KANAWHACHEN

Student Annual
1955-56

Glenville State College
Glenville, W. Va.

Dedication

Miss ALMA ARBUCKLE, graduate of Glenville State Normal School with the class of 1909, attended West Virginia University, Michigan State Normal School, Ypsilanti, and Columbia University. Miss Arbuckle taught in public schools in West Virginia until 1921 when she was hired as a librarian at Glenville State College. She served as librarian from 1912 to 1955.

We, the Kanawhachen Staff of 1955-1956, wish to dedicate this annual to Alma Janet Arbuckle and H. Y. Clark for their services and influences among the student body of Glenville State College.

Mr. H. Y. CLARK, a native of Randolph County, attended Beverly Normal School and West Virginia Wesleyan Academy. He was rewarded an A.B. degree at Wesleyan College in 1916, and taught in various high schools from 1917 to 1926. Later Mr. Clark studied at Columbia University from which he was graduated with master of arts degree. He attended Peabody College and West Virginia University. Professor Clark was employed by Glenville State College from 1927 to 1955 as professor in education.

President

To Students and Graduates of Glenville State College:

You may have heard the expression, "There is nothing new under the sun," but it isn't true. This yearbook is concrete evidence that there is. For the third successive year, a group of Glenville State students have contributed the leadership and effort that makes this publication possible.

The same spirit is making many other things possible on the G.S.C. campus. A new Dining Hall and Student Center will be under construction before this yearbook is published; each semester sends new graduates into the public schools of West Virginia, as well as into other states, to provide expert instruction for our boys and girls; each semester sees a few graduates enroll in the country's outstanding universities to continue a graduate program in their field of major interest; each semester adds a few more graduates to industry, the professions, or in other positions of leadership. Regardless of the achievements or occupations, all are indicative of the goals set for themselves by students at Glenville State and the aggressive and successful progress toward their goals.

It is a real pleasure and an inspiration to be associated with so many who do so much. With best wishes for the continued success of all Glenville State students.

Sincerely,
HARRY B. HEFLIN
President

Montrose Award Winner

JACK TENNANT
quarter-back

Montrose Award

Jack Tennant, former football and basketball star at Glenville State College is the fourth recipient of the coveted Frank Montrose Award. Tennant, from Fairview was a Physical Education and Business student. The award is to a student with high scholastic ability as well as great athletic achievement.

Tennant, a quarter-back on the football teams of '51, '52, '53, and '54, was one of the outstanding performers on the powerful Pioneer line-up.

In basketball, Tennant gained honor by being second only to Bob Hardman in total career points. Jack earned a berth on the All- WVIC First Team in 53-54 season. In 54-55 season he was named to the second team.

During his four years at Glenville, Tennant was secretary of the Kappa Sigma Kappa Fraternity, was a member of the varsity "G" Club, served on the Student Council, and was a member of the Alpha Delta Epsilon Business Fraternity. In the fall of 1954, Jack was one of 6 seniors named to "Who's Who In American Colleges and Universities."

Former winners of this award are Cecil Johnson, Bill Hanlin, and Paul Lanham.

Football Resumé

Although the Glenville Pioneers won only one game in eight starts, they were never beaten to such a degree that they stopped fighting, this fact being proven by the low scores. Lack of weight and experienced men also hampered the G-men's effort as most of the team was comprised of mostly sophomores and freshmen. Two members of 1955 Glenville football team received mention on the All-W.V.I.C. honorary football team. End Ed Tekieli and Fullback Ralph Holder were both awarded honorable mention. Glenville will be without these two seniors next year, along with Bernard Jolley and Mike Popp.

Tekieli, who landed a berth on the All-W.V.I.C. first team last year, has been a leading man on the Pioneer team for four years. This season, he was a defensive stand-out, playing much of his defensive ball in the opponent's backfield. He led on the receiving end of passes.

Glenville lost the opening game of their 1955 gridiron season to Potomac State by a heartbreaking 7-6 score. In the opening minutes of the game, Potomac State returned a blocked kick for twelve yards and made a T.D. The conversion was good and looked as though the fans were to witness a rout. With two minutes gone in the second quarter Ralph Holder snagged a pass on his own 10 yd. line and raced 90 yds. for the T.D. The extra point attempt was no good and Potomac State led at the half 7 to 6. In the second half Glenville pushed the much heavier Catamounts all over the field, but could not score as they drove within the five yard line repeatedly.

The second game found Glenville losing to the always powerful Shepherd Rams by a score of 24-6. The game was played on the Pioneers' home field but this fact seemed to give them no advantage. Glenville's only score came in the second quarter when Holder

shoveled a pass from 10 yards out into the waiting arms of "Doc" Stanley who was standing in the end zone. In their third game and the third loss, the Pioneers played better ball, holding Fairmont's ground attack down to a mere 50 yards. The first half gave the impression that it was to be an evenly matched contest, with neither team being able to score. But the second half gave Fairmont their first score on nineteen plays. The game ended on a note of defeat for the Pioneers with a score of 20-6. Holder made Glenville's only touchdown.

The 13-0 defeat suffered by the Pioneers in the Homecoming game by no means tells the full story. Before a large crowd, the game went from one end of the field to the other with just two outstanding plays being executed, both of which were by Concord, and both resulting in touchdowns. This game could easily have gone the other way with a few breaks.

Traveling to Elkins for the next game on the list, the Pioneers completely over-ran the down-trodden Davis and Elkins eleven. Both teams were on even basis concerning win-loss records, neither having won a battle this season. However, Glenville came out on top for their only win of the season with a score of 25-6. "Doc" Stanley went over the line for two touchdowns, with Ralph Holder and Leonard Hanford wrapping up one each. Fresh from their 26-6 win over D&E, and perhaps a little over confident, the Pioneers were upset by a fired up Wesleyan eleven 20-6. "Doc" Stanley scored Glenville's only touchdown on a 47 yard run.

The final two games were both losses as the locals were defeated by Salem 27-13 and West Liberty 21-13.

Basketball Resumé

The Glenville State Pioneers, after loosing their opener to the Morris Harvey Golden Eagles, came through with a seasons record of 12 wins and 11 losses.

The Pioneers, under the guidance of their new coach, former All-American Leland Byrd, had eight returning lettermen from last year's squad.

Sophomore Rudy Poole, after a successful freshman year, came back to prove himself to be the team's outstanding scoring figure by breaking all previous records with the exception of the career record of Bob Hardman. In the W.V.I.A.C. Tournament at Buckhannon, Rudy, with the aid of his teammates, broke eight individual tournament records.

"Bounding" Bob Turner with his rebound skill plus his high team spirit aided the team greatly; this fact is proven by his 402 rebounds last season.

Al Reich, Bob Weaver, and Bob Reynolds rounded out the Pioneer first five, each in his own way contributing to the effort of the team.

Ralph Holder, Jon Hays, Dorsey Scott, George Gray, "Buck" Tustin, Bob Gandee, Tom McPherson, Larry "Doc" Stanley, Jim Millard and Ronnie Peters provided necessary and important reserve strength.

Perhaps the most outstanding game Glenville played was a onesided 115-89 rout of the Salem Tigers.

After going to the finals in the W.V.I.A.C. Tourney Glenville was finally beaten by Tech; however, this gave them a runners-up trophy and the privilege of playing in the N.A.I.A. District 28 playoff. This tourney found the Pioneers winning their first game but losing the final to A.B. in an overtime by a 71-65 score.

As Pioneers, we have invaded many frontiers, but that of Glenville State College suits us best. This is where we plan to stay; this is our school; this is our Alma Mater. We shall all be delighted to spend four years of our lives "on the campus 'mong the maples."
