

GLENVILLE STATE COLLEGE

Homecoming 2019 “Game On, Glenville”

Student Organizations,

The GSC Student Government Association hopes that your organization will get involved in this year’s exciting Homecoming activities at Glenville State College. The theme for this year’s Homecoming is “*Game On, Glenville.*”

This year’s theme is all about games – board games, video games, action games, and more! We hope that this theme will give your organization plenty of inspiration for your banner, float, and other homecoming activities – get creative!

For your convenience, SGA has compiled the following packet with everything that your organization will need to register for the chili cook-off, banner competition, and to enter the parade. You will also find Homecoming Court nomination forms for king, queen, prince, and princess. Please make sure that your organization reads and understands the rules as well as fills out all the enclosed paperwork completely.
