Call to order @ 10:26 AM by Tom Ratliff

Updates on Current Campus Projects:

- A pre-bid meeting was held to open the bid for Health Sciences
- Demolition of Louis Bennett Hall is being discussed and how this will affect office moves as well as the Print Shop location.
- Energy Project options are being discussed.
- Clark Hall remodel quotes are being obtained. The Grand Opening is projected to take place before graduation.

Discussion of Unused Facilities and Future use of those Facilities:

- There will be no demolition of Pickens Hall. A walkthrough of Pickens will be done to determine plans for remodeling.
- Funding is being worked on for the Football Field rebuild.

- Quotes for locks are being obtained. The proposed lock system will be able to be expanded to the rest of campus.

Discussion of Safety Concerns:

- Frontier was contacted to fix the lines at the slip below the PE Building parking lot.

BIT Discussion:

- The BIT Team is continuing to have emergency meetings with successful results.

Other Discussions, Updates, and Concerns:

- Elevator buttons are still being vandalized and damaged.
- The Campus Carry Committee is in communication with multiple other institutions to find out what they are putting into place to implement the new Campus Carry Law.
