

**Independent Student
Verification Worksheet
2023-2024**

Your 2023–2024 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, a comparison of your FAFSA with the information on this worksheet will be done along with any other required documents. If there are differences, your FAFSA information may need to be corrected. You, and spouse, if married, must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to our office. Additional information may be requested. If you have questions about verification, contact our office as soon as possible so that your financial aid will not be delayed.

Please Read Instructions: Complete this section if you (or your spouse, if married) filed or will file a 2021 income tax return With the IRS. The best way to verify income is by using the IRS Data Retrieval Tool that is part of the FAFSA on the Web. If you have not already used the tool, go to FAFSA.gov, log into your FAFSA record, select “Make FAFSA Corrections,” and navigate to the Financial Information section of the form. From there, follow the instructions to determine if you are eligible to use the IRS Data Retrieval Tool to transfer 2021 IRS income tax information into your FAFSA.

Check the box that applies:

- I have used the IRS Data Retrieval Tool in FAFSA on the Web to retrieve and transfer my (and, if married, my spouse’s) 2021 IRS income information into my FAFSA, either on the initial FAFSA or when making a correction to the FAFSA. (The school will use the IRS information that was transferred in the verification process.)
- I have not yet used the IRS Data Retrieval Tool in FAFSA on the Web, but will use the tool to retrieve and transfer my (and, if married, my spouse’s) 2021 IRS income information into my FAFSA once I have filed a 2021 IRS tax return. (See instructions above for information on how to use the IRS Data Retrieval Tool.) The verification process cannot be completed until the IRS information has been transferred into the FAFSA.
- I am unable or chose not to use the IRS Data Retrieval Tool in FAFSA on the Web, and will submit to the school a **2021 IRS tax return transcript**—or a signed photocopy of my 2021 income tax return. To obtain an IRS tax return transcript, go to www.IRS.gov and click on the “Get Your Tax Record” link, or call 1-800-908-9946.
