## View Student Access

You can view how active your students are in your course.

1. Click on “**Class Progress**” in the navigation bar of any course. You will see a list of students enrolled in the course.

**Note** that “**System Access**” is when the student has accessed Brightspace not your course.

The “**Content Completed**”, “**Quizzing**”, and “**Grades**” are also valuable for determining a student's progress.

The screenshot shows the 'Class Progress' page in Brightspace. The navigation bar at the top includes 'Course Home', 'Content', 'Assignments', 'Discussions', 'Quizzes', 'Classlist', 'Grades', 'Class Progress' (circled in red), and 'Course Tools'. Below the navigation bar, the 'Class Progress' title is displayed. A filter dropdown is set to 'All Users'. A table lists student progress:

Name	System Access	Content Completed	Quizzing	Grades
Morrison, Cory cory_learner 6667	No system accesses	0 % Completed: 0 / 2	No scores received	No grades
Student, IT IT.Student IT.Student	No system accesses	0 % Completed: 0 / 2	90 %	No grades
Student, Test test.student test.student	No system accesses	0 % Completed: 0 / 2	No scores received	No grades
Test, Brightspace Brightspace.Test Brightspace.Test	No system accesses	0 % Completed: 0 / 2	No scores received	No grades

At the bottom of the table, there is a pagination control showing '1 / 1' and a dropdown for '10 per page'.
