

HEALTHCARE ADMINISTRATION

MASTERS IN BUSINESS ADMINISTRATION

GLENVILLE STATE UNIVERSITY

LEADING HEALTHCARE, SHAPING FUTURES

Program Overview:

The Healthcare Administration specialization at GSU is an extension of the MBA program that combines practical case studies, hands-on assignments, and a focus on real-world challenges, empowering graduates to make meaningful impacts in the healthcare industry and their organizations.

For students with no prior healthcare experience, the program emphasizes real world case studies, financial decision making and management skill sets that apply to both the health care industry and more.

Flexible Online Learning

This program is ideal for mid-level healthcare professionals who are eager to advance in their careers. These individuals typically have strong clinical or administrative experience, an understanding of healthcare workflows, and a proven track record in operational management.

If you are motivated by the desire to transition into senior leadership roles, such as Hospital Administrator or Healthcare Operations Director, with a focus on driving strategic change and improving healthcare systems, this degree specialization is for you.

Designed for You

Designed for busy professionals, the Healthcare Administration program offers asynchronous courses that can be completed at your own pace, allowing you to balance your education with work and personal commitments, all while building a strong professional network.

Expanding Careers & Advancement

Healthcare administration roles are growing rapidly, with a **28%** job increase expected within the next decade, providing graduates with job security and long-term career stability.

Potential Healthcare Career options include:

- Hospital Administrator
- Healthcare Consultant
- Director of Healthcare Operations
- Patient Services Manager
- Director of Nursing
- Public Health Administrator
- Healthcare Compliance Officer

Non-Healthcare Related Careers:
