

## BACHELOR OF APPLIED SCIENCE DEGREE PROGRAM

This degree program is intended for students who have completed an associate of applied science degree at a regionally accredited two-year institution prior to attending Glenville State College.

Once the associate of science degree program is completed, the student is eligible for admission to this specifically articulated bachelor of applied science program upon receipt of a Glenville State College application, an official transcript from the college where the associate degree was conferred (and any other schools attended), and an overall 2.0 GPA on all courses previously completed.
