Ed Evans '82 is serving in the West Virginia Legislature, having won his Democrat House of Delegates' seat in McDowell County during last November's general election. Evans, who has retired from the McDowell County education system

Giving Gratitude

The weather has been hot and humid in Glenville this week and everyone on campus has been busy as we continue to focus on getting ready for the fall semester, which - believe it or not - begins in just around 20 days. Visitors

will notice a lot of campus improvements and clean-up, much of which can be attributed to our hard-working Physical Plant staff.

On Tuesday evening we had a great time in Braxton County as we held another meet and greet event with Dr. Pellett. There was a good turnout of current students, graduates of all ages, local officials, and other friends of the college. We extend our thanks to Jean and Brent '76 Boggs for helping to organize the reception. [Click to see pictures from the event.](#)

Finally, we are preparing to welcome Mr. Rusty Vineyard, who will join us on campus beginning August 2. He will be serving as GSC's Vice President for Student Life and Athletics and will have a lot to focus on in those two vitally important areas. We know that Mr. Vineyard will work hard to meet the needs of our students.

after 35 years of service, served on the House's Roads and Transportation, Education, and Pensions and Retirement committees during this year's legislative session.

Ed and his wife Lynda "Pip" (Luikart) Evans, RN '82 reside in Welch, WV. Ed was recognized as Glenville State College's Alumnus of the Year in 2009 after having been named National Science Teacher of the Year.

Congratulations Ed. We are proud to have you as an alumnus of Glenville State College.

Engaging the Pioneer Spirit as we blaze a new trail to value and quality in education.

Appreciation Event Held for Campus Personnel

Earlier today President Pellett held an unveiling of the new GSC hot dog cart, complete with a free lunch for everyone who attended. "We thank all of

you for making Glenville State the awesome place it is. Taking the time to say thank you is something that we honestly can't do often enough," said Pellett.

Special thanks to the Waco Oil & Gas staff and Ike Morris for helping serve and for donating the cart.
