

# PIONEER PRIDE

**P**ositioned on top of the hill,  
Clark Hall looms over the main campus  
of Glenville State College.

1999  
Kanawhachen

Glenville State College

200 High Street  
Glenville, WV 26351

Volume 78

The Presidential House was inhabited this year by the 1999 interim -president, Dr. Bruce Flack. During the fall semester Dr. Flack was chosen to be the new president of the college. Besides this being his house, he also taught a Wednesday night class based on 20th Century History, which he held here.

1999  
C.1

The Wesley Foundation has been of great importance to campus life this year. Run by Pastor Mike Ford, students enjoy many activities that are sponsored by and held at the Wesley Foundation. Mike Ford and many others that are associated with this foundation have been coming together to get students involved in good things with the community.

# Pioneer Pride

■ *by Jessica Morrison*

Looking back over the past year, I realize that I have a lot to be proud of and I'm sure that all of you also have something to be proud of. We as students here at GSC have accomplished many things over the past year and we should be very proud of that fact. For all of you seniors, congratulations on a job well done. You should be proud for all that you've accomplished in your years here at GSC. Be proud of everything that you've done. For the rest of us, this year we as students, have voiced our opinions and seen more results because of this, than in years past. Don't ever give up. Life is what you make of it. So keep your head up and show that Pioneer Pride that I know that you have.

# GSC MAIN CAMPUS

The buildings that make up the main campus here at GSC are sometimes not recognized for their worth. These buildings are an important part of campus life. Not only do they provide atmosphere for the college, but also the vital function of GSC depends on the success of those who are taught here.

This photo captures the main entrance to the Administration Building. Many important things take place here in the AB building. Students Services, Admissions, and Records and Enrollment are just a few of the important offices that are located here.

Pictured above: The Science Hall is any math and science major's home away from home. If you happen to be a science major, before you are finished you will be greatly familiar with this building and all of its faculty and staff.

The Physical Education Building is where you will spend most of your time, if you are an athlete or a physical education major. All of GSC's home basketball games are played here.

This picture captures a monument that was created to honor veterans of World War II. The monument is located on the hill in front of Clark Hall.

# HOMEcoming 1998

This year's Homecoming Queen was Miss Hiedi Cowan. Pictured here, she is riding on the Hawaiian Homecoming float during the parade before the Homecoming game.

Jay Kerns a 1998 spring graduate came back to GSC to march with Pioneer band during the Annual Homecoming Parade.

Below: Dr. and Mrs. Bruce Flack join in the festivities. Dr. Flack is the interim president for GSC.

Escorted by GSC's Pioneer James Duffield, Hiedi Cowan enters the amphitheatre for the coronation ceremony.

Below: Amy Nichols ushers the little flower girl and crown bearer through the walk-way of flowers during the Homecoming coronation.

Above: The 1999 Homecoming court smiles as they ride on the Hawaii float.

Right: Here Homecoming Queen, Hiedi Cowan and Freshman Princess, Samara Watt smile for the camera.

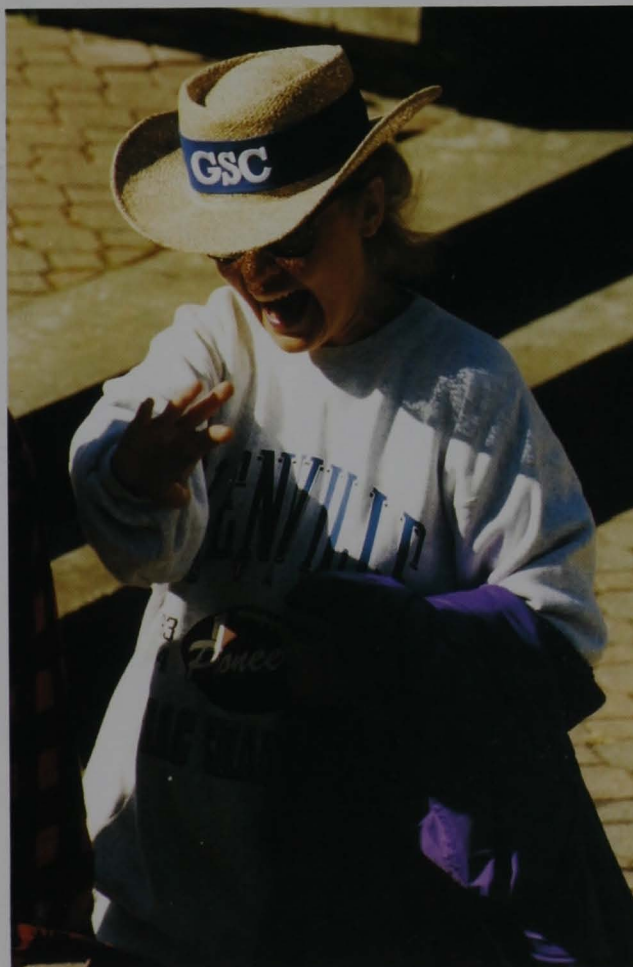

Left: GSC player number 8 tackles a member of the Concord team.

It's a Hawaiian half-time show, as the members of the GSC marching band perform on the field.

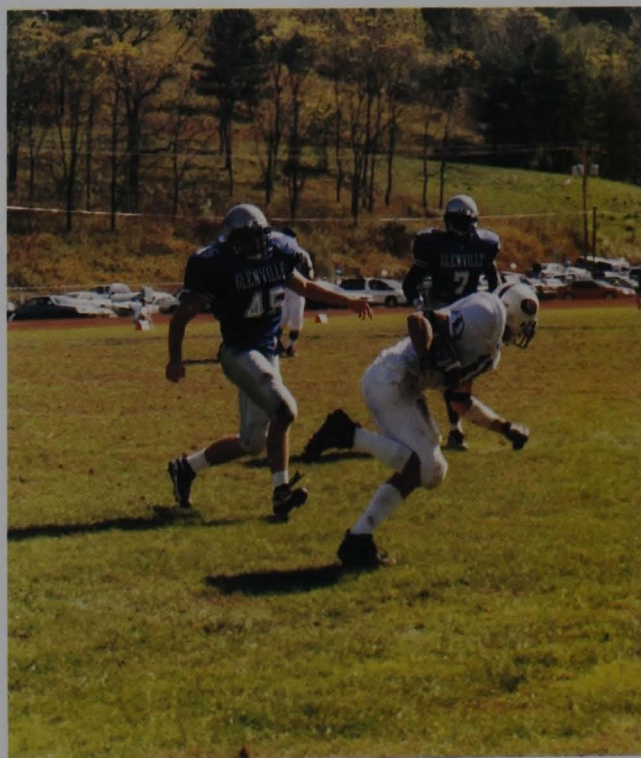

There is no way, that this Pioneer fan appreciated being caught on camera.

This trumpet player serenades GSC's football team as they run onto the field.

Concord has the ball! But, this GSC Pioneer is bound and determined to get it back!

Here, the Sophomore Princess, Miss Brandi Sandy smiles for the camera.

Right: These cheerleaders show their Pioneer Pride as they ride in the Homecoming Parade.

# DO YOU WANNA DANCE????

This year's Homecoming theme was a Hawaiian Luau. Here we have captured some GSC students enjoying the dance.

**GIMME A KISS!!!** Brandi says as she and Nathan Calvert pose in front of a Hawaiian sunset.

Andy Collier, Mike White, Jack Beard, Matt Hartline, Billy Kelley, and Chris Birkhimer smile for the camera as they show their Hawaiian spirit.

Above: Eric Poirer, male House Director of Pickens Hall and Student Activities director.

Adina Asleson: Head Resident Assistant of Pickens Hall

Michael Brooks: Head Resident Assistant of Pickens Hall.

# MISS

Every year during the last home basketball game of the season, some young girl is awarded the title of Miss Kanawhachen. For about a week each contestant can collect money for their campaign. Each penny that they receive is considered a vote. Whoever has the most votes at the end of the week is crowned Miss Kanawhachen. It's a lot of fun and it really gives everyone a chance to show their school spirit and support for their friends. This year we had five contestants. The five contestants were Carrie Beam, Michelle Boley, Kathy Cogar, Libby Hudkins, and Amanda Nicholas. This year's Miss Kanawhachen was Michelle Boley. The first-runner up was Libby Hudkins and the second-runner up was Carrie Beam.

Left: Michelle Boley, this year's Miss Kanawhachen.

Assistant.

