Hello Students,

Welcome to the Glenville State University Dual Credit/Enrollment Program! We at GSU are eager to have the opportunity to help High School students across the state of West Virginia get an early start on a quality college education.

The Glenville State University Dual Credit/Enrollment Program allows students from across the West Virginia an opportunity to meet high school and college requirements at the same time – hence the name “Dual Credit.” In addition, high school students can opt for a number of courses that earn college credit but are not part of the high school curriculum - hence that name “Dual Enrollment.” GSU currently enrolls 500 to 600 students each semester through educational partnerships with 19 counties across the state.

Students who complete coursework as a dual enrollment/credit student through Glenville State University are being proactive, as they are getting a “jump-start” not only their college careers but also into their careers of choice. Several program opportunities are available to students enrolled at GSU Associates Degree Program, High School Honors; West Virginia Department of Education Grow Your Own Teachers; and the following pathways: Health Sciences, Social Services, Natural Resource Management, Business Management, and Criminal Justice.

Students who are not yet sure of their eventual career path can take general education courses or explore our course offerings across GSU's eight academic departments, earning college credit toward required or elective units in any public college or university in West Virginia.

Students who take part in any of GSU's educational opportunities are not only saving time but money as well! Glenville State currently offers dual credit enrollment courses at the lowest price in the history of the program: \$25 per credit hour, only \$75 per 3 credit hour course!

Best,

[Rachel A. Clutter](#)

Glenville State University

Director of Dual Credit/Dual Enrollment

Email: [rachel.clutter@glenville.edu](mailto:rachel.clutter@glenville.edu)

Office: (304)462-6129

## Becoming a GSU Dual Credit/Enrollment Student

- Be a Junior or Senior in High School
- 2.0 Cumulative GPA
- Submit ACT/SAT scores meeting GSU requirements for English, Science, and some Math courses (see page 6)
- Complete GSU Dual Credit/Enrollment Registration Card
- Be approved by your High School Counselor or Principal
- Submit a completed Glenville State University FERPA release form (see page 9)

# ACT/SAT Scores

The following courses have prerequisites that students must meet to enroll. Students may meet standardized test prerequisites with either ACT and/or SAT Scores, successful completion or concurrent enrollment in listed course OR passed set diagnostic exam with the required score listed below.

Diagnostic Exams must be completed by August 1st for Fall enrollment and January 1st for Spring enrollment

- **ENGL 101 - Critical Reading and Writing I**
  - ACT English 18 or higher
  - SAT 480 or higher
  - OR
  - English Diagnostic Exam must be passed with a 70% or higher.
- **BIOL 120 - Principles of Biology I**
  - ACT Math 21 or higher
  - SAT Math 530 or higher
  - Successful completion of or concurrent enrollment in MATH 115
- **CHEM101- General Chemistry I**
  - ACT Math 24 or higher
  - SAT Math 610 or higher
  - Successful completion of or concurrent enrollment in MATH 115
- **MATH 115 - College Algebra**
  - ACT Math 21 or higher
  - SAT Math 530 or higher
  - Successful completion of MATH 108 with a "C" or higher
  - OR
  - Math Diagnostic Exam must be passed with a 50% or higher.
- **MATH 256-Probability and Statistics**
  - ACT Math 21 or higher
  - SAT Math 530 or higher
  - Successful completion of MATH 108 with a "C" or higher
- **MATH 230-Euclidean Geometry**
  - ACT Math 21 or higher
  - SAT Math 530 or higher
  - Successful completion of MATH 108 with a "C" or higher
- **SCNC 101 - Earth Science**
  - ACT Math 18 or higher
  - SAT Math 470 or higher
  - Successful completion of MATH 108 with a "D" or higher
  - OR
  - MATH Diagnostic Exam must be passed with a 50% or higher.
- **SCNC 103 - Contemporary Biology**
  - ACT Math 18 or higher
  - SAT Math 470 or higher
  - Successful completion of MATH 108 with a "D" or higher
  - OR
  - MATH Diagnostic Exam must be passed with a 50% or higher.
- **HLTH 230 - Anatomy & Physiology I for Allied Health**
  - ACT Composite 18 or higher
  - SAT Composite 940 or higher
  - OR
  - MATH Diagnostic Exam must be passed with a 50% or higher.
- **HLTH 231 - Anatomy & Physiology II for Allied Health**
  - HLTH 130 with a grade of "C" or Higher

# Glenville State University Dual Credit/ Enrollment ACT/SAT Score Submission

*Scores must be submitted prior to the start of each semester. If scores are not submitted on time, your requested schedule may not be available due to lack of prerequisites.*

**GLENVILLE**  
**STATE UNIVERSITY**

**FERPA FORMS AND DIRECTIONS (RO – 03/22)**

**FERPA: FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT RELEASE FORM**

This form is required if you wish someone other than yourself to have access to your education records. Complete form with your full name and GSU student ID#. Acknowledge consent of release of education records by checking box. Enter names of individuals or agencies you are giving consent to have access to your records. You must also include a FERPA password so any individual or agency listed will be able to request information on your records over the phone or via email. Sign, date and submit form to the Registrar's Office. **Form will not be accepted or processed if it is not completed in its entirety. Please do not submit this form if it is already on file and there are no changes.**

**FERPA REVOCATION FORM**

This form is required if you have a FERPA Release Form on file with the Registrar's Office and you no longer wish to give consent for release of your education records to an individual or agency which was indicated on the original release form or you wish to remove the FERPA form entirely from your student record. Complete form with your full name and GSU student ID#. Acknowledge consent of removal of an individual/agency and list the name you wish to remove or request to revoke FERPA release by checking appropriate box. Sign, date and submit the form to the Registrar's Office.

