Glenville State College prepares and inspires students to be thoughtful, productive, engaged, and responsible citizens who contribute to the well-being of their community, state, nation, and world.

2. Sending an email from Brightspace does not put a copy of the email in your sent box. However, Brightspace adds your email to the BCC therefore you will have a copy in your inbox. Make sure you give the email a subject and always be as descriptive as possible when communicating with your students.