# KANAWHACHEN STAFF

Copy by: Jessica Morrison

*This year I was assigned the job of yearbook editor and so , since that is my job I thought that for these two pages I would write my thoughts on what a yearbook staff should be. A yearbook staff should work together as a team, no one person should carry the workload of the whole staff. The bigger the staff that you have then the yearbook is more diversified in the way of viewpoints and is more appealing to those who read it. On a normal staff you have the editor, photographer, graphics and design or layout person, and an ad sales person. Each staff member has a certain job that they should do. If everyone carries out their job properly, well then you have a good yearbook staff that will produce a great yearbook .*

*All together this year the yearbook staff consisted of six staff members. I feel that they should be acknowledged for the work that they have done this past year. I would like to thank Brian Fletcher and Libby Hudkins for the photos that they took. Also I would like to thank everyone for helping at sign up time for yearbook photos and for the sales of the photos.*

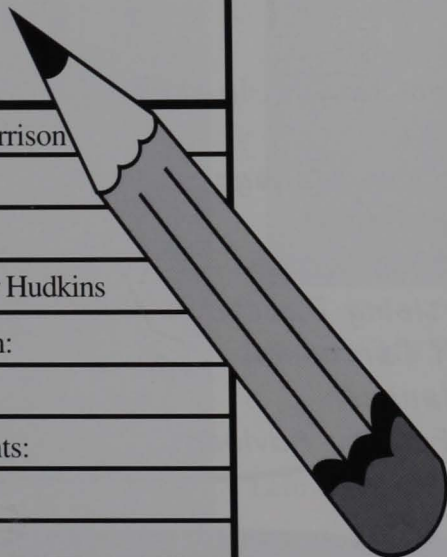

*Since the yearbook was unfornately started late this year I feel that there are several people who are not staff members who should be recognized for all that they have done. First of all I would like to thank Joe Yurkiewicz, the secretary of the Language Division. He has done a lot in helping the yearbook staff to get started and to move into our new office. Without all of Joe's help we probably would never have made it. Also, I would like to thank Jack Barr (Public Relations) and Sherrie Hardman the Mercury photographer for all of their help with getting us photos when we were short on photos for the yearbook.*

Left: Ms. Yvonne King is the adviser for the Kanawhachen and also a professor of the Language Division.

# Mercury Staff

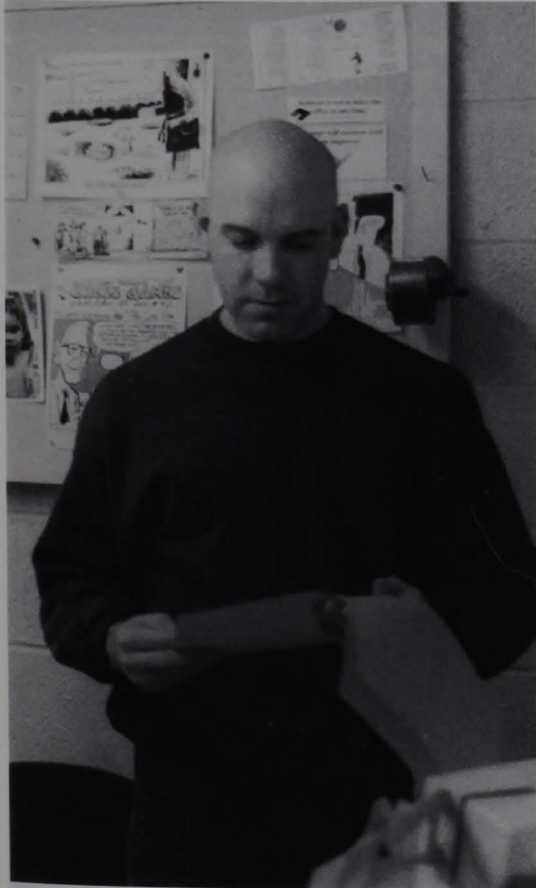

*The Mercury is the newspaper of the college. It is written each week by college students for the entire campus to read. These students try to give their readers a paper that informs and entertains all at the same time. This year the Mercury staff has grown and greatly improved their skills. They have been able to get more students involved and aware of what is going on here on campus.*

# GSC JAZZ BAND

On April 26th the Glenville State College Jazz Band performed. The night was a mix of jazz, disco, rock, and swing which the performers pulled off wonderfully.

The opener was the jazz standard "Oh, You Beautiful Doll," in an arrangement by Dave Wolpe which is as exciting today as when it was first written.

The jazz band also revived legend Duke Ellington in an arrangement of "It Don't Mean A Thing," proving that it does mean something when you play it with the energy that the jazz band did.

Highlights of the evening included a fantastic vocal solo by Emily Jones, who sang "Longer," the classic love ballad by Dan Fogleberg arranged in a jazzy upbeat version.

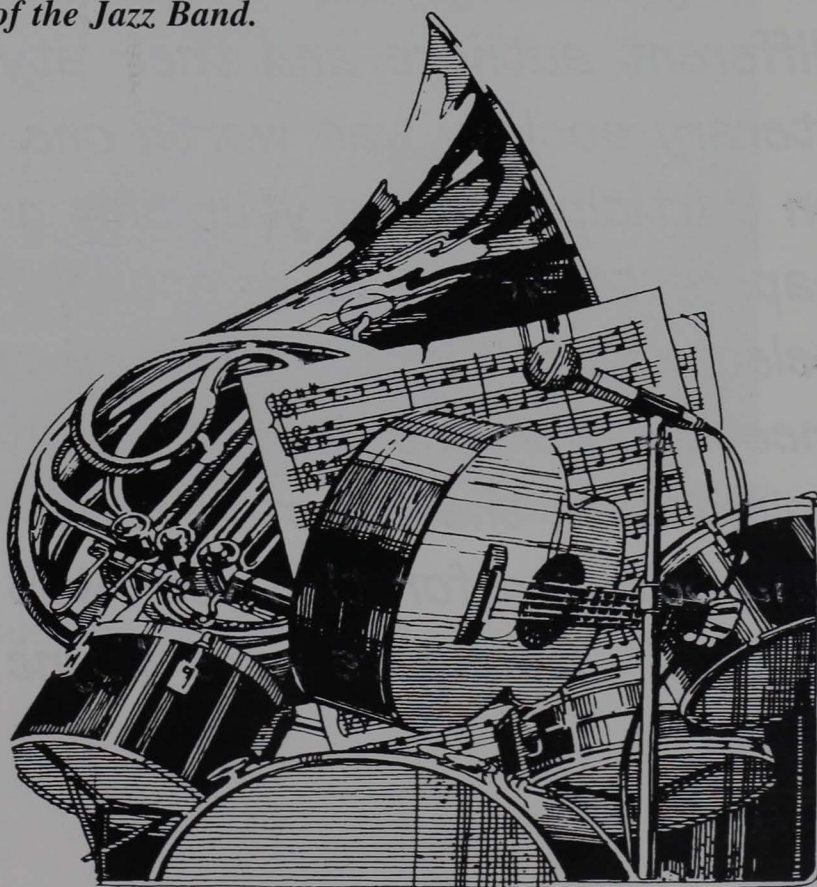

Also, the joint solo between Jeremy Beasley and Andrew Harper was great. The competition-like way it was played was great, each soloist playing higher than the other. I don't know who won, but both men deserve a round of applause.

The jazz band closed with its encore, "Lord, I Wanna Be A Christian," which was an interesting and lively mix of rock, jazz, and pop.

The performance was topnotch and all involved should be proud of themselves. The jazz band is a shining example of the musical talent present on GSC's campus.

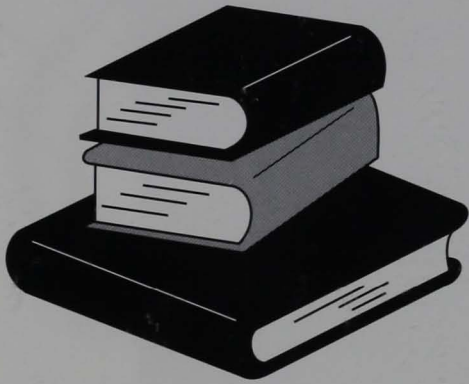

*Above: Phil Rossano the Director of the Jazz Band.*

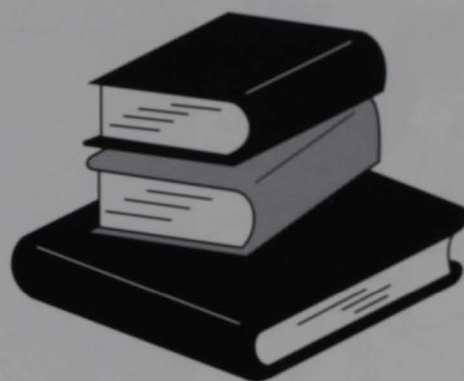

# LITERARY

The Literary Society was a group of students that met about once a month to discuss different authors and their literary work. Those who were in the literary society were eager to learn more about different authors and their style of writing. The literary society was worth one hour of credit based on participation as your only grade. There were no papers to write. Each student was to read the selected book before each meeting and then at the meeting everyone came to state their views and opinions on the selected book. One of the books that was selected for this year was Toni Morrison's *Beloved*. Sponsors were Wayne deRosset and Nancy Zane.

