

Kanawhachen

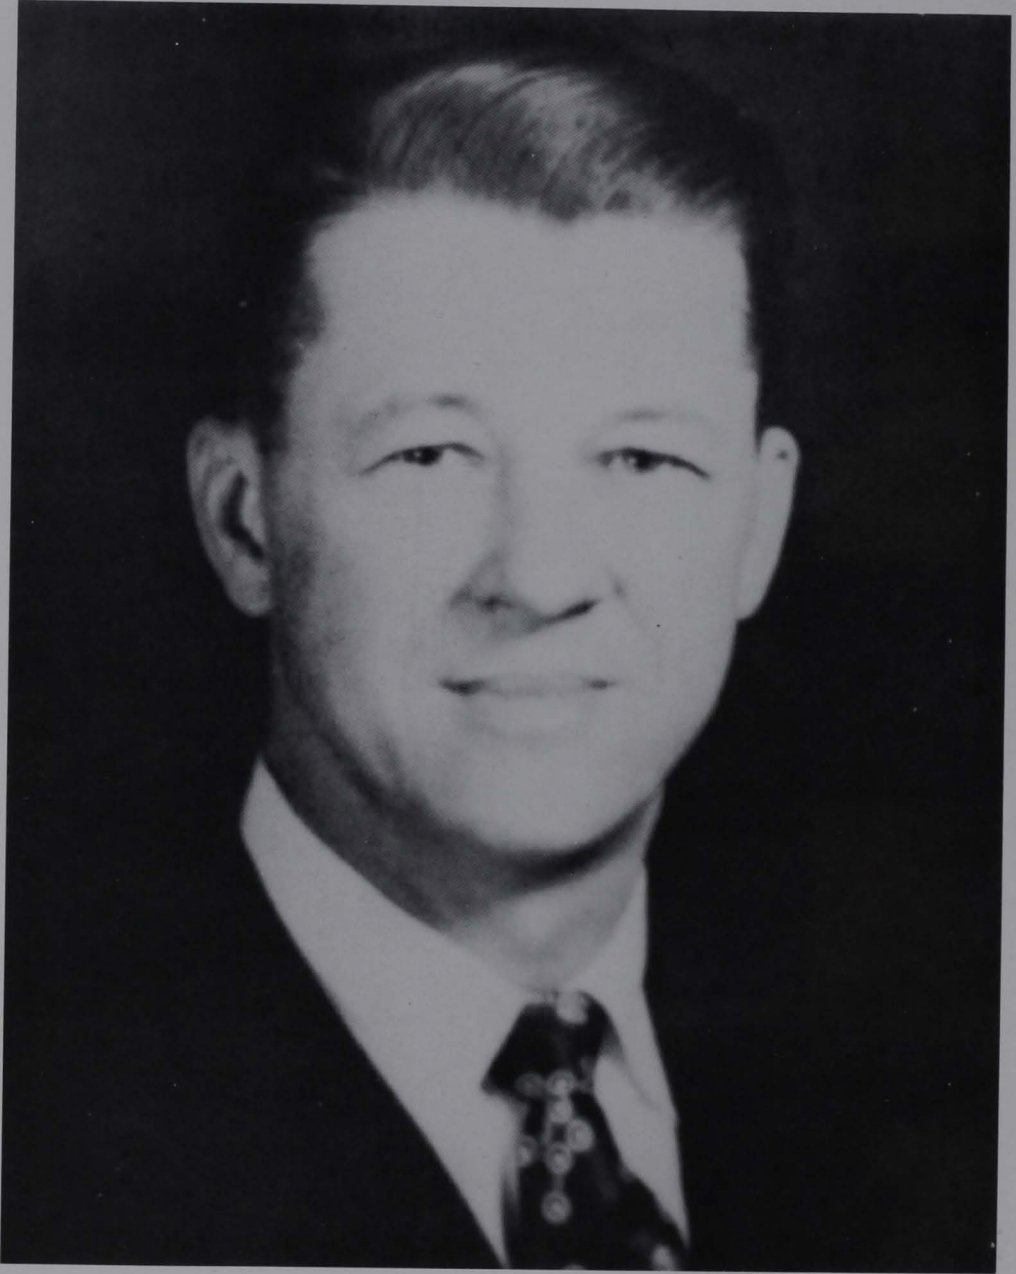

Student Annual

1954-1955

*Glenville State College
Glenville, West Virginia*

President

Dr. Harry B. Heflin

To Students, Faculty, and Alumni of G S C:

Each year brings its changes to a college campus. Members of the faculty move on to other positions or retire and those who are left become one year older; students graduate and those who remain become more mature; buildings are built or renovated and repaired and the campus looks a little different. As these changes are chronicled in the pages of our yearbook, it is our hope that the over-all impression is one of general improvement.

Most easily seen is our new Health and Physical Education Building and "Unit A" of the Administration Building which has been renovated for art and music. Not so readily seen, but far more important, is the increased responsibility accepted by our students; the initiative shown in suggesting improvements for the college; the fine academic record achieved by our students on the Glenville State campus and in many graduate schools.

A college represents more than an accumulation of facts. It represents physical, social, moral, and spiritual development; the work and play that constitute the daily schedule of activities; the appreciations and attitudes that are developed; and a way of life that enables each individual to contribute more and enjoy life more while making his contribution.

The pages of this yearbook show a little of most, and a great deal of many of the things that constitute the personality of our campus. May the contents keep awake pleasant memories, high hopes, and fine ideals with the passing years.

Sincerely yours,
Harry B. Heflin

Alpha Xi chapter of Sigma Tau Gamma fraternity, a national social organization, was founded on the Glenville State college campus March 14, 1950 with a charter member group of 20 men. William Harper from Parkersburg was elected first president of the fraternity, the third men's social organization to be established on campus.

The fraternity has as its aim to foster social activity and color on campus by participation and cooperation in school events.

The fraternity annually sponsors many social events, including student mixes, stag parties, picnics, smokers, and their top social event of the year, the annual White Rose Christmas Dance. The colorful event was held this year on December 1, at which time Miss Marita Spicer was officially crowned 1954-55 Rose of Sigma Tau.

Officers during the past year were: James Mullins, President; Thomas Reed, Vice-President; John Cutlip, Secretary; Rondal Stalnaker, Treasurer; Rolland Coberly, Sergeant-at-arms; and Dr. Byron Turner, Faculty Adviser.

