panhellenic holds an event to help raise money for the loan fund which helps girls who wish to pledge a sorority.

Thanks goes to Dean Karen Thorpe and Diane Bach who worked very hard to plan the field day which proved to be successful and fun.

# 1979 Miss GSC Pageant

What to say about June Nohe, our Miss GSC of 1978-79? June was selected Miss GSC on May 18, 1978. She did a great job representing Glenville at the 1978 Miss West Virginia pageant held in Clarksburg, one month later. Besides being crowned Miss GSC, June with her smile and outgoing personality was chosen winner of the talent competition and tied for evening gown.

As did the preceding queens, June was to head the pageant for 1978-79. Being the special person she is, she produced the Miss GSC Pageant for 1979. Although June gave up her crown to the new queen, she will still remain a memory in the hearts of everyone at Glenville State College.

These 9 women were the contestants for the 1978-79 Miss GSC Pageant.

While some may think being in a pageant is just going on stage, anyone of these women could tell a different story. Along with being nervous, each contestant must give a philosophy on their goals for the future, compete in talent, evening gown and bathing suit competition, and put in many hours of hard work. All 9 contestants worked for hours each night, for a week, learning a dance routine, making costumes and mastering the tricks to performing in a pageant.

Through the tears and laughter, the pageant ended. To some it was a moment of sadness, but each girl must have felt much satisfaction that each had given it their best. The contestants will never forget the feelings they experienced, and the fun they had during that special week. Miss Congeniality was awarded to Della Seaman, Second-runner-up to Athelene Birchfield, First-runner-up to Terrye Evans, and Vicki Parrish was crowned the new Miss GSC at Glenville State College.

This year the Ladies of the White Rose enjoyed an active year with the brothers of the Lambda Chi Alpha Fraternity. Some of the many activities shared with the brothers included a formal Thanksgiving dinner, a Christmas party with exchanging of gifts, community-oriented moneymaking projects, and an end-of-year picnic. The Ladies also purchased T-shirts for the brothers and themselves.

One of the unique aspects of being a Lady is the closeness shared by the Ladies and their Big and/or Little Brothers. This year for the first time we had a Big Sis-Little Brother Ceremony. This turned out to be a real success and we plan on continuing the tradition.

We had a great year and hope for more just like it.!

The Mercury staff is a close-knit group of hard workers who produce the campus weekly newspaper. Each Friday, the newspaper is published, and immediately assignments are put up for the next weeks publication. Wednesday nights are regular Press Nights with hours sometimes extending to midnight or later.

Nevertheless, the staff has fun in addition to writing, typing, cutting and pasting. Every consideration is given to staff members birthdays (an opportunity for a party!) and for celebrating in general. Yearly activities include a field trip, a workshop, a banquet (at some exclusive restaurant), a Mercury Anniversary party, a Christmas party, and various picnics and cookouts.

As editor of the 1978-79 issue of the *Kana-whachen*, I would like to thank the many people who helped make this yearbook possible. First, our advisor, Mrs. Yvonne King, who gave us her endless patience and support even in the wee hours of the night. A special thanks is extended to Ben Polis, Drew Moody, Bayard Young, August Kafer, Gene White, Chuck White and Theresa Overton for their photographic contributions; Daysi Melo, Jim Freitas, Deb Wildman and Greg Fertig for their layout assistance; and the merchants of Glenville for their financial support.

Special recognition and thanks is sincerely given to the members of my staff. They worked hard to give us a book that will help us truly REMEMBER WHEN!

GSC Christian Fellowship is associated with the Inter-Varsity Christian Fellowship. Besides meetings on Thursday nights which consist of singing, sharing, and the study of God's Word, Inter-Varsity provides training weekends and conferences for all involved. Hopefully, working together, everyone on the campus can help in the spreading of the Gospel for Jesus Christ.

Christian Fellowship is proud to have been the organization which brought in the most money for the MD drive. The total was over \$1400.00. Praise God that his little children can be helped in this way!

## "Goals in Life"

... Will you be able to look back 50 years from now and say, "I reached my goals, fulfilled my dreams," (and lived to tell about it!). If not, did you set your goals too high ... or were you too 'high' to reach them?