**REQUEST TO PREVENT DISCLOSURE OF DIRECTORY INFORMATION FORM**

Directory information (as described on form) can be released without the consent of the student. This form is required if you wish to prevent disclosure of your directory information or to remove a previous request to prevent disclosure on file in the Registrar's Office. Please keep in mind, if you choose to withhold directory information, University officials will not be able confirm your enrollment or degrees awarded with third parties such as potential employers or insurance companies. Complete the form with your full name and GSU Student ID#. Sign, date and submit to the Registrar's Office. If removing previous prevention on file, check box at bottom of form, sign and date.

**PARENT/GUARDIAN REQUEST FOR ACCESS TO STUDENT'S EDUCATION RECORDS FORM**

You as the parent or guardian may complete and sign this form and submit it to the Registrar's Office. You must accompany this form with a signed copy of the preceding year's tax return to demonstrate the student is a dependent for federal income tax purposes. The copy provided must have either been completed by a third party (i.e., H&R Block) or be an official complete copy from the Internal Revenue Service or tax preparation software (i.e., TurboTax). Dollar amounts may be whited out or marked through if you prefer to not share this information. If a copy has already been provided to another office during the admissions process, please notify our office.

**This form and accompanying tax return will be required to be completed and submitted for each academic year your student is enrolled at Glenville State University.** If a new form is not submitted, your student's education records will no longer be released after the conclusion of the academic year indicated below. In addition, a student has the legal authority to notify the Registrar's Office if he or she is no longer your dependent for federal income tax purposes. If the Registrar's Office has been notified of this change and verifies the change, their education record will no longer be released to you unless the student signs and submits a "FERPA" Release Form" identifying you as having permission to their education records.

## **FERPA: Family Educational Rights and Privacy Act Release Form** (RO-03/22)

Registrar's Office 200 High Street, Glenville, WV 26351 304-462-4117 Fax 304-462-8619 registrar@glenville.edu

**Student Name:** \_\_\_\_\_ **GSU ID#:** \_\_\_\_\_

This form is to be used for the purpose of assigning rights of access to your Glenville State University education records under the Family Educational Rights and Privacy Act of 1974, commonly known as FERPA or the Buckley Amendment. FERPA is a federal law that protects the privacy of student education records.

Glenville State University is bound by FERPA in matters pertaining to rights of access and the disclosure of information in your educational records. Subject to FERPA requirements and provisions, the University may provide access to said information in accordance with your declaration, as indicated below. (NOTE: Your declaration on this form will take precedence in any instance of a conflicting declaration made by you on other GSU forms.)

**\*\*YOU MUST COMPLETE ALL SECTIONS OF THIS FORM IN ORDER FOR IT TO BE PROCESSED \*\***

**\*DO NOT COMPLETE AND SUBMIT IF THIS FORM IS ALREADY ON FILE AND THERE ARE NO CHANGES\***

☐ I consent to release or disclose my education records to:

**Must list below (parent, grandparent, guardian, spouse, agency, etc.)**

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

**TELEPHONE/E-MAIL ACCESS PASSWORD:** A FERPA password must be used by the individuals named above when requesting information via phone or e-mail. Access will not be permitted over the phone or e-mail without this password. **It is suggested you do not use your birth date, SSN or GSU ID#.** Your password can be any combination of letters, numbers or symbols.

**FERPA Password:** \_\_\_\_\_ (required for telephone or e-mail inquiries)

I understand that (1) I have the right not to consent to the release of my education records; (2) I have the right to inspect and review such records upon request; and (3) this consent to release or disclose shall remain in effect for my entire enrollment period at Glenville State University unless revoked by me by submitting a FERPA Revocation Form.

\_\_\_\_\_  
Student Signature

\_\_\_\_\_  
Date

**Return form to the Registrar's Office for processing.**

**Form will not be accepted or processed if it is NOT completed in its entirety.**

# Academic Calendar

The online GSU Academic Calendar contains all important dates to remember for each academic semester. Topics of interest include the following:

- First Day of classes
- Last day to add or drop classes without a "W"
- Last Day to withdraw from a class with a grade of "W"
- Last day of classes
- Last day to completely withdraw from University
- Final Exams
- Holidays
- Breaks

<https://www.glenville.edu/academics/academic-calendar>

Please note, the GSU academic calendar **does not** follow the typical high school calendar. Regardless of snow days or scheduled breaks from school, you will still be required to complete all online course schedule.

# Glenville State University Dual Credit/Enrollment

## Add/Drop or Withdrawal from a Course

### **What It means to Drop a course:**

When students drop a course, they officially unenroll from the class before the add/drop deadline. (Usually the first week of the semester. Please refer to the GSU Academic Calendar page 10.) The course is wiped clean from their academic record. Once the drop is completed, it is as if the student never registered for the class.

### **What it means to Withdraw from a course:**

When students withdraw from a course, they officially unenroll from the class after the add/drop deadline. The course appears on their academic transcript with the final grade showing as a "W." **Course withdrawals are not eligible for refunds.**

### **What it means to FIW a course:**

When students stop attending or submitting work for a class they are assigned a grade of FIW - Failure due to Irregular Withdrawal. The course appears on their academic transcript with the final grade showing as an "FIW." This is a failing grade and is treated as an "F" for purposes of grade point average calculation.

OR

[https://www.cognitoforms.com/GlenvilleStateCollege1/  
dualenrollme ntadddroporwithdrawform](https://www.cognitoforms.com/GlenvilleStateCollege1/dualenrollme ntadddroporwithdrawform)

## Academic Repeat Policy

Students earning a grade of "D" or "F" (including failures due to irregular (FIW) withdrawal) on any course taken prior to the receipt of a baccalaureate degree may repeat up to twenty-one (21) hours and the original grade shall be disregarded and the grade or grades earned when the course is repeated shall be used in determining the grade point average. The original grade will not be deleted from the student's record.

In upper level courses (300-499), a student may request permission to repeat up to eight (8) credit hours of a grade of "C." To obtain written permission from the Department Chair of the academic unit where the student's major is housed, the student must submit a Request to Repeat a Grade of "C" in an Upper Level Course Form before enrolling in the course they are repeating. When the form has been approved by the appropriate Department chair, it must be submitted to the Registrar's Office for processing.

The "D" or "F" repeat is capped at twenty-one (21) credit hours including any request for a "C" repeat in an upper level course. For example, if you request to repeat 6 hours of C, you would be left with 15 of D and/or F that course be repeated and disregarded for determining the grade point average. Grades disregarded in GPA computation under the Academic Forgiveness Policy are not counted in the twenty-one (21) credit hour cap.

After 21 hours (including up to 8 hours of C) have been repeated, all course attempts are utilized in the computation of the grade point average.

## Academic Integrity

Glenville State University requires adherence to the University's standards of academic integrity. While every case of academic dishonesty cannot be listed exhaustively, the following examples represent some basic types of behavior that are unacceptable and also represent those items for which students may be sanctioned.

1. Cheating
2. Plagiarism
3. Self-Plagiarism
4. Fabrication
5. Obtaining an Unfair Advantage
6. Aiding and Abetting Academic Dishonesty
7. Falsification of Records and Official Documents:
8. Unauthorized Access

### Procedures for Handling Cases of Academic Integrity

Although the specific circumstances of the academic integrity and the professor's individual course policy (as provided to the student in the syllabus) will determine the outcome in each circumstance, the punishment will typically be as follows:

- For the first offense, the student will fail the assignment
- For a second offense (in the same course or in different courses), the student will fail the course
- For a third or subsequent offense, the student will be suspended from the university for the following semester (fall or spring). If the suspension is imposed for fall semester, the student will also not be permitted to enroll in the preceding summer term.
- Particularly egregious offenses may receive more severe penalties, even on the first offense.

Please see the Glenville State University Undergraduate Catalog (pg. 70 -71, digital; pg. 64-65, print) for a detailed description of each example of Academic Integrity and an in-depth explanation of how cases of academic integrity are handled.

[https://www.glenville.edu/sites/default/files/2024-12/2024-2025\\_undergraduate\\_catalog\\_v5\\_0.pdf](https://www.glenville.edu/sites/default/files/2024-12/2024-2025_undergraduate_catalog_v5_0.pdf)

## Textbook and Course Materials

To purchase your textbooks for the upcoming term please follow the link below. Please refer to the previous email you have received providing you with instructions on how to view your course schedule in EdNet.

<https://glenville.bncollege.com/course-material/course-finder>

The Pioneer Store offers the Barnes and Noble First Day Complete Program. B&N First Day Complete provides all required textbooks, lab manuals, access codes, and digital textbook versions to GSU students who have "opted-in" to the program. Students who "opt-in" will be charged \$27 per credit hour for each credit hour they are enrolled in, on top of tuition cost.

If you would like to *opt-in* to the Barnes and Noble First Day Complete Program please complete the form on the following page.

If you DO NOT complete the Barnes and Noble First Day Complete form on the following page, you will be responsible for the cost of all textbooks and materials.

**GLENVILLE**  
STATE UNIVERSITY

## Glenville State University – First Day Complete Textbook Program

The Pioneer Store offers the Barnes and Noble First Day Complete Textbook Program. B&N First Day Complete provides all required textbooks, lab manuals, access codes, and digital textbook versions to GSU students who have "opted-in" to the program. Students who "opt-in" will be charged an additional \$27 per credit hour for each credit hour they are enrolled in, on top of tuition cost.

