Dedication Week

A Fine Arts Spectacular

The 1990 school year saw the completion of the long awaited Glenville State Fine Arts Building.

During the week of September 17-22 the newly erected building housed many events all in the honor of the new Fine Arts Building.

To begin the week a dedication ceremony was held in the new auditorium. The dedication began with the band playing our country's National Anthem. Dr. Billips delivered the invocation, and upon the completion of the invocation Dr. Simmons spoke.

"...the completion of the Fine Arts signals a new beginning for Glenville State College...and...an increased responsibility for the faculty, students, and Glenville residents at large..." were the comments of the next speaker, Chairman of the Glenville State College Board of Advisors, Espy Miller. The fourth guest to speak was Mr. Phillip Reale who stated to the audience that the "work that went into this facility was the work of many..."

Following Mr. Phillip Reale was Louis Constanzo III who paid gratitude to Luanna Smith for beign part of the reason the Fine Arts Building was complete.

The next two speakers were Marjorie H. Burke of the West Virginia House of Delegates and Don McIntyre.

Finally the secretary of Education and the Arts, Dr. Steve Haid took the podium and Stated "lets look forward to years and years of productive value out of this facility."

Once again Dr. Simmons spoke, the chairman of the Fine Arts, Dr. Gillispie was asked to approach the stage, at this time Dr. Simmons presented the keys of the Fine Arts Building to Dr. Gillispie. One last time Dr. Simmons turned to the audience and stated "...many, many thousands of works of art will be produced in this hall and many concerts will be held...Students just don't need a technical education, they also need the humanities."

In honor of the newest addition to the campus of Glenville State College the Fine Arts Department hosted a faculty/student art show.

The faculty artwork was displayed in the new art gallery located on the first floor of the Fine Arts Building. The faculty artwork was under the control of Professor George Harper, M.F.A.

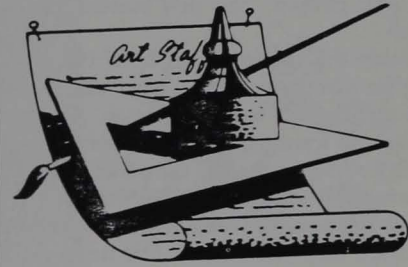

The students artwork was displayed in the courtyard of the Fine Arts Building on Tuesday, September 18.

Dedication Week

Music At Its Best

With the completion of the new fine arts building many performances will be taking place within its walls. During the week of its dedication many types of music were performed in the new building itself as well as other places around the GSC campus. This new building has increased the pull here at Glenville State.

Probably the music highlight of the year was the appearance of the West Virginia Symphony here at Glenville. It is the regions premier performing arts organization and for good reason. Under the powerful direction of Thomas Conlin and featuring such renowned musicians as classical pianist Wendy Shen, the Symphony once again came away with a winning performance. It opened up the art and music buildings dedication week in a grand fashion.

On the evening of September 19, seven of Glenville's music ensemblers displayed their talent in the new fine arts building auditorium.

The musical entertainment began with three selections by the Glenville State Concert Choir, under the direction of Mr. Richard O'Brien. Accompanying the Concert Choir was Julie Harbert on the organ and Fred Channel on the timpani. GSC's Chamber Singers followed, under the direction of Mr. O'Brien.

Next Mr. Harry Rich's Brass Choir performed two selections, which was followed by the Senior Brass Quartet.

Following the Brass Quartet was Glenville's Jazz Band under the direction of Mr. Phil Rossano.

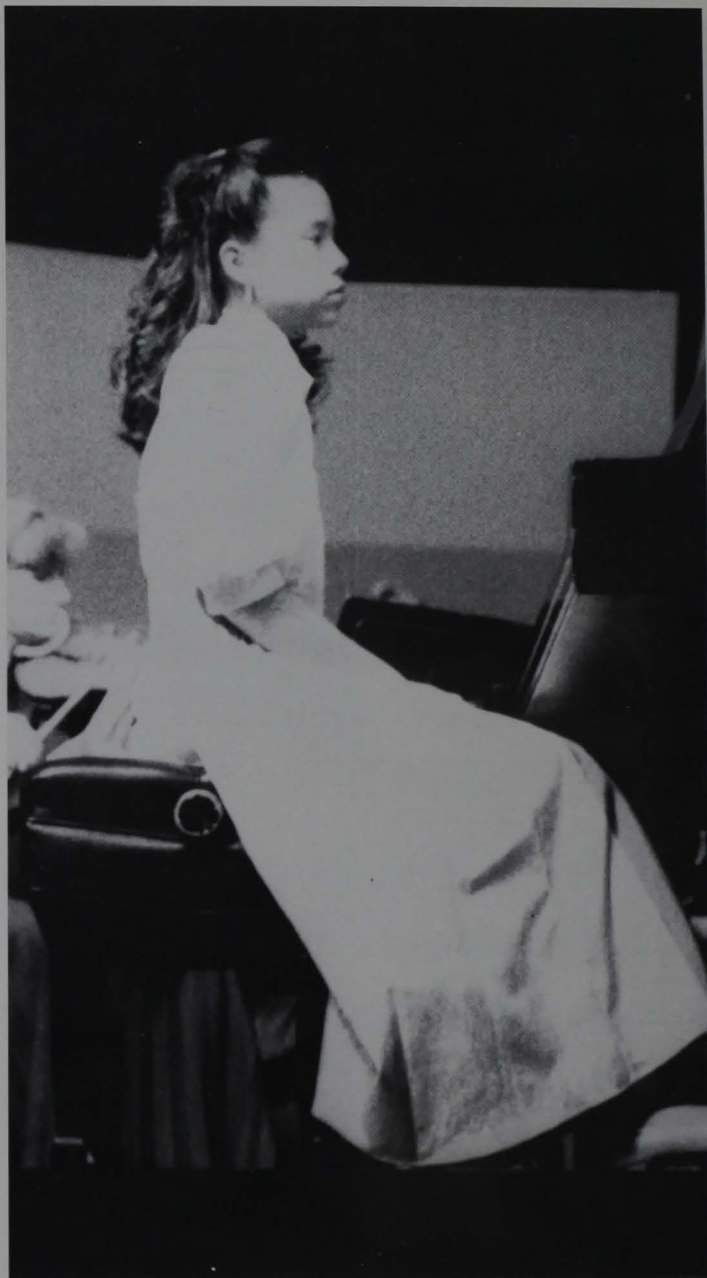

Succeeding intermission Mr. John McKinney's Percussion ensemble entertained the audience, and the Pioneer Marching Band, under McKinney's direction, completed the evening with a medley of marches.

The Glenville students displayed great skill and proved the reason why the new building is important and the benefits that will be reaped from it.

The closing of the Dedication Week brought about the appearance of the Dusty Roads Band. They performed in the ballroom on Saturday the 22nd which brought a lively end to it all with the "Big Band Sound".

The fine arts have always played an important role here at Glenville. With the addition of our new \$4.4 million dollar building aimed at furthering this field we can only look forward toward a bright future.

Glenville State College was honored with the performance of nationally recognized classical pianist Wendy Chen.

The "Big Band Sound" of the Dusty Roads Band was enjoyed during dedication week at the ballroom.

The entrance of the new fine arts building is enough to show how magnificent it is.

OUR TOWN

Performed at GSC

The new fine arts building housed yet another fine piece of entertainment. Glenville students performed the ever popular play OUR TOWN in 1990. As usual it proved to be a crowd pleaser.

The setting was Grovers Corners, a small town in the Northeastern part of the United States. The story was about two families and it showed their lives and how an extra, that proved to leave nothing questionable, was the narrator telling you the date, setting, and what was happening.

The play "Our Town" went over well at GSC. The acting was great and the students could relate to the plot.

"Waddle" Way to Go!!

GSC Week 1991

With some enthusiastic students and a cooperative weatherman, the 1991 version of GSC Week proved to be a fun-filled week. Attendance was strong throughout the activities.

Monday, April 15, marked the opening of festivities with the skeet shoot, casino night and the outdoor dance as the primary events. Tuesday featured the comedy of Dave Edison, and Wednesday was the traditional bingo and game show night. Thursday was the Spring Carnival and Variety Show. There were over 100 participants in the carnival, and the variety show was performed before a near-capacity crowd in the new auditorium. Friday evening featured movie madness and Saturday's Spring Ball brought the week to an exciting finale. The band "The Malemen" performed at the ball.

GSC Week also included traditional activities such as ballons and ice cream, silk screening, music in the ampitheatre, and the PPB cookout.