**RUSS ZIDE** — To be a famous fighter pilot who constantly shoots down the Red Baron. Of course, my plane will have many beautiful stewardesses.

**TOM KEENE** — To become a better person in life and learn more about other people. Hopefully, to become a football coach one of these days.

**PATTY VALENTINE** — Be free to be me!

**TERRY EVANS** — I hope to be the cruise director on the "LOVEBOAT" that is headed for Fantasy Island ... T-bird!

**PAUL DUFFY** — My goal in life is to see Fido and Weasel get married, Frag not camping in the bathroom, Casey finding one girlfriend, Gerb finding out that Doc Dollgener isn't his Dad, Lee-Lee not fighting with Barb, Waller reading a book on how to be a toothpick. To all these guys I leave my jock strap because they gave me the support when

I needed it.

**DEBBIE COON** — My goal in life is to be able to survive a week of going downtown every night in Glenville.

**GREG HADDOX** — My goal in life is to learn how to exhibit patience with boring and/or non-intelligent, smart alec teachers, and to find a way to learn something in a class to a teacher who reads from a book, also to beat my record of 54 beers in 10 hours.

**DIANE WINSLOW** — My goal in life is to reach high standards, to be happy and successful in teaching, and to live up to my greatest expectations ... as founder of AA (Airhead Anonymous).

**ANNETTE BUMGARNER** — My goal in life is to walk in the union, sit down, and ask (not tell) a maggot to buy my lunch.

**THOMAS K. SHUMAN** — My main goal in life is to survive death; another goal in life for me is to put Farrah Fawcett-Majors in bondage.

**ROBIN BUTLER** — My goal in life is to become a successful teacher and get married to a wonderful man.

**MARK DAVIS** — My goal in life is to patiently await the arrival of beings from a far off galaxy needing the assistance of a fertile male for breeding purposes back on their sterile, dying planet.

**MICHELE BRUCE** — My goal in life is to start a Chunkette Club

and elect Tim Carter as president and Bryan Ferguson as Vice-President.

**BRYAN FERGUSON** — My goal is to beat Carter in the presidential election of the Chunkette Club.

**JIM FREITAS** — My goal in life is to be as suave as Mark, "Almost" Dorsey, as intelligent as John Irwin, as good-looking as Bob, as socially accepted as Dave and Kevin, as thin as Joe Knically, and as good a driver as Ron Wildman.

**BARB DIETZ** — My goal in life is to make it through Pharmacy School and become the most successful "drug pusher" this world has ever known. (legally, that is!)

**BILL ARMENTROUT** — My goal is to remove my body from GSC within the next 10 years.

**SANDY MATHENY** — My goal is to finish my education and find a job in my field.

**SALLY HAUGHT** — My goal is to be a professional basketball player, and have a chance to dance with John Travolta.

**ROBEY GODFREY** — My goal in life is to jump on an elusive green dragon with my favorite pair of Zircon tweezers, wearing my 41 jersey in search of cosmic belly button lint and G.R.D.

**DAYSI MELO** — My goal in life is to be the director of the CIA, and know all the gossip about the people in power like Bun, LaJune, and Shelia Gay!

NEIL HINCHMAN — Get stoned, meet girls, make money, meet more girls, get stoned, make more money, get stoned . . .

SHELIA DRENNEN — I want to be the first woman to go the moon and to compare sexual activities with those on earth. And hope that Starsky leaves Hutch.

AUGUST KAFER — Find a job, make money and retire at 32.

BECKY TRIPLETT — To be a snake charmer in Central Bombay.

CHARLIE BARRETT — I want to lead a revolution against Disco Music. And Win!

TIM BRADY — My goals in life are to meet Randy Newman, beat the hell out of someone big, mean and ugly, fill in the footprints at Grauman's Chinese Theater, become independently poor, tramp mud on a white shag carpet, talk to an aardvark, and find shoes that fit.

VICKI PARRISH — My ultimate goal in life is to be as good-looking as Chuck Ludewig. Isn't that funny?!!

DAN FIEDORCZYK — My goal is to become the football coach of the Fighting Irish of Notre Dame.

DAVID MOORE — My goal in life is to someday graduate from college and to be a great coach like Andy Grogg.