# SOCIETY

Above: Some of the members of the Literary Society are discussing *Beloved*, written by Toni Morrison.

# WESLEY

The Wesley Foundation is a very large and important part of the GSC community. Located directly across from the Pickens Hall dormitory, many activities take place here each night for the students of GSC. The Wesley Foundation has an interdenominational spiritual fellowship for those who are interested. This organization is managed by local minister Mike Ford. There are many activities that take place here each week. Chapel is held every Tuesday, with a special service and lunch for those who attend. Also there is a movie night each week and many other activities for the community. There are dinners, programs, and trips planned throughout the year to get students involved.

*Above: An outside look at the Wesley Foundation.*

*Above: Pastor Mike Ford, the Director of the Wesley Foundation.*

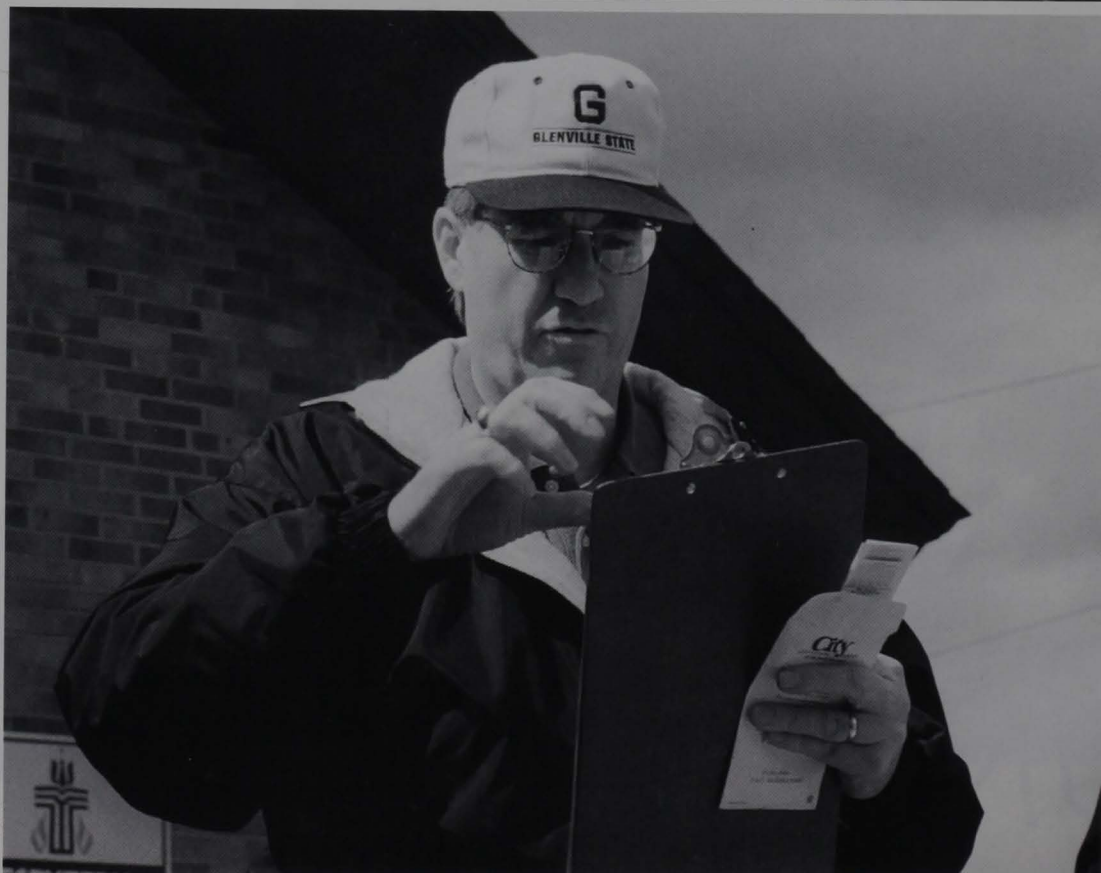

FOUNDATION

# MEN'S BASKETBALL

This year the men's basketball team here at Glenville State College did an exceptional job. Not only were they recognized for their talents as a team but, also as individuals. Two honors that were earned by the team this year were getting to go to the state tournament in Charleston and having senior player Terry Clark scouted by professional teams in Europe.

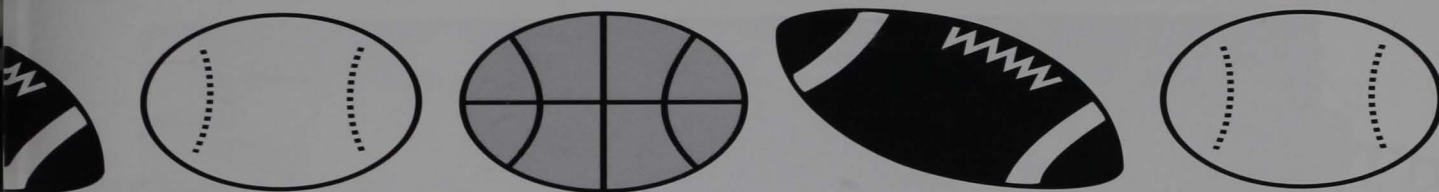

Left: GSC player Terry Clark (#32) slams the ball down into the net for three points, during a home game against Davis and Elkins.

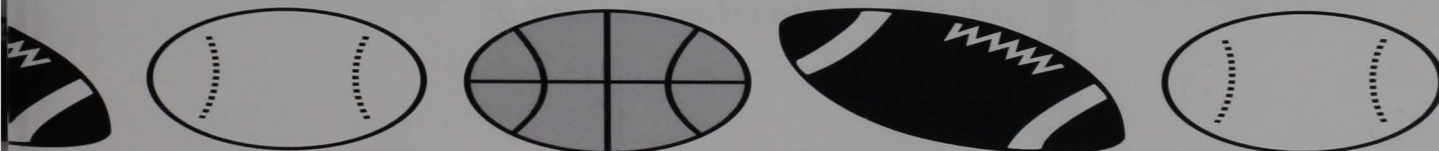

# C O R N E R

*Above: Rolanna Gumm, Administrative Assistant to President Powell.*

# ***DIVISION CHAIRPERSONS***

*The Division Chairpersons have many important duties that are vital to Glenville State College. The chairpersons play a significant role in the development of new courses, curriculum, and programs. They are instrumental in helping to revise existing programs and courses. They represent their division to other divisions, committees, and to administration. Each chairperson acts as a spokesperson for their division. It is their duty to keep the division informed of relevant academic and college matters. Also, each chairperson supervises work related to personnel: absence, work schedules, office hours, and class loads. Another duty of each chairperson is to administer division records such as, grade reports, purchase requisitions, budget allocations, student absence reports, and text adoptions. It is also their duty to support student -oriented activities within the division.*

Left: Mrs. Sue Edwards, the Secretary for the Physical Education Division.

Right: Mrs. Janet James Bailey, Physical Education Professor and Football Trainer.