### **With the First Day® Complete program, you will:**

- Receive all your course materials before the first day of class
- Save 35-50% on the cost of course materials each term
- Benefit from a highly personalized concierge service

By completing this form, you will be "opted-in" to the Barnes and Noble First Day Complete Textbook Program. Emails from the Pioneer Campus Store will be sent directly to your GSU Student email account with information on how to receive your textbooks. Please note, shipping for physical textbooks should cost approximately \$7.99.

# FIRST DAY COMPLETE

## Your Textbook & Course Material Program

**First Day Complete** was developed to provide a more affordable and convenient way for students to get their course materials each term.

---

## HOW IT WORKS

### 1. Register for Classes.

Upon registering for classes, you will automatically be enrolled in the program. A course charge will be applied to your student account, saving you an average of 35-50% on the cost of course materials.

### 2. Verify Your Order.

Starting 30 days before the first day of classes, you will receive an email to verify your order and select how you would like to receive your course materials. You will also be able to verify your order through the bookstore website.

### 3. Receive Your Textbooks.

An email notification will be sent when your order is ready for pickup or when it ships. Your digital materials will be delivered for your course(s) within D2L Brightspace.

---

## LEARN MORE

To learn more visit <https://www.glenville.edu/first-day-complete>

The Glenville State University Natural Resource Management Pathway is designed for high school students across the state of West Virginia who are eager to get a jump start on a college degree within the Natural Resource Management field at Glenville State University.

- Forestry
- Environmental Science
- Wildlife Management
- Criminal Justice (DNR)

Students who choose to participate in the GSU Natural Resource Management Pathway will earn a total of 24 college credits during the duration of their enrollment, helping them become better prepared for a successful transition into their chosen degree path and future career.

# Grow Your Own West Virginia

## High School Pathway

2025 - 2026 Academic Year

In collaboration with the West Virginia Higher  
Education Policy Commission and the  
West Virginia Department of Education

## About the Program

Grow Your Own West Virginia is designed to seek promising local high school students and facilitate a career path for them to pursue a career in education. The “Grow Your Own (GYO) West Virginia Teaching Pathway” is designed to address West Virginia’s critical teacher shortage. Through the program, high school students who want to become classroom teachers can fast-track into their careers through a combination of dual enrollment/Advanced Placement courses, and an accelerated pathway. Through this pathway, students can graduate from a partner institution of higher education, like Glenville State University, with a bachelor’s degree.

## How it Works

Participating K-12 counties identify and recruit students to participate in the “Grow Your Own West Virginia Teaching Pathway” program. High school counselors and partnering institution faculty advisors assist students with scheduling, financial aid, testing requirements, etc. Students graduate from their high schools with a goal of a minimum of 24 - 30 hours of dual enrollment/AP credits, including the four introductory education courses from Glenville State University. During the junior and senior years of high school, students participate in coordinated field placements in county schools.

## GYO WV at Glenville State University

### *Required Dual Credit Core Courses for GYO WV (4 courses)*

- EDUC 203 - Foundations of Education (3 Credits) - 10 field experience hours.
- EDUC 205 - Educational Psychology (3 Credits) - 20 field experience hours
- EDSP 220 - Introduction to Educating Exceptional and Culturally Diverse Students (3 Credit) - 20 field experience hours.
- CSCI 267 - Computer Skills for Education (3 Credits)

Additional 12 hours of dual enrollment or dual credit courses to total 24-30 hours. Options typically taken are listed below, but may include any in-person dual credit or online dual enrollment credit course for which a student meets the prerequisites. Qualifying AP test scores may also be used to meet the 24-30-hour requirement.

- ENGL 101 Critical Reading and Writing I
- ENGL 102 Critical Reading and Writing II: Research Writing
- MATH 108 Introduction to College Math
- MATH 115 College Algebra
- HIST 207 United States History to 1877
- HIST 208 United States History since 1877
- CART 101 Introduction to Public Speaking

## Associates Degree Program

**Open to ALL Students meeting requirements**

**GLENVILLE**  
**STATE UNIVERSITY**

## Associates Degree in General Studies Program Information

Students who wish to earn an Associate's Degree in General Studies by the time they graduate high school will need to begin taking courses in the fall of their junior year of high school.

Students will take either Dual Enrollment courses face-to-face at their high school or enroll in Dual Enrollment Online Courses.

Students will need to take 15 credit hours each semester, totaling 60 credit hours to complete the program. If a student wishes to take a lightened load of credit hours one or more each semester there will be summer course options available that may be used to catch up.

As a requirement for an Associate's Degree, students will need to choose an area of interest in which they will take 12 credit hours out of the 60 required.

AP Credits and Transfer Credits are also accepted for program completion.

Current available areas of interest are as follows: *Business, Criminal Justice, Education, Fine Arts, Land Resources, Language and Literature, Science and Math, Health Science, or Social Science*. Once an area of interest has been chosen, students will be given further information on courses in that particular area of interest.

