VII. Presidents Report- President Morgan stated that she was working on the committees and balancing them out. She also stated that she was able to attend several Graduation ceremonies including the Hidden Promise Scholars Banquet and the Graduation held in December. She also stated that she attended the Board of Governors Meeting where she learned that there might be future colleges incorporated in the University for example a College of Health.

VIII. Executive Reports

- a. Vice President- Nothing at this moment.
- b. Parliamentarian- Vacant
- c. Treasure- Nothing currently but hopes to have more information in the future.
- d. Secretary- She announced that there is going to be a meeting in the Mollohan cafeteria at 2:00 pm January 16th.
- e. Public Relations- He stated that he was able to attend the elections meeting which was very insightful, and he is excited about different events that the SGA can participate in.

IX. Assembly Reports

- a. Senator Watts talked about the NAFME organization going to the Mid-West Clinic in Chicago.
- b. Senator Wass added more information about the Mid-West Clinic and said that we had twelve representatives attend the clinic and Glenville State University was one of the only West Virginia colleges to attend. She also stated that she in the works of creating a resolution around visitor and restrictive parking.
- c. Representative Wagner made a notion that courses involving business should investigate different classroom due to them being too small and not having enough room. It was then stated back that since the Science Hall has been closed many of the classes have been moved and hopefully after the Science Hall is reopened the different courses will be able to go to their normal size classrooms.
- d. Representative Hoytt mentioned that the Criminal Justice Department chair will not be here so she will be switching the professor she normally gets into contact with.

X. Committee Reports