# *BOOKSTORE*

The bookstore is an important part of Glenville State College. This is where you come every semester to get all of the books that you will need for classes. Also the bookstore carries supplies such as paint for art class, disks for computer classes and the books and things such as notebooks and folders. You can also find plenty of GSC souvenirs here at the bookstore. You will find things like T-shirts, sweatshirts, caps, mugs, and even umbrellas.

tor of  
the Book-  
store here  
at GSC.*

*Right: This is a typical scene here at the bookstore during the beginning of each new semester.*

*Left: Rhonda Miller works on a display for some new books that just arrived.*

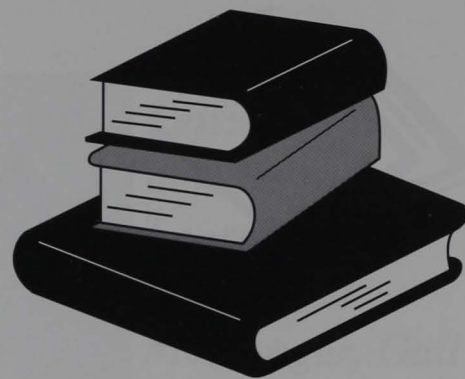

# ROBERT F. KIDD LIBRARY

*The library here at Glenville State College plays an important role in the education of the students. With helpful and friendly people to assist you, the library is an excellent resource when needed. Not only is the library a wonderful research tool, it also contains books of interest and leisure for students and faculty members alike. The library consists of three levels that contains books of such interests as West Virginia history, Civil War, education and current events. There is also a Media Center directed by Ed Messenger which contains the newly built Distance Learning Center for the college.*

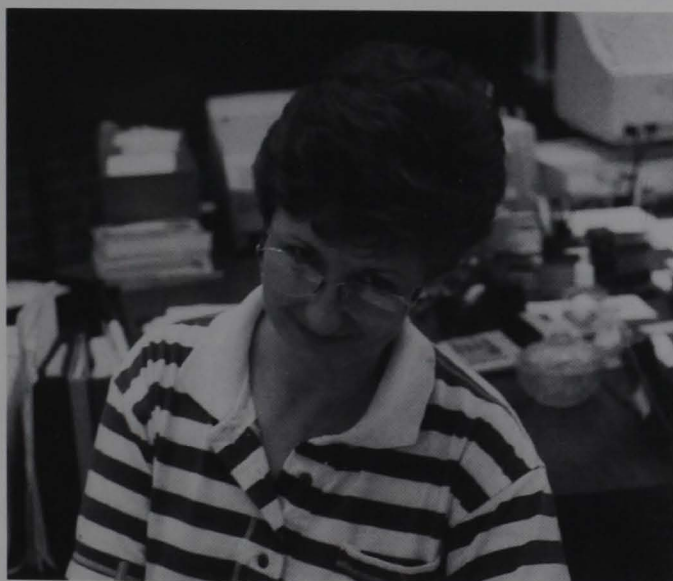

*Above: Robert F. Kidd Library*

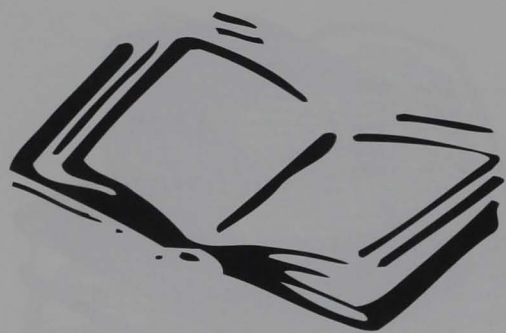

*Left: A popular item in the Library is the Leave One, Take One, display.*

*If you have a book that you no longer want, here is the place to come and trade it for one that you may want.*

*Left: Prem Verma is the Technical Librarian here at GSC.*

*Left: At the new Distance Learning Center, Ed Messenger, Gail Hamric, and Janet Bosley proudly stand.*

*Above: For those who are interested in learning more about Black History, each year the library displays books about outstanding people in black history.*

# DR. BILLIPS

Alfred T. Billips, Glenville State College's Dean of Student Services and faculty member since June 23, 1965, has officially retired this year.

Dr. Billips graduated from the University of Tennessee in 1959 with a Bachelor of Science, then from Emory University in 1962 with a Master in Divinity, after which he earned a Master and Doctorate in Education from the University of Georgia in 1963 and 1965 respectively. He began his career at GSC as the Dean of Student Affairs.

His extracurricular activities over the years have been numerous, ranging from Minister, to Secretary of the Gilmer County Medical Center, to President of the Glenville Lions Club.

Dr. Billips has certainly been an asset to Glenville State College these past thirty four years. He will be greatly missed and no one will ever be able to take his place.

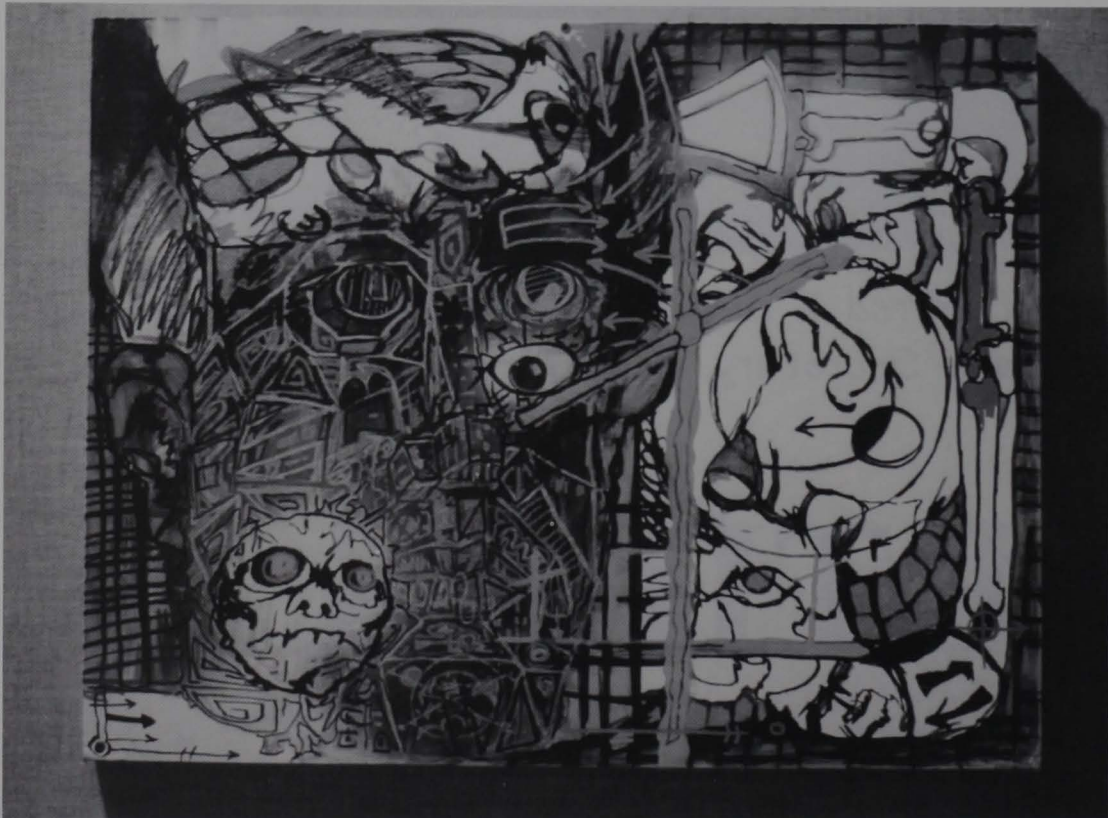

Above: Dr. Alfred T. Billips, Dean of Student Services and Secretary, Rose Turner.

# RETIREES

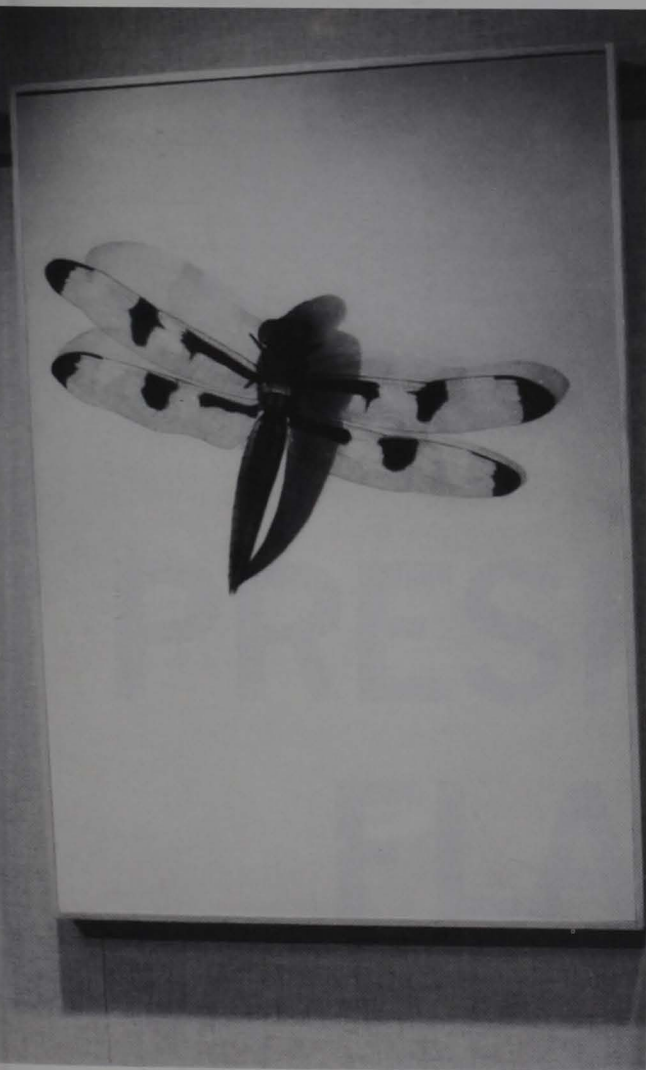

# ART GALLERY

Here is a look at some of the artwork that made it into this year's art gallery display. GSC' art gallery is located in the Fine Arts Building.

# FAREWELL

*Glenville State College has to say farewell to a very dedicated administrator that will be greatly missed. Alumni Coordinator, Ed Hamrick, organized a surprise going away party for GSC's Interim President, Dr. Bruce Flack.*

*Approximately 50 faculty members came out to celebrate Dr. Flack's accomplishments. "Wonderful experience, great food and good company," Flack replies with a smile. "I was happy to be here and I believe I've accomplished a lot to develop a good learning environment."*

*Flack has successfully served GSC in his presidential duties for the past year. After leaving GSC, Flack will return to Charleston, where he is employed at the West Virginia state System of Higher Education, in the position of Academic Officer.*

# **PRESIDENT FLACK**

Above: Wayne deRosset helps himself to seconds at the surprise picnic for the interim President, Dr. Bruce Flack, as Andrea Palm drinks to the occasion.

Math Professor Paul Peck and Business Secretary Sherry deRosset are among the many faculty members who came to Dr. Flack's farewell picnic.

# STUDENT

Kyoko Muto, an art student from Chaba, Japan is the spotlight for this year's Kanawhachen. Oil painting and representational drawing seem to be a natural talent. This is a new discovery to Kyoko. "This is the first time I've ever taken an art class. Next semester, I will take oil painting. Art is what I have always wanted to do." After Kyoko completes her associate degree in general studies, she intends to return to Japan. "I would like to work in the art industry in Japan, but I think it will be difficult," explains Kyoko. Kyoko's painting of Lauryn Hill was on display in the showcases of the AB Building this semester. Hill is one of Kyoko's favorite artists and she was very happy to be able to capture her with such precision.

Left: Art student Kyoko Muto stands proudly with her drawing of Lauryn Hill.

# SPOTLIGHT

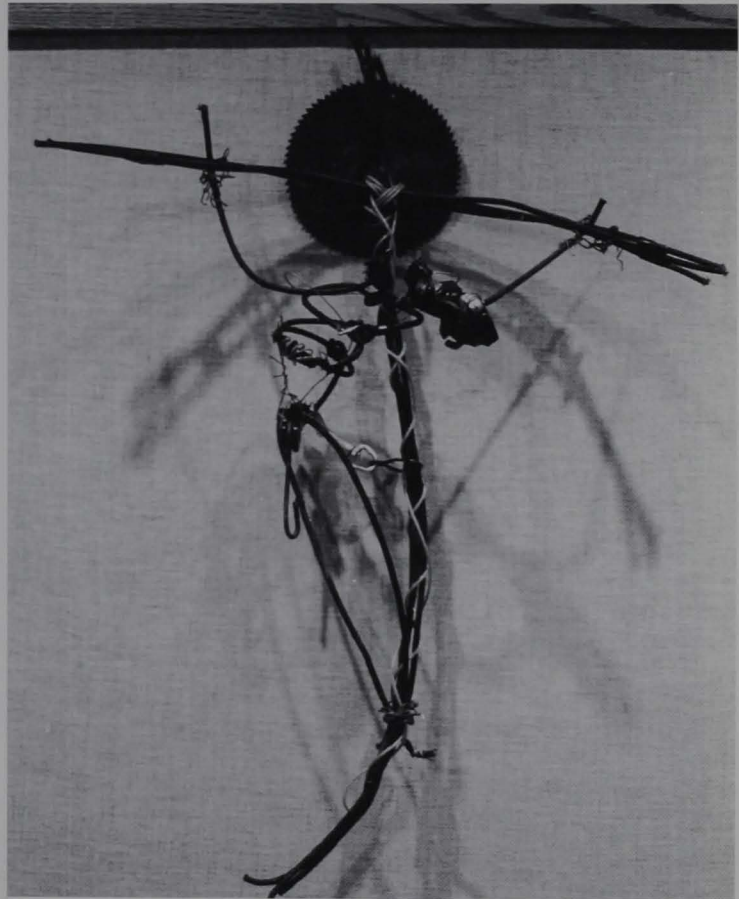

# SENIOR ART

The senior art show "Dark Reckonings" was held in the Fine Arts Gallery from April 19-30.

"Dark Reckonings" is the work of Matt Basnett. Basnett's art work is abstract, with themes including sex, the afterlife, and technology.

Greg Richmond, adjunct professor of music, even assigned students to compose short works based on what they saw in the gallery.

He describes his work as "a journal. It provides a constant reminder of what to avoid in my life."

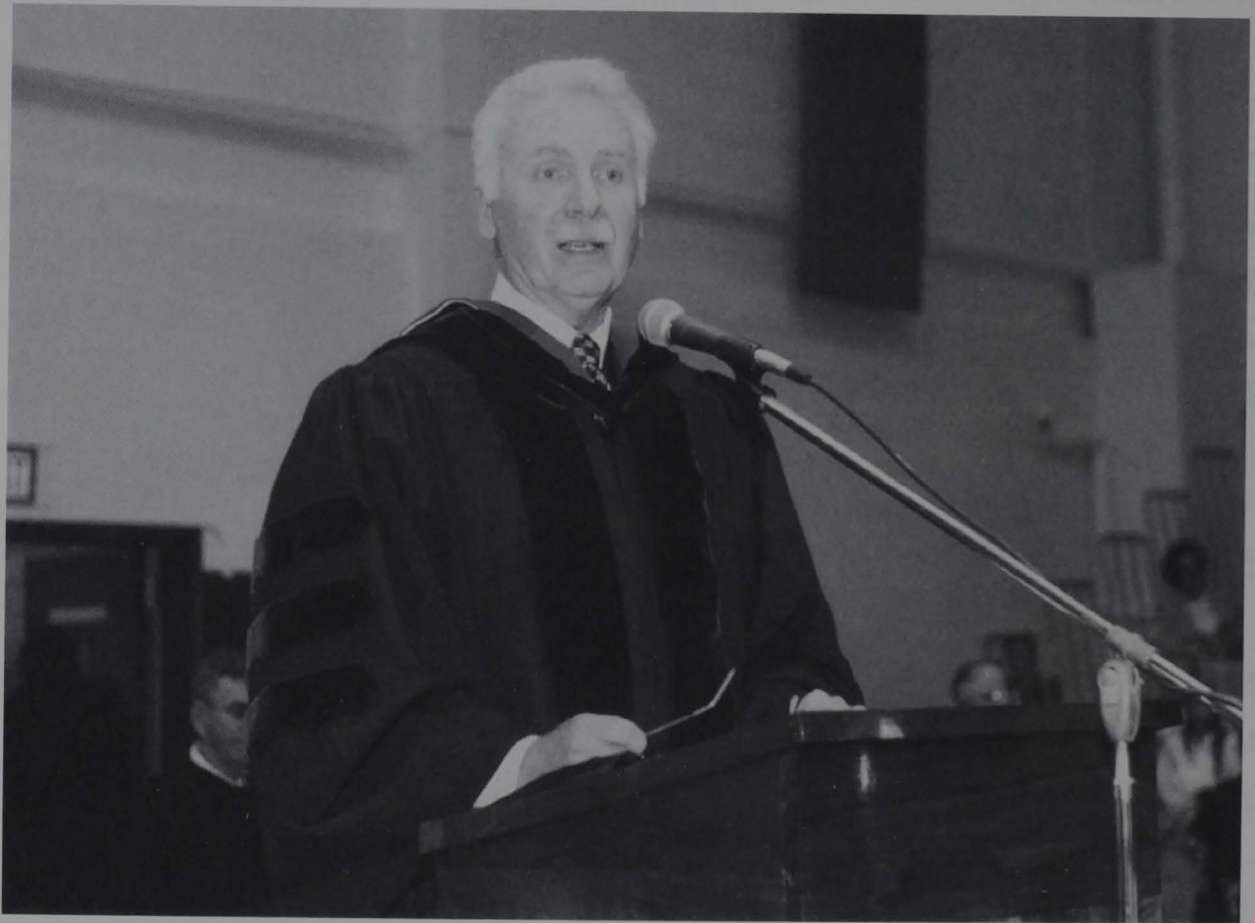

Above: This is a photograph of Matt Basnett's artwork. A photo of the artist was not available.

# SHOW

# THE CLASS

On May 15th, 1999 in the Glenville State College gymnasium over 200 students graduated with bachelors and associate degrees from GSC.

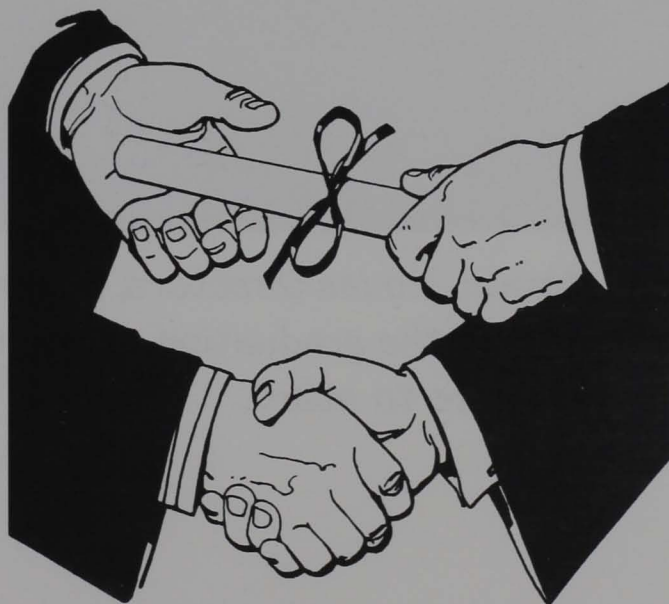

Dr. Bruce Flack, the interim president of Glenville State College, presents the class of 1999 to faculty, family, and friends.

# OF 1999

Above: Honored guests of the graduates eagerly await the presentation of the diplomas to the class of 1999.

# Congratulations

## GRADUATES

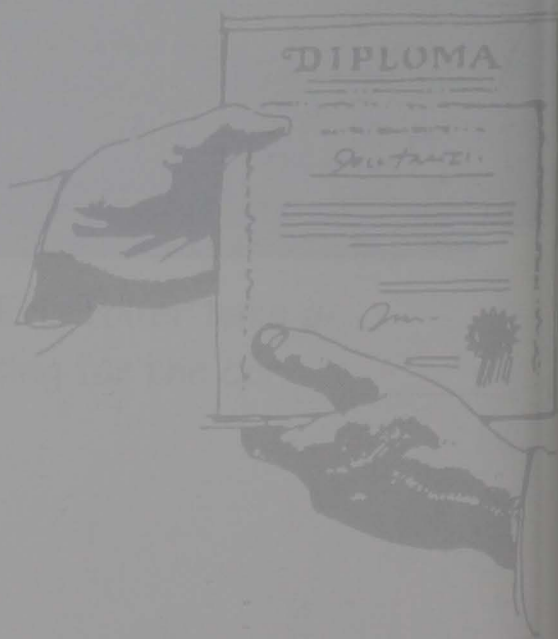

Above: House Directors, Jeanne Finn and Eric Poirer take a look at the graduation programs while waiting for the ceremonies to start.

Above: Anxious family and friends wait to greet the new graduates.

Left: The speaker for this year's 125th commencement was Blane Michael. He is a Justice of the U.S. 4th Circuit Court of Appeals.

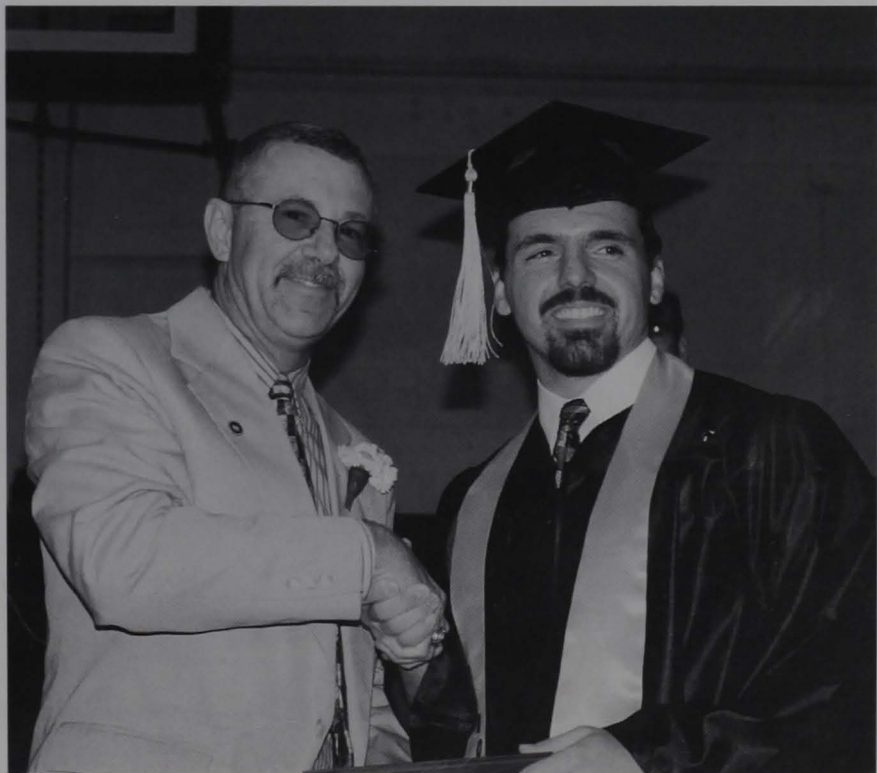

Below: Dr. Bruce Flack the interim president for this year presented Kathleen White with a presidential citation during this year's commencement.

Left: Dennis Fitzpatrick, the Alumni Association Director presented Dr. James Hilgenberg with this year's Outstanding Faculty Member of the Year award.

Right: David C. Tingler was awarded this year's Outstanding Student Award, presented by Dennis Fitzpatrick, Director of the Alumni Association.

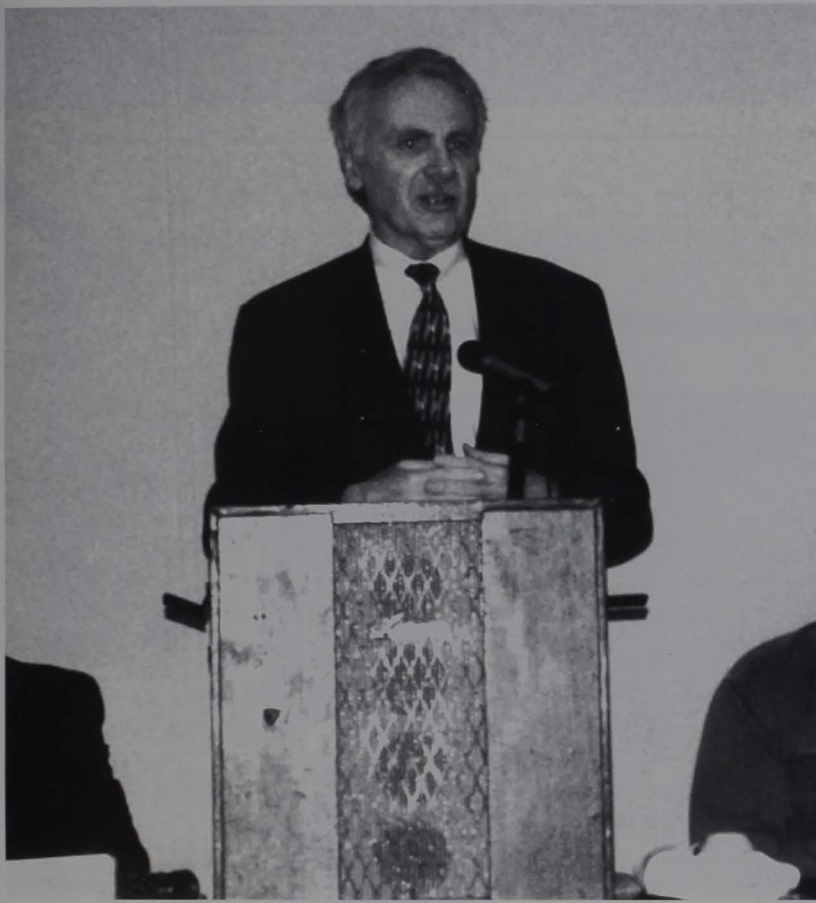

# STUDENT CONGRESS

*Student Congress is an organization that is made up of several different students that come together as the voice of the student body. Student Congress meets each week to discuss issues such as the approval of new student organizations and ideas for students' programs and activities. Each spring new officers and members are elected and then an induction ceremony is held .*

Left: Dr. Al Billips the Dean of Students opens the Student Congress inductions with a greeting.

Dr. Bruce Flack the interim President here at GSC addresses the Student Congress inductees and their guests.

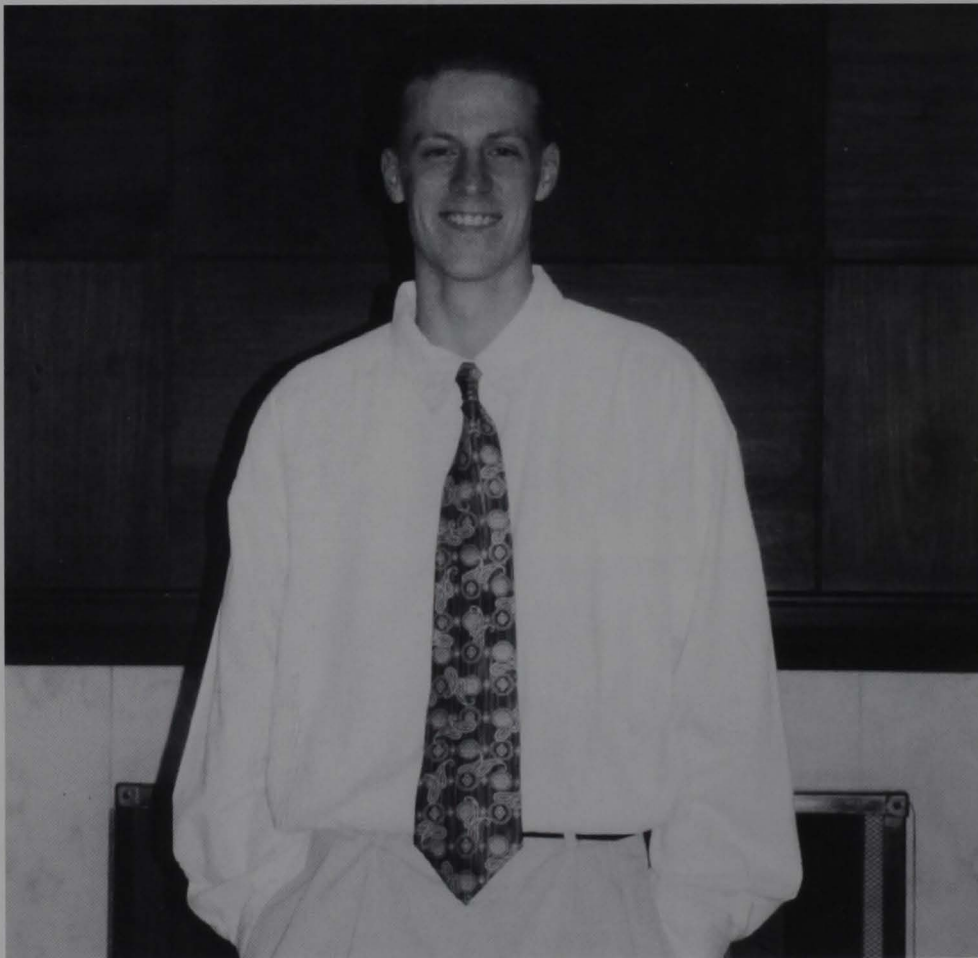

New Student Congress members, Amy Koon, Andy Collier, Chris Birkhimer, Jack Beard, Wes Karns, Libby Hudkins, Mike White , and Moe Toezvena are being inducted .

# NICHOLAS COUNTY CENTER

Here at GSC many students get their education while living at home and working while others choose to live in the dorms. Those who do not stay at the main campus may choose to go to one of Glenville's extension campus. There are four extension campuses. Nicholas County Center is the largest extension to Glenville's main campus. It is the only extension that has its own actual center, where as the other extensions use the counties' high schools. The faculty of the Nicholas County Center consists of educators from the main campus, the local area and other colleges.

# CAMPUS LIFE

GSC is not only a good college academically, but it is a great place to come and meet new friends. Here some students of GSC are captured hanging out and having fun with their friends, outside of Pickens Hall.

Here Brian Fletcher soaks up the sun after a fun game of volleyball, with his friends.

Left: Jason Ward tries to wrestle Martha King into the sand after the volleyball game.

Right: Mandy Burns tries to make a sand castle.

Every year, around Easter time, the students of Pickens Hall have an egg decorating contest. They try to see who can come up with the most uniquely decorated eggs. Take a look at what ideas were hatched out this year.

Here Jeanne Finn and Jeanette Mick show off their eggs. Look! It's Tommy and Chuckie from the Rugrats cartoon.

Left: Kelli Brown and James Arnold try to figure out what the winning design for their eggs should be.

Right: Kristy Howard, Samara Watt, and Tiffany Linville work diligently on their Easter eggs.

# GSC WEEK

Every year in the spring, just about two weeks before finals is GSC week. It is a week full of fun activities such as plays, concerts, a talent show, karaoke, sumo wrestling, comedians, and many other fun and exciting events. GSC week is sponsored and created by Student Activities in cooperation with Student Congress. The director of Student Activities, Eric Poirier gets together with Student Congress and comes up with activities that he thinks all of the students would enjoy. It is a fun filled week that helps students to relax, have fun and to forget about finals for a little while. This year several student organizations besides Student Congress and Student Activities pitched in to help make GSC week fun for everyone. Members of the Alpha Xi Omega fraternity helped Student Congress to put together a beach party on Wednesday night. The sorority members of Alpha Theta Xi, Sigma Rho Lambda, and Theta Pi helped to serve food at the concession stand all week long. Also, the fraternity Tau Kappa Epsilon helped with the Talent Show and fraternity members of Zeta Kappa Omega helped out with different activities throughout the week.

Above: Students and faculty members all enjoy the presidential picnic during GSC Week.

# TALENT

*People entering the Fine Arts Auditorium on the evening of Wednesday, April 28th were in for quite a show as the Student Activities and Tau Kappa Epsilon teamed together to put together this year's talent show.*

*The evening got started off with a great deal of enthusiasm as "Stone Cold" came down the aisles pumping everybody up.*

*The first act, which was not being judged, was Sloppy Joe, a band consisting of GSC alumni. They were not only part of the entertainment, but some of the night's judges. The other judges were Matt Schoonemaker and Mrs. Knox. In between some of the performances, Henry Johnson of Miami, graced the stage with his insightful poetry.*

*The winners were talented and deserving. In third place was Calhoun County's Chad Earl. He sang country music and played guitar. The crowd actively participated in his music by standing, cheering, and dancing.*

*Second place went out to Emily Jones. She floored the audience with her rousing performance of, "I'm a Woman."*

*The band Counterpoint took home the \$200 prize for first place. The audience was impressed by their hard-hitting rendition of a Bob Seger/Metallica mix of "Turn the Page." One member of the band was the English department's own Wayne deRosset.*

*Overall, the evening was great fun and many were impressed with the amount of talent representing the GSC community.*

Above: Performing with the winning band Counterpoint, Wayne deRosset is also one of GSC's English Professors.

# GSC RENOVATIONS

*Robert DuBray the new Physical Plant Director here at GSC has seen to it that eighty- seven renovations have been made over the summer here at GSC. Some of the renovations include new elevator is the Louis Bennett and Science Halls for American Disabilities Act compliance, 125 Science Hall windows have been replaced and lightning protection has been created for the clock tower.*

*DuBray, originally from Massachusetts, owned a successful general contracting firm in Florida. The company handled large jobs for Disney and was part of the largest remodeling project in US history, the Orlando airport.*

*When asked about his new job , Bob DuBray stated “ I like big and challenging projects.” His new job consists of many. He has many long-range renovation goals in mind. “ Heating and air conditioning is an ultimate goal. That is a big dollar item, and it’s a very slow process with this many buildings involved” he stated.*

*In GSC’s Maintenance Department there are 37 people on staff, including 20 custodians, 5 administrative and 12 general maintenance personnel that have helped with all of the renovations here at GSC,including those on the first floor of the AB building.*

that were done  
over the summer.*

# CAMPUS

*Above: Jack Barr, Public Relations Director*

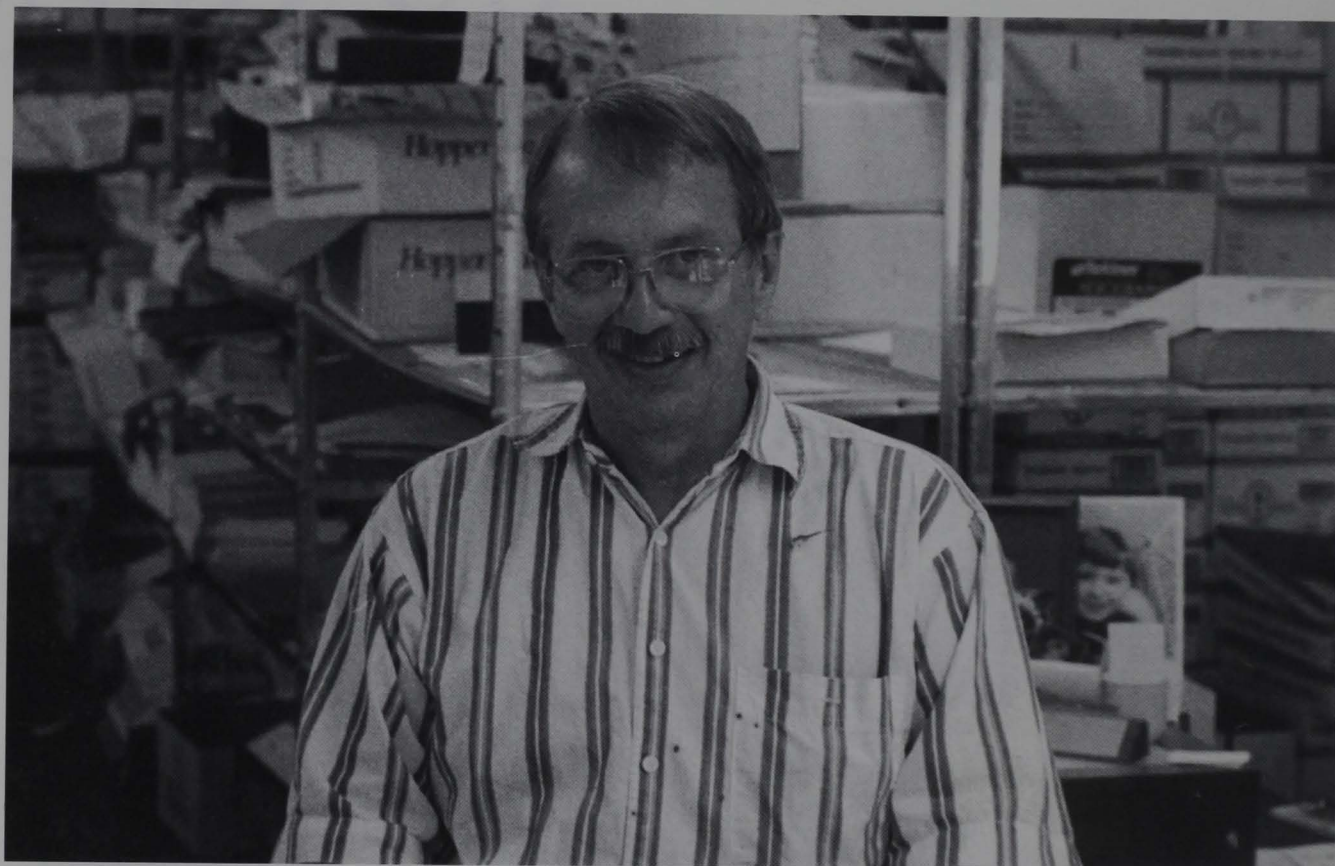

*Jack Barr is the spokesperson for GSC. Some of his duties include sending out news releases for students' and faculty's achievements, arranges press conferences, and coordinates news media. Also, he is in charge of campus videos/ advertising, representing the college at symposiums and for television appearances.*

*Above: Dr. Nolan Browning, the Director of the Community College sits here with Patty Knicely, Secretary for the Community College.*

# ***DIGNITARIES***

Above: Garry Kight is the Director of Printing Services for Glenville State College. At the print shop all fliers, pamphlets, and programs are prepared and bound.

*Above: Captain Jerry Helmick and Jack Moore are Campus Security Officers here at GSC.*

# COLLEGE LIFE

*Above: Members of the Criminal Justice Club perform a mock hanging on the front lawn outside the Administration Building.*

Above: Each year around Christmas time, the Pickens Hall Governing Board sponsors an Angel Tree, which helps to provide clothes /gifts for underprivileged children. A variety of names are placed on the Christmas Tree for students and faculty members alike to select from.

*Left: Members of Dr. Foxworthy's Applied Art Methods and Media class, work diligently to create the perfect masks.*

*Who's behind the masks?*

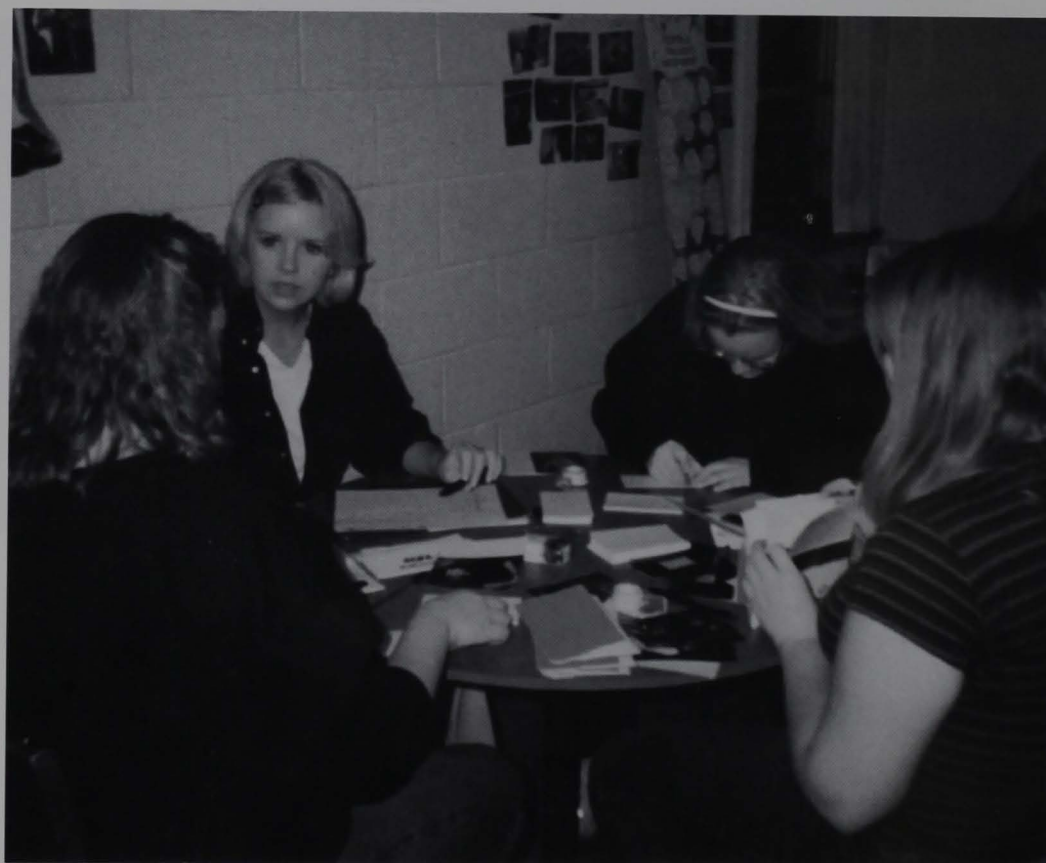

*Above: Della Cassell enjoys a beautiful spring day, while sitting outside of Pickens Hall.*

*Above: Yearbook staff members, Kathy Cogar, Libby Hudkins, JoAnn Butcher, and Jessica Morrison work on class photos.*

*Above: Frosty the Snowman graces the steps of the Wesley Foundation on this cold and wintry day.*

# *EDITOR'S PICS*

Well, the time has come, we are at the end of this yearbook. In the next few pages you will see some of my favorite photos of GSC from this past year. You will find photos of anything and everything from 1999. Enjoy!
