

GLENVILLE STATE COLLEGE

Consent for Release of Information

All materials pertaining to a student’s disability is confidential. All disability-related information for students at Glenville State College is housed in the Office of Accommodations and Accessibility Services (OAAS). Only staff persons working at OAAS have access to the confidential files.

OAAS may share certain information with supervisors, faculty, staff and/or other College official(s) and/or third parties as necessary to make appropriate determinations on a reasonable accommodation request or to discuss a student’s limitations. Under these circumstances, OAAS will inform the recipients about the accommodation request confidentiality requirements. The information disclosed will be no more than is necessary to meet the need of the request.

- ❖ While attending Glenville State College, I give the **OAAS** permission to discuss relevant information pertaining to my disability with my **instructors or staff members of Glenville State College** as the need arises.