Montrose Award

Paul Lanham

Montrose Award

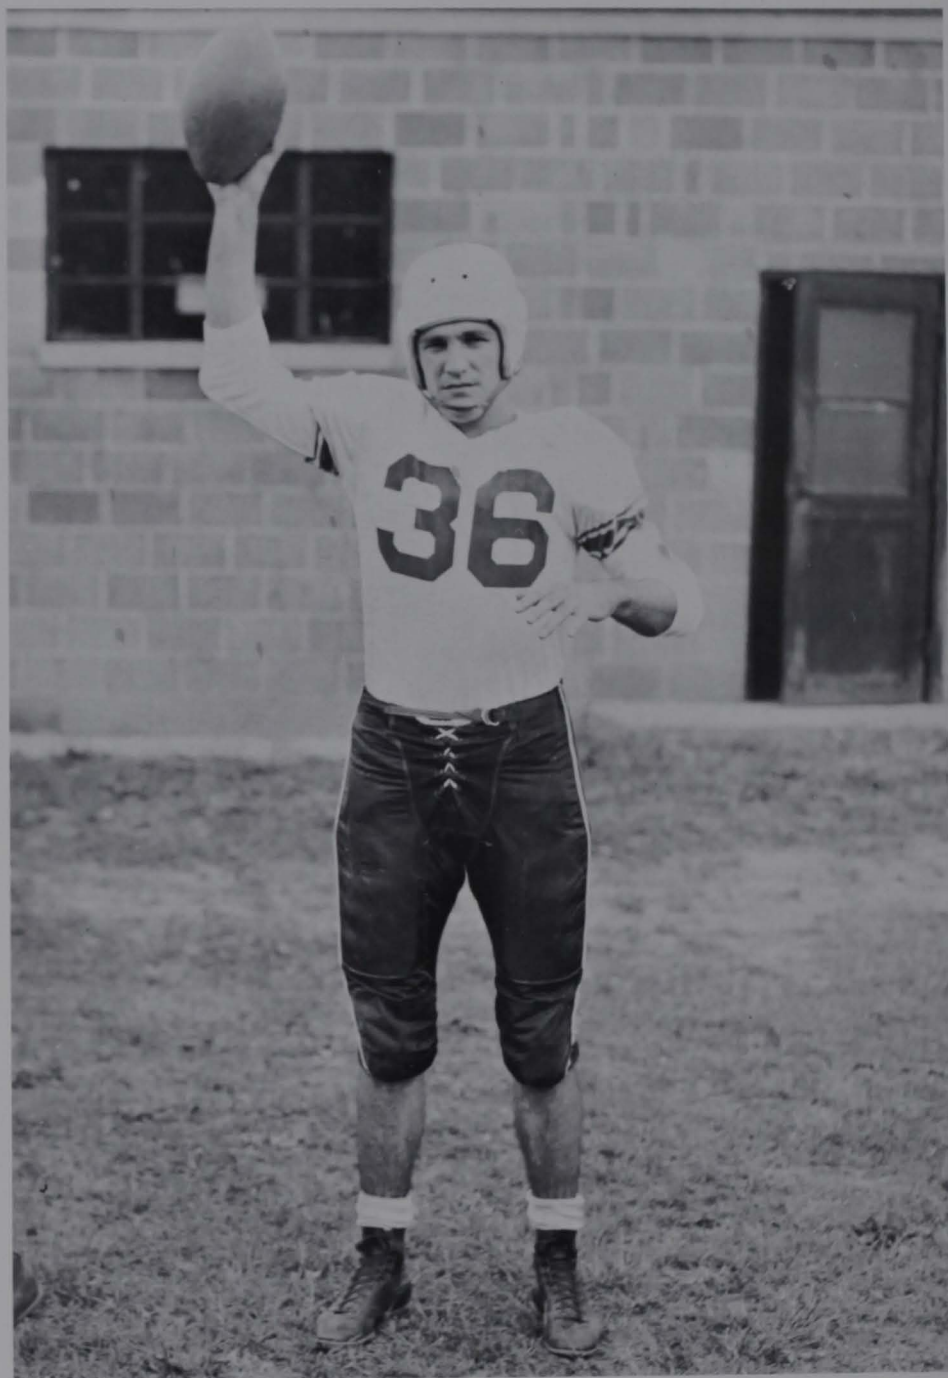

Paul Lanham, former football and baseball star at Glenville State College and presently assistant football coach at Ripley, has been named the third winner of the coveted Frank Montrose Award. Lanham, who was an outstanding student as well as a brilliant athlete, becomes recipient of the award which is symbolic of high athletic achievement combined with high scholastic ability.

Lanham was a guard on the football teams of '51, '52, and '53, and was one of the outstanding performers on the powerful Pioneer line in addition to sharing the captain's duties with end Don Merriman.

In baseball, Lanahan was one of the finest hitters ever to play for the Gee Men. Patrolling his right field post with great defensive skill, Lanham was a consistent .300 hitter. During the summer vacation periods, Lanham continued his baseball playing with the Ripley Independents, state semi-pro champions. With Ripley, Lanham's batting continued at such a torrid pace that he gained a spot on the all-state baseball nine.

During his senior year at Glenville, Lanham was elected president of the student body. He was also secretary of the Kappa Sigma Kappa Fraternity, clerk of the Veteran's Club, and a member of the varsity 'G' Club. During the fall of 1953, Lanahan was one of six seniors named to "Who's Who in America Colleges and Universities."

Football Resume'

Five members of the 1954 Glenville football squad received mention on the ALL-WVIC honorary football team. Center Frank Vincent and End Ed Tekieli landed berths on the first team; Jack Tennant, an all-league selection in 1953, received a second team position, and Tackle Sam Ballato and Guard Mike Popp were awarded honorable mention.

Vincent, a 210 linebacker from West Newton, Pa., was the backbone of the Glenville defense this season and was considered one of the state's top linemen. A veteran of four seasons at the center position on the Pioneer line, Vincent moves up from the second team of a season ago.

Tekieli was an easy selection; he held the league's leading mark in pass catching. On the receiving end of most of Tennant's passes, the Fairview junior snared 19 passes and was a Trojan on the defense.

Resume' of Football Games—1954

Shepherd (7-7)

The G-Men travelled to the Eastern Panhandle for the season's lid-lifter with the always powerful Rams. In a struggle as hot as the day it was played, the teams fought to a deadlock. Two outstanding features of the game were the phenomenal kicking of "Bullet" Bob Weaver, and the tough line play of Glenville's "7 Back Breakers." The White Wave had a wide edge in statistics, gaining 169 yards rushing to Shepherd's 48, and passing for 104 yards as compared to 70 for the Rams.

Fairmont (0-6)

In a steady down-pour of rain, the Falcons capitalized on a blocked kick and an end zone recovery to hand Glenville its first defeat of the season. Again the outstanding feature of the game, besides the rain, was the play of the line. Fairmont smashed through the first half for a total of 55 yards; however, the last half they were held for a minus three yards rushing and a game total of 52 yards. After three seasons of raising havoc with opposing defenders, "Pass-master" Jack Tennant was finally halted by the elements.

