## 2005 Hall of Fame Induction

On Saturday, May 21, 2005 Glenville State College inducted five of its alumni into the Athletic Hall of Fame, which was established in 2001 through the generosity of the late Curtis Elam, a 1949 graduate. This year's inductees were:

His teams were 146 and 73 in the nine years that he coached the Lady Pioneers. His coaching tenure in golf lasted 28 years, during which his teams won 12 WVIAC Championships, highlighted by a second place finish in the 1995 NAIA National Golf Championship. Carney coached five All-Americans and was named WVIAC Golf Coach of the Year twelve times. In 1988 he was named WVIAC Coach of the Year in both Basketball and Golf. Holding various offices in the NAIA Golf Coaches Association, he served as that Association's president in 1989. Carney retired from the Athletic Director's position at GSC in 2002. Tim and his wife, **Linda Campbell Carney '61**, reside in Glenville.

Although the game was called because of extremely heavy rain, several GSC alumni and friends braved the weather and enjoyed a picnic in the luxury box above the water drenched stadium and field. Those wanting to watch the game were: **Keith Pritt '58**, **Mike Reed '64**, Larry North, John Quintrell, Ted Hoover, **John '63** and Lynn **Harris**, **Tommy Gunnoe '64**, Corky Griffith, **Tammy Gunnoe-Moats '81** and Ron Moats, Larry Legg and wife, GSC's Head Football Coach Alan Fiddler, his wife, Amy and their twin daughters, **Ernie Moore '64** with son and great grandson, **John Hoover '66** and Debbie Reed Nagy, GSC's Coordinator of Alumni Affairs.

All was not lost because of the weather. Everyone had some great fellowship and lots of food. Call John Hoover if you would like to see more activity for GSC alumni and friends in the Kanawha Valley. We are considering a tailgate at one of the football games "in the valley" this fall, possibly either when GSC plays University of Charleston or at WV State.

## 2005 Montrose and Williams Award Winners Identified

**Andrew Harding '05** will receive the prestigious Montrose award at pre-game activities during Homecoming while **Tracy Wyatt '05** will receive the equally prestigious Williams award. These annual awards are bestowed upon the top male and female athlete from the preceding graduating class.

In making the Montrose award announcement, Dwaine Osborne, head men's basketball coach, praised Andrew by saying "As a senior, Andrew was the best point guard in our conference. He displayed all the attributes, along with having a second-to-none work ethic, that embody excellent point guards. He did all the little things to make himself, and more importantly, his teammates better. He was a true warrior who worked to improve each and every day."

**Steve Harold '87**, head women's basketball coach and athletic director, praised Tracy's record as well "Tracy was the missing piece to the puzzle that helped GSC Lady Pioneer Basketball become the WVIAC's premier program and one to be reckoned with on the national level. During her three year stint playing in the program, her teams compiled a record of 87-12 (32-0 at home) and captured 3 regular season championships, 2 WVIAC tournament titles, an East Region Championship, and advanced to the NCAA II national semi-finals. Tracy was an unselfish player that made everyone around her better. She was a great leader, an outstanding role model, and a tremendous competitor. She simply would not let her team lose. The WVIAC has never seen a better point guard."
