☐ I request to change to the _____ year catalog.

Students who enroll at GSC will follow the provisions of the catalog in use at the time of their enrollment. Students beginning school during summer sessions will follow the provisions of the coming fall catalog. In the case of programmatic changes, students may choose to adopt the current catalog. If the student chooses to adopt the current catalog, he/she becomes responsible for all the requirements in that catalog. Processing a "What-If Audit" within Degree Works may assist in making this decision.