TRACEY RYMER — My goal in life is to help the coyote catch

the road runner. Beep-Beep.

BRIAN HAYHURST — To graduate from Glenville State and own a business that makes millions.

CARLA FREDERICK — My goal in life is to enjoy all the luxuries of a princess, own a Volkswagen and be a carpenter.

DOUGLAS BOWE — My goal in life is to become a famous marine biologist like Jacques Cousteau. Also I would like to own a southern plantation and I sure wouldn't be growing or picking cotton. I want to have a van, a motorcycle, and an Alpha Romeo, and Charlie's Angels would be my maids.

KEVIN STOUT — Become rich and famous.

SUE BAISDEN — My goal in life is to be on the Olympic basketball team.

JIM DOTSON — My goal is to become a famous song writer and performer, to own a Mercedes sports coup, a small mansion with a pool and gym, to have two children, one boy and one girl, to be able to give great amounts to charity or to be elected dog catcher whichever comes first.

CURTIS O. MARTIN — My goal in life is to live a happy existence, to lead others to happiness and to help bring about a change in the U.S. towards a more free, honest, and responsible society.

BARBRA GAY — To be happy in life and always be myself.

JOHN COUTZ — My goal in life is to ease back on the farm, take it easy, and cultivate my garden with my extravagant lady.

DON POST — Get a good job and stay out of trouble.

ROD BOSLEY — My goal in life is to be regional V.P. of the largest beer corporation in the world before I'm 35.

JOE KALBAUGH — To be a successful businessman.

BILLY WALKER — My goal in life is to get out of Glenville in less than 10 years, make a good living and drive a Cadillac Seville.

GARY JONES — My goal in life is to be the next John Wooden.

JIM BRADY — To be a financial analyst in a large corporation.

MARK WORKMAN — My ultimate goal in life is to become Governor of the great state of Hawaii, with a mansion way up on a mountainside overlooking the Pacific Ocean. With, of course, beautiful glamorous girls running all over the place.

RALPH SPROUSE — To become a millionaire and live happily ever after.

RICH WYNN — My ultimate goal in life is to graduate from this college within a twelve year period. I also would like to continue to pump iron so that I may someday take the shape of my father.

A. JOY WESTBROOK — To be a manipulator and have the

financial backup to enjoy it.

ROBERTA SHEARER — My goal is to graduate then probably teach somewhere in W.V., maybe!

GEORGE PERSINGER — My goal is to be able to sit on a bar stool and not weave beyond the norm.

BEULAH WILSON — My goal in life is to be an attorney and eventually a U.S. Senator.

ROGER HAMILTON — Financial security plus own a Jaguar.

JIM CARROLL — My goal in life is to be mindful of the needs of others.

CHUCK HUPP — My goal in life is to find that ever elusive ultimate buzz!! Upon graduation from this institution of higher learning, I will continue my search in the last place this creature was seen. I would welcome anyone else who would like to go along or anyone having information pertaining to the big bee!

DON WHALEN — My goal is to remain at Glenville for the rest of my life.

WAYNE GHERKE — My goal is to be the best person that the Lord wants me to be for Him.

KEVIN GROGG — My goal in

life is to be as sexually successful as Dave "The Cobra" Moore.

BERT NAPOLITANO — Well, My ultimate goal is big bucks. Upon my last prance down the aisle of this institution with my cap and gown on, I will tell all the girls to calm down. Then, I am moving my empire and all my assets to some secluded mountain in Columbia. After further capitalizing on the needs of millions of fun-loving Americans, I would like to become influential on the Columbian Gov't.

JOE DOUGLAS — My goal in life is to have the social standing and respect that Dave Moore and Kevin Grogg gained during their four years at Glenville.

TIM SNEAD — My goal in life is to stay laid-back on some farm out in the middle of nowhere, raise champion coon dogs, to see "The Cobra" tamed, and to let Mark Dorsey know that "HERE I AM"!!

RON WILDMAN — My goal in life is satisfaction.

JOYCE JARRELL — To be happy, secure, and help others be the same way.

DEENA SNYDER — To marry a rich widower, commit the perfect crime, gain his inheritance, and live happily and comfortably ever after.

CHARLES W. LUDEWIG — My ultimate goal in life is to be stranded on a desert island with 3 of the most beautiful girls in the world — and a deck of cards to play spades.

LOUIS KENT — My goal in life is to be the best I can be, at what I can be, when I can be, and where I can be, whatever that means.

JENNY SHEPPARD — I, Jenny Sheppard, being of weak mind and flabby body, do expect to see and do all the things most people only dream about.

MARILYN KING — My goal in life is to be Peter Frampton's lady or a female Jacques Cousteau.

MIKE BOGGS — I'm still thinking about it!

TIM JAMES — My goal in life is to get everything out of it that I can achieve.

PEGGY BAUMAN — My goal in life is to do something with my education. I don't know what — but something.

TERESA DEEM — My goal in life is to live in Australia and open a home for orphan kangaroos.

DALE SPARKS — My ultimate

goal is to follow God's leading, become a "greater" photographer, find a good, loyal woman, experience the world through the lens of a camera, and be a millionaire by age 25. Also with help from Coach Tim Brady to be the first professional in three sports — golf, bowling, and tennis!

SUSAN McCARTNEY — My main goal in life is to get a telephone so Mrs. King won't have to take messages for me, and to become the editor of the NEW YORK TIMES.

BEV GROGG — My goal in life is to climb the highest mountain, swim the deepest sea, cross the hottest desert — anything to get out of Glenville.

KEN SKINNER — My goal in life is to be the twinkle in someone's

eye, a smile on their face, and if I can't have that, I'll settle for a warm embrace.

SONNIE SHAW — Life can be mysterious and exciting, and to keep it that way, my goal is to always smile to keep people guessing.

DIANE GERWIG — To be the best that I can and to have fun doing it!

KENNETH KUHL — My goal in life is to be the first major of foreign games at Glenville State College.

BUNNY TYLER (ALIAS "BUNS") — I, Bunny Tyler, hereby state that my goal in life is to marry a rich old millionaire with one foot in the grave and the other one on a banana peel. Afterwards, I plan to share my good fortune with someone who will light up my life.

DEBBIE WILDMAN — All I want to achieve in life is to make Barbara Walters' salary, be as nice as Mary Tyler Moore, marry a man as rich (and old) as Onassis, and live in a home similar to the Taj Mahal.

MELODIE JONES — My goal is to settle Chuck down and keep him from wrecking his cars.

JERRI RILEY — My goal in life is not to have a goal in life, therefore if I do achieve something I will be pleasantly surprised!

## Alma Mater

Alma Mater, loving Mother,  
Bride of honor and of truth,  
We revere thee as no other,  
Moulder of ideals of youth.

Friendships born within thy portal,  
Bless our lives as seasons roll,  
So transcending what is mortal,  
Touching each and ev'ry soul.

Glenville College we will love thee,  
All thro' life and e'en in death,  
Love and treasure, sing thy praises,  
With the last of quick'ning breath.

Typical G.S.C.  
Students ???

# GSC . . . A Special Place for Everyone!

Who would have ever thought that Glenville would be known throughout the world? Well, maybe not the whole world but we do hold a high rating in Iran. This year was Glenville's biggest year for enrollment of Iranian students.

As the Iranians learn here, we also learn a great deal from them. The custom of their new year was celebrated here this year. It was a signal for them to change from Winter clothing to Spring clothing, gifts were exchanged between family members and relatives and they placed seven objects beginning with the letter "S" on a table. But Glenville is not always easy for the Iranians. Their biggest obstacle is learning and using the English language.

Learnin English Hillbilly style.

Say what???

It can get lonely when home's so far away.

Where is Glenville, West Virginia? This question comes to the mind of many people. Although, Glenville is a small spot on the map of the United States some people find it anyway. One of those people is Daysi Melo. Daysi came to Glenville because she was looking for a small town with a small college. Because she could not speak English, Daysi needed a small school to learn the basics of the English language. When first coming to Glenville, Daysi planned to transfer to New York, but after a year she fell in love with the town, the college, and the people. Daysi found the warmth and friendliness that she could never find in a big city. Chalk up another one for Glenville State College!