Each semester students who have enrolled in the GSU Dual Enrollment Associates Degree Program will be advised by the Off-Campus Programs staff.

## Dual Enrollment/Credit Cost and Invoicing

Students who take advantage of this wonderful educational opportunity are saving money while preparing for college, as Glenville State is currently offering dual enrollment/credit courses at the lowest price in the history of the program: \$25 per-credit-hour, \$75 per 3 credit-hour course!

Students participating in one of the following six pathways can complete up to 30 credit hours at no cost to them or their families. Each pathway covers tuition and textbook rental cost. Students who wish to participate in one of the following pathways will need to indicate on their GSU Dual Enrollment/Credit Registration Card which pathway they would like to participate in.

- Natural Resource Management Pathway
- Social Services Pathway
- Health Sciences Pathway
- Grow Your Own WV - Education Pathway
- Business Management Pathway
- Criminal Justice Pathway

Students not participating in one of the six pathways listed above or who do not attend a high school that pays for their students are responsible for tuition and textbooks cost. Invoices are mailed to each students address that was provided to GSU on their initial GSU Dual Enrollment/Credit Registration Card. Invoices are mailed to students each semester on the corresponding dates below.

- Fall - October 1st
- Spring - February 1st
- June 1st

*Please note: Students participating in a pathway will take full responsibility of payment of any course that they choose to withdraw from after the last day to add or drop a course without penalty. Individual course costs are **ONLY** covered if completed.*

Students can pay in one of the following ways: In person (cash, check, or money order) at the GSU cashiers office, over the phone by credit card, or online by using the directions included below.

GSU Department  
of Education

### ABOUT THE DEPARTMENT

The Department of Education prepares teachers who will be equipped to instruct students in the modern classroom. GSU graduates train to become skilled and reflective teachers with a thorough understanding of subject content, along with well-developed capacities in instruction, classroom management, evaluation, and educational applications of technology. Students also learn techniques that help ensure responsive action, improvements to the learning/teaching process, and continued professional growth.

### HOME GROWN PROGRAM AT GLENVILLE STATE

Glenville State University has created a scholarship program to help qualified West Virginia students who want to return to teach in their home counties. The Home Grown program is for newly enrolled, first year students at GSU. In addition to a scholarship, students in the program receive Praxis preparation support, mentoring, and more. Ask a counselor or contact the Department of Education to learn more.

### ABOUT THE PROGRAM

The College of Health Sciences at Glenville State University offers a Bachelor of Arts in Health and Physical Education which prepares students for teaching careers in physical education and/or health education. The program promotes the development of professionals who will advance the fitness, psychomotor, cognitive and affective learning of school-aged children.

Glenville State has a longstanding tradition in teacher preparation, offering many opportunities to engage in authentic teaching opportunities before you graduate. You will be taught by faculty in the College of Health Sciences and the Department of Education, so that you learn from a broad spectrum of experts in the field. Courses explore the teaching and evaluation of physical fitness and a healthy lifestyle. You will learn to improve the fitness and health of students, as well as faculty and staff, through games, sports and other physical activities. Graduates of the program receive Health and Physical Education (PreK-Adult) professional educator's license from the West Virginia Department of Education.

This program will be a good fit if you:

- Enjoy physical activity and sports
- Lead a healthy lifestyle.
- Work well with children of all ages.
- Are patient and creative

### ABOUT THE PROGRAM

The College of Health Sciences offers a Bachelor of Science in Health & Human Performance. Students earning this degree acquire the knowledge and technical skills for a variety of career paths in the rapidly growing fields of fitness, health, human performance, and wellness. Graduates of the program are prepared to enter the workforce or to pursue advanced degrees in their major field of study or a related field.

Students in the Exercise Science major receive a core foundation in anatomy & physiology, evaluation & rehabilitation techniques for orthopedic injuries, exercise physiology, exercise testing & prescription, and kinesiology. The major includes 17 credit hours of elective coursework to allow interested students to complete the prerequisite courses for admission into graduate programs in kinesiology and multiple allied health professions. Additionally, students will be able to sit for the American College of Sports Medicine Certified Exercise Physiologist (ACSM-EP) where they will have the ability to work with individuals ranging from athletes to those with controlled medical conditions.

In addition to the above graduate degrees, students may also continue their education by pursuing a graduate degree in exercise physiology, orthotics/prosthetics, and more.

## AT GLENVILLE STATE UNIVERSITY

### Potential career options:

The Health Sciences concentrations are designed for students interested in pursuing professional education in one of the following eight healthcare fields:

- Athletic Training
- Chiropractic
- Dental
- Medical
- Occupational Therapy
- Pharmacy
- Physical Therapy
- Physician Assistant

### Get involved:

Take part in developing professionally through practicums, internships, and clinical experiences to meet experiential educational objectives. You can meet new friends as you get involved and become part of something bigger by joining student organizations. Glenville State University has a variety of academic, social, and special interest student organizations.

