

Centralized Tutoring Center

Located on the third floor of the RFK Library, we provide students with support in content-specific coursework, time management, and strategies for overcoming procrastination, staying focused, and minimizing distractions. Students benefit from the guidance of six upperclassmen mentors that complete a dedicated preparation course before serving in this role. In addition, the center offers tutoring in general education, history/political science/criminal justice, biology/chemistry, and psychology. To be certified as a qualified tutor, students must have successfully completed the course with a grade of B or higher, ensuring they are well-prepared to assist their peers. Our tutors are qualified to help in the following subjects:
