## **Welcome from President Manchin**

Greetings Pioneer Alumni and Friends!

My wife Virginia and I are happy to be settling in here in Glenville and I am very proud to be serving as the 25<sup>th</sup> President of this fine institution.

I am excited for the opportunity to be here and I am looking forward to working with you as we propel Glenville State into the next stage of what I know it can be.

Glenville State College is a great place and that is reflected in all of you. Who we are today has been shaped by our graduates, countless donors and friends, and our past and present faculty and staff. Our success is built upon the solid foundations laid by those who have come before us. Let us build on the progress we've made and continue to do great things at the Lighthouse on the Hill.

As Virginia and I begin this journey here at GSC, we want to express our gratitude for all that you have done in the past

County, Maryland. She also worked as a counselor for Roads to Success under the McKelvy Foundation in New York, New York.

Tammy's artwork was recently chosen for the branding of American Flowers Week 2020 that would have been held in San Francisco, California this past June. She was also featured in an article written by Debra Prinzing in the June 2020 issue of [Floral Review Magazine](#).

In 1985, she received her Bachelor of Arts Degree in art education (K-12) from GSC and went on to earn her Master of Arts Degree in art education from West Virginia University in 1995. While a student at GSC, she was a member of the student government, theater program, forensics team, yearbook staff, and a sister of the Delta Zeta Sorority.

When asked what GSC means to her, Tammy explained, "Coming from a rural and somewhat sheltered background, Glenville State College was transformative to me in so many ways. My art professors were outstanding! I learned the fundamentals of art and discipline which has served me well in many areas. Professor [Emeritus] Charles Scott helped me research and buy my first SLR camera. He also inspired me and my family to do a Fulbright in the

and I ask you to join us in imagining the future. We look forward to meeting you.

Be well and Go Pioneers!

The Golf Tournament will be a shotgun start at 8:00 a.m. with the second flight teeing off at 1:00 p.m. The cost is \$75 per golfer or \$300 per team.