A Tradition Continues

The choosing of Miss Kanawhachen has been a tradition at Glenville State since the 1970's, and 1991 was no exception. The different organizations around campus submitted candidates and a winner was established from the amount of money collected in each girl's jar. After the money was counted Mrs. Sheryl Short was the new Miss Kanawhachen. On the evening of February 6, 1991 during halftime of the Glenville State vs. Fairmont State basketball game Sheryl Short was crowned Miss Kanawhachen by last year's winner Linda Smith. Sheryl is a graduate of Lewis County High School and is presently a freshman at Glenville. She is the wife of Kenny Short and the mother of a beautiful daughter "T.J.". Sheryl was sponsored by The MERCURY of which she is the editor. Other candidates for Miss Kanawhachen 1991 were Sharon Youngs (first runner-up), Jacqueline Wolf (second runner-up), Tanya Cooper, and Cindy Skiles.

On Wednesday, January 16, students at GSC were entertained by the world's fastest and foremost hypnotist, the Amazing Kolisch. He has appeared on such shows as The Tonight Show and P.M. Magazine. Volunteers from the audience were hypnotized and asked to perform antics from singing opera to going fishing from their seats. The show was a tremendous success and the audience was well entertained by the Amazing Kolisch.

The Merchant of Venice

The Merchant of Venice was performed by the Glenville State College theatre during the fall semester. This Shakespearean comedy was performed as a workshop production because the roles of men and women were reversed.

The clothes were updated in order to convey the idea that issues addressed in the play could be readdressed to today and to women. The hopes were people would realize that the problems within society do not really change; they just look different.

Gratiella (Kate Jennings) and Saleria (Kim Miller) masque, while on their way to help steal Shylock's daughter.

Lorenzo (David Rich) lies lazily on the lap of his new wife, Jessica (Dawn Harpold), who he and his friends had just taken from Shylock.

Porter and Eduardo (Tiny Mullins and Allen Boyce) arrive home and prepare to remove their disguises to continue their shenade with their wives.

Eduardo (Allen Boyce) is in disguise as the clerk of the court.

Shylock (Amy Lopez) argues her point defiantly with the lawyer (alias Porter: Tiny Mullins) as Bassania (Kris VanHorn, Saleria (Kim Miller), Antonia (Lori Crouter) and guards (Traci Starcher and Angie Cox) watch desperately.

Old Shylock (Amy Lopez) prepares to visit the merchants, but before she can go she must endure the mockery of Gobo (Amber Holbert).

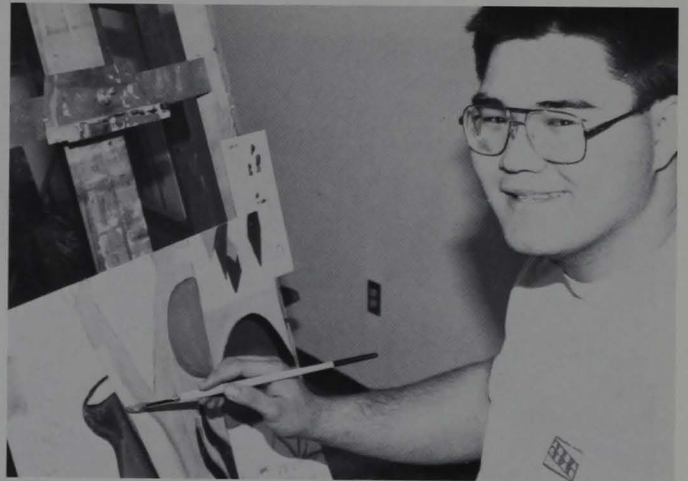

The Princess of Morrocco (Bonnie Garrith) happily greets Porter (Tiny Mullins).

The Jazz Band plays two or more concerts a year in the Fine Arts Auditorium on campus. In addition, Jazz Band represents GSC by performing at area high schools. In January the group performed at the Marshall University Jazz Band Festival.

Sports

The Pride Is Back!!

When Glenville State took the field in 1990, a foundation was set for a successful program. First year head coach Rich Rodriquez was not satisfied with the win-loss aspect of the season, but felt a lot of questions regarding personnel were answered.

The 1990 Pioneer football squad was built around three seniors which proved to be the nucleus for a young, but talented ball club. Seniors Frank Myers(MVP), Greg Lawrence, and Jason Davis provided great leadership and helped hold the team together.

Rodriquez felt that through a 1-7-1 season, the Pioneers learned many things. "I believe the players learned it takes a lot of hard work and dedication to take the program where it should be both on and off the field," expressed Rodriquez.

