The President will be having a speech but implored everyone to be vigilant during the event to make sure to answer questions.

VI. Executive Reports:

- i. Parliamentarian Tanner addressed the process of being put voted into positions. Explaining that the appointees will accept their positions and be sworn in. Before everyone departs from the meeting, newly sworn in members must sign a Code of Ethics. Making the individual liable for what any potential violation that may occur.
- ii. Secretary Report: For the sake of brevity, I will keep it short and to the point. As everyone works on Proclamations, Resolutions, and Bills. It would be advantageous to collect data about how students think about the situations we wish to change. That data reinforces and solidifies our actions as justified. Other than that, my role and responsibility is to record minutes during meetings. I implore everyone to address clerical errors found in minutes so that they are accurate. Everyone here is esteemed individuals that are here out of their own volition to provide invaluable work for the community at large. I want to make sure to spell your names correctly and write down the proper statements. That is the least I can do, truly is not a bother to me as it is my obligation.