Concord (7-26)

Glenville travelled south to play in the first "Coal Bowl" game ever to be played at the municipal stadium at Gary, W. Va. The Pioneers failed to live up to pre-season predictions and suffered one of their worst defeats in recent years. One of the bright spots of the game, however, was a 61 yard run by John Shock with a lateral on the 12 yard line to Weaver who carried over from there. Avis Partain threw a smashing block, which cleared two Concord defenders from the path of this touchdown run.

Potomac (rained out)

Pluvius, the sender of rain, opened the floodgates of heaven to flood not only the football field, but the town of Glenville as well. The game was cancelled and an abbreviated parade was all that left to honor the old grads on Homecoming Day.

W. Va. Wesleyan (27-12)

The Glenville Pioneers suddenly came to life at Buckhannon and lubbed the Wesleyan Bobcats into helpless submission. Playing their finest game in two years, the team handed hard-working coach Nick Murin his finest college victory. Freshman halfback Eddie Armstrong gained 72 yards rushing for the team's best individual mark of the season.

Salem (13-0)

Despite playing under adverse weather conditions, Glenville's football machine snapped Salem's two-game winning skein by slamming home two second-half touchdowns. Once again the Pioneer line stood out as one of the best among the nation's small colleges by limiting the Tigers to a mere 34 yards overland. "Jar'n" Jack Tennant passed for his 21st touchdown aerial in a four-year career, and tossed an additional 103 yards for the game's final total of 218 yards.

West Liberty (0-19)

Glenville's football eleven failed to realize a pre-season dream of breaking the .500 mark (a jinx since 1942) when the Hilltoppers of West Liberty smashed through for three touchdowns and then went on from there to shut out the C-men completely. The Pioneer attack sputtered throughout the game, and the usually efficient line leaked like a sieve. Vincent, the year's defensive standout, shone like a diamond on the otherwise drab afternoon.

New Coaches

Nick Murin

George Stopp

Nick Murin, who gained his undergraduate football education under the old master "Nate" Rohrbough, returned to his alma mater to assume the football coaching chores. Murin, who was a mainstay on the Pioneer baseball, football, and basketball teams of 1939 and 1940, served as an assistant football coach and was head basketball coach at Calhoun County High School for five years.

Following two fine seasons at Glenville, Murin's college career was interrupted by World War II, when he entered the Air Corps and served with the 9th Air Force in Europe.

Continuing his undergraduate work following his discharge in 1946, Murin was named president of the student body, and, in addition to his studies and athletic activities, he found time to coach the Glenville High School Red Terrors to a 21 won, 2 lost season.

Coach Murin received his Master's Degree at West Virginia University and hopes to someday complete work for his Doctor's Degree. Good luck for the future, Coach Nick Murin.

George Stopp, a native of the "Windy City" of Chicago, brings to Glenville almost 20 years of experience in the game of basketball. During his senior year at Transylvania College, at Lexington, Kentucky, Stopp was picked as the all-conference center on the all-star team.

During his four-year stay at the Lexington school, he came under the influence of Adolph Rupp, head mentor of the Kentucky Wildcats. Playing against the Wildcats on numerous informal occasions, Stopp became sold on the tactics employed by Rupp, particularly the fast-break style of play.

A call from Uncle Sam interrupted Stopp's career in 1943. In a short time he rose to the rank of lieutenant in the U.S. Navy.

Following his discharge in 1946, he became an Industrial Recreational Director for the Bemis Brothers Company in Talladega, Alabama.

In 1949 he accepted a student assistantship at Peabody College. After receiving his Master's Degree in 1950, Stopp taught physical education and coached at the Georgia Teachers College Laboratory School. In 1952 Stopp accepted a graduate assistantship at Indiana University and began work on his Doctor's Degree.

This is Coach Stopp's first head coaching assignment at the college level; he was formerly assistant coach at Georgia Teachers College. Best wishes for a successful future, Coach George Stopp.

Basketball Squad

Left to right: Robert Weaver, John Estep, Bill Reit, James Hamrick, Coach George Stopp, Ed Tekieli, Bob Reed, Harry Smith, Bob Turner, Rudy Poole, Ralph Holder, Jack Tennant, and Al Reich.

Basketball

Best Basketball Season Since 1943

Coach George Stopp's first year as head basketball coach proved to be the finest season Glenville has enjoyed since 1943 when the Pioneers raced undefeated through 13 games.

This season's mark of 14 won and 8 lost is a shade better than the 14-9 slate of the 1951 team which won the state championship in the tournament held in Buckhannon.

One reason for the big improvement in team play is the addition of Rudy "Cool" Poole, whose tremendous rebounding and scoring aided the Gee Men both defensively and offensively. Poole set the school's freshman scoring record by pouring 423 points through the hoop. By scoring 47 points against West Liberty, he also shattered the one-game total set by Bob "Hooks" Hardman.

Another change in the first-team personnel was the return of "Bounding" Bob Turner from army service. Turner was a member of the 1951 championship team, and he is considered to be the best man-for-man defender in the entire state.

Another major factor in Glenville's rapid improvement was the return to form of Harry Smith, another holdover of the 1951 team. Following a tenure in the armed services, Smith set a torrid pace this season by scoring 50 percent of his field goal attempts.

Although having an "off" year by Tennant standards, "Dynamite" Jack continued to break scoring marks by tallying 392 points for the regular season. His 1,654 points scored in conference games, and 1,788 points during the regular season are new records for the college. His life-time total of 1,893 points ranks second only to Hardman's 1,894.

It is generally felt that Glenville's record would have been much better if they had not lost the services of Bill Reit near the close of the season. The slender, Pennsylvania sharpshooter tossed in 179 points to bring his two-year total to 466 points.

The outstanding game played by Glenville was against Salem when they won 118 to 85. The Pioneers played not only a near flawless game, but set a new field house scoring record as well.

Entering the final week of play, the Glenville Pioneers were in firm grip of second place in the conference with a 14-5 slate. However, they fell from the pace to drop the last three games and skidded to fourth.

Basketball All-State

Four members of Glenville's highly-successful 54-55 basketball team received mention on the 1955 All-WVIC team.

Veteran Jack Tennant and Freshman Rudy Poole led the Pioneer delegation by being named to second team berths. Tennant was a first team choice last season while Poole was an all-state, high school player.

Bob Turner, one of the loop's foremost rebounders, and Harry Smith, one of the few players in the state to card a 50 percent field goal average, were accorded honorable mention on the team picked by conference coaches.

Smith and Tennant have climaxed their collegiate careers, but both Poole and Turner will be back to anchor the 1955-56 Glenville quintet.

Golf

Five men reported to Coach Robert Higgins for the 1955 addition of the Pioneer golf team. Linksmen on this year's team included Oliver Hunt, Edsel Ford, Dick Barrett, Bob Hannaman, and Gail Lydick. Ford and Hannaman are two veterans who recently matriculated to the Glenville campus.

The first week of competition found the Glenville team with one victory, two ties, and three losses. In the first game with the Wesleyan linesmen the game was tied at $7\frac{1}{2}$ points each. Bob Hannaman was low man with an 89. Hunt and Ford were tied for second with 90.

In a five-way match with Fairmont, West Liberty, Davis-Elkins, and West Virginia Tech, Glenville beat Davis-Elkins, but lost to the other three teams. Edsel Ford was low man for the Pioneers by carding an 88.

The Gee Men returned home to entertain the West Virginia Tech golfers and again the match ended in a $7\frac{1}{2}$ point tie. This time Oliver Hunt was low man with an 87.

Baseball Squad

First row, left to right: Lowell Morrison, Dave Hogue, Jim Hamrick, Bill Reit, Pete Kostyk, Mike Popp, Ed Tekieli. Second row: Norman Fisher, Jim Weese, Calvin Strader, Joe Huffman, Ralph Holder, Harry Smith, Bob Miller, Danny Hall, Manager Billy Stanley. Third row: Manager Don Brannon, Harry Smith, Brooks Harris, Bob Weaver, Paul Stout, Tom McPherson, Bill Jones, Don Schoonmaker.

Baseball Resume'

Coach Carlos Ratliff's baseballers, after getting off to a miserable start by losing six of their first eight games, bounced back to win their four final games and finish the season with a respectable six-won and six-lost record. Ed Tekieli blasted out 14 hits in 44 official trips to the plate to lead the locals with a percentage of .318. Dan "Lippy" Hall batted in 14 runs to lead in that department. Bob Miller and Tekieli had two homers each to tie for this honor. Bill Reit led in the most walks and also in runs scored, as he walked 12 times and scored 14 runs. Reit also led in assists and Brooks Harris led in "put-outs."

Wesleyan 18—Glenville 9

After having their initial game with Salem rained out, the Pioneers journeyed to Buckhannon to suffer their first defeat of the season. The Bobcats jumped off to an early lead and were never seriously threatened although the Pioneers scored nine runs.

Fairmont 8—Glenville 16

Returning to Glenville, the locals really put on their slugging togs as they blasted the always strong Falcons. Tekieli had three for four, including a triple and a home run, and Brooks Harris batted in four runs to lead the Pioneers. Stout was the winning pitcher for the afternoon.

Wesleyan 21—Glenville 0

For the second time in the still young season the Bobcats humiliated the Pioneers as Leroy Jones blanked the local hitters 21-0.

Concord 13—Glenville 8

Taking their second road trip of the season the Pioneers were handed their second straight loss as the Mountain Lions outlasted the White Wave in a slug fest. Bob Miller blasted 2 home runs and batted in 4 runs to lead the Locals.

Salem 8—Glenville 10

Ralph Holder became the first pitcher to go the distance for the Pioneers as he won his first start of the season. Brooks Harris had 3 for 5 including a double and a triple as he knocked in 2 runs. Tekieli also sparked the attack as he knocked in 3 runs with a double and a single.

A. B. 13—Glenville 9

Averaging a little more than eight runs per game in their first six games the Pioneers still couldn't edge the Battlers as the proteges of Rex Pyles won a loosely played game. Weese shone for the losers as he blasted a homer and a single to drive in 4 runs.

Fairmont 9—Glenville 7

Jim Hamrick became the second pitcher to go the route for the Pioneers but his efforts weren't enough as his team mates gave up 5 unearned runs.

Reut led the local hitters with a homer and a triple as he knocked in 4 runs.

Morris Harvey 6—Glenville 3

Playing in Watt Powell Park at Charleston it looked as

if the Pioneers would win over the Golden Eagles as they led them 3-0 after 6 innings. However the roof fell in on pitcher Ralph Holder, and the Eagles picked up 4 runs in the seventh and 2 in the eighth to win.

Tech 0—Glenville 4

The future looked very dismal for the boys of Coach Ratliff as the always tough Golden Bears from Montgomery invaded the home forces. However Jim Hamrick pitched his finest game of the season as he blanked the Bears on 3 hits. Invaluable support in the field was furnished by his team mates as they played errorless ball behind him. "Lippy" Hall drove in two runs to star with the stick.

A. B. 2—Glenville 3

With two men out and runners on second and third in the ninth inning Norman Fisher got a pinch hit single to drive in two runs and give Ralph Holder his second win of the season.

Davis Elkins 3—Glenville 4

Harry Smith's pinch hit homer in the seventh inning of the first game of a double header gave the locals their third straight win. Dave Hozue relieved Jim Hamrick in the sixth after the senators had tied the score at 3-3 to pick up his first win.

Davis Elkins 5 Glenville 15

The Pioneers finished their season with a bang as they blasted the Senators for 15 runs to pick up their fourth straight win. Bill Reit, Harry Mason Smith, and Danny Gall had plenty of hitting power to help Paul Stout win his second game of the season.

Hunter Whiting

Dedication

Hunter Whiting, born in Glenville, March 1, 1890, first entered Glenville State Normal School as a music student in 1900-1901, under the principalship of Mr. W. J. Holden. In the spring of 1903, he was enrolled as a regular student, a special fee being required because of his youth. Mr. Whiting remained in the Normal School until 1910, completing some preparatory classes, four years of academic work, and, after his first graduation, further courses enabled him to enter West Virginia University as a sophomore.

In 1908, he was graduated in the modern language course. In the same year he received a certificate in speech, called in those days elocution. In 1909 he was graduated in the normal course. This same year, he received a certificate in piano music.

In 1910 Mr. Whiting entered West Virginia University, choosing French as his major study. In 1913 he was elected to Phi Beta Kappa and was graduated with the bachelor's degree.

In November, 1913, Mr. Whiting came to Glenville State as an instructor. He remained on the faculty until his retirement in 1954. The classes of 1919 and 1930 were both named for him.

During his many years in this college, Mr. Whiting taught French, Latin, Spanish, and English, serving also as Assistant to the President, 1925-1932, as Dean 1932-1935, and as Chairman of the Division of Language, 1950-1954. Although the official record at his retirement in September 1954 read for a little more than thirty-nine years of service, his connection with the institution really lasted fifty-four of the eighty-one years since its founding.

It is to this man that we, the Kanawhachen staff of 1954-1955, humbly dedicate our annual, for his many services to the college and to the students as individuals.