Experience was not all that was gained during the 1990 season. Quarterback Mike Kellar broke passing records for attempts, completions, and total yards, while tight-end Terrence McGee broke the schools single season reception record with 55 catches.

The future looks bright for the Pioneers. The team is losing just three seniors, so a lot of experience will be returning. Rodriquez expresses the importance of a strong off-season conditioning program for all players. The Pioneers are fortunate to have some hard-working assistant coaches who push the players both athletically and academically to improve both on and off the field.

In conclusion, Pioneer fans have a lot to be optimistic about. With a strong core of returning players an experienced coaching staff, and Key recruits to come in and provide depth, we can truly say the pride is back.

Fox led the Pioneers in tackles with 45 and 35 assists. He also led the team in sacks with three and one half.

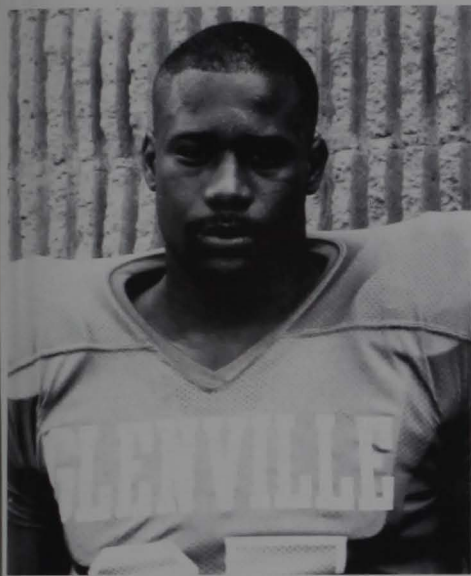

Co-Offensive Player of the Year: Mike Kellar

Kellar completed 167 of 352 passes for 1,939 yards and 10 touchdowns. He was also selected WVIAC player of the week for his performance in the Shepherd game. His attempts, completions & total yards are all school records.

Co-Offensive Player of the Year: Frank Myers

Myers rushed for 428 yards on 72 attempts scoring four touchdowns, while playing much of the year injured. His team leadership was felt throughout the season.

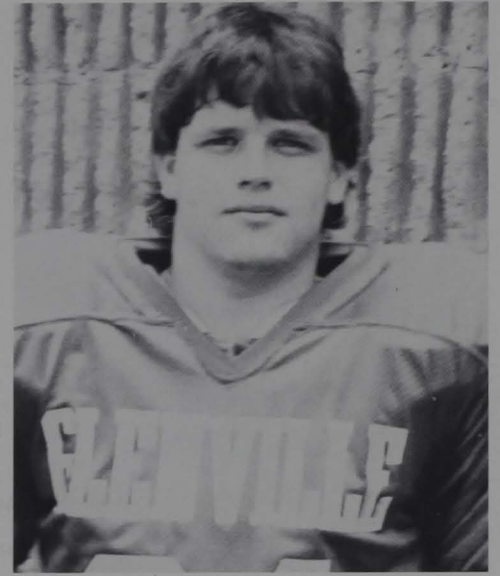

Coaches Comments: A Tribute To Seniors

"Frank Myers is as good a player as anyone in our conference. He did a super job for us this year."

"Jason Davis was the epitome of a true team player, helping us out wherever he could."

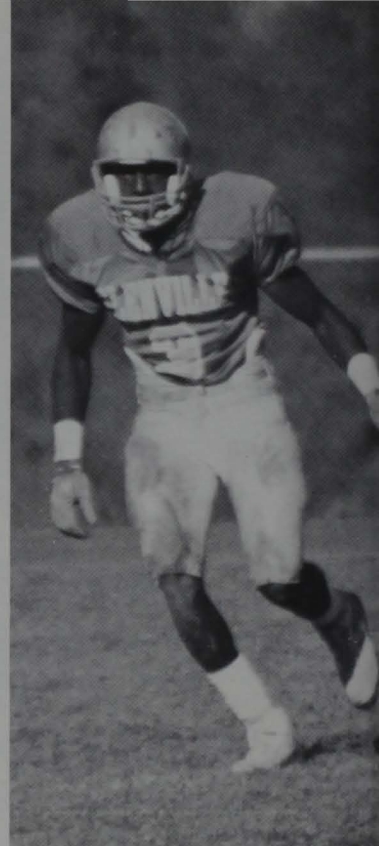

"Greg Lawrence made some key plays for us and is as tough pound for pound as anyone in our league."

GSC Cross Country

Senior Mickey Grass

The 1990 Pioneer Cross Country season has been one of inconsistency. As a team, both the men's and women's squads have suffered through injuries. These injuries caused both the Pioneer men's and women's squads to have incomplete teams throughout most of the season, by incomplete meaning less than enough (5) runners to represent a team.

First year head coach Willie Furr had nothing but praise to say of his 1990 cross country team. The season proved to be a learning experience for Furr, who stated performing to their ability.

Even though the Pioneer squads had less than 5 runners to stick it out through out the entire season, they still can together as a team.

Senior Mickey Grass finished a fine career at Glenville State by placing fourth in the NAIA District #28 Cross Country Championships. The fourth place finished qualified Grass for the NAIA National Cross Country Meet at Kenosha, Wisconsin where he placed 178th in the country.

With all runners returning with the exeption of Grass, look for a strong season next year as the Crush Crew returns to true form with high expectations of things to come in the future.

Fall Pioneer Golf

With the completion of the 1990 fall golf season, the Pioneers set their sights to the spring. The defending West Virginia Conference Champs saw little action during the fall campaign as they were rained out during their final two matches.

Greg Tallman finished the season in a fine fashion, winning medalist honors in the Washington and Lee Invitational, co-medalist honors in the Ferrum College Invitational, and 7th in the Rhododendron Classic. The Pioneers were rained out of the Canton, Ohio Invitational and the Gardner-Webb Invitational. Veteran coach Tim Carney stresses the importance of the valued play during the fall season. The fall season, which proves to be a tune-up for the spring, gives Carney the ability to determine his best lineup for the spring season and an opportunity to defend his WVIAC golf title.

Spring Golf

The Glenville State College golf team experienced another successful season in 1991 despite a heartbreaking loss at the Conference Championships.

Despite winning both the Central and Southern Regionals, the Pioneers lost in the Conference Championship to Fairmont State. Fairmont defeated the Pioneers in the 54th hole event by going to the tie breaker after both teams were deadlocked through three days of golf.

Glenville State's Patrick Geraghty was runner up as Golfer of the Year, while Greg Tallman was also named to the All-Conference team. Mike Stills fell just short of making the All-Conference team but finished in the top five at the Southern Regionals.

Head Coach Tim Carney is very optimistic of the future. With only losses to John Buser and Greg Tallman, the Pioneers return experience with Geraghty and Stills while also returning a lot of young talent in Brian Carney, Ed Matalick, Ben Moore, and A.J. Stewart.

With six returning players and a couple of excellent recruits, the Pioneers have a very solid foundation set for next year.

Lady Pioneers Break Record

During the 1990 season, the Lady Pioneers accomplished many things to set the stage for the future.

Coming off a season with a school record of eight wins, the Lady Pioneers said good-bye to senior Tammy Pence-Hughes and hello to a very bright future. The Lady Pioneers will return the entire team for the 1991 season with the exception of Hughes.

Hughes, a first team All-Conference, and All-Tournament selection led the team in blocks, blocks per game, digs per game, kills, kills per game, and in games played. She will be missed expressed second year head coach Kenny Osborne of Hughes. Next year will give two-year starter Tami Simons and opportunity to lead the team. Simons was an honorable mention All-Conference selection in 1990.

Coach Osborne, which improve the team from just two victories in his first season to eight victories in 1990, has much to look forward to in the 1991 campaign as he returns a squad with an immense amount of experience.

Lady Pioneers Excel

The 1990-91 Lady Pioneer basketball team was one of a rebuilding year. With a lot of youth and little experience, the Lady Pioneers suffered through a 13-16 season and a second round defeat in the WVIAC tournament.

Losing only seniors Marcia Moore and Mary Jo Ellyson, the Lady Pioneers, will be returning a lot of youth and size. The 1991-92 Lady Pioneers will look to Tami Simons for leadership and great expectations are being served to Nikki Cale and Jackie Myers along with newcomer Lori Slaughter.

Lady Pioneer All-Conference selections were given to Nikki Cale (2nd team), Marcia Moore (special honorable mention), Tami Simons (special honorable mention). Mary Jo Ellyson was elected to the WVIAC All-Tournament team.

Pioneers End Season With

Glenville defeats No. 1 A-B in WVIAC tourney.

The 1990-91 Pioneer basketball season was one of several high and many low points.

This team will be remembered for how they overcame such adversity. The Pioneers always seemed to bounce back.

Losing two players at the beginning of the season for discipline reasons had the Pioneers returning only four players, two of which were starters.

During the season Glenville State lost their starting point guard and starting center to graduation and personal reasons, leaving no starters from last year's team. With all new faces, and a lot of determination, the scrappy Pioneers made a strong showing in the WVIAC Tournament, losing by only one point in the semi-finals to eventual champion Concord.

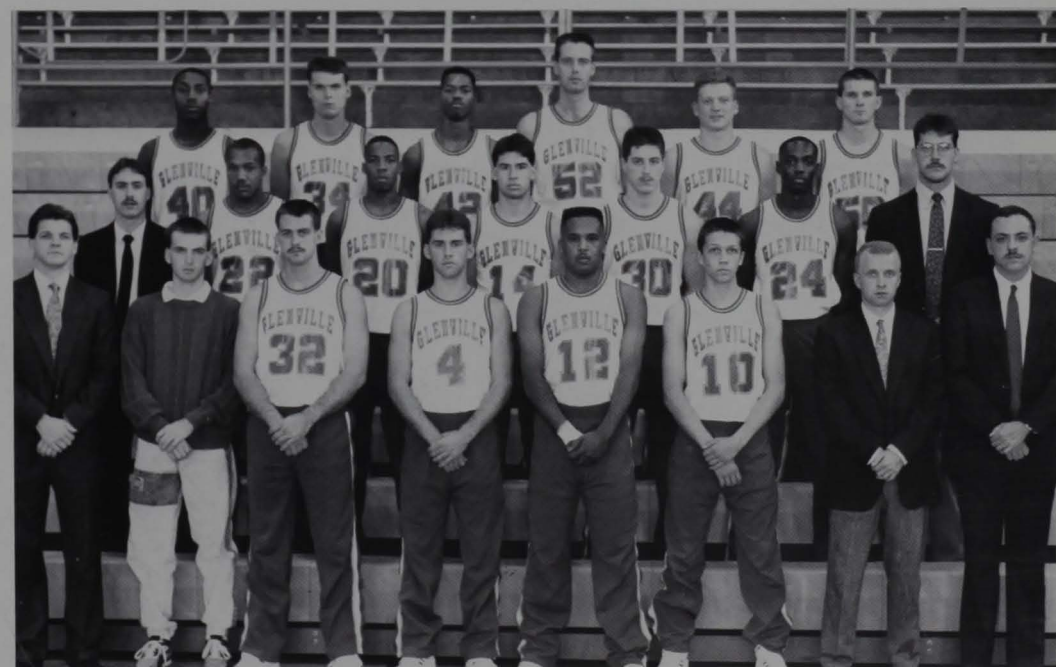

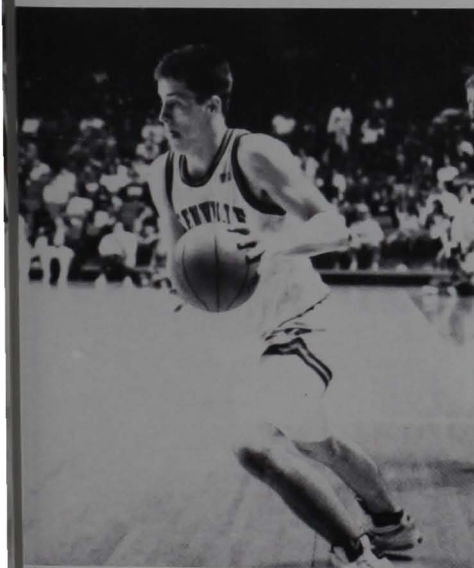

This strong showing in the post season tourney showed great things to come for a young Pioneer squad.

Pioneer awards were given to Eric Knight (special honorable mention), Uwone Jackson (honorable mention), and Mike Fallon (WVIAC All-Tournament).

Glenville State Track and Field

In 1991, the Lady Pioneer track team seemed small and inexperienced. But this group of talented women turned what was supposed to be a re-building season into a record-breaking season.

For these darlings, it all began March 23 with a second place finish in the Mountain State Invitational. At this meet freshman Melissa Harless set a school record in the high jump with a winning leap of 5'2".

This first meet turned into what was only the start of an outstanding season for the Lady Pioneers. Freshman Shelly Coffman set a school record in the 400 meter hurdles with a time of 1.12:5 only to later run a 1.08 to qualify for the national meet.

Another freshman, Jennifer Bennett, broke the school record in the triple jump (33'10"), and the high jump (5'4"). Bennett also qualified for nationals in Stephenville, TX.

The Lady Pioneers distance runners were not to be denied, as the 4X800 relay team of Janie Hoffman, Mindi Pickens, Tammy Taylor and Tammy Niven set a school record with a time of 10.24 set in 1990.

Shelly Bonnell broke her own school record in the discus throw, with a toss of 116'10", while the 1991 season also saw freshman Melissa Edwards win two district championships, one in the javelin (95') and one in the shot put (33').

The Lady Pioneers return all but three from this record setting season. Tracy White, Janie Hoffman, and Shelly Bonnell have all completed their careers at GSC.

Richard Clark hands off to Mickey Grass.

1991 has been labelled by GSC Men's Track Coach, Steve Herald, as a "success". The young and inexperienced Pioneers (8 Fr., 4 So., 2 Jr., 1 Sr.) returned to respectability with much hard work and enthusiasm on the part of all of those involved.

1991 saw the 4X400 m relay squad of Richard Clark, Aaron Mann, Jesse Giles, and Chup Robinson eclipse the school record of 3:24.7, set in 1979, with a time of 3:20.3. It also saw Jesse Giles and Chup Robinson nearing records in the 400 and 800 m respectively, and it saw a strong freshmen class move to the forefront in the minds of conference coaches. 1991, however, brought the end to a fine career of the Pioneers' lone senior, Mickey Grass. Grass finished 15th in the nation in the marathon in Stephenville, TX.

Much was accomplished in 1991, and all of those associated with the program strongly feel that a solid foundation has been laid for a great and successful future for the Pioneers.

The future for GSC Men's Track appears bright. The Pioneers return 14 members from the 1991 team which showed signs of great progress. The return of Jesse Skiles to coach cross country and the distance runners as well as recruiting should bolster the Pioneers' chances of returning to the conference's elite status. If all goes as planned with recruitment of athletes to Glenville, look for the Pioneers to challenge for the conference crown in '92.

Imagine then what Sisterhood will be –
 imagine giving – of yourself, your time, your energy
 imagine giving for a common cause and being proud of
 being a part.

Imagine loving – many Sisters! yes! caring and helping
 imagine loving each one for her individuality and all of
 them together.

Imagine sharing – ideas and clothes, tears and work
 imagine sharing the unique happiness of sharing:
 a song
 a candlelight
 a trophy
 a purple suit
 or a Sigma birthday.

Imagine the tightness of a bond that binds us Faithful unto
 Death
 and imagine, if you can, how happy we are to share it all
 with you.

KANAWHACHEN

Kelli Myers serves as editor of the 1990-91 KANAWHACHEN. Additional staff members consist of the following. Julia Wood comprises the organization pages. The opening, GSC Week, and typing are done by Cindy Skiles. Lisa Adkison lays out underclassmen, seniors, cultural affairs, advertisements, and candid pages. The Student Life section is credited to Tammy Prine. Tina Messenger, Tom Armstead, and Chris Derico all serve as yearbook photographers. Janet Rogers designs the cover and division pages. Sports stories are written by Michael Hart.

The KANAWHACHEN staff has faced many changes during 1990-91. First, a new advisor, Miss Lisa Booth was given leadership of both the yearbook and newspaper.

Clark Hall is no longer the site of the office as it is now located in the previous security office in Heflin Center. Along with these changes, the staff has only three returning staffers in addition to several new members. Despite these changes, the yearbook will continue to be a successful endeavor.

Serving as editor of the KANAWHACHEN was a very rewarding experience.

I would like to thank the yearbook staff for all of their hard work and cooperation: Tina Messenger, Cindy Skiles, Tom Armstead, Chris Derico, Mitch Carpenter, Penny Tustin, Tammy Prine, and Julia Wood.

I would especially like to thank our advisor Lisa Booth for being so helpful and enthusiastic ; Mrs. Yvonne King for being there to answer all my questions; to Lisa Adkison for taking on so many responsibilities and always putting in extra hours during deadlines; Janet Rogers for designing the cover and division pages and to Paul Biser for so willingly sharing the office space.

Hope you enjoy the 1990-91 edition of the KANAWHACHEN.

Sincerely,

Kelli J. Myers
