IX. Committee Reports:

a. Curriculum Committee: Majority Leader Hypes shared

i. Significant changes:

- (a) The Fine Arts department will be changing course rotations on three classes. Two of those classes will be alternating to 18-month rotations because of lack of enrollment. The photography class will be increased in rotation, being offered every single semester due to interest.
- (b) The Honors Program will also be changing course rotation, so now if someone comes in with their associate's degree, they will still be able to be admitted into the Honors Program. They will be offering an honors section every single season instead of only in the fall.

- (c) The Math and Science department is also updating their course rotation, but it has not been finalized. All three departments (Fine Arts, Honors Program, and Math and Science) will be coming back with additional changes.

b. Academic Policy Committee: Pro-Temp Gauldin shared

- i. In the past meetings the procedures for Academic Integrity issues have been brought up and have asked to be brought up to the Deans and Chairs at their next meeting. At this past meeting, it was reported that many of the Deans and Chairs thought it was in the best interest of the students to wait to report the violation until a decision has been made.
- ii. There are issues with summer graduate laws within which graduating group, and they discussed that since there were a lot of things that go with changing the policy, a motion was passed to leave it until February so Alumni Council can talk about the change.
- iii. The FERPA Policy was brought up saying that the original policy was vague. There was more language added to who sees private documents, what "education records" is defined as and the rights of the FERPA.
- iv. Diploma Policy is for both undergraduates and graduates. It was created to have a document stating what diplomas are and how to get one in simple terms: how big they are, what comes on them, and the information on printing, digital and replacements.

X. Assembly Reports:
