

# WOMEN'S LEADERSHIP CIRCLE

GLENVILLE STATE UNIVERSITY

## Scholarship Application

The Women's Leadership Circle (WLC) is a women's giving circle created and sponsored by the Glensville State University Foundation. Founded on the basis of fellowship, opportunity, and philanthropy, the WLC envisions a community of female givers who provide opportunities and support to female students at Glensville State University. In addition to aiding projects on campus, members will help create a culture of female empowerment on the GSU campus and surrounding community, helping women to prepare for and grow in their careers and leadership positions.

Applicants should complete the form below and attach a personal statement (500 words or less) addressing the following:

- What do you believe are the biggest challenges female leaders face in the workplace and other professional settings? Why is female leadership so valuable in our society?
- How do you see yourself giving back or supporting Glensville State University after graduation?
- What are your goals for the future, and how will the Women's Leadership Circle Scholarship help you achieve those goals?