### Scholarships & Financial Aid

Glenville State University awards academic merit scholarships to students based on their high school grade point average and standardized exams (ACT or SAT). In addition, the Glenville State University Foundation offers additional scholarships

**Apply online at:**

[www.fafsa.ed.gov](http://www.fafsa.ed.gov).  
GSU's federal financial aid school code: 003813

### ABOUT THE PROGRAM

The College of Health Sciences offers a Bachelor of Science in Health Sciences. The degree was designed to provide a seamless transition for undergraduate students interested in pursuing eight graduate degrees in the fields of medicine and allied health: Athletic Training, Chiropractic, Dental, Medical, Occupational Therapy, Pharmacy, Physical Therapy, and Physician Assistant.

All students earning a Bachelor of Science in Health Sciences take the same 44 credit hours of coursework to provide a core foundational knowledge in healthcare. Each of the eight concentrations has 32 credit hours of coursework to meet the typical prerequisite requirements for the specific professional health-related program. Finally, each concentration has 14 credit hours of electives to allow students to take any unique courses required by a specific program or to simply strengthen their academic background.

### ABOUT THE PROGRAM

The College of Health Sciences offers a Bachelor of Science in Health & Human Performance. Students earning this degree acquire the knowledge and technical skills for a variety of career paths in the rapidly growing fields of fitness, health, human performance, and wellness. Graduates of the program are prepared to enter the workforce or to pursue advanced degrees in their major field of study or a related field

Students in the Wellness Management major receive the knowledge and skills to become advocates to improve the health outcomes in businesses, communities, schools, and individuals. The coursework provides a strong foundation on health and health issues; such as, disparities among vulnerable populations and exercise for populations with chronic conditions. Following completion of the program, students will be prepared to take the prestigious Certified Health Education Specialist (CHES) exam. The curriculum also includes grant writing and nonprofit leadership management to provide skills to develop innovative solutions to health issues. The Wellness Management major has the most flexibility of the three Health & Human Performance majors as students can tailor the program toward their specific career interests with six credit hours of restricted electives and twenty credit hours of general electives.

### ABOUT HEALTH AND HUMAN PERFORMANCE AT GSU

The College of Health Sciences offers a Bachelor of Science in Health & Human Performance with three majors: Athletic Conditioning & Coaching, Exercise Science, and Wellness Management. Students in these programs acquire the knowledge and technical skills for a variety of career paths in the rapidly growing fields of exercise, sport, and health. Graduates of the program are prepared to enter the workforce or to pursue advanced degrees in their major field of study or a related field.

All three majors require 24 credit hours of core courses in Health & Human Performance which provides students the flexibility to easily switch between the majors at the beginning of their degree. The individual majors then specialize with additional exercise science, health, and physical education courses to meet their specific career objectives. All three majors also include general elective credit hours to allow each student to further focus on their career goals.

### Get involved:

Students can join a number of clubs focused on health, science, and education, or choose from a number of other groups focused on special interests.

### ABOUT THE DEPARTMENT

Several degree programs are offered through the Department of Social Science at Glenville State, including a Bachelor of Arts in History and Political Science in Appalachian Studies and History and Political Science, a Bachelor of Science degree in Behavioral Science in Psychology, and a Bachelor of Arts in Education degree in Social Studies Education (5-9 or 5-adult.) Students majoring in psychology have recommended courses for those interested in specializing in clinical psychology, developmental psychology, and forensic psychology.

GSU's Department of Social Science is committed to offering high quality classroom instruction, providing professional and caring advising, and demonstrating a strong commitment to the values of a higher education community. The Department of Social Science offers a variety of opportunities and experiences that go beyond the formal classroom experience.

In addition to coursework, students are encouraged to be active and engaged citizens demonstrating leadership in campus and community activities. The department promotes and supports students interested in internships, work-ships, and other career-oriented opportunities.

GSU Department  
of Land Resources

@gsu\_landresources

### ABOUT THE DEPARTMENT

The Department of Land Resources prides itself on a "hands-on" approach to learning. Students are provided a teaching and learning experience that duplicates real world applications as closely as possible. Two associate of science degree programs are offered in Forest Technology and Land Surveying. Two baccalaureate degrees are offered in Land Surveying and Mapping and Natural Resource Management. The baccalaureate degree in Natural Resource Management takes advantage of the two associate degree programs in the Department of Land Resources and the strength of course offerings in other academic departments. The degree is developed around the general education baccalaureate degree component, a natural resource management core, four majors, and a block elective component. The four majors offered are criminal justice, environmental science, forest technology, and wildlife management.

Student organizations include the Forestry Club, the Environmental Science Club, and the Land Surveying Club. These groups promote camaraderie and provide opportunities for field trips, learning opportunities, and community service. Several scholarships are available specifically to students who are enrolled in the land resources programs.

### **ABOUT THE MAJOR**

The Department of Land Resources prides itself on a 'hands-on' approach to learning. Students are provided a teaching and learning experience that duplicates real-world applications as closely as possible.

The baccalaureate degree in Natural Resource Management is developed around the general education baccalaureate degree component, a Natural Resource Management core, a specific major, and a block elective component. Wildlife Management is one of the six 4-year Bachelor of Science majors offered under the Natural Resource Management program.

This Wildlife Management major is designed for students who want to pursue a career in wildlife management or pursue an advanced degree in wildlife. Through the Wildlife Management major, students will acquire knowledge of the life history, habitat, and ecological requirements of important game and non-game wildlife, learn to identify, classify, and name important flora and fauna endemic to the Appalachian region, demonstrate and apply wildlife management techniques and methods, develop office and field skills in the use of geospatial technologies, computer software, and quantitative analysis, and develop wildlife management plans.

### ABOUT THE MAJOR

The Department of Land Resources takes pride in its 'hands-on' approach to education, offering students an immersive learning experience that closely mirrors real-world applications. The Bachelor of Science degree in Land Surveying & Mapping is designed around three key components: a comprehensive general education foundation, a core curriculum in Land Surveying & Mapping, and an elective block tailored to broaden expertise. This degree is one of two four-year Bachelor of Science programs offered by the department, alongside a two-year Associate's degree option in Land Surveying.

The Land Surveying & Mapping degree provides a clear pathway for students with an Associate's degree in Land Surveying to advance to a baccalaureate level. Graduates are equipped with technical proficiency in land surveying and develop strong skills in geographic information systems (GIS), mapping, and resource management, preparing them for careers in both government and the private sector.

Additionally, this program meets the educational requirements for licensure as a professional land surveyor in most U.S. states and territories.

### **ABOUT THE MAJOR**

The Associate of Science in Forest Technology program at Glenville State University has been offered since 1968 and continues to be successful and in demand. The two-year degree allows students to complete the program promptly and then start their forestry career. Through classroom study, field trips, hands-on lab experiences, and an internship, students will acquire in-depth forestry knowledge and real-world forestry skills.

Students become knowledgeable and skilled in tree and wood identification, forest measurements, mapping, forest ecology, silviculture, timber harvesting, forest health, and forest management. Graduates pursue careers in wood products industries, consulting firms, state and federal government, and with utility companies. Glenville State University's A.S. Forest Technology program is one of only 25 programs nationwide that is accredited by the Society of American Foresters. This accreditation means that the program meets demanding nationwide standards and provides a high quality, rigorous education to students. The program is also a member of the Council of Eastern Forest Technician Schools (CEFTS).

Students interested in obtaining a bachelor's degree after they complete their two-year degree can seamlessly enroll in the Natural Resource Management program and major in forest technology. The four-year degree program opens up more employment opportunities in state and federal government agencies that require a bachelor's degree.

@glenville\_state

GSU Department of  
Science and Mathematics

Scan here  
to learn  
more!

### ABOUT THE DEPARTMENT

The Department of Science and Mathematics offers baccalaureate (four-year) degrees in biology, chemistry, and mathematics as well as Bachelor of Arts in Education degrees in mathematics (5-9 and 5-Adult), biology (9-Adult), chemistry (9-Adult), and general science (5-9 and 5-Adult). Many students major in biology and/or chemistry to prepare for professional schools such as medical, veterinary, and pharmacy schools.

GSU's relatively small size provides opportunities for personalized student-faculty interactions in both classroom and laboratory settings, with a balance of theoretical and applied instruction.

The biology degree allows students to concentrate on topics such as cellular biology, wildlife biology, or organismal biology. Similarly, the chemistry degree provides the flexibility to tailor the degree to prepare students for careers in chemistry laboratories as well as for graduate school or professional schools. Students who pursue the mathematics degree concentrate on applied topology, business, or science and engineering. Education majors spend three years in content courses followed by a year-long residency in a public school. Due to the high demand for science and mathematics teachers, graduates are quickly placed in teaching positions upon graduation.

Glenville State University students can benefit from partnerships between GSU and other West Virginia institutions. For example, students can enter the Marshall University Pharm.D. program after three years at GSU and after the first year at Marshall, receive a bachelor's degree in biology, chemistry, or interdisciplinary studies from GSU while completing the four years of pharmacy instruction at Marshall. Glenville State University also has a pre-osteopathic medicine program that provides a pathway for seamless admission into the West Virginia School of Osteopathic Medicine.

## SCHOLARSHIP GUIDE

Based off the 24-25 academic year. Each award varies in amount, renewal, and qualifications. For more information call the Office of Admissions at (304) 462-6130.

Awards cannot exceed tuition & fees

### MERIT SCHOLARSHIP

#### FIRST-TIME FRESHMEN

- Students without ACT/SAT Scores are only eligible for awards between \$750-\$1500

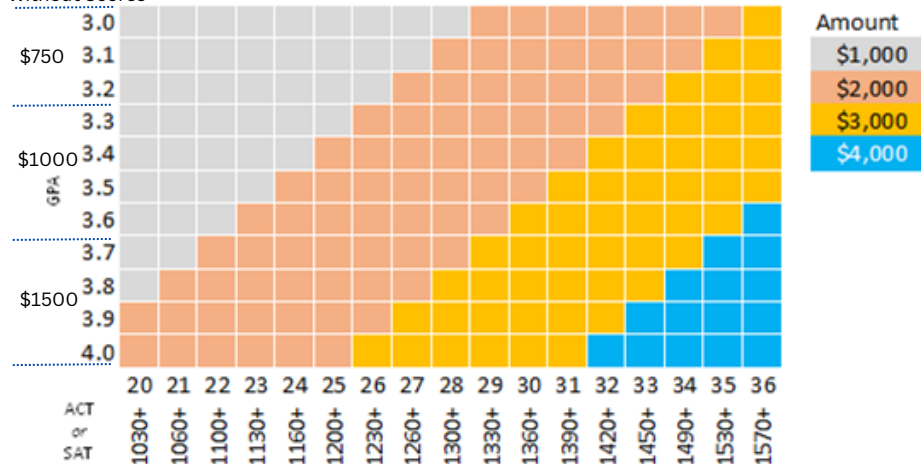

#### TRANSFER STUDENTS

- Must have a cumulative 3.0 GPA
- Awarded up to \$1500

#### Renewal Conditions

- Complete 30 credit hours per year
- Maintain a 3.0 GPA each academic year
- \$0 balance at the start of each term

Without Scores

### HOME GROWN SCHOLARSHIP

\$3000/ per academic year

- Incoming first-time freshman
- Newly enrolled student at GSU and be from ANY West Virginia County
- Student must be attending a WV Public School District
- Minimum ACT composite score of 20 or SAT composite score of 1030
- High School GPA of 3.0+
- Must be recommended/referred by their high school superintendent, principal, or counselor
- Must enroll in the BAED degree program in the area identified as "high need" by a school designee (counselor, principal, etc.)

#### Renewal Conditions

- Successful progression (3.0 GPA+) in teacher education course work and program

### GLENVILLE STATE UNIVERSITY FOUNDATION

(Amounts vary)

The Glenville State University Foundation, Inc. raises and awards funds to assist Glenville State University in reaching its mission. One of the main ways the Foundation achieves that goal is awarding monies to deserving students through annual scholarships and academic awards. In fact, each year, the GSU Foundation looks to award over 350 students nearly \$900,000 in scholarships. To be given priority consideration for a GSU Foundation Scholarship, students must apply for admission to the University and be fully accepted prior to June 1 of the current year. Incoming students must wait until they are registered for classes and have access to their GSU email accounts before gaining access to the application. Apply: [glenville.academicworks.com](http://glenville.academicworks.com)

### HIDDEN PROMISE

(\$1,000 per academic year)

- Hidden Promise Scholars are identified by members of the GSU staff and awarded by the Pioneer Support Center
- Incoming first-time freshman
- Must be first generation. First generation students are identified as students whose parent(s) or legal guardian(s) have not completed a 4-year college degree.

## MARCHING BAND

**(\$500- Fall Semester only)**

- Requires On-campus residency
- The department encourages students interested in participating to complete the Fine Arts prospective Student Information Form by visiting:  
[www.glenville.edu/departments/fine-arts](http://www.glenville.edu/departments/fine-arts)

## DEPARTMENT OF FINE ARTS

**(Amounts vary)**

- Must be an Art or Music major
- Interested students will attend an audition and are awarded at the discretion of the department
- Interested and qualified students must complete the Fine Arts Prospective Student Information Online Form for consideration:  
[www.glenville.edu/departments/fine-arts](http://www.glenville.edu/departments/fine-arts)

## New Pioneer Scholarship Opportunities

Awards are stackable, cannot exceed tuition & fees, and are available for new students in the Fall of 2025

### PIONEER LEGACY

**\$500 per academic year**

The Pioneer Legacy Scholarship is an award designed to honor the familial connection and enduring legacy of alumni within the GSU community. Qualifying students are those who can trace their lineage to parents and/or siblings who have previously or are currently attending GSU. This scholarship aims to recognize and support the ongoing tradition of excellence within the GSU family, providing opportunities for descendants to continue the legacy of academic achievement and community involvement.

### PIONEER BRIDGE

**\$500 per academic year**

Aimed at supporting first time freshmen who have excelled in their dual enrollment coursework, Pioneer Bridge scholars are identified as students who have completed dual enrollment credits with Glenville State University and attained a minimum GPA of 3.0. Recipients of the Pioneer Bridge Scholarship are eligible to receive \$500 per year. This financial support is renewable annually, contingent upon students maintaining a GPA of at least 3.0 and completing a minimum of 30 credit hours per academic year.

### PIONEER PROMISE

**Tuition- Free**

This prestigious award is designed to provide tuition-free assistance to eligible WV Promise Scholars who demonstrate outstanding promise and dedication to their academic pursuits. This scholarship offers a transformative opportunity to pursue higher education without deepening the financial burden associated with college. Eligible applicants must maintain all stipulations associated with the WV Promise Scholarship including GPA and minimum passed hours for renewal. Through this scholarship, we aim to empower students to thrive academically while alleviating financial barriers that may hinder their educational journey.

**Renewal Conditions**

- Must complete 30 credit hours each academic year
- Must maintain a minimum 3.0 each academic year
- Have \$0 balance at the beginning of each term
