GSC Graduates give back to their Alma Mater

Pettit displays his Artwork
during Homecoming Week

Glenville State College alumnus **Joseph Pettit '76** displayed several of his oil paintings in front of GSC's Robert F. Kidd Library on Friday, September 25th as part of this year's homecoming week events.

Before graduating from GSC in 1976, Pettit spent two years in the United States Army. He then taught school for 10 years, worked 25 years in the saw mill industry, and is now retired. Pettit, a native of neighboring Braxton County, resides in Sutton.

This is the third year that he has displayed some of his paintings for all to enjoy during the week of homecoming and as has been the case in previous years, he once again provided one of his original paintings for a drawing that was held in the afternoon.

Gail Westbrook '74, Robert F. Kidd Library Director, was instrumental in bringing Joseph and his artwork back to campus.

Kuhl has Guest Lecture

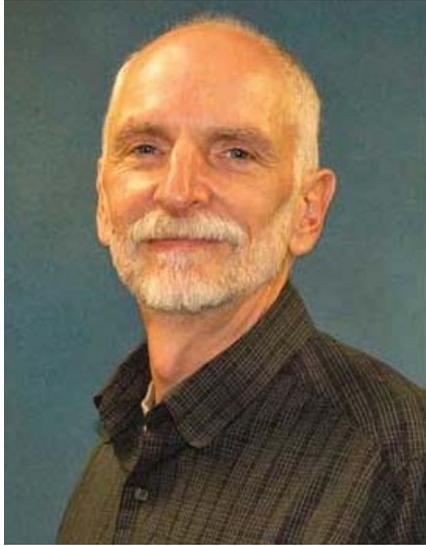

Ken Kuhl '82, Vice President of Event Development at the American Airlines Center in Dallas, TX and a 1982 Glenville State College graduate, returned to his alma mater on November 13th to deliver a presentation about his background, education, and work experience. The presentation was held in GSC's Alan B. Molohan Campus Community Center Ballroom and was open to students, faculty, staff, alumni, and local residents.

Kuhl, who oversees all event operations for major tenants of the center (the Dallas Mavericks professional basketball team and the Dallas Stars professional ice hockey team) also handles booking, marketing, and scheduling of other events held at the American Airlines Center and the AT&T plaza, an outdoor venue located on the south side of the center.

In discussing what his current job entails, he told of how GSC helped him in his career. Kuhl, a native of Normantown, holds a Master's in Sports Management from WVU. His mother, Wilda Kuhl, now retired, was a long-time employee in GSC's Robert F. Kidd Library. The college's Department of Health and Physical Education's Athletic Coaching Program and student organization Professional Business Leaders (PBL) sponsored Kuhl's presentation. Associate Professor and former Athletic Director **Janet (James) Bailey '79**, also a Normantown native, was instrumental in bringing Ken back to campus for the presentation.

Glennville State Announces Interim Vice President of Academic Affairs

Glennville State College President Dr. Peter Barr announced the appointment of Professor Milan Vavrek as Interim Vice President of Academic Affairs in May 2015. The position became effective July 1, 2015 after the retirement of former GSC Provost Dr. John Peek.

Dr. Vavrek joined the Glennville State College faculty in the fall of 2006 and was promoted to full professor status with tenure in 2010. He has served as chair of the Land Resources Department since July 2011 and continues an active research agenda.

A native of northern Ohio who has resided in West Virginia for nearly twenty years, Vavrek earned his bachelor's degree at Kent State University. He then went on to earn his masters and doctorate degrees in biology from WVU. Before coming to Glennville State College, Vavrek was the Scott Weathersby Professor in Biological Sciences at Louisiana Tech University.

In addition to ensuring that GSC continues to offer high quality academic programs to its students while continuing to explore new programs, Vavrek says he hopes to strengthen faculty and student scholarship, whether that includes performance, artistic works, or scientific research. "We have extremely talented faculty and students at GSC and we can offer the state and our disciplines so much more." Moreover, he said, "I would like to encourage a stronger sense of community among our faculty and staff. We sometimes become so involved in our individual departments and lives that we lose sight of the overall campus."

"I'm pleased and excited to have Dr. Vavrek in this role. Having worked with him for the last nine years, I know he will be an outstanding leader for Academic Affairs at Glennville State College," said GSC President Dr. Peter Barr.

Glennville State Appoints Interim Athletic Director

Glennville State College is pleased to announce the appointment of **Marcal Lazenby, Class of 2009**, as Interim Athletic Director effective July 2, 2015. He has served as Assistant Athletic Director since 2010.

Marcal, in his current role as Assistant Athletic Director for Compliance, has assured college, conference, and NCAA Division II athletic and academic compliance and has played a significant role in expanded athletic fundraising. He is also a member of MOAA and NACDA.

Marcal is originally from Atlanta, GA. He came to Glennville State in 2003 where he was a member of the Pioneer Football team. Lazenby was a starting offensive guard on the 2008 WVIAC Conference Champion Football team. He also was a three time All-Conference player and an All-Region player during his playing career at Glennville.

Lazenby expressed excitement and a strong sense of purpose in taking the job, saying that his main priorities will be to provide the ultimate environment for student-athlete success and to bring GSC alumni and fans together. "GSC has a rich and vibrant athletic culture and I want GSC Athletics to continue to excel in every aspect", he said. "It's time for us to capture the aura, tradition, and passion of the Glennville State family in order to provide the necessary resources for our student-athletes to excel on and off the fields and courts," stated Lazenby.

Kayleigh Huck and Hunter McWhorter 2015 Williams and Montrose Award Winners

L-R: President Barr, Hunter McWhorter '15, Kayleigh Huck '15, Athletic Director Marcal Lazenby '09

Kayleigh Huck '15, a native of Delaware, OH, and the daughter of Steve and Maria Huck was named GSC's Williams Award winner at Homecoming 2015.

She graduated from Glenville State College in May 2015 with a Bachelor's of Arts Degree in Education. Huck was a four year member of the Lady Pioneers Softball team where she was team captain and an All-Conference player. Kayleigh had 162 career hits, 17 career homeruns, and 109 career RBI's (runs batted in) during her playing career. She was also a member of the Lady Pioneers Cross Country team. Additionally Kayleigh spent a season on the sidelines as a student assistant coach for GSC's Softball team. She graduated Cum Laude and is currently teaching Math Foundations at GSC.

The Williams Award was established in 1983 and is named for Miss Clarissa Williams, an associate professor of Physical Education at GSC, who began her career at Glenville in 1947 and served as cheerleader sponsor until her retirement in 1964. Williams Wing of Pickens Hall was named for her in April 1974. The Clarissa Williams Award is presented each year during homecoming to the most outstanding female athlete who has graduated in the preceding class.

The 2015 Montrose award winner was **Hunter McWhorter '15**, a native of Horner and the son of Ralph and Barbara McWhorter.

He graduated from Glenville State College in May 2015 with a Bachelor's of Arts Degree in Education. McWhorter was a four year member of the Pioneer Football team and had 127 career tackles and 9.5 sacks during his playing career between 2011 and 2014. McWhorter was the 2011 WVIAC Defensive Freshman of the Year and he was a team captain in 2014.

Hunter is currently an assistant football coach at Lewis County High School and he works at Tri-State Forest Products.

The Montrose Award was established in 1952 and is given each year during homecoming to a male graduate from the preceding class who not only was an outstanding athlete but a scholar, a leader, and a person of high moral character.

The award is named for Frank Montrose who came to Glenville in the fall of 1939 from Richwood High School where he had established himself as a grid great under the guidance of former Pioneer, Coach "Babe" Jones. Montrose established himself at GSC as one of the most promising backs in Pioneer history during his freshman year. Unfortunately shortly before final exams in the spring of his freshman year, Frank went blind and a month later, the 21 year old Montrose died in a Baltimore hospital, a victim of nephritis.

Congratulations Kayleigh and Hunter. We are proud of your successes both on and off the field.

After retiring from teaching school and as South Charleston High School football coach,

An Open Letter from J. William (Bill) Douglas

former member of the GSC faculty and coaching staff - 1962-1967...

I was inducted into West Virginia University's Academy of Distinguished Alumni on June 6, 2015. This honor is bestowed annually to a graduate who has distinguished oneself for service to the University, the profession, and society. It is the highest award conferred by the University. "This award was an incredible honor for me. I was deeply humbled by my alma mater for having been selected and to join 100 others who have been recognized for this award since the Order was established in 1960, including **Dr. Harry B . Heflin '37** in 1982.

This award would not have been possible if it were not for the five years I spent on the faculty and coaching staff at GSC. Drs. Heflin and Leland Byrd took a chance and hired me, a recent graduate of the University. As a result of the experiences I had at GSC, I was able to go onto professional endeavors that ultimately led to a Ph.D., various professional positions, and numerous honors conveyed by state and national professional organizations.

I will always remember the time spent at GSC and its incredible students and faculty. I am especially dedicated to the young men who participated on the varsity football, wrestling, and baseball teams. Many of these athletes have remained dear friends throughout the years.

Thanks Glenville State College for the start of my rewarding professional career.

Bill Douglas, 8/1/2015

Lisa Hayes-Minney '94 has enjoyed much success with her *Two-Lane Livin'* magazine, a free print magazine completely funded by advertising. Beginning with a 10,000 copies per monthly issue when she launched the publication in 2007, Minney had to quickly bump the publication up to 12,000 when the first issue was gone in three days. She has since increased the print quantity to 15,000 monthly copies and then to 16,000 and this still isn't enough to service the sixteen counties that the magazine is currently available in. Minney says that nationwide print media may be losing the fight against the digital world but the high demand for *Two-Lane Livin'* magazine is proof that print media isn't dead in the Mountain State, largely because of her readership's love for print and partly because of the many issues that she and others in her service area have with reliable internet service. Ideally she needs to print 20,000 to meet the demand. Minney, who is currently working towards a Master of Fine Arts degree at West Virginia Wesleyan College, is also an adjunct professor at Glenville State College. She hopes to soon launch a second publication; a literary journal and possibly Writer's workshops in central West Virginia as there are limited opportunities for creative writing in the Mountain State.

Leigh Dawn (Bailey) McGinnis '91, an instructor at Woodrow Wilson High School in Beckley, has been selected Chairperson of the All-State Choir for the State of West Virginia. McGinnis will hold the position for two years, with one of her responsibilities being to visit all seven regions of the state. She will select members of the All-State Choir during those travels, which will total nearly 250 students.

John L. Morgan '85 of Parkersburg has published his second book, this one entitled "*He Said vs She Said*". It is a romance novel intended for mature audiences over the age of 18 and a real good story, according to Morgan who has written the book under his nom de plume of J. Leslie Morgan. He currently serves as high school counselor at Gilmer County High School.

Sayre, who holds a Master's Degree +30, has taught for 33 years in Wood County and coached boys' basketball, girls' basketball, golf, and football for 14 years.

Katie (Likins) Sergent '07 is Community Relations Coordinator at West Virginia Junior College where she is responsible for spreading awareness in the community about the opportunities at WVJC through high school presentations, GED Class visitations, etc.

Gary Shaffer '80 continues to enjoy making clay pots and meeting people who like to use them. He credits GSC Professor Emeritus Charles C. Scott in helping him to further his technique. Early in his career, Gary made large ornamental pots and sold them in galleries but he now prefers to sell his work locally at West Virginia fairs and markets. For more information on Shaffer Pottery, visit garyshafferpottery.com

Leave Your Mark at Glenville State College!

There have been a number of requests about purchasing a brick for the Dora Heflin Garden on the Glenville State College campus. The bricks were placed as part of a fundraising campaign in 2003. Bricks are available with up to 14 characters and spaces per line, 3 lines per brick. If all capital letters are used, text is limited to 10 characters and spaces per line. The bricks will be installed in the garden by the Glenville State maintenance staff, and family groupings will be maintained. The cost of a brick is \$100.00.

Additionally, with the successful opening of the Waco Center, there have been requests for seat naming opportunities associated with the arena seating. There will be silver plaques on the seatback for your personal seat in the arena. One line of type with up to 20 characters and spaces will be allowed on each plaque. You may specify the area where you would like your seat to be located. The cost of your personal seat is also \$100.00.

If you are interested in either of these two ways to leave your mark at Glenville State College, please contact the Glenville State College Foundation Office, 200 High Street, Glenville, WV 26351, by phone (304) 462-6380, or via email to michelle.clowser@glenville.edu and they will mail or email you an order form and arrange for payment options.

There are other naming opportunities at Glenville State College as well, including the naming of seats in the Fine Arts Auditorium. Ask Michelle about these when you call.
