

Centralized Tutoring Center

Located on the third floor of the RFK Library, we provide students with support in content-specific coursework, time management, and strategies for overcoming procrastination, staying focused, and minimizing distractions. Education majors benefit from the guidance of our upperclassman mentor, Ashley Johnson, who specializes in social science (5-A) education courses. In addition, the center offers tutoring in math, general education, history/political science/criminal justice, biology, chemistry and psychology. Writing Center

Located on the third floor of the Administration Building, the Writing Center offers students personalized support throughout every stage of the writing process. Staffed by trained Writing Consultants—who complete a dedicated preparation course before serving in this role—the center provides guidance on brainstorming, organizing ideas, drafting, revising, and polishing assignments. Consultants can also assist with citation styles and formatting. While they will not write papers for students, they are committed to helping students strengthen their own writing skills and build confidence as independent writers.
