## ABOUT HEALTH AND HUMAN PERFORMANCE

Health and Human Performance programs are part of the Department of Education at GSC. Students can earn a Bachelor of Science degree in Health and Human Performance with majors in Exercise Science, Health Promotion, and Athletic Conditioning and Coaching.

Students in these programs acquire the academic knowledge and technical skills that will prepare them for a variety of career paths in the rapidly growing fields of health, fitness, wellness, and human performance. Graduates of the program will also be prepared to pursue advanced degrees in their major field of study or a related field.

## PMSAT PARTNERSHIP BETWEEN GSC & MARSHALL UNIVERSITY

Glenville State College has partnered with Marshall University to offer a program of study leading to a Professional Master of Science in Athletic Training (PMSAT) degree. The agreement combines undergraduate coursework in Exercise Science at GSC with students then being able to apply to the College of Health Professions at Marshall University.

Marshall University will reserve three seats for prospective PMSAT students attending Glenville State each year.
